1. Introduction

1.1. Purpose of this Guide

This document provides guidance on how to manage and process inputs to payroll for a selected pay group.

1.2. Payroll Inputs

Payroll inputs consist of any data changes relevant to employees in a pay group, which will impact payroll. CoreHR displays these in the following:

- Approvals
- Pay Changes
- Manage Employees
- General
- More Info

The screenshot shows the 'Payroll Dashboard' with a 'Manage Payroll' section. The table below lists the payroll groups:

Pay Groups	Key Observatio...	Stage	Payroll Completion	Joiners	Leavers	Rejoiners	Mode
1 - Monthly Payroll (Uk) Current Period Apr-2019	1	Last Step Salaries & Allowances Date run 15/11/19 12:29		6	0	0	PROCESS P... ⋮
2 - Monthly (Uk) Current Period May-2019	0	Last Step Salaries & Allowances Date run 15/11/19 12:08		0	0	0	PROCESS P... ⋮
3 - Weekly (Uk) Current Period 201904	0	Failed Payroll Validation		0	1	0	PROCESS P... ⋮
4 - Monthly (Ire) Current Period Jan-2019	0	Failed Payroll Validation		0	0	0	PROCESS P... ⋮

Below the table, there is a section for 'Inputs' (highlighted with a red box) which includes:

- Approvals:** 5 Awaiting Approval
- Pay Changes:** 12 Payroll Changes
- Manage Payroll Employees**
- General**
- More Info**

All payroll inputs must be processed before payroll is completed, for them to be reflected in the payroll figures for the current period.

2. Approvals

2.1. What are Approvals?

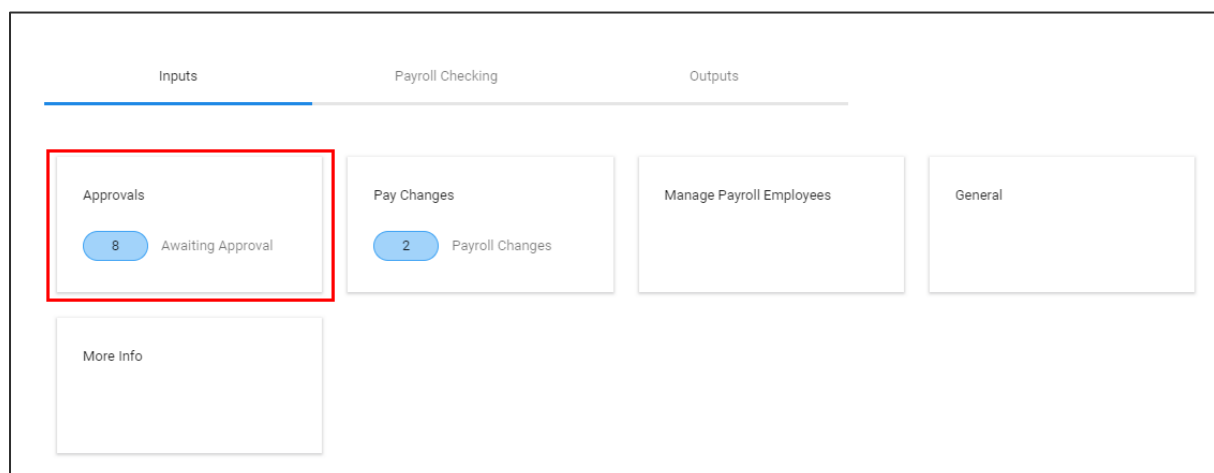

The following are approvals which may need to be processed before they are reflected in an employee's pay.

Approval Type	Explanation
Joiners	A new joiner to a pay group must be approved before they can be paid. Only when the approval has been processed, will that employee be added to the payroll and have their payment processed.
Re-joiners	A re-joiner will need to be approved and added to payroll for that payroll period before their payment can be processed.
Pay Changes	Any changes that impact an employee's pay must be approved, e.g. a salary amendment or a new contract & salary. Only when this is complete, will the changes be reflected in the current payroll period.

2.2. Processing Approvals

Before processing payroll for a selected pay group use should check the payroll Inputs. To do this:

1. Go to *Manage Payrolls > Inputs*.
2. Click **Approvals**.

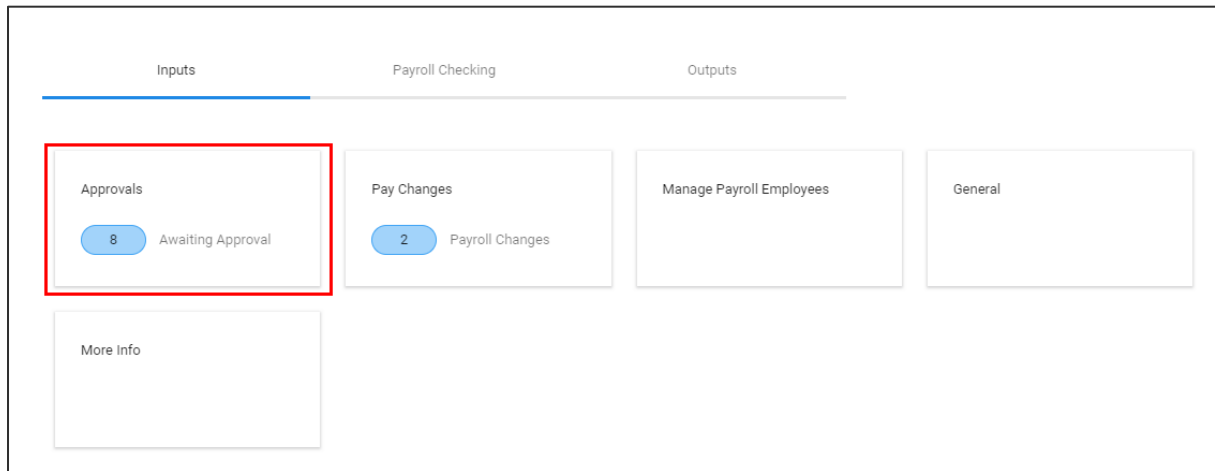

Note:

Any pending approvals will be displayed by a number on the approvals button. These approvals are for employees assigned to the selected pay group only.

2.2.1. Approving Joiners

1. Click the **Joiners** tab (this opens by default).

This opens the list of joiners awaiting approval.

The screenshot shows the 'Awaiting Approval' page in the Payroll Dashboard. It features a table of joiners and a 'SALARY APPROVALS' button. The table has columns for Employee Reference, Name, Ni Number, Date Joined, and a JOIN button. There are 7 joiners and 1 rejoiner.

Employee Reference	Name	Ni Number	Date Joined	
000027	Davis Patrick	KC471938C	01-Apr-2016	JOIN
000103	Green Charles	AB123456D	02-Jan-2018	JOIN
000041	Green Richard	KZ884140B	03-Mar-2013	JOIN
000111	Keeting Catherine	AB123654B	15-Jan-2018	JOIN
000106	Mills Anthony	MZ745301C	01-Sep-2017	JOIN

- Click the **Join** button beside the new joiner to be approved. This opens the *Employee Dashboard* screen for that employee.

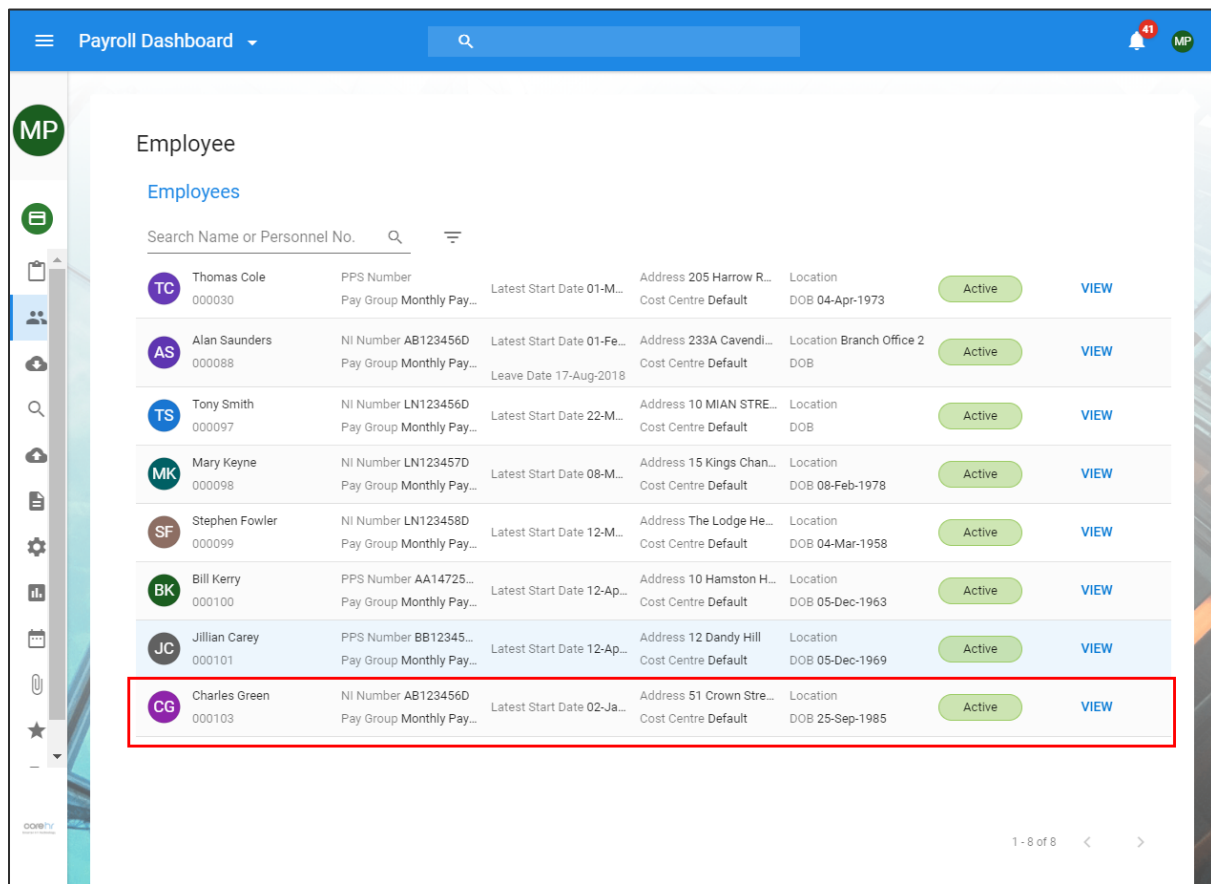

The screenshot shows the 'Awaiting Approval' screen for an employee's payroll details. The screen is divided into several sections: **Pay Profile**, **Pay Details**, **Payslip Options**, and **Tax Details**. The **Pay Profile** section includes fields for Start Date (01-Apr-2019), Latest Start Date, Leave Date, and Period P45 Issued. The **Pay Details** section includes fields for Position (Grade 1), Point (1), Rate (28000), and Multiplier (1). The **Payslip Options** section includes a dropdown for Payslip Options* and a toggle for Print Payslip. The **Tax Details** section is at the bottom. There are buttons for 'VALIDATE P45' and 'SAVE' at the bottom right.

- Complete the following mandatory fields.

	UK Companies	Irish Companies
Mandatory Fields	- Input Location - Payslip Location - NI Letter - Tax Code	- Input Location - Payslip Location For employees joining on emergency tax: - Turn the Emergency Tax indicator to ON. - Select a USC Status.
Optional	All relevant fields under the <i>Tax Details</i> and <i>/ or Previous Employment Details</i> sections.	All relevant fields under the <i>Tax Details</i> , <i>PAYE</i> and <i>/ or Universal Social Charge</i> sections.

- Optional. Turn on the **Is Employee paid based on Timesheet Input** indicator if timesheets are to be entered or leave it off if an employee's salary will be calculated.
- Click **Save**.

The new joiner is then brought into payroll and will be processed as part of the pay group for the current pay period. The user will also appear in the Employees widget on the Employee Tab.

Note:

For more detailed guidance, please see the *Joiners, Leaver, Rejoiners & Temporary Reinstate* user guide.

2.2.2. Approving Re-joiners

1. Click the **Rejoiners** tab. This will open the list of rejoiners awaiting approval.

2. Click the **Join** button beside the new joiner to be approved. This opens the *Employee Dashboard* screen for that employee.
3. Review the employee's details on the *Employee Dashboard* screen. The following mandatory fields are required as if the employee was a new joiner and should be checked to see if they have changed:
 - Input Location
 - Payslip Location
 - NI Letter
 - Tax Code
 - Starter Declaration
4. Click **Save**.

Note:

For more detailed guidance, please see the *Joiners, Leaver, Rejoiners & Temporary Reinstate* user guide.

2.2.3. Salary Approvals

Any new or amended salaries for existing employees, which have been set in People Management, will display here as requiring approval. Approving these are linked to the salary approvals process in People Management.

Note:

You can only approve these if you have been provided the required approval access.

1. Click the **Salary Approvals** button. This opens the *Awaiting Payroll Approval* screen.

My Approval Items	A list of all approvals that for which you have approval access.
All Outstanding Items	A list of outstanding approvals of whom you do not have approval access.
All Rejected Items	All items which have been rejected.
All Approval Items	All items which have been approved.

2. Click **View** on the approval item. This opens the *Salary Request Details* screen.

The screenshot shows the 'Salary Request Details' screen for Cathy Looney (ID: 000023). The page has a blue header with a back arrow and the title 'Salary Approvals'. Below the header, the title 'Salary Request Details (Cathy Looney - 000023)' is displayed, along with a breadcrumb trail: 'Payroll Dashboard > Awaiting Approval > Salary Approvals > Salary Request Details (Cathy Looney - 000023)'. An 'ACTIONS' dropdown menu is in the top right. The main content area is divided into two columns. The left column, titled 'Current Salary', shows details for an active employee (CL) with a start date of 15-Feb-2019. It lists 'Current Salary' with an effective date of 30-Mar-2016, a pay scale personal rate of 9999, a rate type of Annual, a rate of pay of £ 50000, a multiplier of .5, an actual pay of £ 25000, and a total salary (inc. allowances) of £ 25000. Below this is a section for 'Current Allowances' with a table header: Allowance, From, To, Value, Annual. The right column, titled 'New Salary', shows details for a new salary request with an effective date of 18-Sep-2017, a pay scale personal rate of 9999, a rate type of Annual, a rate of pay of £ 50000, a multiplier of .5, an actual pay of £ 25000, a reason of Promotion, a total salary for approval of £ 25000, and a salary comments field. Below this is a section for 'New Allowances' with the same table header as the current allowances. Both allowance sections currently display 'NOTHING TO SEE HERE'. At the bottom right, there are 'REJECT' and 'APPROVE' buttons. The CoreHR logo is visible at the bottom center.

3. Review the current and new salary and / or allowance details.
4. Click the **Approve** / **Reject** button as required.

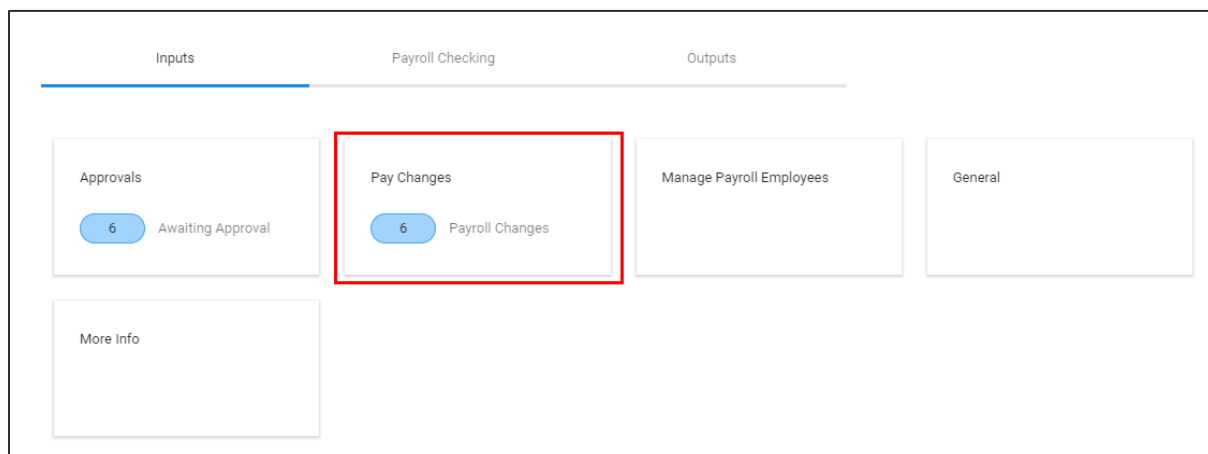

Note:

Once approved, the salary or allowance change request will take effect on the *Effective Date* entered on the request.

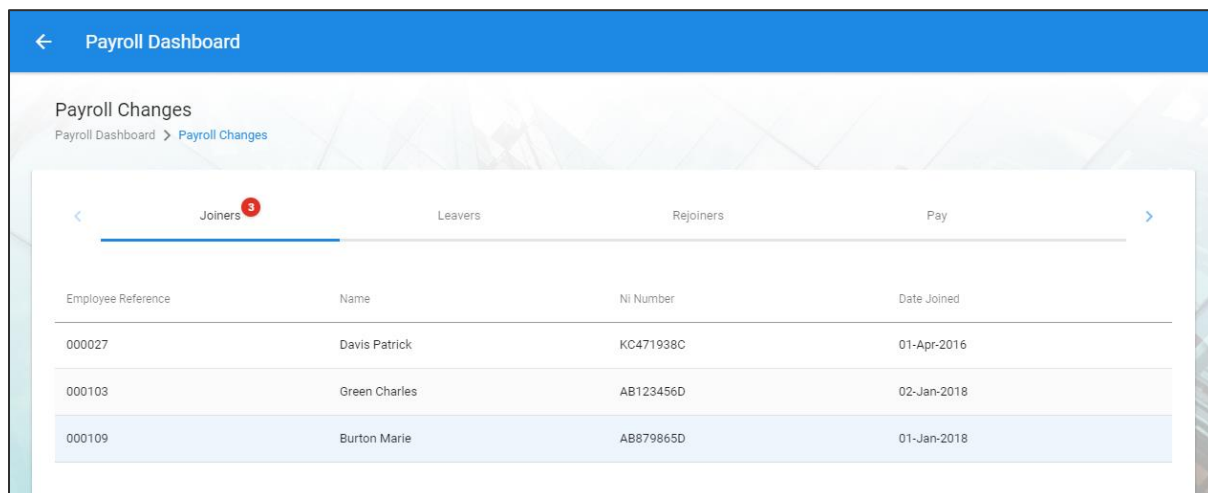

3. Pay Changes

3.1. Viewing Pay Changes

Any pay changes that impact payroll for this payroll period will display on the **Pay Changes** button.

To view, these changes click **Pay Changes**. This opens the Payroll Changes screen.

This screen consists of the following 5 tabs:

Tab	Description
Joiners	New joiners to the pay group this period. These will correspond to joiners that you have taken on in the Approvals > Joiners task.
Leavers	Employees in the pay group that are leaving the company this period. The leavers have been ended in People Management.
Rejoiners	New joiners to the pay group this period. These will correspond to joiners that you have taken on in the Approvals > Rejoiners task.
Pay	A list of all approved payroll changes this period, e.g. new salaries, salary amendments, new allowances, allowance amendments. These will correspond to approved items from Approvals > Pay Changes if Salary Approvals are in use.
Tax	Any tax changes that have come into effect within that Pay Period. These will correspond to joiners that you have taken on in the Approvals > Joiners task.

Note:

These are read only screens used for information only during this payroll period. The new items indicators on each button will reset once payroll is complete.

4. Manage Payroll Employees

4.1. Processing Employee Changes.

The **Manage Payroll Employees** button in the *Inputs* section allows you to make changes to an employee's details, i.e. amendments to timesheets, tax details, pension etc. before running payroll for the current period.

- Click the **Manage Payroll Employees** button. Only employees assigned to this pay group will appear here. To access all the employees', you have access to, i.e. if you have access to many pay groups, go to the *Employee Tab*.

- Click the **View** button to open the employee dashboard for the selected employee.

The screenshot shows the 'Payroll Dashboard' for employee 'Clark Dale'. The dashboard is divided into several sections:

- Employee Information:** Includes a profile picture (CD), status (Active), and a dropdown menu for the employee name. To the right, it lists: Employee Reference No 000153, NI Number JM652894A, Period Left, Original Start Date 03-Apr-2019, Leave Date, Date of Birth 30-Mar-1984, Latest Start Date 03-Apr-2019, and Increment Date.
- Pay Profile:** Contains fields for Start Date (03-Apr-2019), Latest Start Date (03-Apr-2019), Leave Date, Pay Group* (2 - Monthly (Uk)), Input Location* (Standard Default Input Location), and a toggle for 'Paid from Timesheet Input' (currently off). Below these are 'Period P45 Issued' and 'Project'.
- Pay Details:** Includes Position (Grade 2), Point (2), Rate (42000), and Multiplier (1).
- Left Sidebar:** A list of navigation links: Tax Details (selected), Salary History, Timesheets Current Period, Allowances, Pension, Deductions, Year To Date Cumulatives, Maintain Statutory, and Cost Allocations.
- Bottom Right:** Two buttons labeled 'VALIDATE P45' and 'SAVE'.

Note:

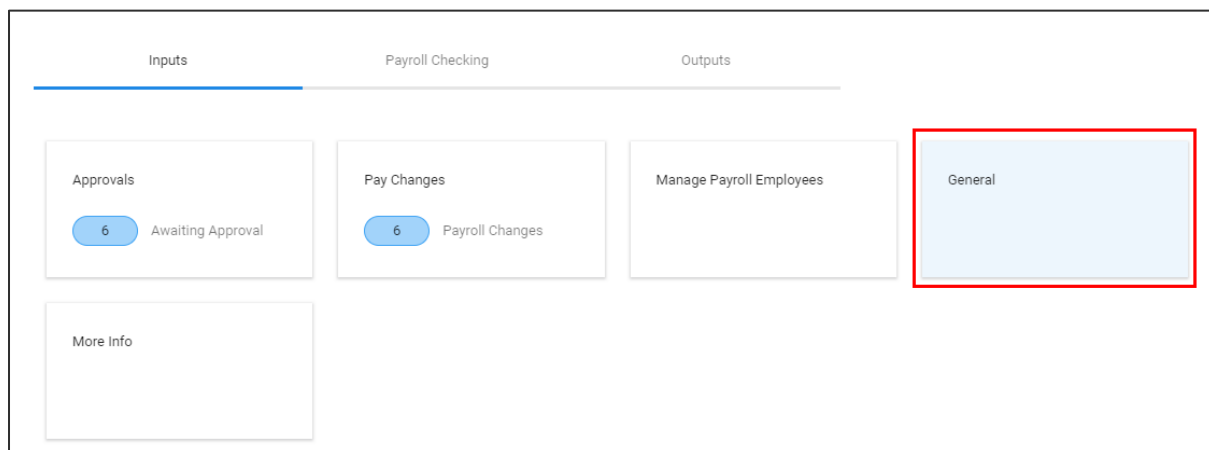

For more information on the *Employees Dashboard*, see the *Employee Tab Overview* document.

5.1.2. Amend Employee Pay Group

To amend the pay group, to which the employee is assigned. For example, where an employee changes teams, roles and is paid as part of a new pay group.

Note:

Employees should not change pay groups once a payroll process has begun. This should be processed before generating salaries and allowances.

To do this:

1. Click **Amend Employee Pay Group**.
2. Select the employee from the drop-down menu.
3. Select the new pay group from the **Pay Group** drop-down menu.
4. You can also amend the Input Location for the employee. To do so, select a new option from the **Input Location** drop-down menu.

The screenshot shows a web form titled "Amend Employee Pay Group". It has several input fields and buttons. The "Employee Reference" field is a dropdown menu showing "Briggs Naomi". The "Name" field is a text input showing "Naomi Briggs". The "Address" field has two lines of text input: "54 Main Rd" and "FOREST HILL". The "Pay Group" field is a dropdown menu showing "Monthly Payroll 1". The "Input Location" field is a dropdown menu showing "Standard Default Input Location". At the bottom of the form, there are buttons: "Cancel", "Previous", "1 of 1", "Next", "Query", and "Save".

5. Click **Save**.

5.1.3. Maintain Employee Position / Point

Note:

This is only available for Non-Post Management companies. Post Management companies should use *People Management* for maintaining position and point details.

To view / update position details for an employee:

1. Click **Maintain Employee Position / Point**.

2. Use the filter to return the Position / Point details to be amended. You can filter by:

- Employee Reference
- Position
- Scale Point
- Rate Sequence
- Date Effective
- Increment Due Date
- Ref
- Pay Multiplier
- Reason

The screenshot shows a 'Filter' dialog box with the following fields:

- Employee Reference:** A dropdown menu with the value '000003' selected.
- Position:** A dropdown menu with the value 'Grade 1' selected.
- Scale Point:** An empty text input field.
- Rt Sq:** An empty text input field.
- Date Effective:** A text input field with a calendar icon on the right.
- Increment Due Date:** A text input field with a calendar icon on the right.
- Ref.:** An empty text input field.
- Pay Multiplier:** An empty text input field.
- Reason:** A dropdown menu.

A green button labeled 'Filter' is located at the bottom right of the dialog.

3. Click and amend any relevant details in a current row.
4. Click **Add**, to enter a new position.
5. Select an employee from the **Employee Reference** drop-down menu.
6. Select a position from the **Position** drop-down menu.
7. Add a **Date Effective**.

5.1.9. Maintain Positive Input Retrospection

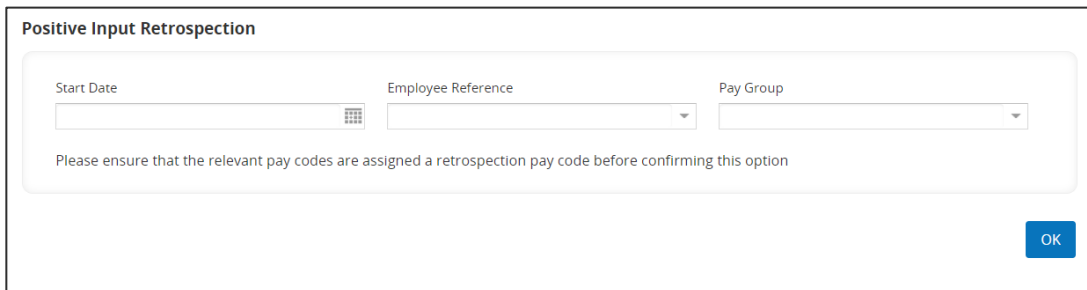

The Positive Input Retrospection module is used to calculate retrospection on timesheet entries for a delayed implementation of a rate change, or a change in an employee's position/point. It assumes that these changes were not made in CorePay at the exact date that the change became effective. Therefore, it is necessary to reimburse the employee at a later date.

 Note:

Positive Input Retrospection is generated for hourly and daily Pay Codes only. It generates arrears for timesheet or historic transactions with hours or days only. This module is not used to calculate arrears for employees on annual salaries. The option 'Generated Salaries and Allowances' will calculate this.

To maintain positive input retrospection for an employee:

1. Click **Positive Input Retrospection**.
2. Enter a start date in the Start Date field.
3. Select the relevant employee from the **Employee Reference** drop-down menu.
4. Select the relevant pay group from the **Pay Group** drop-down menu.

The screenshot shows a web form titled "Positive Input Retrospection". It contains three input fields: "Start Date" with a calendar icon, "Employee Reference" with a dropdown arrow, and "Pay Group" with a dropdown arrow. Below these fields is a note: "Please ensure that the relevant pay codes are assigned a retrospection pay code before confirming this option". At the bottom right of the form is a blue "OK" button.

5. Click **OK**.

5.1.10. ESS Timesheet Approval

Where employees submit timesheets via an employee self-service dashboard, this feature allows the user to approve these timesheets. To do this:
