1. Overview

1.1. Purpose of the Guide

The purpose of this guide is to show how to advance a period for company and user defined calendars. This screen was previously in the Back Office and has now been brought out to Portal.

Administrators are now able to:

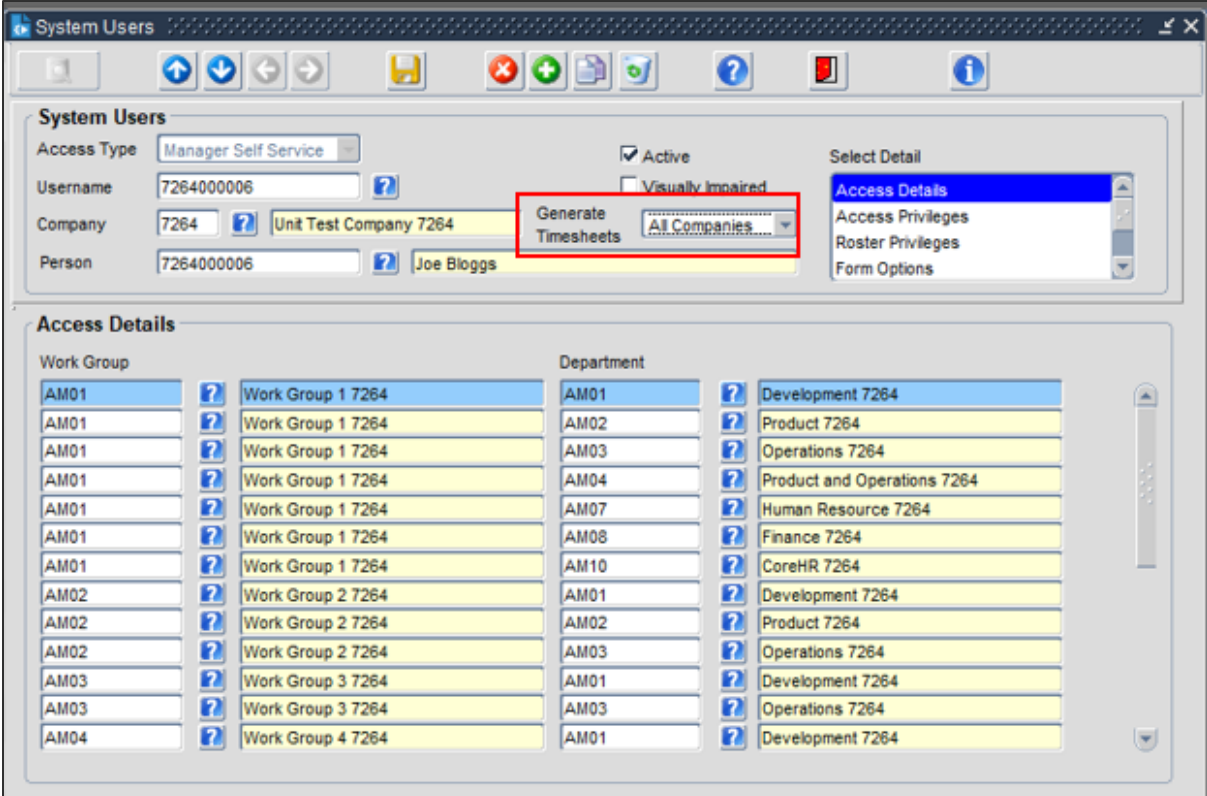

- Advance the Time and Attendance calendar period on Portal.
- Gain access to the company calendar once they choose a specific System User Option .

2. How to Use

2.1. Advance Period Screen

To set up Advance Period on Portal you need to complete the following:

1. Navigate to the Back Office.
2. Select the **System Users** option.
3. On the *System Users* screen, under the **Generate Timesheets** tab, select **Home** or **All Companies**.
