1. Overview

1.1. Purpose of the Guide

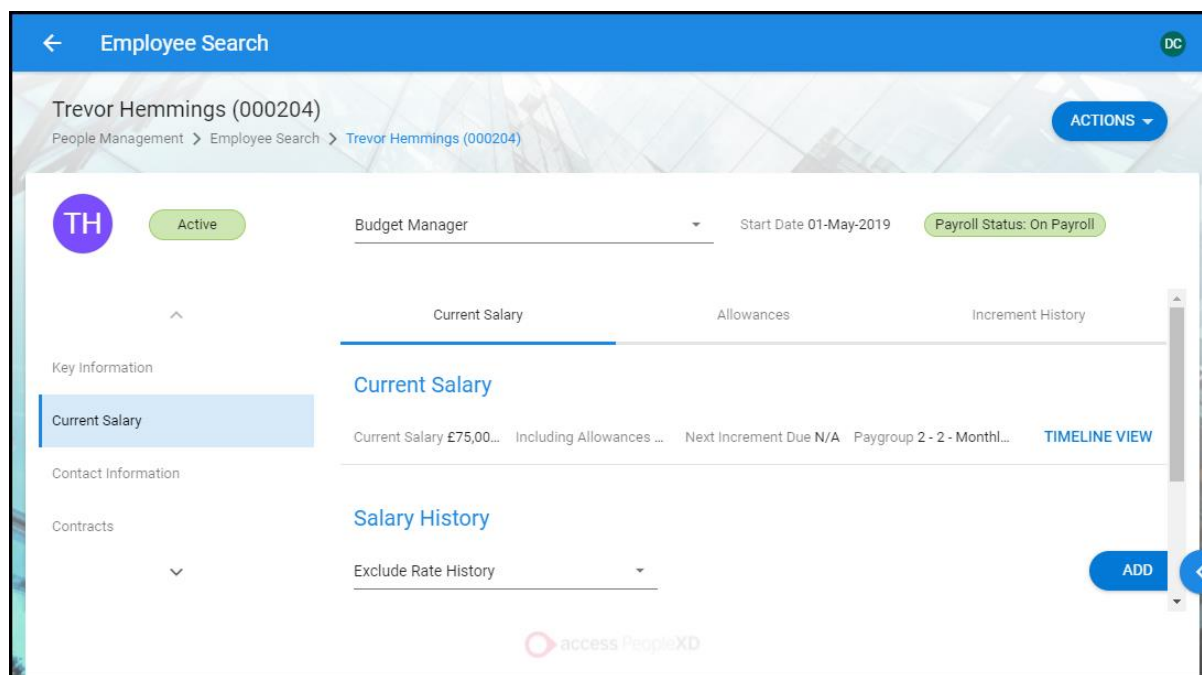

The purpose of this guide is to provide detailed guidance on how to configure the *Current Salary* screen on People Management including:

- Access to the *Current Salary* screen.
- *Pay Users* data access required.
- Enabling the Current Salary screen option on the employee record.
- Enabling Allowances screen options.

2. Current Salary Screen

2.1. Access to the Current Salary Screen

The following image represents where on the Employee Record the Current Salary details can be found.

2.1.1. Menu Option

The following menu option must be enabled, in order for the *Current Salary* option to display on the employee record.

System	Menu Option
People Management	Appointment Salary

2.1.2. Pay Users Access

The user requires access to the employee's Pay Group to see the employee's salary & allowance data. If the user does not have the required pay user data access, the *Current Salary* option will not display on screen.

See the **People Management – User Data Access** guide for further details on how this is managed for a user.

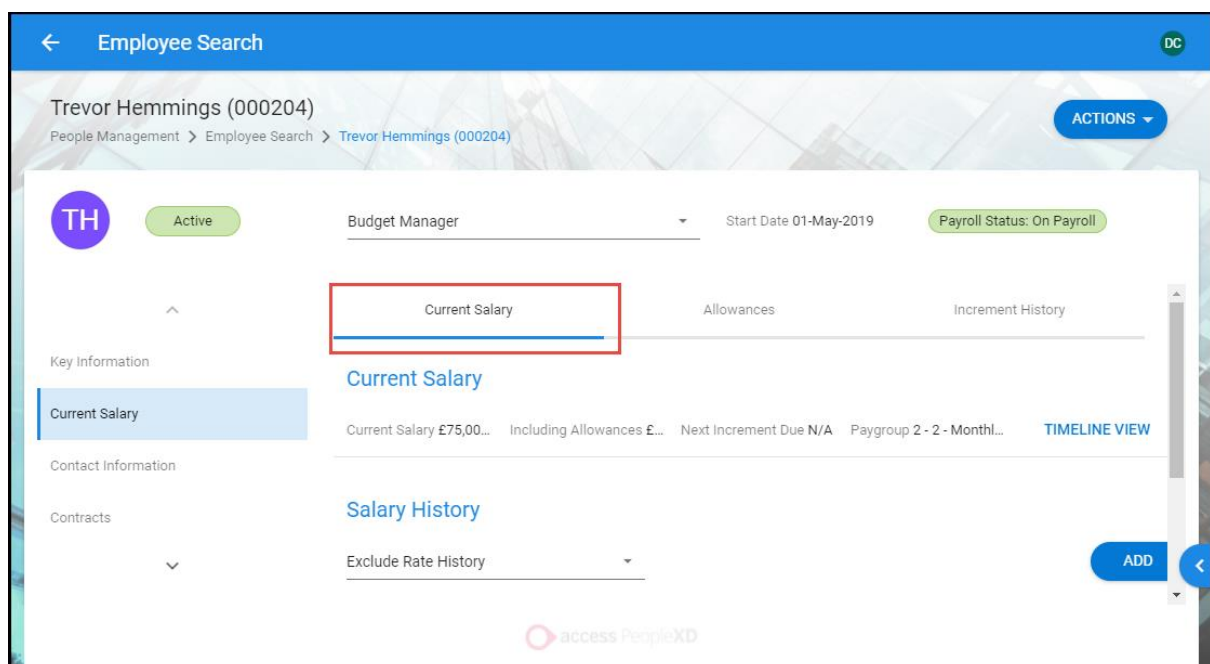

2.1.3. HR Data Access

The contract list displayed at the top of the screen will only display contracts that the user has access to, based on their HR Data access.

See the **People Management – User Data Access** guide for further details on how this is managed for a user.

2.2. Current Salary Tab

The following image shows the items on the Current Salaries tab.

2.2.1. View Salaries

Once a user has access to the *Current Salary* screen, they will be able to see the employee's salary history, for the selected contract.

The screenshot shows the 'Employee Search' interface for Trevor Hemmings (000204). The 'Current Salary' section is active, displaying a table of salary history. The table is highlighted with a red border. The table has columns: Point, Rate Type, Rate Amount, Multiplier, Actual Pay, Status, and Re... (likely Reference). The data row shows: 9999, Annual, £75,000.00, 1, £75,000.00, Approved, and Hire. The 'Approved' status is highlighted with a green button. The 'Hire' action is also visible. The interface includes a sidebar with 'Key Information', 'Current Salary', 'Contact Information', and 'Contracts'. The top bar shows 'Employee Search' and 'DC'.

Point	Rate Type	Rate Amount	Multiplier	Actual Pay	Status	Re...
9999	Annual	£75,000.00	1	£75,000.00	Approved	Hire

2.2.2. Amend Salaries

The following Menu Option is required to access the **Add Salary** button.

System	Menu Option
People Management	Amend Salaries

The screenshot shows the 'Employee Search' interface for Trevor Hemmings (000204). The page includes a header with a back arrow and 'Employee Search', and a user profile section with a photo, name, and ID. Below this, there are tabs for 'Key Information', 'Current Salary', 'Contact Information', and 'Contracts'. The 'Current Salary' tab is active, displaying a 'Salary History' table. The table has columns for Point, Rate Type, Rate Amount, Multiplier, Actual Pay, Status, and Re... (likely Rehire). A single entry is shown with Point 9999, Rate Type Annual, Rate Amount £75,000.00, Multiplier 1, Actual Pay £75,000.00, and Status Approved. A blue 'ADD' button is highlighted with a red box in the top right corner of the salary history section. The bottom of the page features a 'access PeopleXD' logo.

Point	Rate Type	Rate Amount	Multiplier	Actual Pay	Status	Re...
9999	Annual	£75,000.00	1	£75,000.00	Approved	Hire

2.2.3. Timeline View

The following Menu Option is required to access the **Timeline View** button:

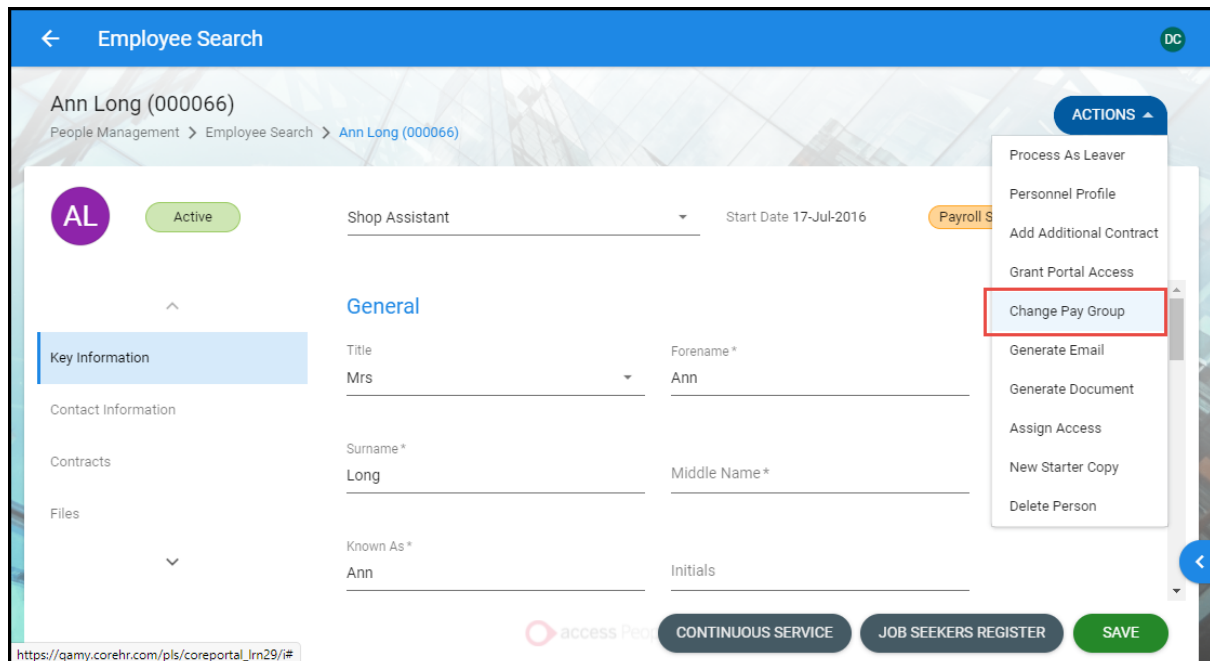

System	Menu Option
People Management	Salary Timeline

The screenshot shows the 'Employee Search' interface for Trevor Hemmings (000204). The page has a blue header with a back arrow and the text 'Employee Search'. Below the header, the employee's name and ID are displayed, along with a breadcrumb trail: 'People Management > Employee Search > Trevor Hemmings (000204)'. A blue 'ACTIONS' button is in the top right. The main content area is divided into a left sidebar and a main panel. The sidebar contains a profile card with a 'TH' icon, 'Active' status, 'Budget Manager' role, and 'Start Date 01-May-2019'. Below this are sections for 'Key Information', 'Current Salary', 'Contact Information', and 'Contracts'. The 'Current Salary' section is highlighted. The main panel shows the 'Current Salary' tab selected, with a sub-tab 'Current Salary' and a 'TIMELINE VIEW' button highlighted with a red box. Below this is the 'Salary History' section with an 'Exclude Rate History' dropdown. At the bottom right, there is an 'ADD' button and a back arrow. The footer of the page shows the 'access PeopleXD' logo.

2.2.4. Change Pay Group

The following Menu Option is required to access the **Change Pay Group** button:

System	Menu Option
People Management	Amend Employee Paygroup

The screenshot shows the 'Employee Search' interface for 'Ann Long (000066)'. The page includes a sidebar with navigation options like 'Key Information', 'Contact Information', 'Contracts', and 'Files'. The main area displays employee details such as 'Shop Assistant', 'Start Date 17-Jul-2016', and 'Payroll S'. An 'ACTIONS' menu is open on the right, listing various options. The 'Change Pay Group' option is highlighted with a red box. At the bottom, there are buttons for 'CONTINUOUS SERVICE', 'JOB SEEKERS REGISTER', and 'SAVE'.

Note: this button will only appear if the employee has not yet been taken on to Payroll. Once the employee is active on Payroll, the Pay Group may only be changed by a Payroll Administrator.

2.2.5. Delete Salary in 'Pending' Status

Salaries that have not been fully approved i.e. that are in a status of *Pending* can be deleted. This is achieved using the **Delete** button that will display on the salary row.

The following Menu Option is required to access the **Delete** button for a salary in *Pending* status.

System	Menu Option
People Management	Delete Salary Approval

The screenshot shows the 'Employee Search' interface for Trevor Hemmings (000204). The page includes a header with a back arrow, the title 'Employee Search', and a user icon 'DC'. Below the header, the employee's name and ID are displayed, along with a breadcrumb trail: 'People Management > Employee Search > Trevor Hemmings (000204)'. An 'ACTIONS' dropdown menu is visible. The main content area shows the employee's profile with a 'TH' icon, 'Active' status, 'Budget Manager' role, 'Start Date 01-May-2019', and 'Payroll Status: On Payroll'. A table titled 'Exclude Rate History' is displayed, showing three rows of salary data. The first row is highlighted in blue and has a 'DELETE' button next to it. The second and third rows have 'Approved' status. The table columns are 'int', 'Multiplier', 'Actual Pay', 'Status', and 'Re...'. The 'DELETE' button is highlighted with a red box.

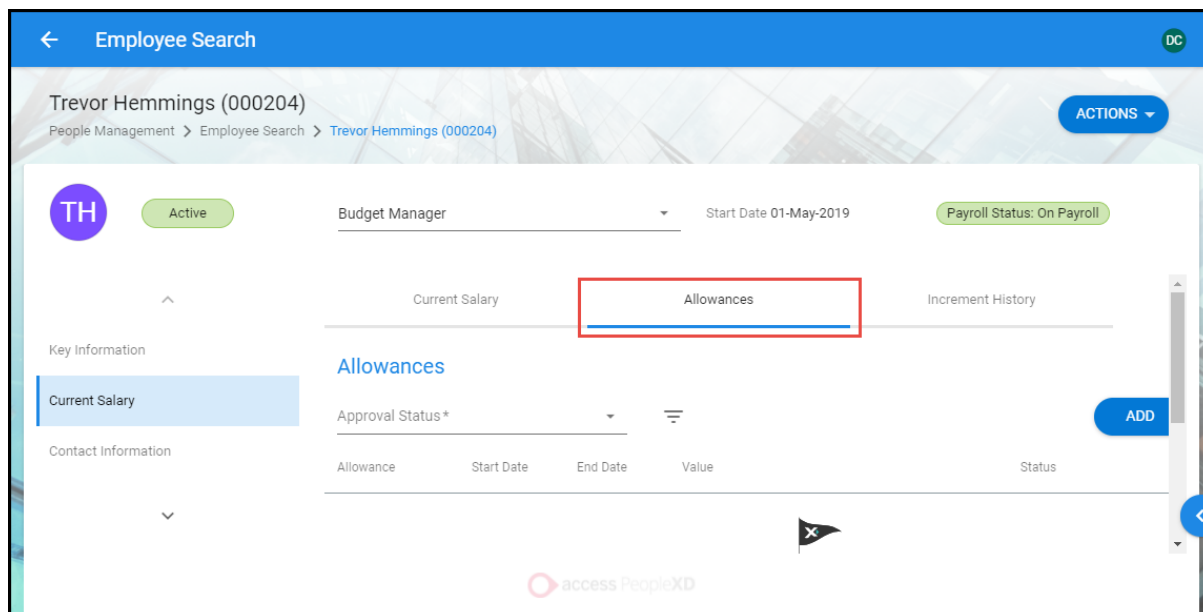

int	Multiplier	Actual Pay	Status	Re...
0	1	£88,000.00	Pending	Pa...
0	1	£85,000.00	Approved	Pa...
0	1	£75,000.00	Approved	Hire

2.3. Allowances Tab

2.3.1. View Allowances

The following Menu Option is required to access the **Allowances** tab on the *Current Salary* screen:

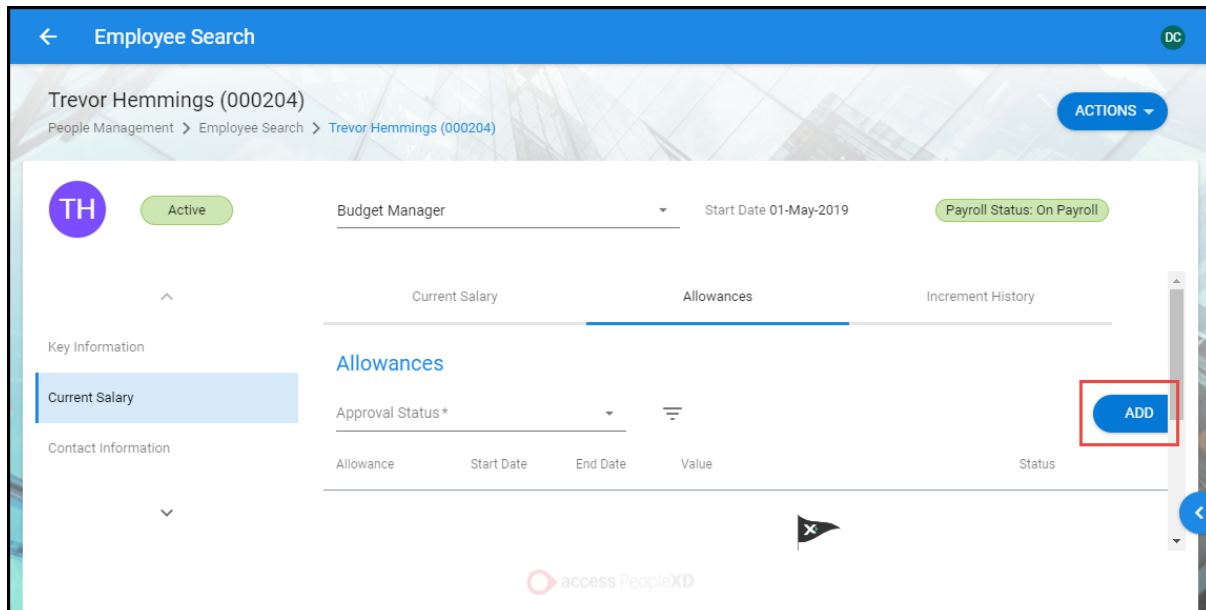

System	Menu Option
People Management	View Allowances

2.3.2. Add Allowances

The following Menu Option is required to access the **Add Allowance** button on the *Allowances* screen:

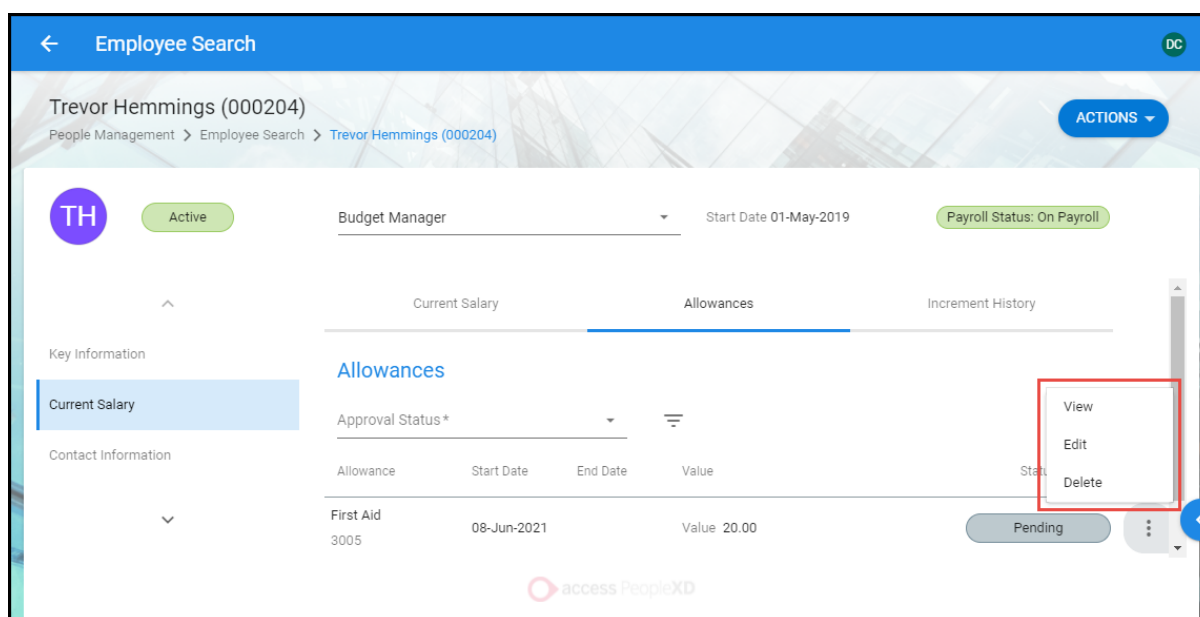

System	Menu Option
People Management	Add Allowances

2.3.3. Edit Allowances

The following Menu Option is required to access the **Edit** option on the  button for each allowance.

System	Menu Option
People Management	Edit Allowances

2.3.4. Delete Allowances

The following Menu Option is required to access the **Delete** option on the  button for each allowance. This option is only available if the Status is *Pending*.

System	Menu Option
People Management	Delete Allowances

2.3.5. Cancel Allowances

The following Menu Option is required to access the **Cancel** option on the  button for each allowance. This option is only available if the following conditions are met:

- Status is *Approved* or *Future*.
- Employee is on Payroll.

System	Menu Option
People Management	Add Allowances

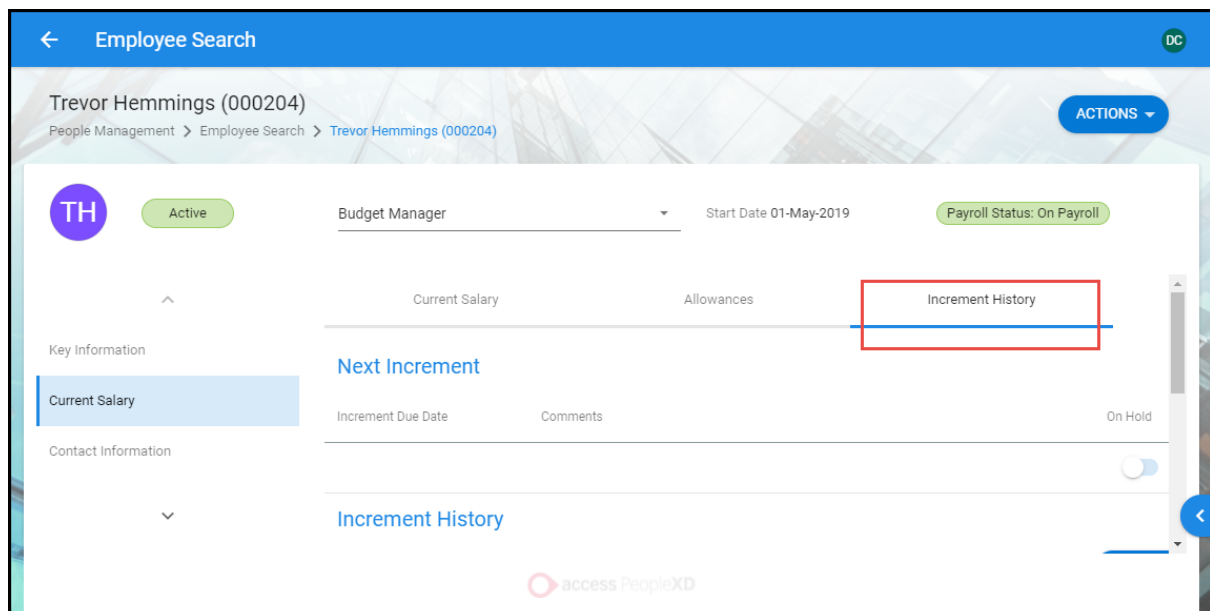

2.4. Increment History Tab

Note: Full guidance is provided on how to configure HR Salary Increments in the **Configuring HR Salary Increments** user guide. This section will only provide guidance on how to switch on the relevant options on the *Current Salary* screen.

2.4.1. View Increment History

The following Menu Option is required to access the **Increment History** tab on the *Current Salary* screen:

System	Menu Option
People Management	Increment History View

2.4.2. Edit Increment History

The following Menu Option is required to update increment details on the **Increment History** tab on the *Current Salary* screen:

System	Menu Option
People Management	Increment History Edit

This option controls the following elements on the screen:

- **Place Increment On Hold** indicator will be editable.
- *Increment Due Date* will be editable.
- *Comments* will be editable.
- **Add** button will be visible.
- **Delete** button for future Increment Due Date records.

The screenshot shows the 'Employee Search' page for Trevor Hemmings (000204). The page includes a header with a back arrow and the title 'Employee Search'. Below the header, there is a section for 'Trevor Hemmings (000204)' with a breadcrumb trail: 'People Management > Employee Search > Trevor Hemmings (000204)'. A blue 'ACTIONS' button is visible in the top right corner.

The main content area is divided into two columns. The left column contains a sidebar with a profile picture (TH), a status 'Active', and sections for 'Key Information', 'Current Salary', and 'Contact Information'. The right column displays the 'Increment History' table. The table has columns for 'Increment Due Date', 'Comments', 'Date / Time Created', and 'Created By'. A red box highlights the 'Place Increment On Hold' toggle switch, the 'ADD' button, and the 'DELETE' button in the right margin of the table.

Increment Due Date	Comments	Date / Time Created	Created By
02-Feb-2021		10-Jun-2021 16:58	Declan Carey

2.5. Amend Salary Parameters

This section will describe a set of system parameters that are used to support the amend salary process on CoreHR.

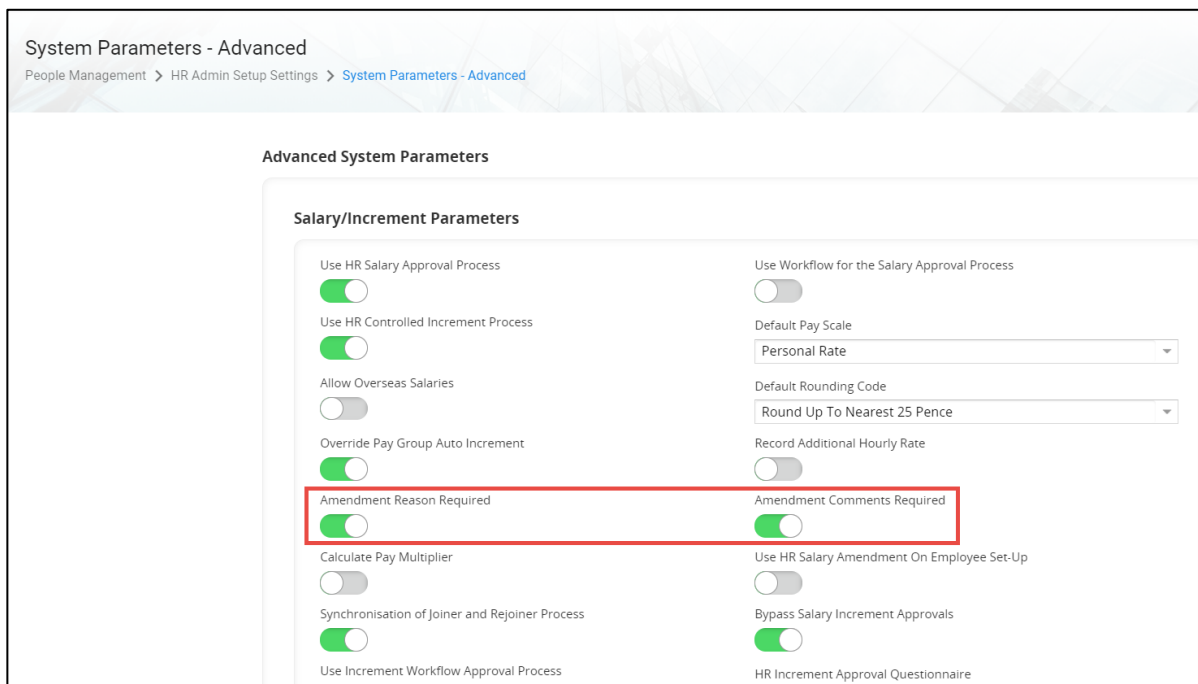

These options are available on the *System Parameters - Advanced* screen, which is available on the Data Centre > *HR Admin Setup Settings* tab.

2.5.1. Reason & Comments Required

The parameters listed below are used to define if *Reason* and *Comments* are mandatory when adding a salary amendment or allowance on CoreHR:

- Amendment Reason Required
- Amendment Comments Required

 **Note:** These are defaulted to enabled

System Parameters - Advanced

People Management > HR Admin Setup Settings > System Parameters - Advanced

Advanced System Parameters

Salary/Increment Parameters

Use HR Salary Approval Process	☒	Use Workflow for the Salary Approval Process	☐
Use HR Controlled Increment Process	☒	Default Pay Scale	Personal Rate
Allow Overseas Salaries	☐	Default Rounding Code	Round Up To Nearest 25 Pence
Override Pay Group Auto Increment	☒	Record Additional Hourly Rate	☐
Amendment Reason Required	☒	Amendment Comments Required	☒
Calculate Pay Multiplier	☐	Use HR Salary Amendment On Employee Set-Up	☐
Synchronisation of Joiner and Rejoiner Process	☒	Bypass Salary Increment Approvals	☒
Use Increment Workflow Approval Process	☐	HR Increment Approval Questionnaire	☐

2.5.2. Default Current Pay Details for Amendment

It is possible to default the following fields on the *New Salary* to use the *Current Salary* details:

- Current Grade
- Current Point on Scale

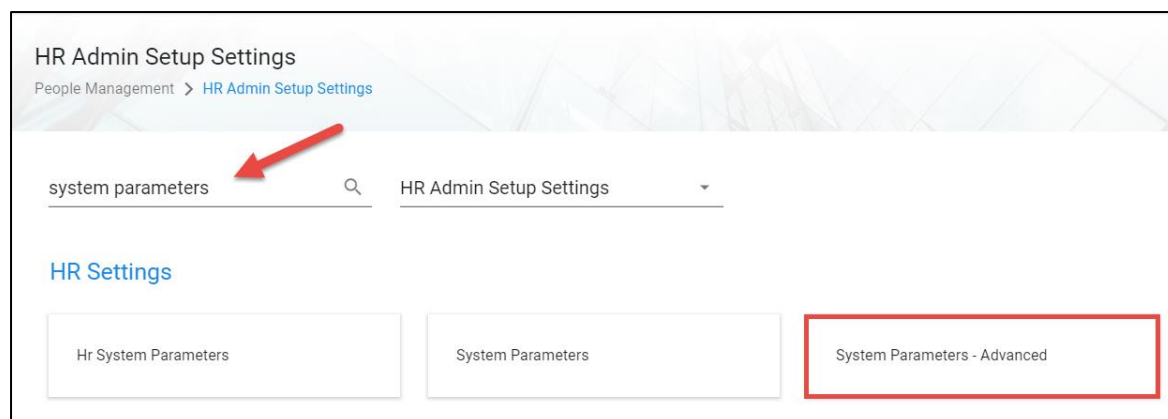

Current Salary	New Salary
Effective Since 17-Jul-2016	Make effective from* 
Pay based on Scale-Point	To be Paid based on* Scale-Point 
Current Grade Grade 1	New Grade* Grade 3 
Current Point on Grade Point 1	New Point* Point 3 
This Rate Is Annual	New Rate is* Annual
Current Multiplier 1	New Multiplier* 1  

For *Scale Point* salaries, once the Effective Date is entered, the system will identify the correct rate on the system for that date and populate the *New Salary* and *Actual Pay* fields.

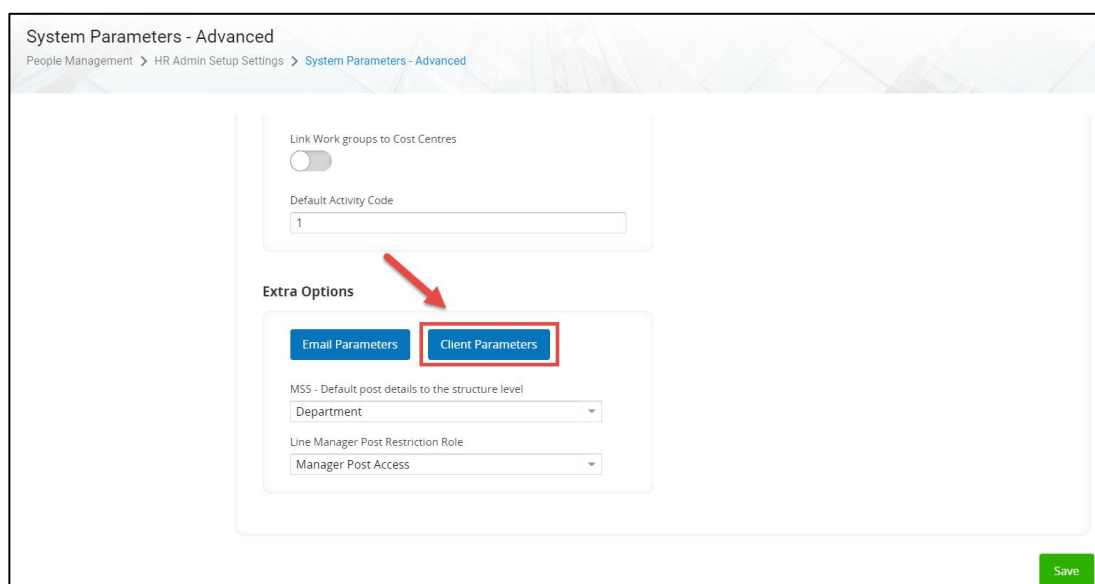

For *Personal* salaries, the system will not automatically populate the *New Salary* or *Actual Pay*. These will be blank and must be entered by the user as part of the salary amendment.

To configure this option:

1. Quick jump to the *Data Centre* widget and **Open** *HR Admin Setup Settings*.
2. Search for *system parameters*.
3. Select the option *System Parameters > Advanced*.

4. On the *System Parameters - Advanced* screen, scroll down and click the **Client Parameters** button.

5. Search for the following parameter:

Default Pay Details to Current Rate for New Rate of Pay on Salary Amendment

- Switch the parameter On or Off as required:
On: *Current Grade* and *Current Point on Scale* will be defaulted
Off: *Current Grade* and *Current Point on Scale* will be blank
- Click **Save** to save changes.

This parameter is generally set to **On** by default.

Note: The details will default to the values seen on screen for the 'salary to be replaced. If the parameter reviewed in [2.2.6 Only Display Approved Salaries on Amendment Screen](#) is disabled, this may include a salary that is *Outstanding*.

2.5.3. Default Multiplier to FTE

The following 2 parameters are used to ensure that the Multiplier is set to the contract FTE for a new appointment (i.e. new contract) or a salary amendment:

- "Default Multiplier to FTE for New Appointment"
- "Default Multiplier to FTE for New Rate of Pay on Salary Amendment"

These are enabled by default.

Note: This is only applicable to the *Annual* rate of pay.

The screenshot shows the 'Client Parameters' configuration interface. At the top, there are two tabs: 'Client Parameters' (selected) and 'Numeric Client Parameters'. Below the tabs, there is a 'Search Text' field containing 'default multiplier' and a blue 'Find' button. A table below displays the parameters:

Parameter	On/Off
Default Multiplier to FTE for New Appointment	☒
Default Multiplier to FTE for New Rate of Pay on Salary Amendment	☒

2.5.4. Hide Hourly Rate Type

The following parameter is used to hide the *Hourly* option from the rate type drop-down lists:

HR Admin - Hide rate types of hourly.

This is off by default.

The screenshot shows the 'Client Parameters' configuration page. At the top, there are two tabs: 'Client Parameters' (active) and 'Numeric Client Parameters'. Below the tabs, there is a search section with a 'Search Text' input field containing 'hourly' and a blue 'Find' button. Below the search section is a table with two columns: 'Parameter' and 'On/Off'. The table contains one row with the parameter 'HR Admin - Hide rate types of hourly' and a toggle switch that is currently turned off.

Parameter	On/Off
HR Admin - Hide rate types of hourly	☐

2.5.5. Hide Rate Type of Weekly and Daily

The following parameter is used to hide the *Daily* and *Weekly* options from the rate type drop-down lists:

HR Admin - Hide rate types of weekly and daily.

This is off by default.

The screenshot shows the 'Client Parameters' configuration page. At the top, there are two tabs: 'Client Parameters' (active) and 'Numeric Client Parameters'. Below the tabs, there is a search section with a 'Search Text' input field containing 'weekly' and a blue 'Find' button. Below the search section is a table with two columns: 'Parameter' and 'On/Off'. The table contains one row with the parameter 'HR Admin - Hide rate types of weekly and daily' and a toggle switch that is currently turned off.

Parameter	On/Off
HR Admin - Hide rate types of weekly and daily	☐

2.5.6. Only Display Approved Salaries on Amendment Screen

The *Amend Salaries* screen displays:

- The salary to be replaced.
- The new salary details.

The screenshot shows the 'Amend Salary' screen with a breadcrumb trail: People Management > Employee Search > Ann Grant (000063) > Amend Salary. The screen is divided into two main sections: 'Salary to be replaced' and 'New Salary'.

Salary to be replaced

- Current Salary**
- Effective Since: 17-Jul-2016
- Pay based on: Scale-Point
- Current Grade: Grade 1
- Current Point on Grade: Point 1
- This Rate is: Annual
- Current Multiplier: 1

New Salary

- New Salary**
- Make effective from*: [Calendar icon]
- To be Paid based on*: Scale-Point
- New Grade*: Grade 1
- New Point*: Point 1
- New Rate is*: Annual
- New Multiplier*: 1

For the salary to be replaced, it is possible to configure whether *outstanding* salaries will display i.e. if the latest salary that was entered for the employee has not yet been approved (is in a status of *Outstanding*, should this be the salary to be replaced).

To configure this option:

1. Quick jump to the Data Centre widget and **Open** *HR Admin Setup Settings*.
2. Search for and select the option **System Parameters - Advanced**.
3. On the *System Parameters - Advanced* screen, scroll down and click the **Client Parameters** button
4. Search for the following parameter:
"HR Admin - Only display approved salaries as current salary during salary amendment/approval"

Client Parameters Numeric Client Parameters

Search Text
 Find

Parameter	On/Off
HR Admin - Only display approved salaries as current salary during salary amendment/approval	☐

5. Switch the parameter On or Off as required:

On

If this option is enabled, then only salaries which have a status of *Approved* will display as the salary to be replaced on the *Amend Salaries* screen.

Off

If this option is not enabled, then salaries which have a status of 'Outstanding' will be permitted to display as the salary to be replaced on the *Amend Salaries* screen.

6. Update the parameter as required.

7. Click **Save** to save changes.

Example

An employee has 2 salary records displayed on the *Current Salary* screen:

- An *Approved* salary for £28,000 that is effective on 17/Jul/2016
- An *Outstanding* salary for £30,000 that is effective on 17/Jul/2016

Salary History

Exclude Rate History ▼ ADD

Start Date	Rate Effective	Pay Scale	Point	Rate Type	Rate Amount	Multiplier	Actual Pay	Status	Reason
17-Jul-2016	01-Jan-1990	Grade 1	2	Annual	£30,000.00	1	£30,000.00	Pending	Correction
17-Jul-2016	01-Jan-1990	Grade 1	1	Annual	£28,000.00	1	£28,000.00	Approved	Hire

If this parameter is On:

- the *Amend Salaries* screen will display the *Outstanding* salary as the salary to be replaced
- An alert will display at the bottom of the screen to let the user know that the salary has not yet been fully approved.

The screenshot displays the 'Amend Salaries' interface. It is divided into two main columns: 'Current Salary' and 'New Salary'. The 'Current Salary' column shows 'Effective Since' as '17-Jul-2016', 'Pay based on' as 'Scale-Point', 'Current Grade' as 'Grade 1', 'Current Point on Grade' as 'Point 2', 'This Rate Is' as 'Annual', and 'Current Multiplier' as '1'. The 'New Salary' column has fields for 'Make effective from *' (with a calendar icon), 'To be Paid based on *' (set to 'Scale-Point'), 'New Grade *' (set to 'Grade 1'), 'New Point *' (set to 'Point 2'), 'New Rate is *' (set to 'Annual'), and 'New Multiplier *' (set to '1'). A red arrow points from the 'New Salary' section to a yellow alert box on the right that says 'Pending Approval' and 'Current salary record is pending approval'.

Current Salary	New Salary
Effective Since 17-Jul-2016	Make effective from * [Calendar Icon]
Pay based on Scale-Point	To be Paid based on * Scale-Point
Current Grade Grade 1	New Grade * Grade 1
Current Point on Grade Point 2	New Point * Point 2
This Rate Is Annual	New Rate is * Annual
Current Multiplier 1	New Multiplier * 1

If this parameter is Off:

- the *Amend Salaries* screen will display the *Approved* salary as the salary to be replaced
- the user is not alerted to any other outstanding salaries, where the effective date is greater than the latest *Approved* salary.

Current Salary	New Salary
Effective Since 17-Jul-2016	Make effective from* 
Pay based on Scale-Point	To be Paid based on* Scale-Point ▼
Current Grade Grade 1	New Grade* Grade 1 ▼
Current Point on Grade Point 1	New Point* Point 1 ▼
This Rate Is Annual	New Rate is* Annual
Current Multiplier 1	New Multiplier* 1 ▲ ▼
Current Salary 28000	New Salary* 0
Actual Pay 28000	Actual Pay* 0
