1. Introduction

1.1. Purpose of this Guide

This document provides guidance on how to maintain statutory payments for your employees.

Note:

For clients using the Absence Pay Enhancement Module, link statutory leave to absence entries through the *Absence Entry* screen, see [Absence Pay Enhancement](#) user guide.

1.2. Overview

This guide focuses on the UK specific statutory payments and how they are maintained on Payroll.

This consists of:

- Statutory Paternity Pay (SPP)
- Statutory Adoptive Pay (SAP)
- Statutory Maternity Pay (SMP)
- Shared Parental Pay (ShPP)

Note:

To record company sick pay, relevant sick pay rules need to be configured. To do this go to *Settings > General > Absence Pay Parameters*.

Please see the [Configure Statutory UK](#) user guide.

2. The Maintain Statutory Screen

The Maintain Statutory Screen will adjust the required fields to the *absence type* selected. The available fields under each section are:

Field	Type	Description
Key Dates for Birth		
Baby Due Date	All	Enter the expected due date.
Notice Date	All	Enter the notice date provided to the employer.
15th Week	All	This will populate automatically with the 15 th week prior to the expected due date. The employee is entitled to SMP providing they have been employed by their employer for the 26 weeks prior to the 15 th week date.
Birth Date	All	Enter the actual birth date. SPP cannot be paid without this.
Average Weekly Earnings	ShPP	The average weekly earnings auto-populates but can be overwritten.
Date of Death	ShPP	If applicable, enter the baby's date of death. If this is earlier than or on the Maternity End Date, then 29 paid weeks is available.
Key Dates for Adoption		
Matching Week	ASPP/SPP/ShPP	Enter the date the employee was informed of being matched with a child. The <i>Average Weekly Earnings</i> is calculated from this date.
Placement Date	ASPP/SPP/ShPP	Enter the actual placement date. SPP cannot be paid without this.
Payroll Calculations Key Items		
Average Weekly Earnings	All	The average weekly earnings auto-populates but can be overwritten.
Leave Date	All	Enter the start of the leave date.

Field	Type	Description
Payment Start Date	All	Enter the payment start date.
SSP Weeks to be Paid	SSP	Enter the value for the max number of SPP weeks to be paid.
Override Dates		
Payment End Date	All	Enter the payroll end date if the SPP should end less than the standard number of weeks allowed.
Pregnancy-Related Illness	All	Enter the date of a pregnancy-related illness (if this applies).
Still Birth Indicator	All	Turn this indicator on in the case of a stillbirth.
Partner Details		
Surname	ShPP	Enter the partner's surname.
Middle Name	ShPP	Enter the partner's middle name.
Forename	ShPP	Enter the partner's forename.
Title	ShPP	Enter the partner's title (Mr, Mrs, Ms etc.). Optional.
National Insurance Number	ShPP	Enter the partner's NI number.
Weeks paid to date		
SMP / SAP Start Date	ShPP	Enter a start date for either SMP or SAP.
SMP / SAP End Date	ShPP	Enter an end date for either SMP or SAP.
Maternity Adoption Weeks	ShPP	This will populate based on SMP / SAP start, and end dates entered.
ShPP Paid Weeks Previously taken	ShPP	Enter a value for the number of paid ShPP weeks previously taken by the partner
ShPP Paid Days Previously taken	ShPP	Enter a value for the number of paid ShPP days previously taken by the partner

Field	Type	Description
ShPP Paid Weeks Available	ShPP	This will populate with the balance of Paid ShPP Weeks still available to take.
ShPP Paid Weeks Available	ShPP	This will populate with the balance of Paid ShPP days still available to take.
Planned Leave Date		
How many total paid weeks and days are planned by your employee	ShPP	Enter the planned weeks and / or days. The total planned days and weeks cannot exceed the available weeks and days.
How many total paid weeks and days are planned by your employees' partner	ShPP	Enter the planned weeks and / or days. The total planned days and weeks cannot exceed the available weeks and days.
Shared Leave Start Date	ShPP	Enter the start date for the ShPP.
Shared Leave End Date	ShPP	Enter the end date for the ShPP.

3. Maintain Statutory Payments

This section outlines how to maintain the following statutory payments:

- Statutory Maternity Pay (SMP)
- Statutory Adoptive Pay (SAP)
- Statutory Paternity Pay (SPP)
- Shared Parental Pay (ShPP)

To do this:

1. On the **Payroll Dashboard** click the **Employees** tab.
2. Search for the employee and click **View**.
3. Select **Maintain Statutory**.

The screenshot shows the 'Maintain Statutory' page for employee John Marston. The top header includes the employee's name, reference number (000013), and various dates and hours. The left sidebar contains a search bar and a list of categories: Pension, Benefit in Kind, Allowances, Cost Allocations, Temporary Reinstatement, and Statutory and Absences. The 'Statutory and Absences' category is expanded, showing 'Maintain Statutory' and 'Statutory Payment Profile'. The main content area is titled 'Statutory Absences' and contains a table with columns: Type, Based on, Baby due, Notice date, EWC date, AWE, Leave start, Payment start, Payment end, and Paid days. A single row is visible for SPP based on Birth, with a paid days value of 0. An 'ADD' button is located in the top right corner of the table area.

Type	Based on	Baby due	Notice date	EWC date	AWE	Leave start	Payment start	Payment end	Paid days
SPP	Birth	01-May-2024	01-Jan-2024	28-Apr-2024	900	01-May-2024	01-May-2024		0

3.1. Add a Statutory Paternity Pay (SPP) Payment

Employees may be eligible for Statutory Paternity Leave and Pay if they and their partners are:

- Having a baby.
- Adopting a child.
- Having a baby through a surrogacy arrangement.

Further Details can be found on the [Government Website](#).

People XD Payroll: Maintain Statutory Pay (UK)

To add an SPP payment:

1. Click **Add**.
2. Select **SPP** from the *Absence Type* drop-down menu.

The screenshot shows the 'Add statutory absence' form. At the top, there is a breadcrumb trail: 'Payroll Dashboard > Dalton Shepard > Add statutory absence'. The form has two main sections. The first section, 'Type*', contains two drop-down menus: 'SPP' and 'Birth/Adoption *'. Below this is a section titled 'Key dates' which includes three date pickers: 'Baby due date*', 'Notice date', and '15th week*'. The second section, 'Payroll calculation key items', includes a numeric input for 'Average weekly earnings', a date picker for 'Leave start', a date picker for 'Payment start', a numeric input for 'Higher rate', a numeric input for 'Paid days' (currently set to 0), and a unit selector for 'Weeks'. At the bottom left, there is a 'Days' label. At the bottom right, there is a green 'SUBMIT' button. The People XD logo is visible in the bottom center.

3. Select **Birth** or **Adoption** from the drop-down list in the *Absence Type* section.
4. Fill in Key Dates.
5. Fill in *Payroll Calculation Key Items*.
6. Select *Override Dates* (Optional).
7. Click **Submit**.

3.2. Statutory Maternity Pay (SMP)

Employees may be eligible for Statutory maternity Leave and Pay if they and their partners are:

- Having a baby.
- Having a baby through a surrogacy arrangement.

Eligible employees can take maternity leave. Further details can be found on the [Government Website](#).

3.2.1. SMP for Male Employees

A HMRC validation rule change means that from April 2024/25 SMP will now be possible to record and return against an employee with gender of 'Male'.

An 'Allow SMP for Male Employee' parameter will need to be enabled on a 'Male' employees record for SMP timesheets to be recorded for them. If this is not enabled validation will prevent the timesheets being recorded.

Note:

The 'Allow SMP for Male Employee' parameter is available in Portal only.

To enable the parameter on an employees record:

1. On the **Payroll Dashboard** click the **Employees** tab.
2. Search for the employee and click **View**.
3. Click the **Sundry Profile** tab.
4. Click the **UK Parameters** tab.
5. Enable the **SMP for Male Employees** toggle.
6. Click **Save**.

The screenshot displays the 'UK Parameters' section for employee John Marston. The interface includes a sidebar with navigation options like 'Maintain Statutory', 'Statutory Payment Profile', 'SSP History', and 'Sundry Profile'. The main area shows various parameters with toggle switches. The 'Allow SMP for Male Employee' toggle is currently turned off and is highlighted with a red rectangular box. Other visible parameters include 'Irregular Paid Employee', 'Unpaid Absence', 'RTI Normal Hours Worked', and 'Occupational Pension Bereaved Spouse/Civil Partner'.

3.2.2. Add a SMP Payment

To add an SMP payment:

1. Click **Add**.
2. Select **SMP** from the *Absence Type* drop-down list.

The screenshot shows the 'Add statutory absence' form. At the top, the breadcrumb trail is 'Payroll Dashboard > Ann Lee > Add statutory absence'. The form has a 'Type*' dropdown menu with 'SMP' selected. Below this is a 'Key dates' section with fields for 'Baby due date*', 'Notice date', and '15th week*'. There is also a 'Birth date' field. The 'Payroll calculation key items' section includes 'Average weekly earnings', 'Leave start', 'Payment start', 'Higher rate', 'Paid days' (set to 0), 'Weeks', and 'Days'. An 'Override dates' link is at the bottom left. A green 'SUBMIT' button is in the bottom right corner. The form has a light blue header and a white body with a subtle geometric pattern.

3. Fill in *Key Dates*.
4. Fill in *Payroll Calculation Key Items*.
5. Fill in *Override Dates* (Optional).
6. Click **Submit**.

3.3. Add a Shared Parental Leave (ShPP) Payment

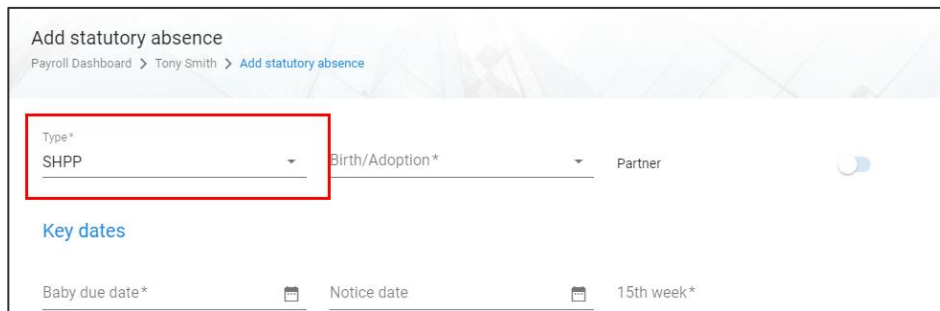

Employees may be eligible for Shared Parental Leave and Pay if they and their partners are:

- Having a baby.
- Adopting a child.
- Having a baby through a surrogacy arrangement.

Further details can be found on the [Government Website](#).

To add an ShPP payment:

1. Click **Add**.
2. Select **ShPP** from the *Absence Type* drop-down list.
