1. Overview

1.1. Purpose of the Guide

The Purpose of this document is to provide guidance on Intelligent Payslips. This document covers:

- What Intelligent Payslips are.
- How to enable Intelligent Payslips.
- How Employees can Preview a Payslip

1.2. What are Intelligent Payslips

Intelligent Payslips allow employees to preview their payslips before payment is processed. This new functionality, accessible via the employee self-service (ESS) login, will provide staff with an early look at their payment details, fostering transparency and allowing any discrepancies to be addressed promptly.

2. Enabling Intelligent Payslips

Intelligent Payslips can be enabled from the Payroll Dashboard:

1. Go to **Manage Payroll**.
2. Expand the **3 dot menu** on the Pay Group you want to enable Intelligent Payslips for.
3. Click **Enable Preview Payslips**.

Manage Payroll

4. FAQ's

When do Payslips previews update?

Payslip previews update on the Payroll Validation job.

What happens if an employee has a key observation message and without payments this period?

This will be displayed on the Payslip preview as blank.

What happens if an employee has numerous allowances and deductions?

These are not grouped on the Payslip Preview and list continues.

5. Menu Options Required
