1. Introduction

The purpose of this guide is to provide instruction on how to make an employee a leaver on the system.

The purpose of making an employee a leaver on People Management is to ensure that the:

- employee record is dormant on the system from a given leave date.
- employee's salary record and all other contract related details are ended as of that same given effective date.
- employee can be processed as a leaver by Payroll in order to be issued a P45.

This process should not be followed to end contracts for an employee where the employee will still be active on the system i.e.

- where a contract is ended and replaced immediately by another contract.
- where an employee has multiple active contracts and only 1 contract will be ended.

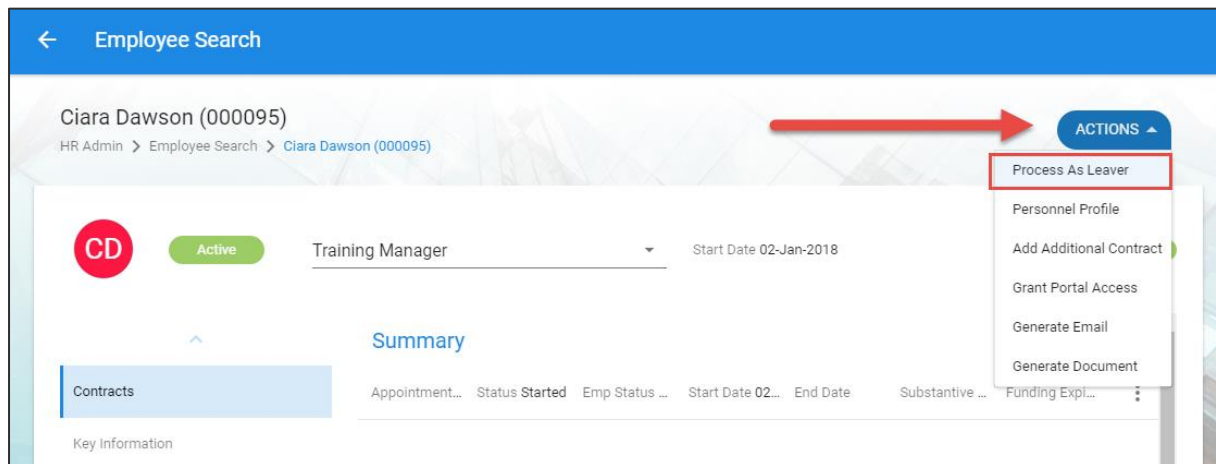

Please refer to the relevant user guides for *New Contracts* and *Ending a Contract* for instructions on how to complete these activities.

2. Leavers

2.1. Make an Employee a Leaver

To make an employee a leaver:

1. On the *employee record* widget, click the **Actions** button
2. Select **Process As Leaver** in the *Contracts* tab.

The *Process As Leaver* screen opens:

3. Update the details as required:

Field	Description	Mandatory
Leaving Date	The final date of employment in that contract and the last date the employee will be paid up until.	Yes
Leaving Code	Select from a predefined list of reasons for leaving.	No
Leaving Destination	Select from a predefined list.	No
Location After Leaving	Select from a predefined list.	No
Comments	Record additional comments re the end of the contract if required. Up to 80 characters.	No
End All Contracts	This is enabled by default to ensure that active contracts are ended for the employee.	Yes

4. Click **Actions** and select **Notice Periods**, to record Employee Resignation OR Employer Notification dates.

Notice Periods

Employee Resignation

Employee Notice Period

Employee Leave Date

Employer Notification

Employer Notice Period

Employer Leave Date

CANCEL

OK

Note:

This screen is typically used if using *Terms and Conditions* functionality as these may automatically populate the *Notice Periods* and help to define the employee's *Leave Date*.

5. Click **Actions** and select **Leaving Summary** button to open the *Leaving Summary* screen.
This will provide a summary view of other contract elements that will be ended as part of the leaving process:

UPDATE COMMENT

Items included here are:

- Cost Allocations
- Allowances
- Deductions
- Annual Leave Balance
- Pension Scheme Assignments
- It is also possible to capture additional comments (max 800 characters) at the end of this screen.

6. Click **Actions** and select the **Appointment Details** button, to preview a read only view of the Org Structure and Contract screens for the contract that is being ended as part of this process. The most recent contract amendment will be displayed. This is for review purposes only and no updates may be made on these screens.
7. Click on the **Save** button to make the employee a leaver.

The employee records will now be **Ended** (leave date in the past) or **Ending** (in the future).
The active contracts will now be **Ended** (leave date in the past) or **Ending** (in the future).

2.2. Employee & Contract Status Updates

2.2.1. Leave Date Earlier Than Today (in the Past)

Once the employee has been made a leaver on People Management, this will be immediately reflected throughout the application.

1. On the *Employee Search* screen, the employee will only return if filtering for *dormant* employees.
 - a. Select the dropdown list next to the *Search Name or Personnel No.* search field.
 - b. Select either *Dormant* or *Dormant and Active* from the *Display Employees that are list*

The screenshot shows the 'Employee Search' interface. At the top, there's a search bar labeled 'Search Name or Personnel No.' with a magnifying glass icon. To the right of the search bar is a dropdown menu that is currently open, showing three options: 'Active', 'Dormant', and 'Dormant and Active'. The 'Active' option is highlighted. Below the search bar is a table of employees. The table has columns for Name, Personnel No., Job Title, Department, Date Started, Reports To, and a 'VIEW' link. The employees listed are Alice Jones, Ann Grant, Ann Long, Barry Smith, Bart Ooms, Bill Kerry, Brenda Jones, and Brian Clifford. The 'Dormant' status is not yet selected, so all employees are visible.

Name	Personnel No.	Job Title	Department	Date Started	Reports To	VIEW
Alice Jones	000013			01-Jan-2011	Thomas Cole	VIEW
AG Ann Grant	000063	Shop Assistant	Menswear	17-Jul-2016	Claire Smith	VIEW
AL Ann Long	000066	Shop Assistant	Menswear	17-Jul-2016	Susan Jennings	VIEW
BS Barry Smith	000120	Accountant	Accounts	23-Feb-2018	Bart Ooms	VIEW
BO Bart Ooms	000136	Recruitment Consultant	Recruitment	03-Dec-2018	Thomas Cole	VIEW
BK Bill Kerry	000100	Payroll Administrator	Payroll	12-Apr-2017	Bart Ooms	VIEW
BJ Brenda Jones	000069	Shop Assistant	Menswear	17-Jul-2016	Claire Smith	VIEW
BC Brian Clifford	000112	Support Analyst	Technical Support	07-Jan-2018	Thomas Cole	VIEW

- c. The employee will return on screen

The screenshot shows the 'Employee Search' interface with the 'Dormant' filter selected in the dropdown menu. The table now only displays one employee, Cathy Looney, who is marked with a red 'Dormant' label next to her initials 'CL'. The 'VIEW' link is still present for this employee.

Name	Personnel No.	Job Title	Department	Date Started	Reports To	VIEW
CL Cathy Looney	000023	Financial Analyst	Finance Admin	02-Feb-2014	Sarah Taylor	VIEW

2. On the employee's record:
 - The red *Dormant* label will appear next to the employee's initials / photo.
 - Their *End Date* is displayed on screen.
 - Their last contract will appear as *Ended* and the End Date will reflect their Leave Date.

2.2.2. Leave Date Today or in the Future

The employee's leave date is today or in the future, they will appear as *Ending* on CoreHR.

1. On the employee's record:

- The *Leaving* label will appear beneath their name.
- Their End Date is displayed on screen.
- Their last contract will appear as *Ending* and the End Date will reflect their Leave Date.

The screenshot shows the employee record for Anthony Mills (000106). The 'Leaving' label is highlighted with a red box and an arrow. The contract details show the status as 'Ending' and the end date as 28-Feb-2019. The 'Recruitment Consultant' role is also highlighted with a red box.
