1. Overview

1.1. Purpose of the Guide

The purpose of this document is to provide detailed guidance on the HR Admin Field Options functionality that is available in People Management.

1.2. What are HR Admin Field Options?

1.2.1. Display Options

This feature provides the ability to control the display and use of several key fields on employee and contract records on CoreHR.

These field options control the fields that are available on the following screens on HR Admin:

- New Hire wizard
- Replace Contract wizard
- Additional Contract wizard
- Rehire wizard
- End Person / End Contract
- Key Information
- Contracts

The options available will differ per field but include:

- **Mandatory**
 - *Enabled*: Field will be mandatory on the wizard and will include a red *.
 - *Disabled*: field is not mandatory and will not include a red *.
- **Hide**
 - *Enabled*: Field will not display on screen.
 - *Disabled*: Field will display on screen.

Note: These field options do not control the display of fields with a similar label that are included on other screens in CoreHR e.g. Employee Profile, People Management dashboard etc. This are specific to the screens listed above only.

1.2.2. Combo Field Options

The drop-down lists on CoreHR are generally linked to Reference Data items. These Reference Data items comprise of a *Code* and a *Description*. The Combo Field Options allows for some of these contract specific lists to display either: Description OR Code-Description.

The system is defaulted to show the 'Description' e.g.

The screenshot displays the 'Contract Information' section of the HR Admin form. The 'Department *' field is set to 'HR5 - HR Admin'. The 'Work Group' field is open, showing a list of options. The 'CEO - Ceo' option is highlighted in blue. The 'Work Group' field is also highlighted with a red box.

However, this field can be set to display the 'Code' & 'Description' e.g.

2. Access to HR Admin Field Options Screen

To access the *HR Admin Field Options* Config functionality:

- Quick jump to the *Data Centre* widget and open *HR Admin Setup Settings*.
- Search for and select *HR Admin Field Options*.

The *HR Admin Field Options* screen opens.

Display Options		Combo Field Options
Search		Create Person Wizard
Label	Field Options	
Absence FTE		EDIT
Acting Up		EDIT
Action		EDIT
Address	MANDATORY	EDIT
Category		EDIT
Contracted Hours		EDIT
Contracted and Standard Weeks		EDIT
Date of Birth	MANDATORY	EDIT
Date of Death	HIDE	EDIT
Effective Date	MANDATORY	EDIT

3. Updating Field Options

3.1. Display Options

To access the display options for a field:

1. On the *HR Admin Field Options* screen, select **Display Options** at the top of the screen.
2. Select the screen that the fields will be updated on. Options available are:
 - [Create Person Wizard](#)
 - [Key Information](#)
 - [Continuous Service](#)
3. Search for the required field, using this search option at the top of the screen.

The screenshot shows the 'HR Admin Setup Settings' screen with the 'HR Admin Field Options' sub-section. The 'Display Options' tab is selected. A search bar at the top of the table is highlighted with a red box and contains the text 'FTE'. Below the search bar, a table lists the fields and their options. The 'FTE' field is highlighted in the table, and its 'Field Options' are set to 'MANDATORY'. Each row in the table has an 'EDIT' button on the right.

Label	Field Options	
Absence FTE		EDIT
FTE	MANDATORY	EDIT
Location After Leaving		EDIT
Override FTE		EDIT

The current field options for that field are displayed on screen in the *Field Options* column.

- **Hide:** Field is hidden on screen.
- **Mandatory:** Field is mandatory and must be completed.
- **Blank:** Field is displayed on screen but is optional.

4. Click on the **Edit** button for the required field, to open the *Field Options* screen for that field:

HIDE

The screenshot shows a 'Field Options' dialog box for the field 'Absence FTE'. It contains a 'Field Option' dropdown menu with three options: 'None', 'HIDE', and 'MANDATORY'. The 'HIDE' option is highlighted with a red rectangular border, indicating it is the selected configuration.

MANDATORY

The screenshot shows a 'Field Options' dialog box for the field 'Absence FTE'. It contains a 'Field Option' dropdown menu with three options: 'None', 'HIDE', and 'MANDATORY'. The 'MANDATORY' option is highlighted with a red rectangular border, indicating it is the selected configuration.

Enabled: this option will not appear on screen.

Disabled: this option will appear on screen.

Enabled: this option will appear on screen and will be a mandatory element on the employee / contract record. This will be indicated by a red *.

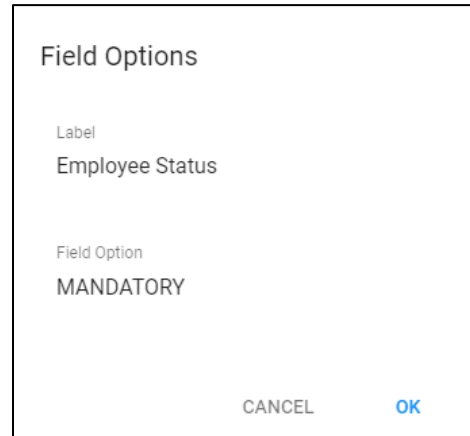

Disabled: this option will appear on screen, but it will be an optional element on the employee / contract record.

5. Click **OK** to save any changes made. These changes will be applied immediately and will be applied globally to the system i.e. all users will see the change.

 **Note:** It is only possible to set either Hide OR Mandatory for each field.

Some fields are required on CoreHR for all employee / contract records and therefore it is not possible to update the *Hide* or *Mandatory* options for these. However, these fields are still available to search for on the *HR Admin Field Options* screen, for reference purposes.

When accessing the *Field Options* for one of these fields e.g. *Employee Status*, the *Mandatory* option will appear and will be enabled. However, this is protected from update by the user. This is available for display purposes only.

A screenshot of a 'Field Options' dialog box. The title bar says 'Field Options'. Inside, there are two sections. The first section is labeled 'Label' and contains the text 'Employee Status'. The second section is labeled 'Field Option' and contains the text 'MANDATORY'. At the bottom right, there are two buttons: 'CANCEL' and 'OK'.

3.2. Combo Field Options

To access the display options for a field:

1. On the *HR Admin Field Options* screen, select *Combo Field Options* at the top of the screen.
The screen displays a list of all drop-down list fields that can be configured to display as either *Description* only or *Code-Description*.
2. Use the search option to do a key word search on the list below.
3. Switch On / Off the *Code-Description* indicator as required:
 - a. *On*: The field will display as *Code-Description*.
 - b. *Off*: The field will display *Description* only.
4. Click the **Save** button to save any changes made.

4.1.3. Salary

The field options listed below apply to the **Salary** screen on the following wizards:

- New Hire
- New Contract
- Replace contract
- Rehire

Field Name	Hide Option Available	Mandatory Option Available
NI Number / PPS Number / Social Security Number	N	Y

The screenshot shows the 'Salary Information' step (4) of a wizard. The left sidebar lists four steps: 1. Person Information, 2. Organizational Structure, 3. Contract Information, and 4. Salary Information. The main content area contains several fields:

- Starter Declaration:** A dropdown menu with 'NI Number' selected. This field is highlighted with a red box.
- Paygroup employee will be paid...:** A dropdown menu.
- Employee to be paid based on*:** A dropdown menu with 'Scale-Point' selected.
- Scale*:** A dropdown menu with 'Personal Rate' selected.
- Point on Scale*:** A dropdown menu with 'Default Scale Point' selected.
- Multiplier*:** A numeric input field with the value '1'.
- This to be paid*:** A dropdown menu with 'Annual' selected.
- Amount to be paid:** A numeric input field with the value '0'.
- Apply next increment on:** A date picker icon.

4.1.4. Leaver

The field options listed below apply to the following screens:

- End Person
- End Contract

#	Field Name	Hide Option Available	Mandatory Option Available
1	Leaving Date	Cannot be updated – <i>Mandatory</i>	
2	Leaving Code	N	Y
3	Leaving Destination	N	Y
4	Location After Leaving	N	Y
5	Date of Death	Y	Y

The screenshot shows a form for entering leaver information. It includes the following fields and controls:

- 1**: Leaving Date* (calendar icon)
- 2**: Leaving Code (dropdown arrow)
- 3**: Leaving Destination (dropdown arrow)
- 4**: Location After Leaving (dropdown arrow)
- 5**: Date of Death (calendar icon)
- End All Contracts (toggle switch, currently on)
- Comments (text area)

4.1.5. Personnel No.

Note: The Personnel No field is not displayed if using the automated personnel number generation option.

If the system is configured to require the user to manually input a personnel number, this field is always mandatory on the *New Hire* wizard.

4.2. Key Information

The fields listed below apply to the *Key Information* screen i.e.

The screenshot displays the 'Key Information' screen for a user named 'Support Analyst'. The user's status is 'Active' and their start date is '01-Mar-2016'. The payroll status is 'Open for Process...'. The fields are numbered as follows:

- 1** Title: Mr
- 2** Middle Name*: Patrick
- 3** Known As*: Al
- 4** Initials
- 5** NI Number: AB123456D
- 6** Date of Birth
- 7** Retirement Date
- 8** Service Details section containing:
 - Date First Joined: 01-Feb-2016
 - Tupe Date
 - Override Start Date
 - Override End Date
 - Continuous Service Duration: 0 Years, 0 Months, 0 Days
 - Continuous Service Started: N/A
 - Total Length of Service: 2 Years, 11 Months, 17 Days
 - Length of Service: 2 Years, 11 Months, 17 Days
- 9** Work Permit section containing:
 - 13** Work Permit Number
 - 10** Work Permit Detail
 - 11** Work Permit Issue Date
 - 12** Work Permit Expiry Date
- 14** Contract Info section containing:
 - 15** Assembly Point
 - 16** Internal Extension Number
 - 17** Exclude from Occupational Ab... (toggle switch)

The bottom of the screen features the 'corehr' logo and three buttons: 'CONTINUOUS SERVICE', 'JOB SEEKERS REGISTER', and 'SAVE'.

#	Field Name	Hide Option Available	Mandatory Option Available
1	Title	Y	Y
2	Middle Name	Y	Y
3	Known As	Y	Y

#	Field Name	Hide Option Available	Mandatory Option Available
4	Initials	Y	N
5	NI Number	N	Y
6	Date of Birth	Y	Y
7	Retirement Date	Y	Y
8	Service Details Section	Y	N
9	Work Permit Section	Y	N
10	Work Permit Number	Y	N
11	Work Permit Detail	Y	N
12	Work Permit Issue Date	Y	N
13	Work Permit Expiry Date	Y	N
14	Contract Info	Y	N
15	Assembly Point	Y	N
16	Internal Extension Number	Y	N
17	Exclude from Occupational Absence	Y	N

 **Note:** The *Age* field is linked to the *Date of Birth* display options i.e. if Date of Birth is Hidden, Age is also hidden. Age cannot be set to mandatory as this is a display only field derived from *Date of Birth*.

4.3. Continuous Service

The fields listed below are available to select under *Continuous Service*. These control the display of fields on the following screens:

- Key Information

XD People Management: HR Admin Field Options – User Guide

The screenshot displays the HR Admin interface for an employee named 'Support Analyst'. The interface includes a top navigation bar with a profile icon 'AS', status 'Active', and 'Payroll Status: Open for Process...'. The main content area is divided into two tabs: 'Key Information' and 'Service Details'. The 'Service Details' tab is active, showing various date fields and service metrics. Four red circles with numbers 1 through 4 highlight specific fields: 1. Continuous Service Duration (0 Years, 0 Months, 0 Days), 2. Continuous Service Started (N/A), 3. Total Length of Service (2 Years, 11 Months, 17 Days), and 4. Length of Service (2 Years, 11 Months, 17 Days). Other visible fields include Retirement Date, Date First Joined (01-Feb-2016), Tupe Date, and Override Start Date.

#	Field Name	Hide Option Available	Mandatory Option Available
1	Continuous Service Duration	Y	N
2	Continuous Service Started	Y	N
3	Total Length of Service	Y	N
4	Length of Service	Y	N

5. Combo Field Options Available

The following fields are available to update on the *Combo Field Options* screen:

- Organisation
- Management Unit
- Department
- Division
- Location
- Work Group
- User 1
- User 2
- User 3
- User 4
- User 5
- Cost Centre
- Project
- Expense
- Employee Status
- Sub Status
- Category
- Job Category
- Sub Category
- Action
- Reason

Each of these options are related to a contract record. Changes made here will update the display of the data in that field on the following screens:

- Create Person
- View Contract
- Amend Contract
- Replace Contract
- Additional Contract
- Rehire Person

This will not update the display of the Reference Data items on any other screen, including filters.

6. Additional Configuration Required

6.1. Menu Option

The user will require access to the menu option detailed below, to see the *HR Admin Field Options* item on:

- on the *Data Centre > HR Admin Setup Settings* screen under *HR Settings* on the *Settings* tab.

Once that item is available, the user will have full access to all functionality available on the pop-up *HR Field Options* screen.

System	Menu Option
People Management	Hr Admin Field Options
