1. Overview

1.1. Purpose of the Guide

The purpose of this document is to provide guidance on how to use the 360 review features both as an employee and a manager. These are broken down into two areas for this piece of content:

1. Accessing and viewing 360 reviews.
2. Actioning on 360 reviews requests and feedback.

Note: This guide does not include:

- Steps on how to use and configure Performance Reviews.
- Steps on how to use and configure Competencies.
- Steps on how to use and configure of Objective Profiles.

1.2. What are 360 Reviews

360 reviews are feedback opportunities that enable a group of colleagues to provide feedback on an employee's performance and facilitate continuous evaluation.

The feedback is generally asked for by the manager to whom the employee reports into. Colleagues who participate in the 360 usually include the persons line manager, several peers, reporting staff, and functional managers with whom the employee works regularly with.

The goal of the feedback is to provide a balanced view to an employee of how others view his or her contribution and performance in areas such as leadership, teamwork, interpersonal, communication, management, contribution, work habits, interpersonal interaction, accountability, vision and more, depending on the employee's job.

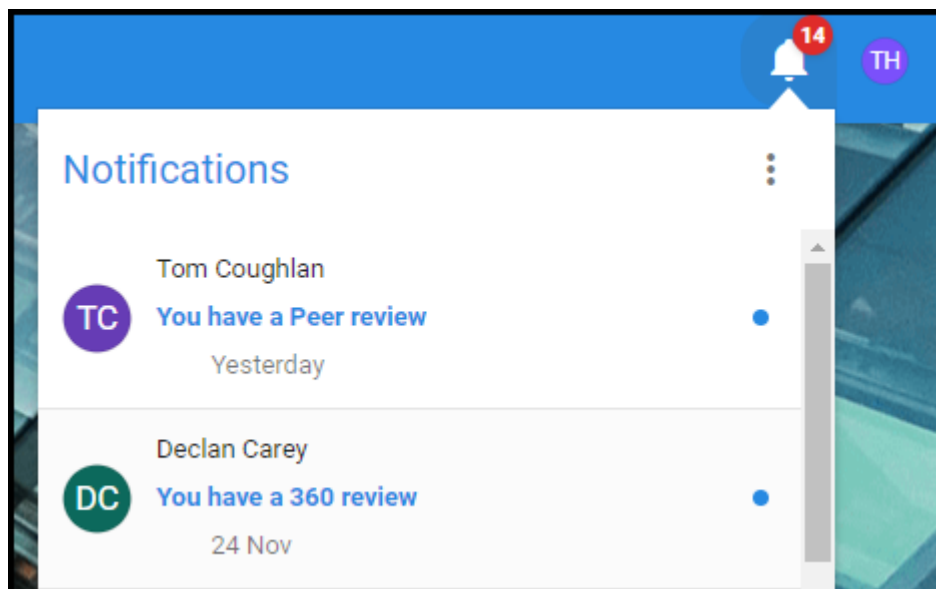

2. How to use 360 Reviews & Peer Reviews

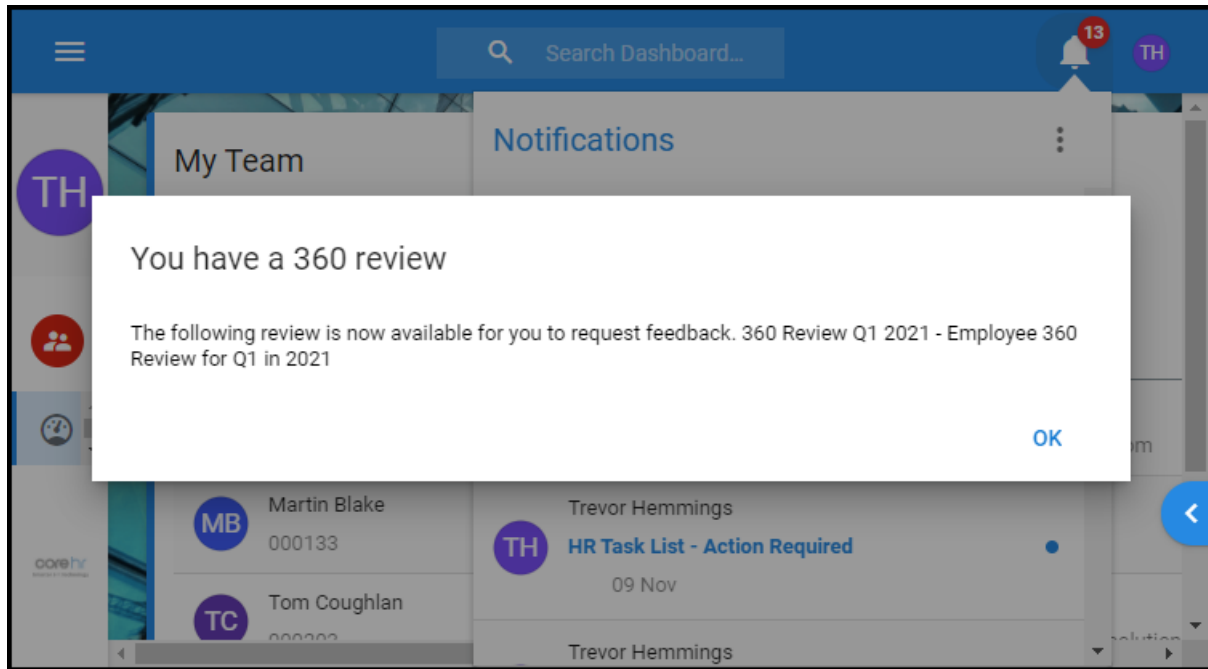

2.1. Accessing 360 Reviews & Peer Reviews

2.1.1. New 360 Reviews & Peer Reviews Notifications

Once a 360 review or a Peer Review has been assigned to an employee, by the talent management administrator or their manager, it is immediately available to the employee to complete & request feedback.

All employees receive a notification via the CorePortal Notification Centre, alerting them that they have been assigned a new 360 review or a Peer Review.

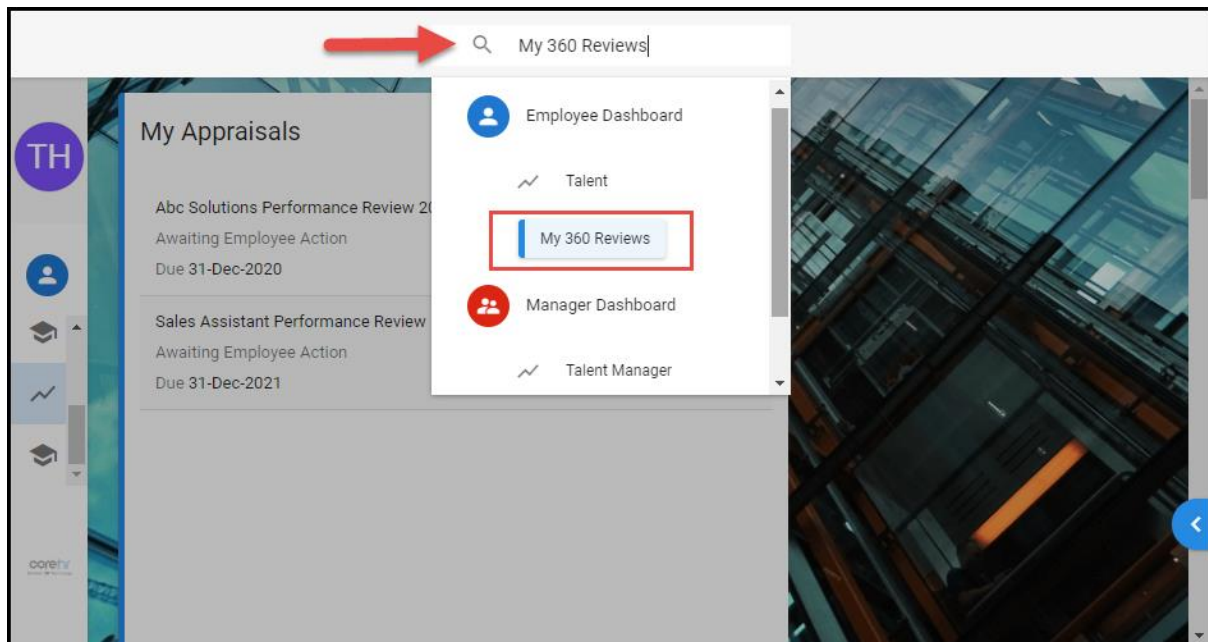

2.1.2. My Review Widget on Employee Dashboard

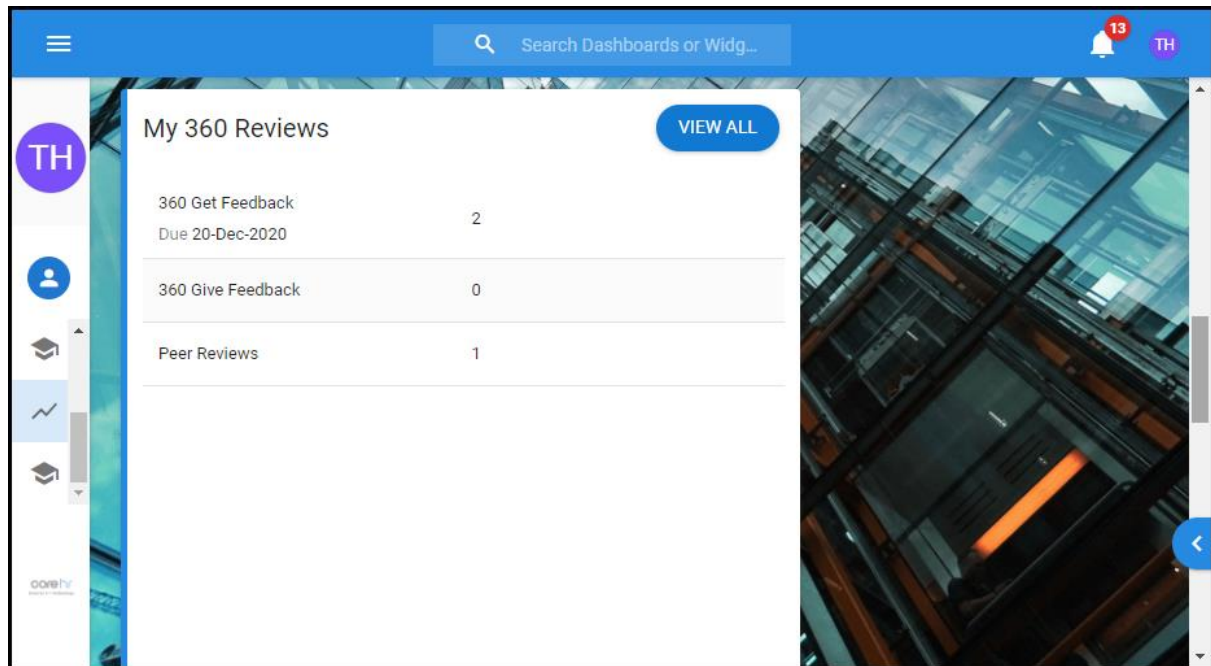

An employee has access to all of their 360 Reviews (current and historical) on the 'My Reviews' Widget on their Employee Dashboard.

1. Quick Jump to *My 360 Reviews* on the Employee Dashboard.

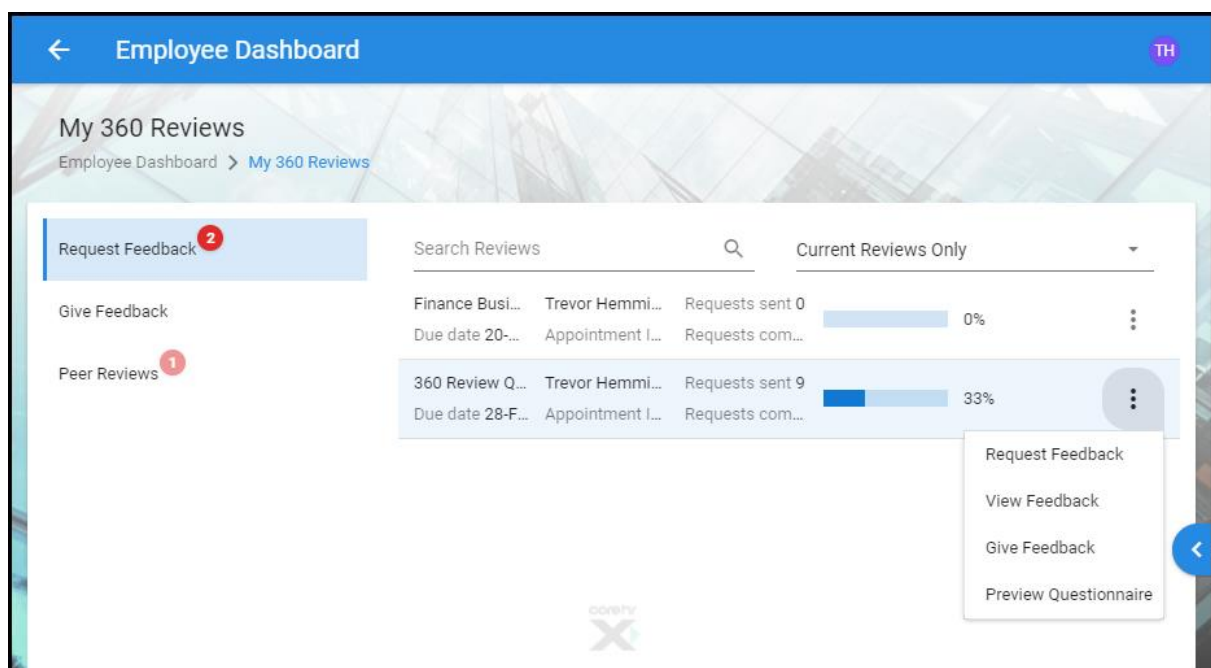

2. The *My 360 Reviews* widget appears on screen.

- a. This shows how 360 reviews or peer reviews have been assigned to your profile to give or receive feedback.

3. Click the **View All** button.
4. The *My 360 Reviews* screen opens.

The following table outlines what fields and items are found within this screen across the following three tabs:

1. Request Feedback

- a. This tab shows the reviews assigned to you to give and receive feedback.
2. Give Feedback
 - a. This tab shows the employee reviews that have been requested on which you can leave feedback.
3. Peer Review
 - a. This tab shows the employee reviews that have been requested on which you can leave feedback.
 - b. No data appears on this tab for your own record.

These tabs default to show 'Current Reviews Only' i.e. reviews that are active today, based on the review period dates that the talent management administrator has defined.

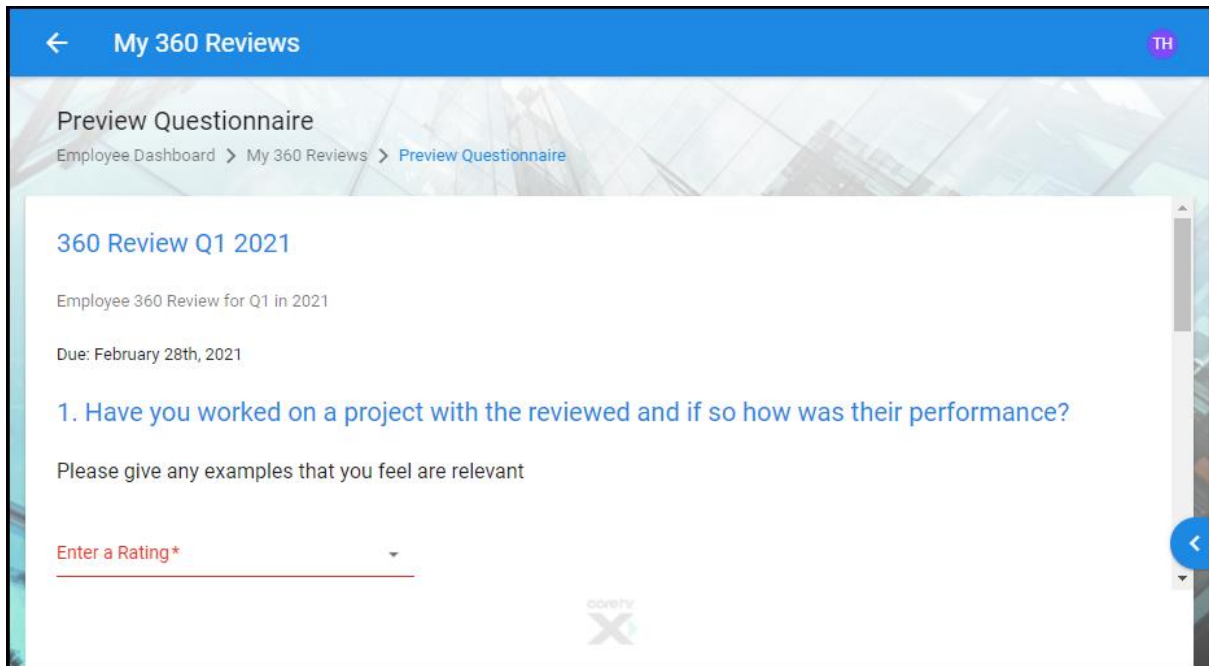

Item	Description
Review Filter	This allows you to filter the results on the following: • Current Reviews only • Historical Reviews • All Reviews

Employee Name	This is the name of the employee the review has been assigned to or feedback can be requested.
Appointment ID	This shows the appointment / contract ID of the employee in question. This is the position for which the employee would like to be reviewed on
Request Statistics	This shows a breakdown of how many reviews have been sent or completed. % complete is based on the review forms completed by the requested employees.
Actions	By clicking the  the following actions can be carried out: • Request Feedback • View Feedback • Give Feedback • Preview Questionnaire

2.2. Actioning on 360 Reviews & Peer Review Feedback

2.2.1. Preview Questionnaire

The preview questionnaire option provides a read only view of the review questionnaire. This is available as standard for all reviews, regardless of whether the employee has the option to give feedback on their own review. To preview the questionnaire, click on the  button and then the **Preview Questionnaire** button.

The *Preview Questionnaire* screen appears:

 **Note:** This is a read only screen. The employee can review the questions, however they cannot save any answers or submit feedback via this screen.

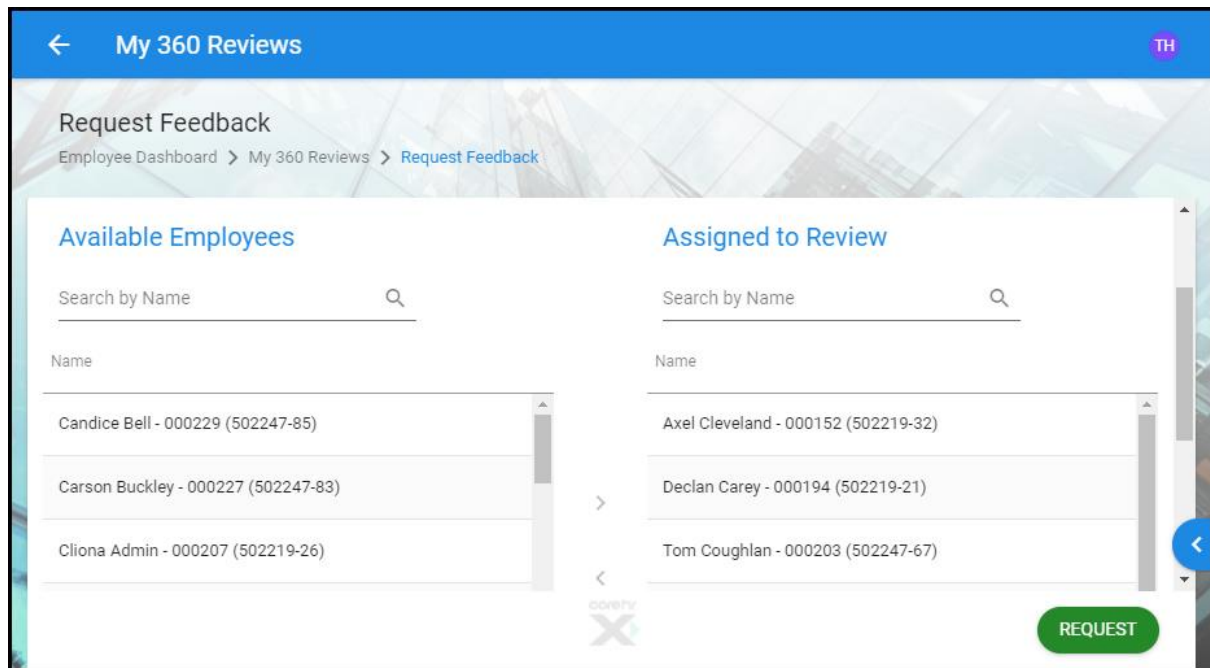

2.2.2. Requesting Feedback

 **Note:** This option is only available when the *Allow Employee to Ask for Feedback* indicator has been enabled on the review.

The employee can nominate their colleagues to provide feedback on them. That colleague receives a notification of the request and has access to complete the review, via the '360 Reviews' feature on their Employee Dashboard.

To request feedback click on the  button and then the **Request Feedback** button.

1. Select the colleague(s) that you would like to get feedback from
 - a. Highlight the colleague(s) and use the arrows to assign or un-assign them to give you feedback
 - b. The *Available Employees* list includes a list of all employees that are in the same assignment group for the review. i.e. if the review has been assigned to all employees in Department A and Department B, the list shows all employees with active appointments in those departments; if the review has been assigned at a company level, all active employees in the company appear.
 - c. if an employee has multiple appointments within the assignment group, they appear on the list multiple times for each appointment.
2. Click the **Request** button.

2.2.3. Give Feedback

Give Feedback on your own record

Note: This option is only available if the 'Allow Employee Self Complete' indicator has been enabled for the review.

To give feedback on a 360-review assigned to your own record, on the *Request Feedback* tab, click on the  button and then the **Give Feedback** button.

1. The questionnaire screen opens.
 - a. All questions appear as per the 360-review configuration
2. The **Save As Draft** button allows the user to save the questionnaire feedback already provided and return to review and submit at a later date.
3. Click the **Submit** button to save and submit the feedback.

The screenshot shows a mobile app interface for a 360 review. The top blue header bar contains a back arrow, the title 'My 360 Reviews', and a user icon labeled 'TH'. Below the header, the page title is '360 Review Q1 2021 (Tom Coughlan)', with a breadcrumb trail: 'Employee Dashboard > My 360 Reviews > 360 Review Q1 2021 (Tom Coughlan)'. The main content area has a section titled '3. How is their timekeeping?' followed by the instruction 'Please choose a rating below that you feel best describes their timekeeping'. There is a rating dropdown menu with 'Excellent' selected. Below this is a text input field for 'Additional comments'. At the bottom right, there are two buttons: 'SAVE AS DRAFT' (blue) and 'SUBMIT' (green), which are highlighted by a red rectangular box. A 'coretv' logo is visible at the bottom center.

The following message appears:

The screenshot shows the 'Employee Dashboard' in the mobile app. The top blue header bar has a back arrow, the title 'Employee Dashboard', and a user icon labeled 'TH'. A green success message banner at the top right reads 'Questionnaire Successfully Saved'. Below the header, the section 'My 360 Reviews' is active, with a breadcrumb trail: 'Employee Dashboard > My 360 Reviews'. On the left, there are three menu items: 'Request Feedback' with a red badge '2', 'Give Feedback' with a red badge '1' (which is highlighted with a blue bar), and 'Peer Reviews' with a red badge '1'. On the right, there is a search bar labeled 'Search by Employee' with a magnifying glass icon. Below the search bar, the employee's details are shown: a purple circle with 'TC', the name 'Tom Coughlan', and 'Appointment Id 502247-67'. To the right of these details, it says 'Review 360 Review Q1 2021' and 'Due date 28-Feb-2021', followed by a blue 'GIVE FEEDBACK' button. A 'coretv' logo is at the bottom center.

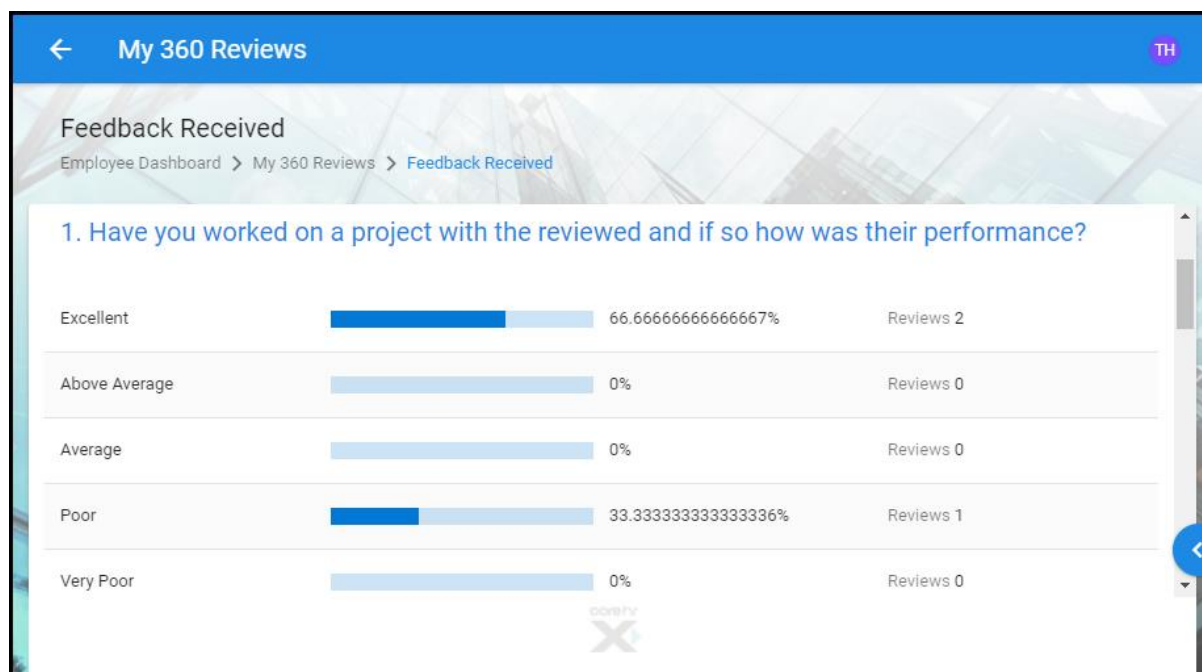

2.2.4. Viewing Feedback

A summary of the % of feedback received is available to view on the main 360 review screen. The % value is based on the number of reviews submitted vs assigned i.e. the 30% completed above indicates that the review has been assigned to 10 employees and 3 employees have submitted feedback.

To view the feedback in detail, click on the  button and then the **View Feedback** button.

1. The questionnaire screen opens.
 - a. All questions appear as per the 360-review configuration.
2. If the question required a ratings answer, the feedback is presented as per below image.
 - a. All answers are grouped, and it is not possible to identify the actual list item selected by the reviewer.

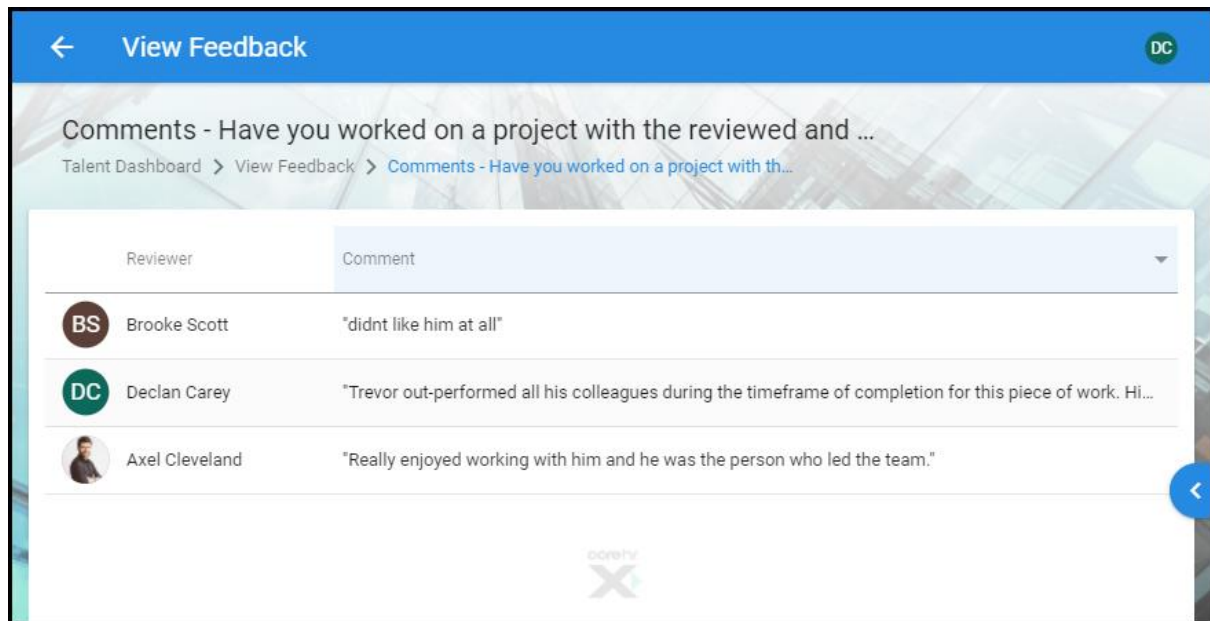

3. If the question requires comments to be entered as feedback:
 - a. The following displays when the anonymous setting is enabled:

View Feedback DC

- b. The following displays when the anonymous setting is not enabled:

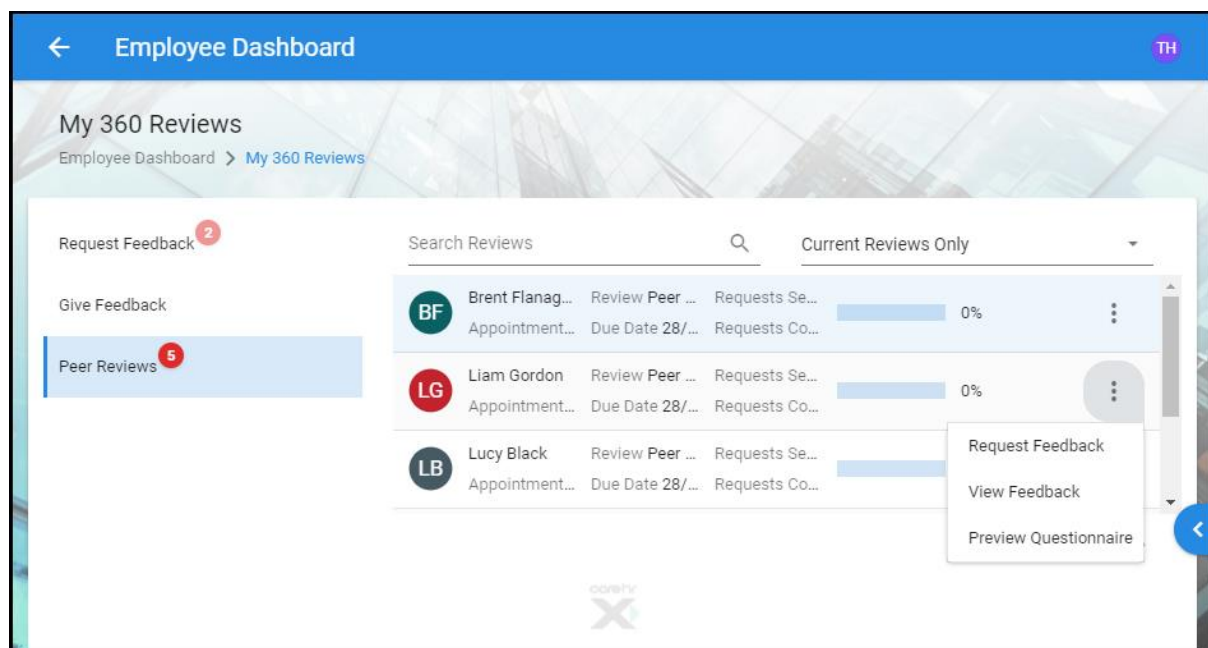

Note: The reviewer's name only appears if the *Anonymity of Feedback* HR option has not been selected when creating the review. If this has been selected, the reviewer feedback is flagged as 'Anonymous' for all reviewers.

2.2.5. Peer Reviews

The 'My Peer Reviews' screen allows the manager to control the peer reviews assigned to them for their teams, including options to:

- request feedback from colleagues.
- view feedback received.
- preview the review questionnaire.

The screen displays a list of all peer reviews to be assigned to each employee that reports to the manager i.e. there is one row per employee per peer review

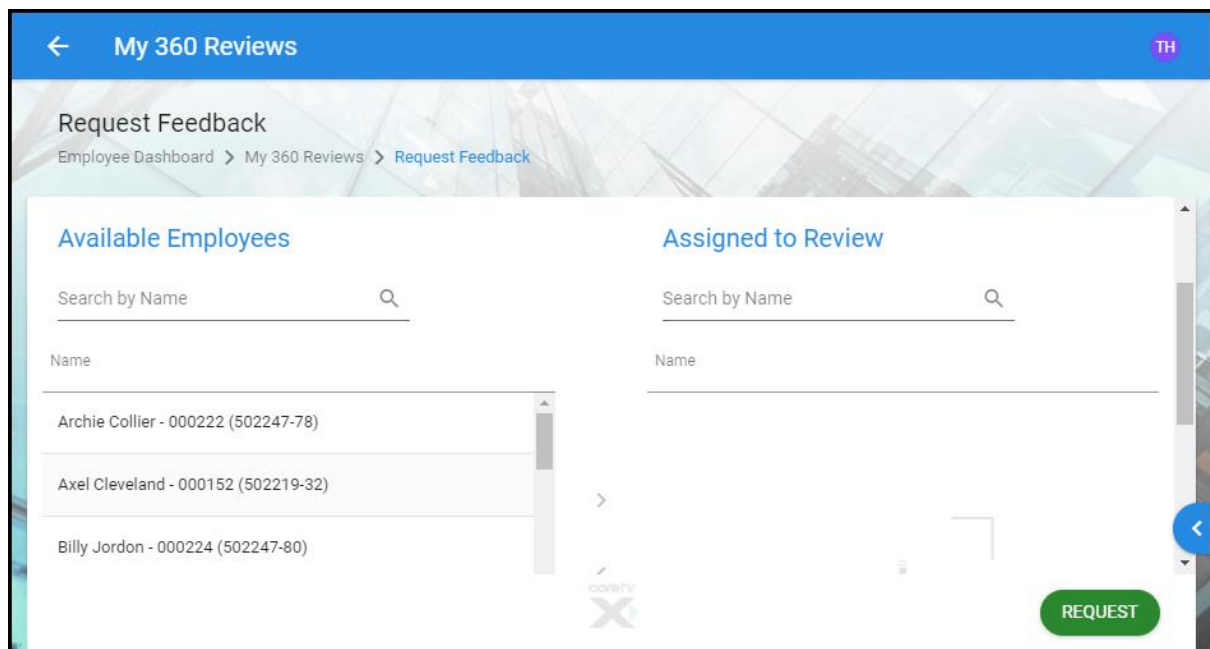

For each review, the following options are available to the manager:

- Request Feedback see section below.
- View Feedback as per [section 2.2.4 Viewing Feedback](#)
- Preview Questionnaire as per [section 2.2.1 Preview Questionnaire](#)
 - The manager can review the questions, however they are not permitted to save any answers or submit feedback via this screen.

Requesting Peer Review Feedback

The manager can request colleagues to complete the peer review and to provide feedback for each of their employees. That colleague receives a notification of the request and gains access to complete the review, via the '360 Reviews' feature on their Employee Dashboard.

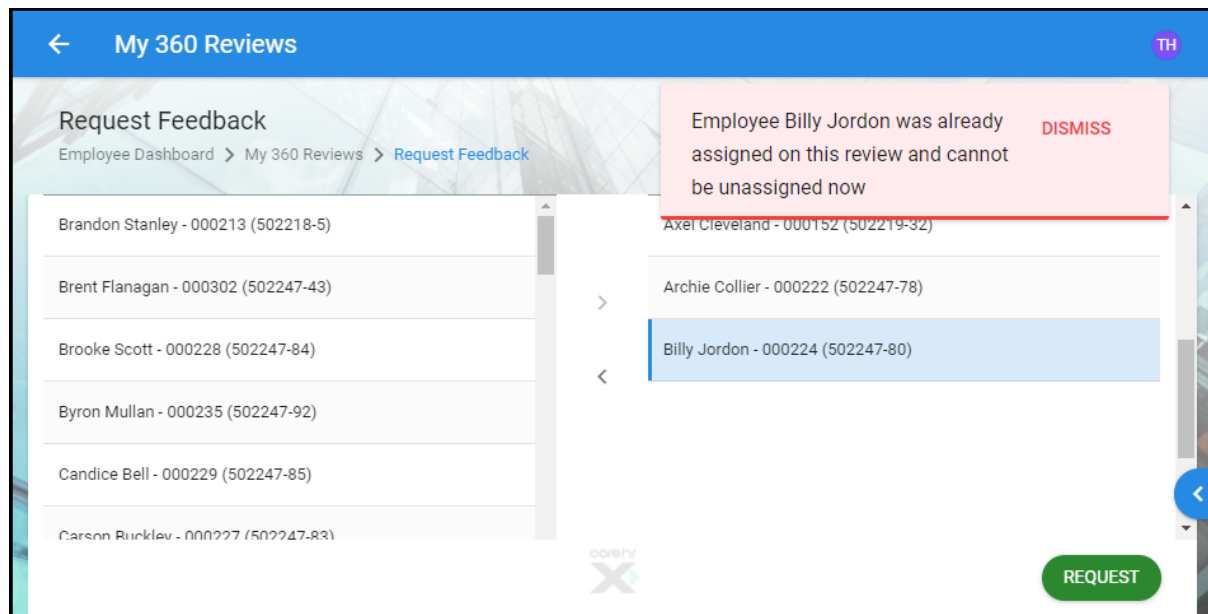

1. Click on the **Request Feedback** button on the *Peer Review* tab.
2. The Request Feedback screen opens and contains the *Available Employees* section and the *Assigned to Review* section.

3. To assign or unassign employees to give you feedback:
 - a. Select the employee and use the arrow to move them to the *Assigned to Review* section.
 - a. The *Available Employees* list includes a list of all employees that are in the same assignment group for the review. i.e. if the review has been assigned to all employees in Department A and Department B, the list shows all employees with active appointments in those departments; if the review has been assigned at a company level, all active employees in the company displays.
 - b. if an employee has multiple appointments within the assignment group, they appear on the list multiple times for each appointment.

3. Click the **Request** button.

It is not possible to remove any requests already made to an employee. Once an employee is on the 'Assigned List' and that assignment has been saved, they cannot be removed. The following warning message appears: "Employee was already assigned on this review and cannot be unassigned now."

2.3. Historical Reviews

An 'historical review' is a review for which the review end date has passed i.e. the review is closed and employees can no longer submit feedback. The *My Reviews* screen defaults to show any reviews that are currently open, based on the review start and end date.

To view any historical reviews, update the 'Selected' option to "Historical Reviews Only"

When viewing an 'historical review', the only options available to the employee are:

- View Feedback
 - Please note: This option is only available if the 'Visibility of Feedback' > Employee option has been selected when creating the review.
- Preview Questionnaire
