1. Overview

1.1. Purpose of the Guide

The purpose of this document is to provide guidance on how to configure and use the *Total Reward Statements* Module.

1.2. Overview of Total Reward Statements

The purpose of the *Total Reward Statements* module is to allow employees to understand and value their total rewards package. An employee's total rewards package may be made up of things like:

- Salary
- Incentives
- Benefits
- Prerequisites
- Learning and Development

The *Total Reward Statements* module allows employers to communicate the value of an employee's total rewards package in a personalised way. The benefits of communicating employees' rewards packages include:

- Increased employee engagement.
- Increased employee understanding of their value to your organisation.
- Increased staff retention.
- Increased morale.

The *Total Reward Statements* updates once the employees' cumulatives update. The employees' cumulatives update once the *Complete Update* task is complete.

2. Total Reward Statement Widget

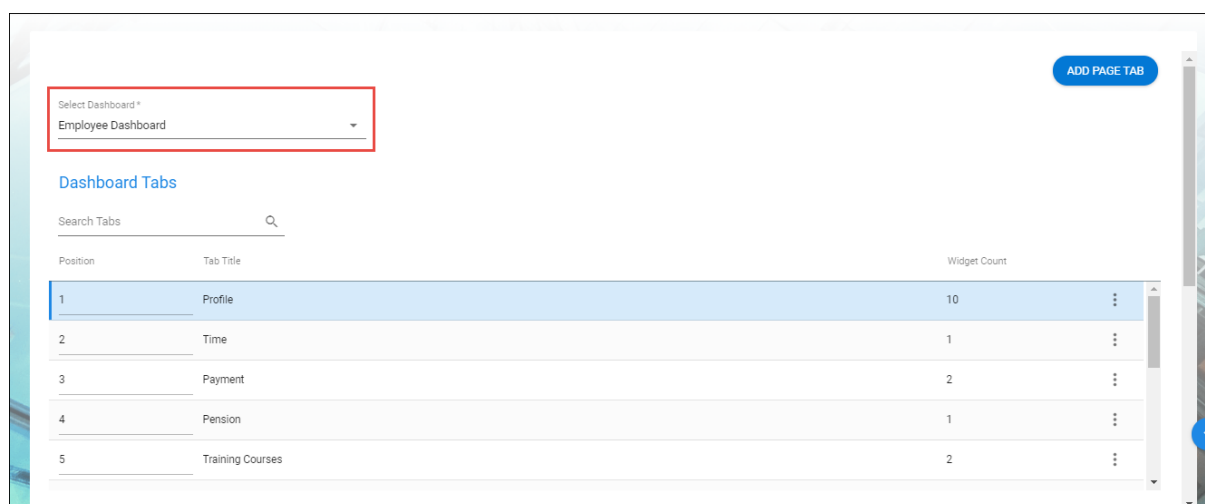

2.1. Add the Total Reward Statement Widget

The recommended process is to add the *Total Reward Statement* widget to the *Employee Dashboard* tab. However, the *Total Reward Statement* widget can be added to any Dashboard if required.

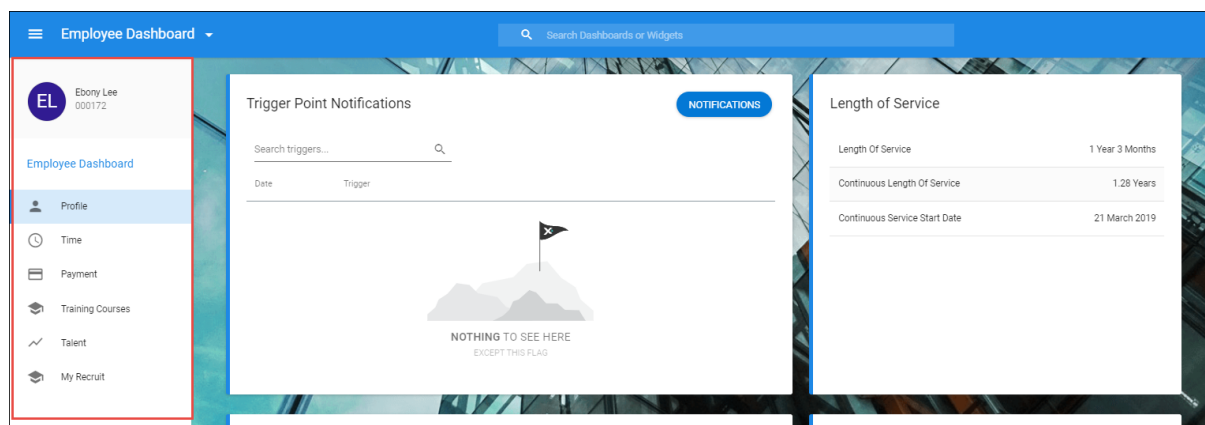

To add the *Total Reward Statement* widget to the *Employee Dashboard* tab.

1. Quick Jump to *Dashboard Configuration*.
2. Select *Employee Dashboard* from the drop-down *Select Dashboard* menu.

The screen displays the current *Employee Dashboard* tabs.

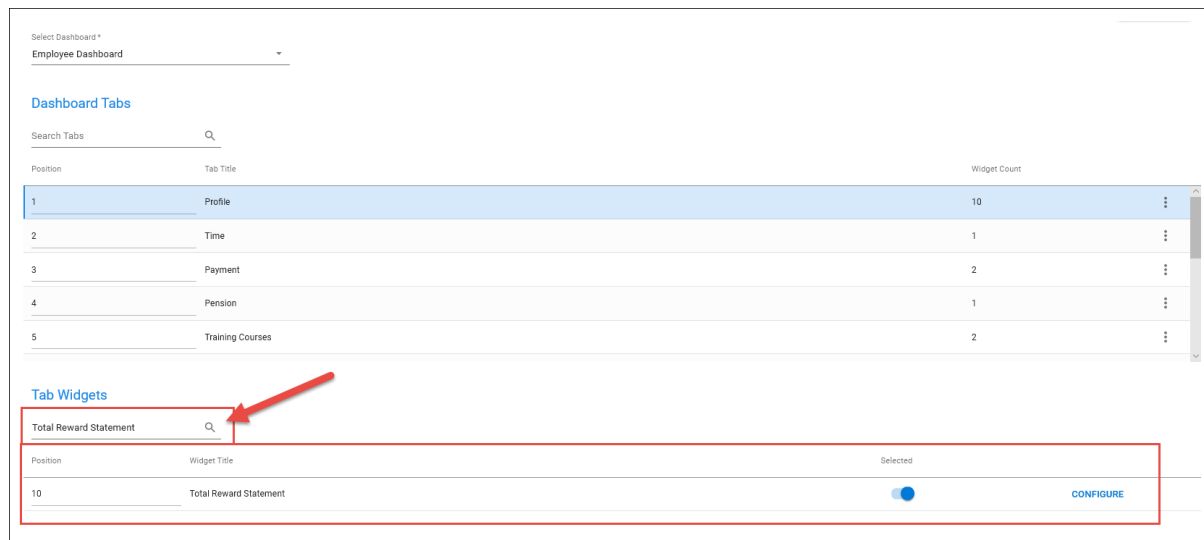

These are the dashboard tabs that display on the left-hand side of the *Employee Dashboard*.

Payroll: Total Reward Statements – User Guide

3. Select the dashboard tab to which you want to add the *Total Reward Statement* widget.
4. Search for the *Total Reward Statement* widget in the *Tab Widgets* search field.

5. Update the position by overwriting the current value, e.g. overwrite 10 with 1 to make this appear first on the dashboard tab.
6. Enable the **Selected** indicator.

The *Total Reward Statement* widget now appears in the Employee Dashboard – Profile tab.

2.2. Menu Options Required

Employees require the following menu option to access the *Total Reward Statement* widget.

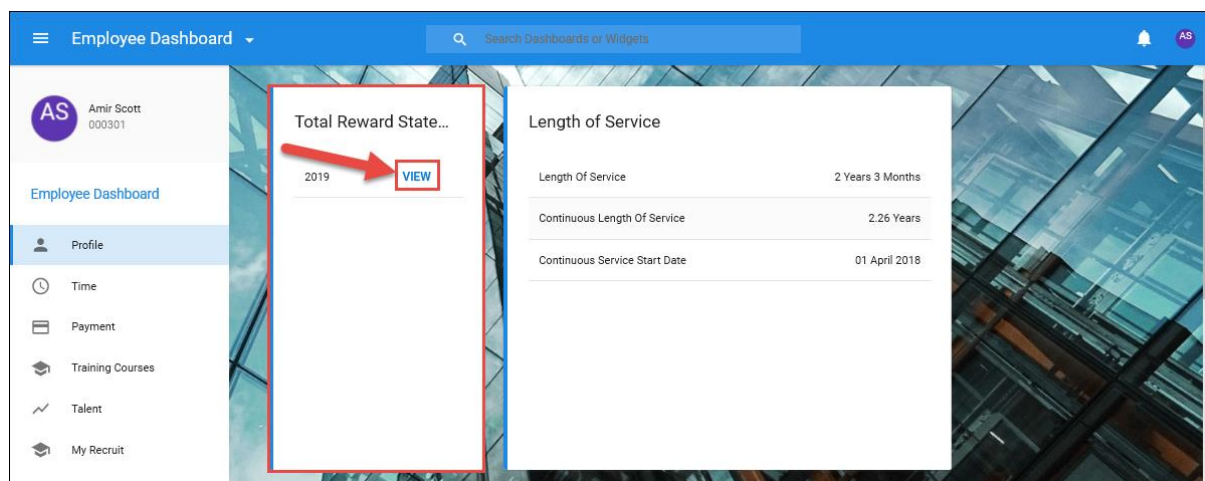

Menu Option	Description	System/ Web Service
Total Reward Statement	Total Reward Statement	CorePortal 1867858

2.3. Access the Total Reward Statement

To access the annual *Total Rewards Statement*:

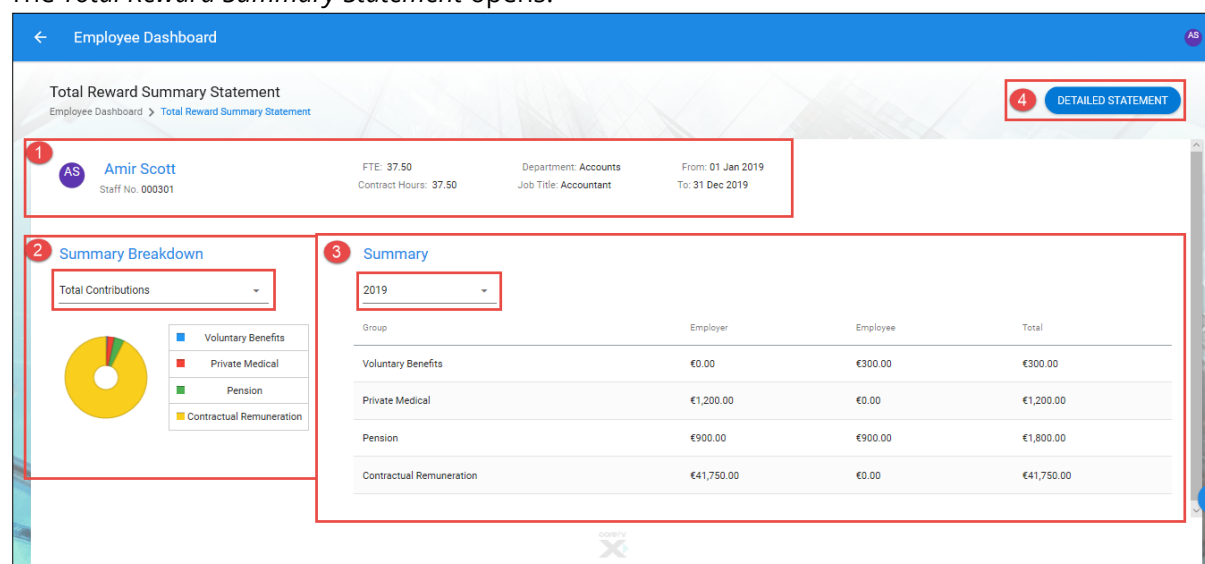

1. Browse to the *Total Reward Statement* widget.
2. Click **View**.

Payroll: Total Reward Statements – User Guide

2.4. Total Rewards Summary Statement

The *Total Reward Summary Statement* opens:

2.4.1. Employee Details

Field	Description
Employee Name	Employee name.
Staff Number	The employee number.
F.T.E	The Full-Time Equivalent hours.
Contracted Hours	The employee's contracted hours.

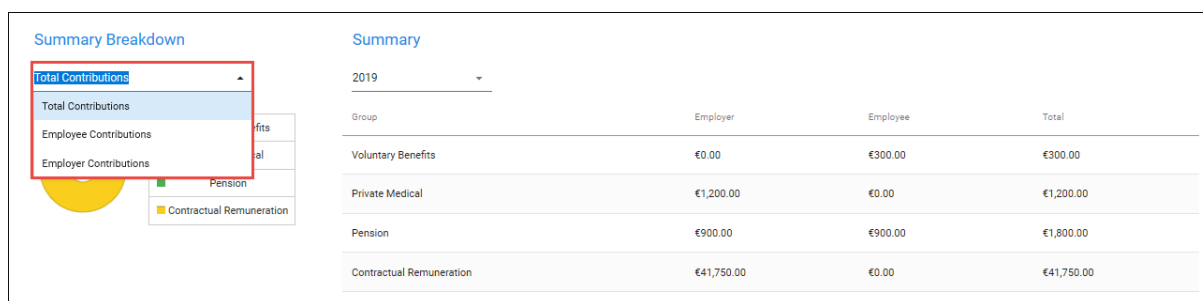

Employee Heading 1	See section 3.3. General Parameters .
Employee Heading 2	See section 3.3. General Parameters .
From	The start month of the rewards year.
To	The end month of the rewards year.

2.4.2. Summary Breakdown

The *Summary Breakdown* displays a pie chart showing the breakdown of the contributions by *Rewards Group*.

The drop-down menu allows you to view a pie chart showing the contribution breakdown by:

- Employee Contribution.
- Employer Contribution.

2.4.3. Summary

The *Summary* section displays the *Rewards Group* breakdown by employer and employee, as well as the total *Rewards Group* breakdown.

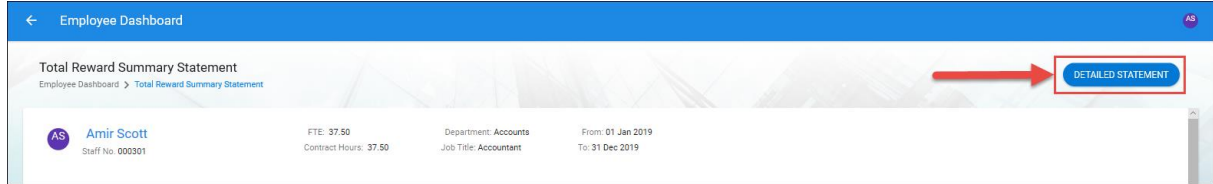

The drop-down menu allows you to select a year for which to view the *Total Reward Statement*.

Summary			
2019			
Group	Employer	Employee	Total
Voluntary Benefits	€0.00	€300.00	€300.00
Private Medical	€1,200.00	€0.00	€1,200.00
Pension	€900.00	€900.00	€1,800.00
Contractual Remuneration	€41,750.00	€0.00	€41,750.00

2.4.4. Detailed Statement

To open the *Total Reward Detailed Statement*:

1. Select the **Detailed Statement** button

The *Total Reward Detailed Statement* opens.

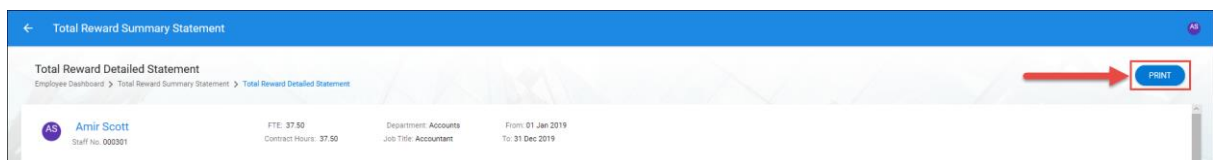

The screenshot shows the 'Total Reward Detailed Statement' page. It features a table with three columns: 'Benefits', 'Company Contribution', and 'Your Contribution'. The table is divided into sections for 'Voluntary Benefits', 'Private Medical', and 'Pension'. The 'Pension' section shows a total company contribution of €900.00 and a total employee contribution of €900.00. A 'PRINT' button is visible in the top right corner.

Benefits	Company Contribution	Your Contribution
Voluntary Benefits		
Employee Benefit Contributions		€300.00
Total	0	€300.00
Private Medical		
Medical Insurance	€1,200.00	
Total	€1,200.00	0
Pension		
Pension Employee		€900.00
Pension Employer	€900.00	
Total	€900.00	€900.00

The *Total Reward Detailed Statement* breaks down the *Rewards Groups* by *Rewards Code* showing the *Company Contribution*, *Your Contribution* and *Total Rewards Group Contribution*.

To Print the *Total Reward Detailed Statement*:

2. Click **Print**.

2.4.5. Printed Total Reward Detailed Statement

3.2. Total Reward Statement Example Setup

3.3. Access the Total Reward Statement Configuration Options

To access the *Total Reward Statement* configuration options:

Go to *People Management > Data Centre > HR Admin Setup Settings > Total Rewards Statements*.

The screenshot shows the 'HR Admin Setup Settings' page with a sub-header 'Total Rewards Statements'. Below the sub-header is a breadcrumb trail: 'People Management > HR Admin Setup Settings > Total Rewards Statements'. The main content area is divided into four tabs: 'General Parameters', 'Main Section Reward Groups', 'Optional Section Reward Groups', and 'Reward Codes'. The 'General Parameters' tab is selected and highlighted. Under this tab, there is a section titled 'Reward Statement Parameters'. This section contains three rows of configuration options, each with a label, a dropdown menu, and a value. The first row is 'Start Month for Rewards Year' with a dropdown set to 'January'. The second row is 'Start Year for Total Rewards Statements' with a dropdown set to '2019'. The third row is 'End Year for Total Rewards Statements' with a dropdown set to '2019'. Below these rows, there are three more rows of configuration options: 'Field to Use For Employee Heading 1' with a dropdown set to 'Department', 'Field to Use For Employee Heading 2' with a dropdown set to 'Job Title', and 'Display Warning Dialog*' with a dropdown set to 'Yes'. A footnote at the bottom of the section states: '*Display Warning Dialog when printing Total Rewards Statement'. At the bottom right of the page, there is a green 'SAVE' button.

3.4. General Parameters

Select the *Reward Statement Parameters* tab:

This screenshot is identical to the one above, showing the 'HR Admin Setup Settings' page for 'Total Rewards Statements'. The 'General Parameters' tab is selected. The 'Reward Statement Parameters' section is highlighted with a red rectangular box. This box encompasses the three rows of configuration options: 'Start Month for Rewards Year' (January), 'Start Year for Total Rewards Statements' (2019), and 'End Year for Total Rewards Statements' (2019). It also includes the three rows below them: 'Field to Use For Employee Heading 1' (Department), 'Field to Use For Employee Heading 2' (Job Title), and 'Display Warning Dialog*' (Yes). The footnote '*Display Warning Dialog when printing Total Rewards Statement' is also visible. The green 'SAVE' button is at the bottom right.

Define the reward statement parameters for the Total Reward Statement.

Field	Description
Start Month for Rewards Year	Select the start month for the rewards year from the drop-down menu.

Field	Description
Start of Year for Total Rewards Statements	Select the start year for the Total Reward Statements from the drop-down menu. This sets how far back the rewards statements generate.
End Year for Total Reward Statements	Select the end year for the Total Reward Statements from the drop-down menu.
Field to use for Employee Heading 1	Select a field to use for Employee Heading 1 from the drop-down field: • Cost Centre • Department • Job Title • Location • Project • User Defined • Work Group
Field to use for Employee Heading 2	Select a field to use for Employee Heading 2 from the drop-down field – same options as above.
Display Warning Dialog	Select Yes/No from the <i>Display Warning Dialogue</i> drop-down menu – Display warning dialogue when printing the Total Reward Statement.

3.5. Rewards Codes

3.5.1. Overview

Reward Codes are used to identify line items on the Rewards Statement. Note the following:

- *Reward Codes* can be gathered into “buckets” called *Reward Groups*.
- *Reward Codes* are linked with existing:
 - Pay Codes in Payroll i.e. derived from day history.

Payroll: Total Reward Statements – User Guide

- Flexible Benefits Codes in the Flexible Benefits module.

3.5.2. Create a Reward Codes

To create a new *Reward Code*:

1. Select the *Reward Codes* tab.
2. Click on **Add New Code**.

The screenshot shows the 'Total Rewards Statements' page with the 'Reward Codes' tab selected. A red box highlights the 'ADD NEW CODE' button, and a red arrow points to it from the left. The page includes a search bar and a table with columns for 'Reward Code' and 'Description'.

Reward Code	Description
Allowances	Allowances
Med Ins	Medical Insurance
Pension EE	Pension Employee
Pension ER	Pension Employer
Salary	Salary

The *Add New Code* screen opens.

The screenshot shows the 'Add New Code' screen. It includes fields for 'Group Code', 'Description', 'Employer Data Source', and 'Employee Data Source'. Below these are tabs for 'Pay Codes' and 'Flexible Benefit Codes'. The 'Pay Codes' tab is active, showing a list of available pay codes and an 'Assigned Pay Codes' section. A green 'SAVE' button is at the bottom right.

Group Code	Description
UNIVERSITY HOLIDAY AREARS	
SICK LEAVE 3710	
Maternity Leave	
Adoption Leave	
Paternity Leave (Ordinary)	

Populate the following fields:

Field	Description
Group Code	Enter the <i>Reward Code</i> reference in the <i>Group Code</i> field.

Field	Description
Description	Enter the <i>Reward Code Description</i> in the <i>Description</i> field.
Employer Data Source	If this is a reward provided by the employer, select the Employer Data Source from the <i>Employer Data Source</i> drop-down menu, i.e. - Flexible Benefits – derives rewards from Flexible Benefit codes. - Pay History – derives rewards from pay codes. Note: If this is a reward provided by the employee, select <i>Not Applicable</i>.
Employee Data Source	If this is a reward provided by the employee, select the Employee Data Source from the <i>Employee Data Source</i> drop-down menu, i.e. - Flexible Benefits – derives rewards from Flexible Benefit codes. - Pay History – derives rewards from pay codes. Note: If this is a reward provided by the employer, select <i>Not Applicable</i>.

3. Select either the *Pay Codes* or the *Flexible Benefit Codes* tab:
 - a. Select the *Pay Codes* tab – derives rewards from pay codes.
 - b. Select the *Flexible Benefits* tab – derives rewards from *Flexible Benefit codes*.

To add *Pay Codes* or *Flexible Benefit Codes* to the Rewards Code:

4. Select a *Pay Code* or *Flexible Benefit Code* using the scroll bar, or search for the code description in the search field.
5. Select  to add the available *Pay Code/Flexible Benefit Code* to the *Assigned Pay Code/Flexible Benefit Code* section.

Note:

You can link several *Pay Codes/Flexible Benefit Codes* to the same *Rewards Code*.

4. Frequently Asked Questions

4.1. What systems in Core are required to use the TRS?

ANSWER – Payroll is the key dependency. The detail on the TRS is pulled from the pay history table/business area, which is created each time you complete a payroll.

4.2. Do I need Core Flexible Benefits to use the TRS?

ANSWER – No. TRS can function without the Flexible Benefits System.

4.3. If I am using Flexible benefits, how do my benefits transfer to the TRS?

ANSWER – The process is those employee benefit selections are posted to payroll, and when payroll runs, they are created on your pay history, and it is from where the that TRS pulls the data.

4.4. Can I stop certain years from being presented to the employee?

ANSWER – Yes. This is part of the General Settings configuration.

4.5. Can I import payments and benefits from outside of CoreHR?

ANSWER – Not currently. We understand that this is important and are considering it as part of a future release.

4.6. Can non-monetary benefits be displayed in a list format?

ANSWER – Not at the moment. This is being considered in a future release.
