1. Introduction

1.1. Purpose of this Guide

This document provides guidance on how to use the *Payroll Checking* options to review information on the progress and status of the current payroll run.

1.2. Payroll Checking

At any point, after the Payroll Validation task, you can choose to:

- View Gross to Nett
- View Key Observations
- View All Observations
- Compare
- View / Generate control reports

Payroll Dashboard

2. View Gross to Nett

2.1. What is Gross to Nett?

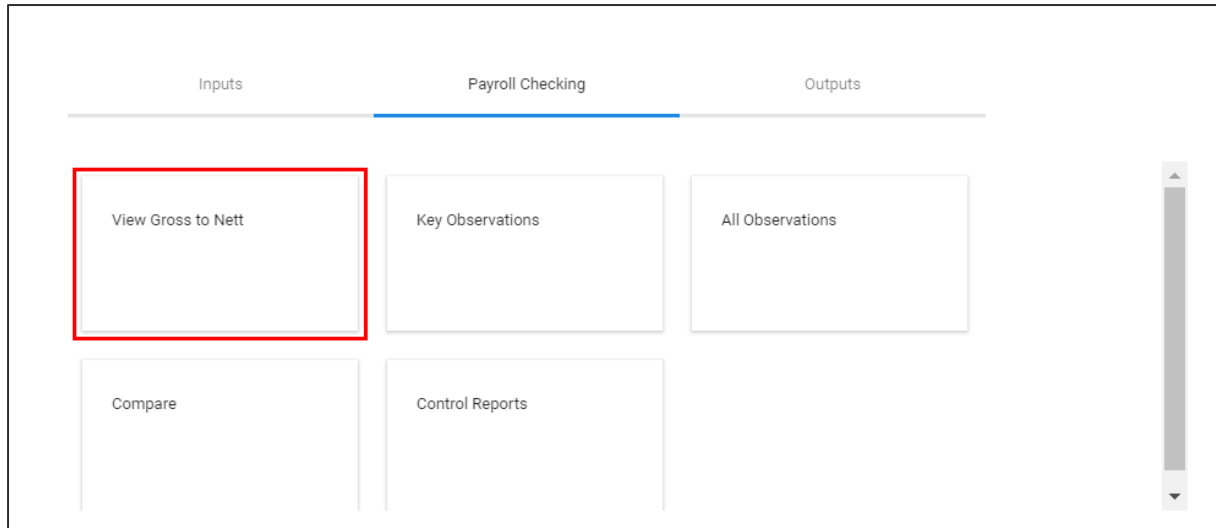

The *Gross to Nett* screen consists of all the employees in the selected pay group. It breaks down their current expected pay for this period into Gross and Nett figures, based on the inputs to date for the current payroll period.

2.1.1. Gross to Nett

To view this:

1. Go to *Payroll Dashboard > Manage Payrolls > Payroll Checking*.

Payroll: Payroll Checking for Current Pay Period

2. Click **View Gross to Nett**.

2.1.2. View Observations

Observations are any items that impact the employees' pay based on the current inputs for the current payroll run. For example, an employee who has zero nett pay or has no timesheet entries submitted. To view these, click the **Observations** tab.

Payroll: Payroll Checking for Current Pay Period

The screenshot shows the 'Payroll Checking for Current Pay Period' interface. At the top, there are three sections: 'Paygroup' (1011 Por Uk Pay Group), 'Calculation version' (v28.37b), and 'Payroll Period' (Dec-2018). Below these is 'Date/Time Created' (26/02/19 14:35:34). A navigation bar contains four tabs: 'Gross to Nett', 'Observations' (highlighted with a red box), 'Control Reports', and 'Minimum We'. Below the navigation bar is a search field with a magnifying glass icon. Below the search field is a table with three columns: 'Employee Reference', 'Message', and 'Name'. The table contains one row with the following data: '313149', '***** Employee Has No Associated Timesheet ...', and 'Edward Test'.

Employee Reference	Message	Name
313149	***** Employee Has No Associated Timesheet ...	Edward Test

If you have a large pay group, you can search the observations data. To do this:

1. Click the search field.
2. Enter the relevant search data, E.g. Employee Reference, Name or Text from Message column.

This screenshot is similar to the previous one, but it shows the search field in the 'Observations' tab. The search field is highlighted with a red box and contains the text '313149'. The 'Observations' tab is also highlighted with a blue bar. The table below the search field is the same as in the previous screenshot.

Employee Reference	Message	Name
313149	***** Employee Has No Associated Timesheet ...	Edward Test

2.1.3. View / Generate Control Reports

After the payroll validation step has been completed, the user can generate a series of reports, including:

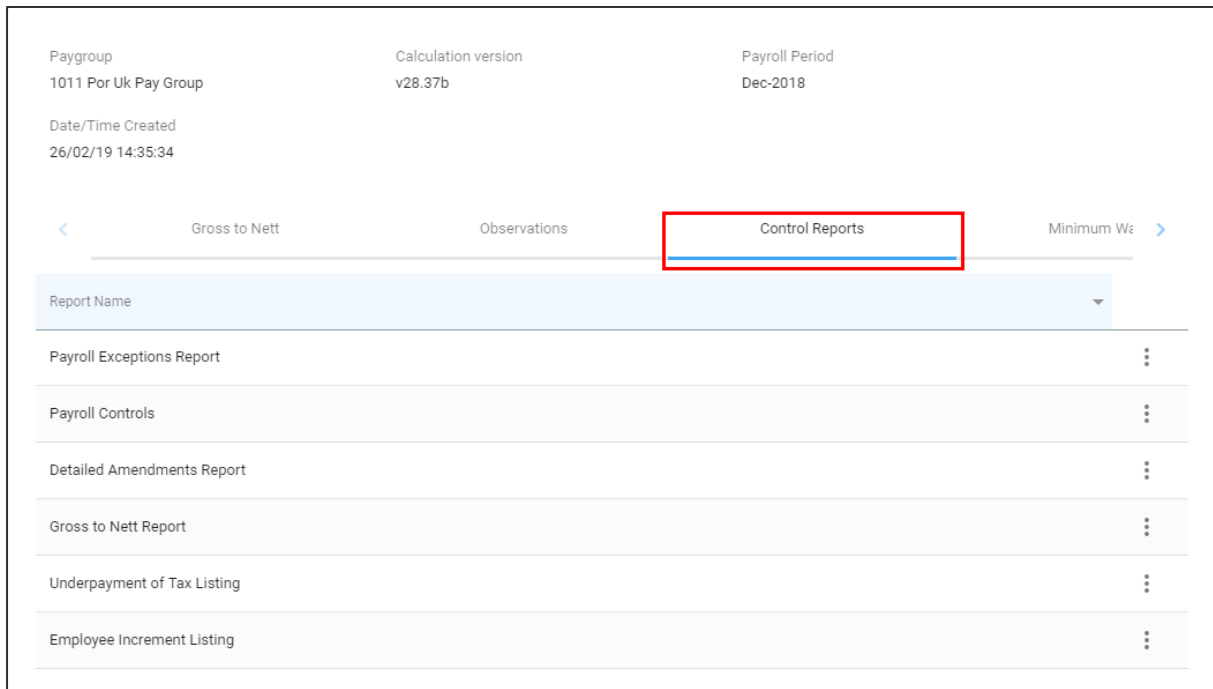

- Payroll Exceptions Report
- Payroll Controls

Payroll: Payroll Checking for Current Pay Period

- Detailed Amendments Report
- Gross to Nett Report
- Nett Pay Current / Previous Exceptions Report

See section [6.1 Control Reports](#) for more detailed information on these reports.

To do this, click the **Control Reports** tab.

The screenshot shows the Payroll Control Reports interface. At the top, there are three sections: Paygroup (1011 Por Uk Pay Group), Calculation version (v28.37b), and Payroll Period (Dec-2018). Below these, the Date/Time Created is 26/02/19 14:35:34. A navigation bar contains four tabs: Gross to Nett, Observations, Control Reports (highlighted with a red box), and Minimum We. Below the tabs, there is a dropdown menu for 'Report Name' and a list of reports with three-dot menu icons to their right:

Report Name	
Payroll Exceptions Report	⋮
Payroll Controls	⋮
Detailed Amendments Report	⋮
Gross to Nett Report	⋮
Underpayment of Tax Listing	⋮
Employee Increment Listing	⋮

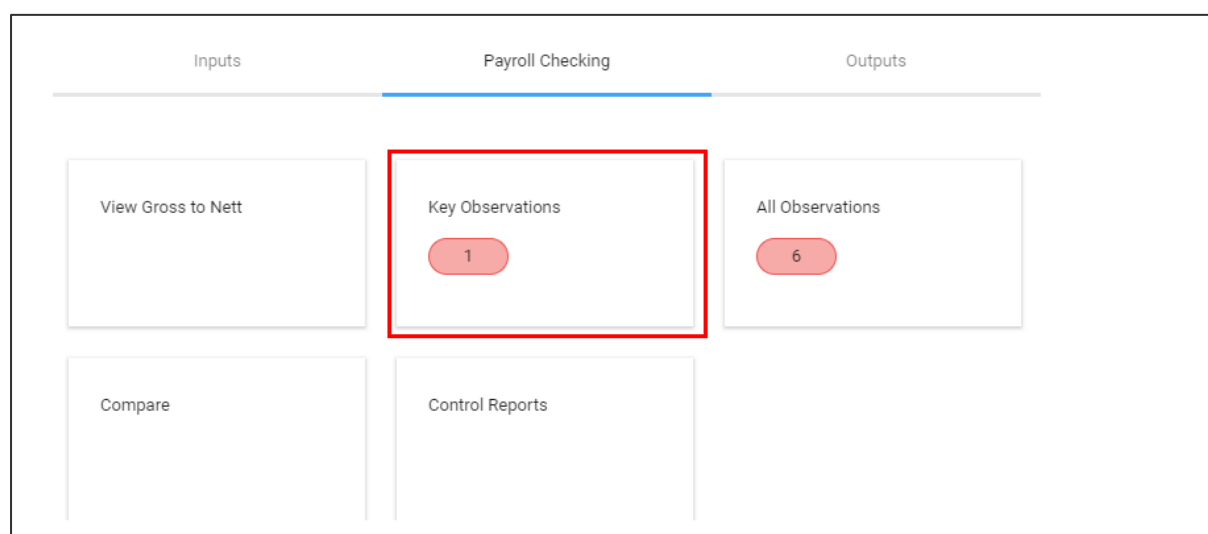

To generate a report:

1. Click the  button.
2. Select from the following options:
 - a. Send to Reports Centre
 - b. Export to Excel
3. Optional. Click the **View All Reports**. This will generate all reports and send them to the *Reports Centre*.

3. Key Observations

3.1. Observations V Key Observations

Type	Description
Key Observations	Key Observations are Error Messages indicating the employee will not be paid. Identified with ***
Observations	Most standard observations (see section 2.1.2 Observations) are informational only and don't require action or further investigation. For example: 'Employee is a Joiner and is being paid for the first time'.

3.2. View Key Observations

Any *Key Observations* will be displayed with a number on the **Key Observations** button. To view the detail, click the **Key Observations** button.

Payroll: Payroll Checking for Current Pay Period

Key Observations		All Observations
Search		Q
Employee Reference	Message	Name
313149	***** Employee Has No Associated Timesheet ...	Edward Test

In this example, no timesheet entries have been submitted for employee Tony Smith. This would be a reminder to submit the timesheets or continue to run payroll if there are no timesheets for Tony Smith this payroll period.

In situations where there are multiple Key Observations, the user can search the observations data. To do this:

1. Click the search field.
2. Enter the relevant search data, using any of the following
 - Employee Reference
 - Message Text
 - Name

**Note:**

Key Observations will not stop a payroll from running. However, they inform the user of potential issues which may impact the payroll for that period / for specific employees in

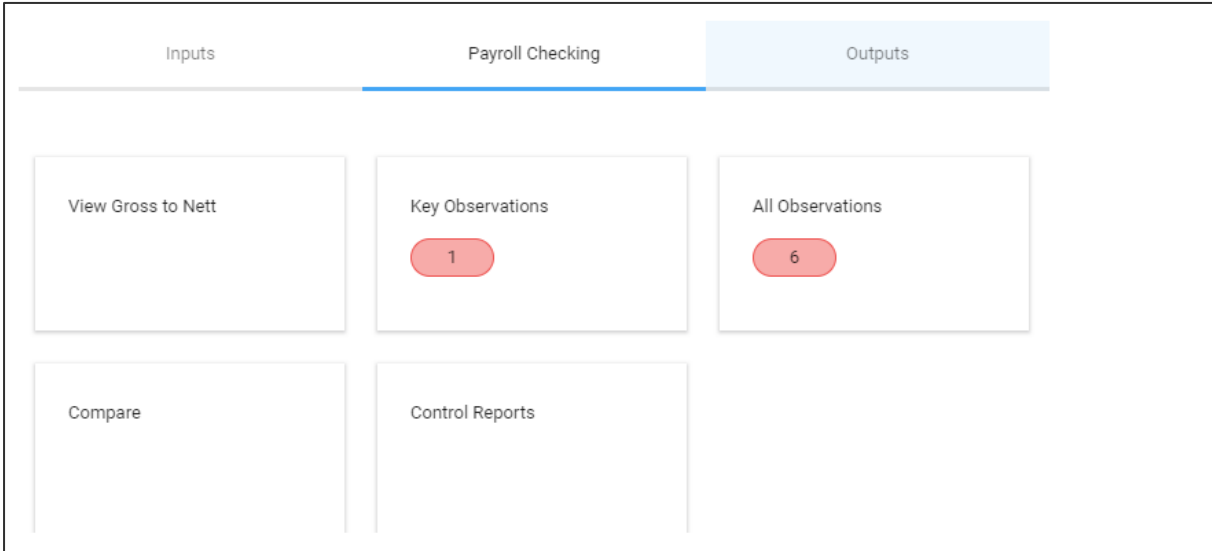

Key Observations clear down automatically after successful completion of the payroll period.

4. All Observations

4.1. What are All Observations

All Observations contain any observation which impacts payroll for the current period.

This is a copy of the information provided in the *Observations* tab in [section 2.1.2](#) above.

Type	Description
------	-------------

Key Observations	Key Observations are Error Messages indicating the employee will not be paid. Identified with ***. This may require further investigation or action by the user, i.e. No Timesheets entered for an employee.
All Observations	Includes <i>Key Observations</i> but may include status information which does not require action, i.e. <i>Timesheets Committed</i> for an employee.

To view *All Observations*, click the **All Observations** button.

Key Observations		All Observations
Search		Q
Employee Reference	Message	Name
313149	***** Employee Has No Associated Timesheet ...	Edward Test
313143	Employee Has No NI Number	Bkfileb Test
313143	Timesheet Cost Centre 10301000 Is Disabled, 313143...	Bkfileb Test
313143	Current Employment Cumulatives Reset As Employee ...	Bkfileb Test
313143	Auto Enrolment,721017-7 Eligible Job Holder Auto Enr...	Bkfileb Test
313149	Current Employment Cumulatives Reset As Employee ...	Edward Test

In situations where there are multiple observations, you can search the observations data. To do this:

1. Click the search field.
2. Enter the relevant search data
 - Employee Reference
 - Message Text
 - Name

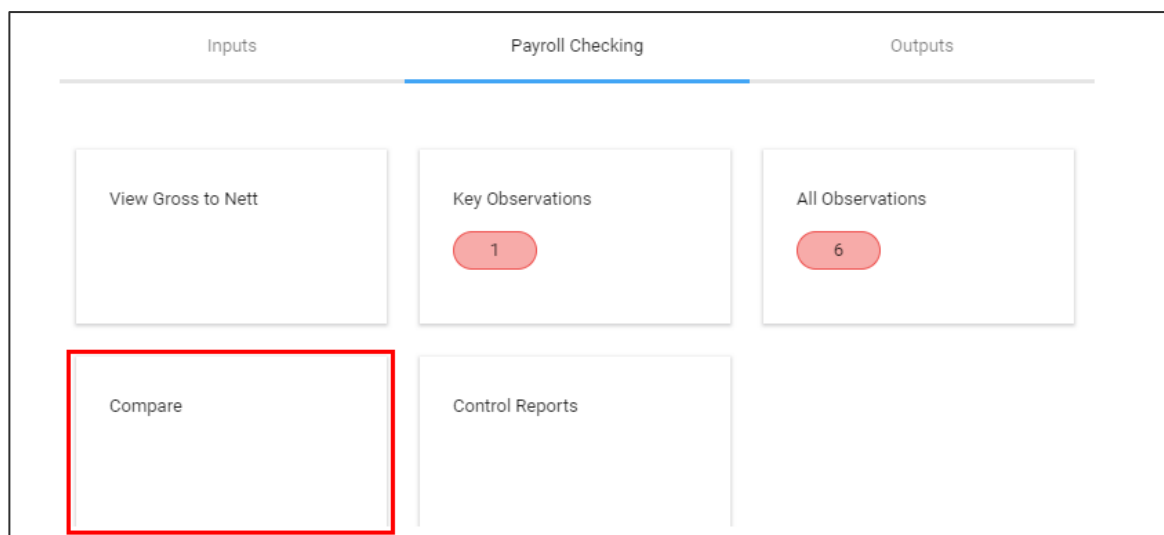

5. Compare

5.1. Compare Gross to Nett

The *Compare* option allows you to choose a *Gross to Nett* from a previous payroll period to compare with the current one. To do this:

1. Click the **Compare** button.

Payroll: Payroll Checking for Current Pay Period

2. Select a payroll period from the drop-down menu (maximum of up to 12 months previous).

This allows you to compare the following values across the 2 periods:

- Employees Paid
- Hours
- Gross Pay
- Pre-Tax
- EE NI
- Sundry Deductions
- Nett Pay
- ER NI
- ER Pension

This also populates a *Variance* row, which calculates the difference. This would be useful information for a user to know if the current period GTN figures are similar or matching with previous periods. Any unusual variances may potentially require investigation and further action.

Payroll: Payroll Checking for Current Pay Period

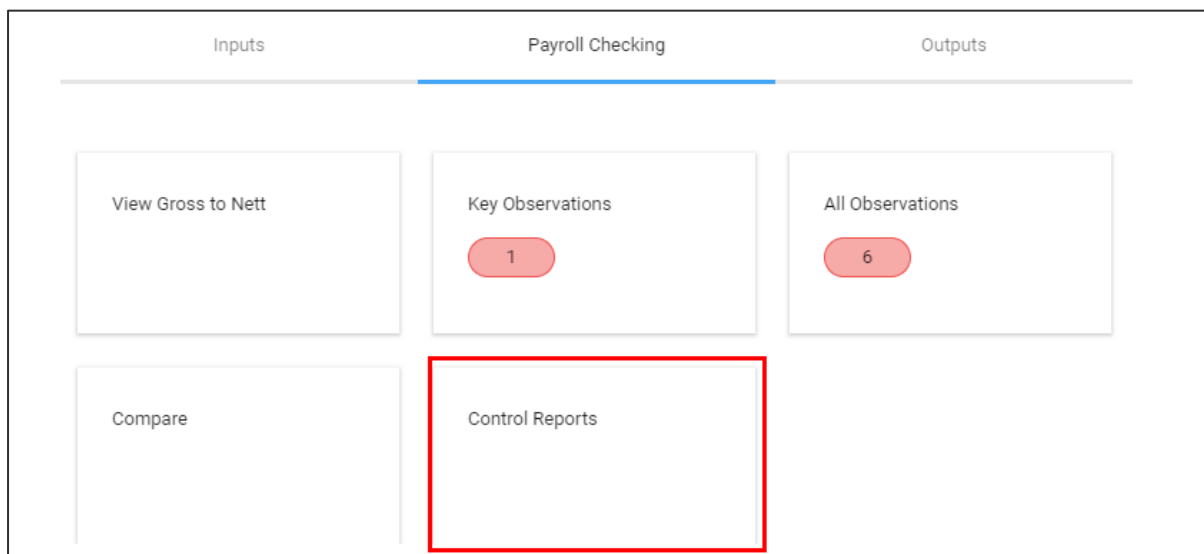

Gross to Nett Summary for Dec-2018 and Nov-2018

Nov-2018 ▼

Period	Employee...	Hours	Gross	BIK	Pre Tax	EE PRSI	USC	Sundry D...	Nett Pay	ER PRSI	ER Pensi...

6. Control Reports

This section allows you to directly access the *Control Reports* that are available on the *View Gross to Nett* screen. Any reports or files generated here can be accessed from the *Reports Centre*.

6.1. Reports

The following reports are available after the *Run Validation* step has been completed.

Report	Description
Payroll Exception Report	This will be available after <i>Run Validation</i> and after the <i>Complete Update</i> (using the 5 Step Payroll Process) OR after <i>Calculate</i> (using the 3 Step Payroll Process). The 'Payroll Exceptions Report' is broken into the following reports: • Highest 10 Gross Pay Earners • Lowest 10 Gross Pay Earners Control Summary Report. This gives you an overview of the changes made for this pay processing period

Report	Description
Payroll Controls	This will be available after <i>Run Validation</i> and after the <i>Complete Update</i> (using the 5 Step Payroll Process) OR after <i>Calculate</i> (using the 3 Step Payroll Process). This report highlights the opening and closing balance. Prior to <i>Sign Off</i>, you must check these, based on the instructions on the final page of the report.
Detailed Amendment Report	This will be available after <i>Run Validation</i> and after the <i>Complete Update</i> (using the 5 Step Payroll Process) OR after <i>Calculate</i> (using the 3 Step Payroll Process). This report highlights any amendments made during the current pay period.
Nett Pay Current/Previous Exceptions Report	This will be available after <i>Run Validation</i> and after the <i>Complete Update</i> (using the 5 Step Payroll Process) OR after <i>Calculate</i> (using the 3 Step Payroll Process).
Gross to Nett	This report displays GTN details from the Gross to Nett screen.
Pension Scheme Analysis	This report will appear only after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process). This details the pension schemes used for pay groups as part of this payroll period.
Detailed Observation Report	This report will appear only after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process). This report details a breakdown of pay codes that have been used as part of the current payroll. The report is broken down into sections to include: • Deductions

Report	Description
	• PRSI/NI • and shows the 'Hours' and 'Values' at 'Year to Date' stage and at the current period stage.
Nett Pay Current/Previous Exceptions Report	This will be available after <i>Run Validation</i> and after the <i>Complete Update</i> (using the 5 Step Payroll Process) OR after <i>Calculate</i> (using the 3 Step Payroll Process).
Gross to Nett	This report displays GTN details from the Gross to Nett screen.
Pension Scheme Analysis	This report will appear only after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process).
Detailed Observation Report	This report will appear only after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process). This report details a breakdown of pay codes that have been used as part of the current payroll. The report is broken down into sections to include: • Deductions • PRSI/NI • and shows the 'Hours' and 'Values' at 'Year to Date' stage and at the current period stage.
Final Gross to Net Report	This report will appear only after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process). This displays the Gross to Nett details as per the <i>Gross to Net</i> screen. This report is split into 2 sections: • Employee Reference • Cost Centre

Report	Description
	This displays the Gross to Nett values for the current payroll by Employee or by Cost Centre.
PAYE Analysis Report (Ireland Only)	This report will appear only for Irish sites after the <i>Complete Update</i> (using the 5 Step Payroll Process) and after <i>Calculate</i> (using the 3 Step Payroll Process). This report will display the amount deducted where the employee had been set to E (Emergency status) or A (Non Emergency status).

6.2. Generate Reports

To generate any of the reports outlined above in section 6.1:

1. Go to *Payroll Checking > Control Reports*.

Report Name	
Payroll Exceptions Report	⋮
Payroll Controls	⋮
Detailed Amendments Report	⋮
Gross to Nett Report	⋮
Underpayment of Tax Listing	⋮
Employee Increment Listing	⋮

2. Click the  button beside the report you wish to view / generate.
3. Select one of the following options:
 - a. **Send to Reports Centre**
 - b. **Export to Excel.** The excel output will be automatically downloaded.
