1. Overview

This Cookie Policy explains how PeopleXD, part of The Access Group (“Company,” “we,” “us,” or “our”), uses cookies and similar technologies to recognize you when you visit our websites at www.my.corehr.com or www.theaccessgroup.com (“Websites”). It explains what these technologies are, why we use them, and your rights to control our use of them.

In some cases, we may use cookies to collect personal information, or information that becomes personal if we combine it with other data.

1.1. What are cookies?

Cookies are small data files placed on your computer or mobile device when you visit a website. They are widely used by website owners to make their websites work or function more efficiently, as well as to provide reporting information.

Cookies set by us are called **first-party cookies**. Cookies set by parties other than us are called **third-party cookies**. Third-party cookies enable third-party features or functionality on or through the website (e.g., advertising, interactive content, and analytics). These parties can recognize your computer both when it visits our website and when it visits certain other websites.

1.2. Why do we use cookies?

We use both first and third-party cookies for several reasons:

- Some cookies are required for technical reasons to operate our websites. We refer to these as “**essential**” or “**strictly necessary**” cookies.
- Other cookies enable us to track and target the interests of our users to enhance their experience.
- Third parties may serve cookies through our websites for advertising, analytics, and other purposes.

More details are provided below.

1.3. How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your preferences at any time in your account settings. Alternatively, you will be re-prompted to confirm your preferences every 180 days to 6 months.

If you choose to reject cookies, you may still use our websites, though some functionality and areas may be restricted. You can also adjust your web browser settings to accept or refuse cookies. Because the methods vary between browsers, please check your browser's help menu for more information.

The types of first and third-party cookies served through our websites, and their purposes, are described below.

1.4. Essential Website Cookies

These cookies are strictly necessary to provide you with services available through our websites and to enable certain features, such as secure access.

Name	Purpose	Cookie Used
LaunchDarkly	A third-party service we use to safely roll out and manage new product features. This tracks the People XD Organisation ID that the user is logged into, to determine what features should be available. This ensures that when a user logs into People XD, they are presented with features that have been enabled for their instance. Items tracked are: • Organisation ID (Anonymised GUID) • Feature Flag Status	Third Party

Name	Purpose	Cookie Used
	• Browser Version • Session ID	
Visier	This is only applicable if People Analytics or Pay Planner modules are configured. A cloud-based people analytics and workforce intelligence platform that integrates HR data. Cookies are deployed to maintain the user's session with Visier when using the associated features.	Third Party
Operational Cookies	Data stored in cookies, Local Storage, or Session Storage. Used to recognize you when you sign in to use our services. Supports user authentication and session management. Used to recognise you when you sign in to People XD. This ensures that once you login your session with People XD remains active based on your defined authentication session policy. Items tracked are • Authentication token • Multi Factor Authentication "Do not ask for two factor for 30 days on this device" (If selected, the date is captured to track when this is expired)	First Party

Note: As PeopleXD can be accessed through the Access EVO ecosystem, additional cookies may be set. These are listed at <https://cookie.access-evo.com/policy-document>.

1.5. Functionality Cookies

These cookies enhance the functionality of our websites but are not essential. Without them, certain features (such as videos) may not be available.

Name	Purpose	Cookie Used
Intercom	Provides AI-enabled customer service via the Digital Assistant, supporting businesses across multiple channels with both AI and human support. Cookies deployed by Intercom support the user experience in using this feature are: • First seen • Signed up • Last seen • Web sessions • Browser language • Browser • Browser version • OS • Recent page views	First Party
Wootric	Customer experience management software and AI-powered platform for collecting customer feedback and measuring and improving customer satisfaction.	Third Party

1.6. How often will this Cookie Policy be updated?

We may update this Cookie Policy from time to time to reflect changes to the cookies we use or for other operational, legal, or regulatory reasons. Please check this page regularly to stay informed about our use of cookies and related technologies.

The date within document control at the top of this Cookie Policy indicates the last updated date.

1.7. Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at access.dpo@theaccessgroup.com.

Where relevant, our EU Representative can be contacted at core.dpo@theaccessgroup.com.
