1. Overview

1.1. Purpose of the Guide

The Purpose of this document is to provide guidance on the Payslip Reworks. This document covers the following.

- How to access the Payslip Rework Screens.
- Reworking an Employees Payslip.

1.2. New Payslip UI/UX

We are thrilled to announce that our new and improved payslip interface is ready for you to explore. This update brings a more intuitive and user-friendly design to enhance your experience.

Note:

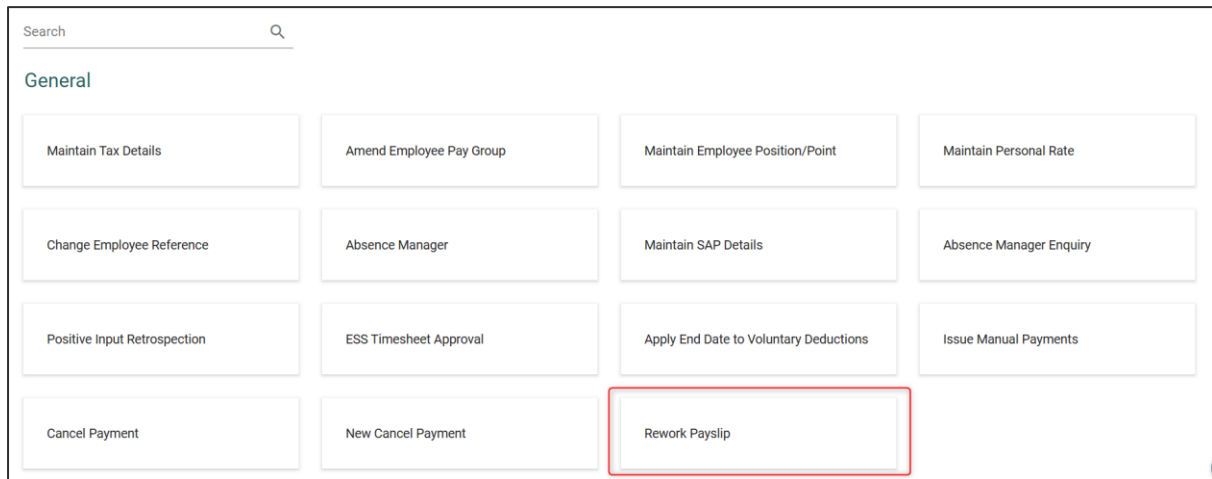

While the new UI/UX is fully functional, **data validation and saving features are still in development** and will be available later this year. We appreciate your patience and feedback as we finalise these enhancements.

2. How to use Payslip Reworks

2.1. The New UI

The New Payslip Rework UI can be found on the Payroll Dashboard:

1. Navigate to **Manage Payroll**.
2. Go to the **Inputs tab**.
3. Click the **General tile**.
