1. Overview

1.1. Purpose of Guide

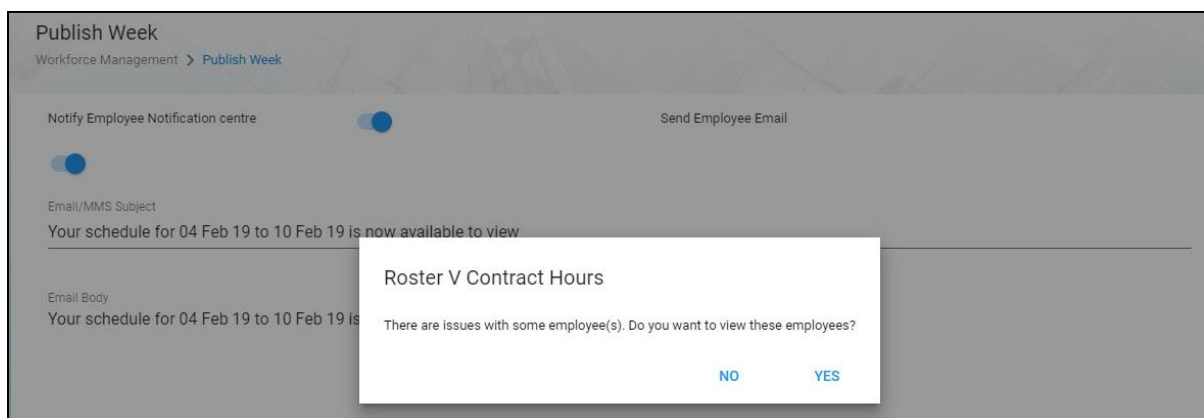

The purpose of this document is to provide an overview of the *Publish Roster Less Contract Hours* functionality in *Roster*, and how this is used. This includes:

- What is *Publish Roster Less Contract Hours* and when is it used?
- Detailed guidance on how to configure *Publish Roster Less Contract Hours*.

1.2. What does the Publish Roster Less Contract Hours do?

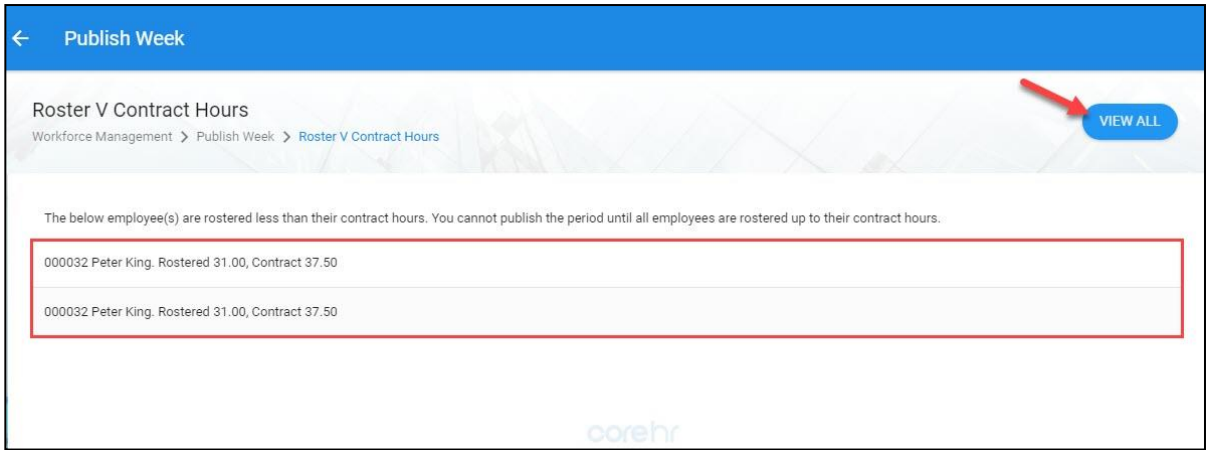

The *Publish Roster Less Contract Hours* feature stops you from publishing the week if any employees are rostered for less than their contracted hours.

- Employees are checked by the system when their *Home Team Area* is *Published*.
- All hours, the employee is rostered to work across all *Team Areas*, are factored in.

A *Roster V Contract Hours* warning message is displayed on screen, when a *Team Area* is published that contains an employee in their *Home Team Area*, who is not rostered up to their contracted hours. It is then possible to drill into each of the employees, that are causing the *Roster V Contract Hours* warning.

Roster V28: Publish Roster Less Contract Hours - User Guide

A column called *Overall Roster Total* is available to display the total rostered hours for each employee on the *Roster Details* screen.

- This sums up all the employee's hours worked across all *Team Areas*.
- This ensures it is possible to review what employees are going into an overtime rate, or what employees are rostered less than their contracted hours, where working across multiple *Team Areas*.

The screenshot shows the 'Roster Details' screen. At the top, there's a blue header with 'Workforce Management' and a search bar. Below this, the title 'Roster Details' is displayed, followed by a summary bar showing 'Budget Values 2,200.00', 'Planned Values 421.64 (under 1,778.36)', 'Actual Values 594.30 (under 1,655.70)', and 'Last Calculated 09/Dec/19 11:16'. A dropdown menu shows 'London' and a date range '09 Dec 19 - 15 Dec 19'. There are buttons for 'APPLY', 'WEEK', and 'DAY'. The main table has columns for 'Name', 'Mon 9th', 'Tue 10th', 'Wed 11th', 'Thu 12th', 'Fri 13th', 'Sat 14th', 'Sun 15th', 'Roster', 'Contract', 'Overall Roster Total', and 'Cost'. The table lists four employees: Adara Goodman, Ann Long, Brian Clifford, and Sam Cleary. Brian Clifford's row is highlighted with a red border. At the bottom, there's a summary row with values: 154.50, 105.00, 154.50, and 421.64.

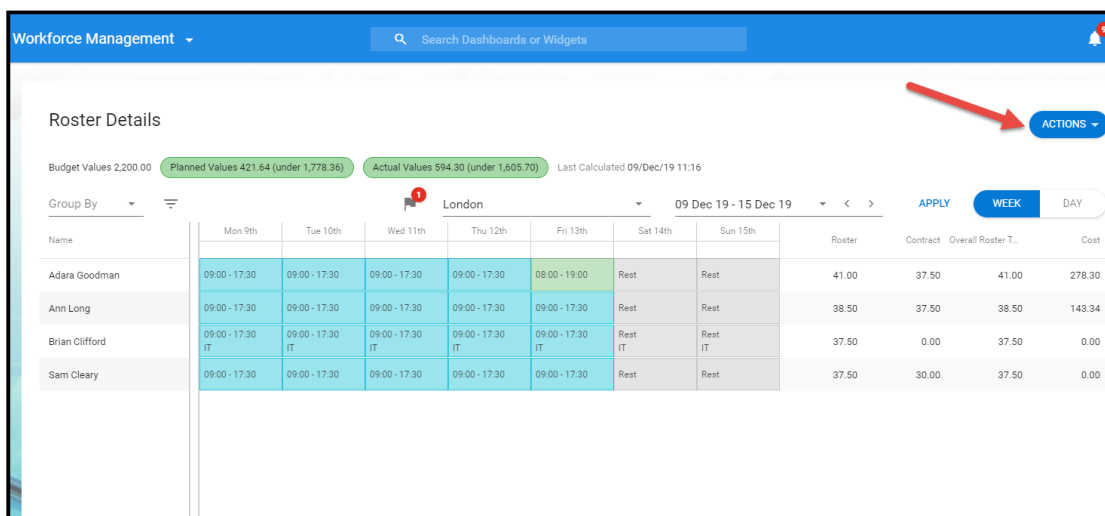

Name	Mon 9th	Tue 10th	Wed 11th	Thu 12th	Fri 13th	Sat 14th	Sun 15th	Roster	Contract	Overall Roster Total	Cost
Adara Goodman	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	08:00 - 19:00	Rest	Rest	41.00	37.50	41.00	278.30
Ann Long	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	Rest	Rest	38.50	37.50	38.50	143.34
Brian Clifford	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	Rest IT	Rest IT	37.50	0.00	37.50	0.00
Sam Cleary	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	Rest	Rest	37.50	30.00	37.50	0.00
								154.50	105.00	154.50	421.64

2. Roster V Contract Hours Warning – Example

2.1. Publish Roster Less Contract hours

In this example, the employee is rostered to work 31.00 hours in the week. However, they are contracted to work 37.50 hours within the week. This causes a *Roster V Contract Hours* warning to display, upon publishing the roster.

1. *Quick Jump to the Roster Details.*
2. Click **Actions**.
3. Select **Publish Week**.

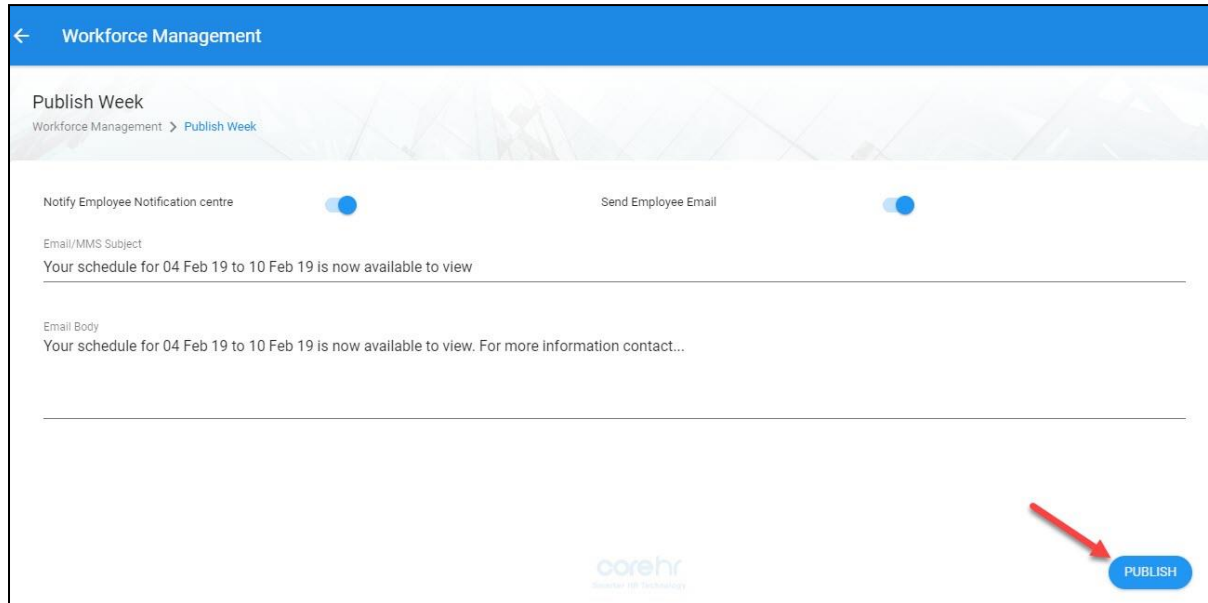

The screenshot shows the 'Roster Details' screen in the Workforce Management system. At the top, there's a blue header with 'Workforce Management' and a search bar. Below the header, the 'Roster Details' section displays budget and actual values. A table shows the roster for four employees (Adara Goodman, Ann Long, Brian Clifford, Sam Cleary) over a week (Mon 9th to Sun 15th). The table includes columns for 'Roster', 'Contract', 'Overall Roster T...', and 'Cost'. A red arrow points to the 'ACTIONS' button in the top right corner.

Name	Mon 9th	Tue 10th	Wed 11th	Thu 12th	Fri 13th	Sat 14th	Sun 15th	Roster	Contract	Overall Roster T...	Cost
Adara Goodman	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	08:00 - 19:00	Rest	Rest	41.00	37.50	41.00	278.30
Ann Long	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	Rest	Rest	38.50	37.50	38.50	143.34
Brian Clifford	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	09:00 - 17:30 IT	Rest IT	Rest IT	37.50	0.00	37.50	0.00
Sam Cleary	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	09:00 - 17:30	Rest	Rest	37.50	30.00	37.50	0.00

The *Publish Week* screen displays.

4. Once reviewed, click **Publish**.

3. Configuration

3.1. Admin Settings

3.1.1. Publish Roster Less Contract Hours

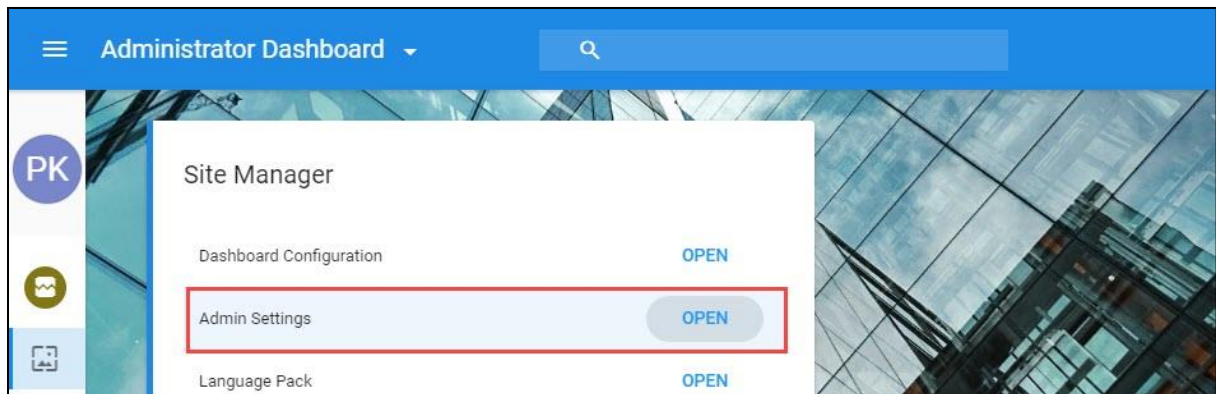

An *Admin Setting* controls the *Publish Roster Less Contract Hours* functionality. This parameter should be set to 'Y' to switch on the validation. By default, this parameter is off, it is called:

- **cp_publish_val_contract**

When switched **On**, you are not permitted to publish the roster until all employees within the *Team Area* have been rostered up to their contracted hours. This is based on the employee's *Home Team Area*, regardless of the team they are rostered to work in the period.

To switch on the *Admin Setting*:

1. *Quick Jump to Site Manager.*
2. Click to **Open Admin Settings.**

3. *Keyword Search* for 'when publishing the roster'.

The **cp_publish_val_contract** *Parameter Code* displays.

4. Click **Edit**.

3.1.2. Overall Rostered Hours Column

An parameter controls the *Overall Rostered Hours* column that displays on the *Roster Details* screen. This parameter should be set to 'Y' to make the column visible. By default, this parameter is off, it is called:

- **cp_roster_show_col_total**

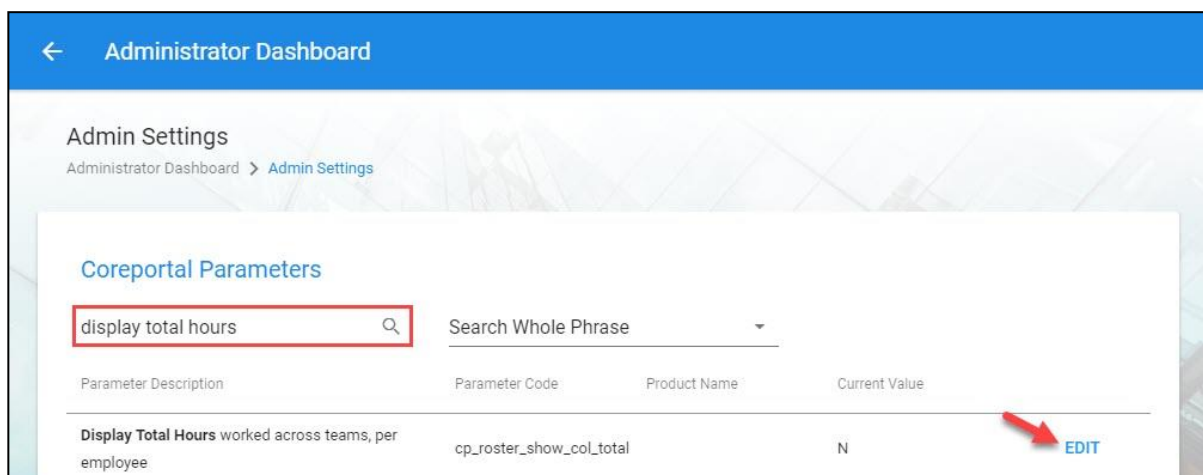

To switch on the parameter:

1. *Quick Jump to Site Manager.*
2. Click to **Open Admin Settings**.

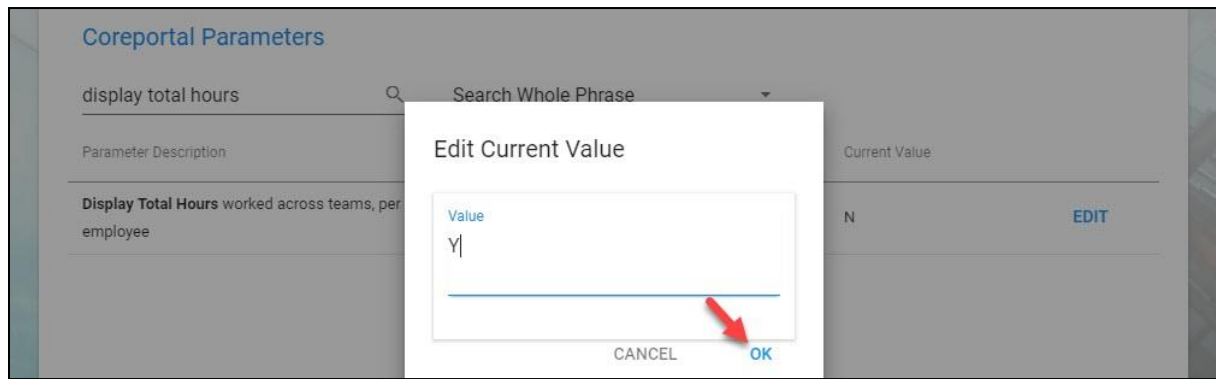

3. *Keyword Search for 'display total hours'.*
The **cp_roster_show_col_total** *Parameter Code* displays.

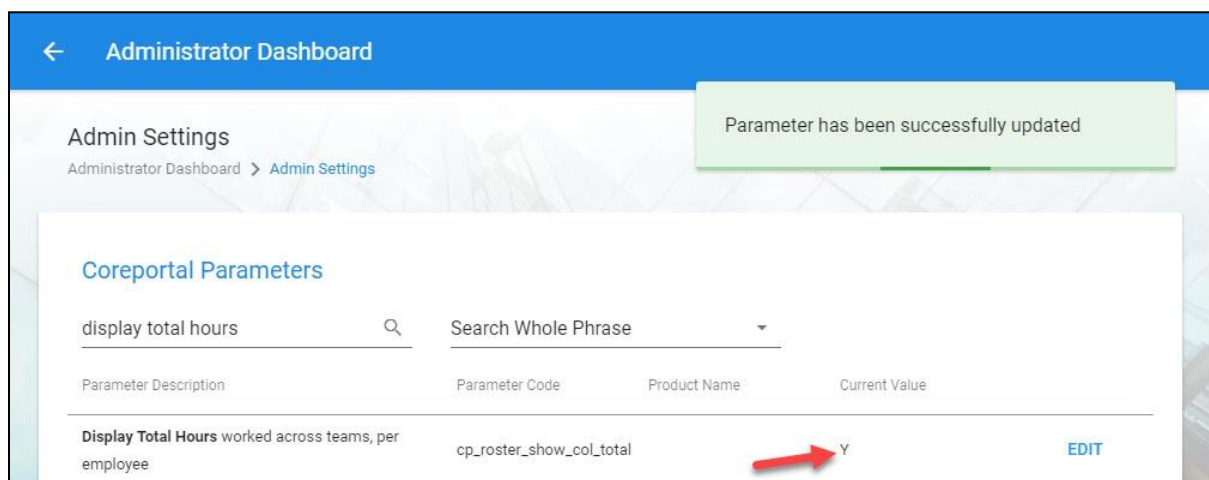

4. Click **Edit**.

5. Enter 'Y' on the *Edit Current Value* pop-up.
6. Click **OK**.

The *Parameter Code* is now updated.

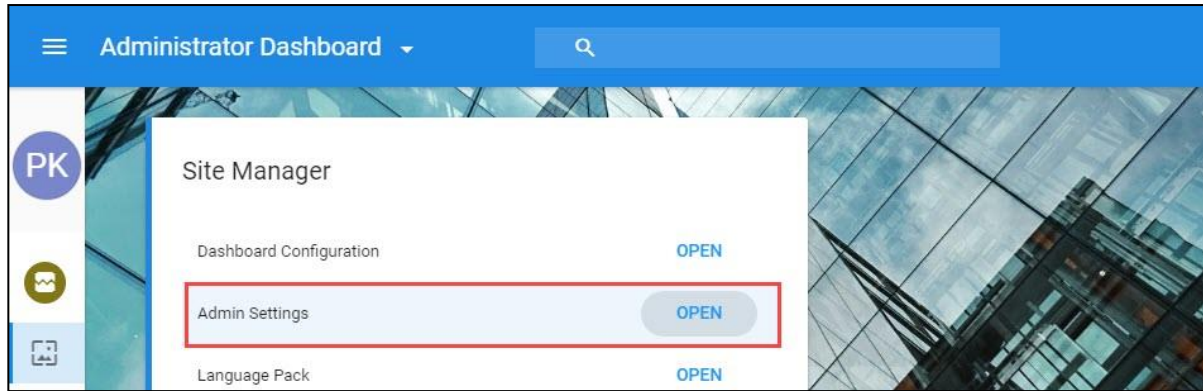

3.1.3. Roster Details Tab

Next, you must specify the text and column that displays the *Overall Rostered Hours* values. This should be entered for a *Roster Details Tab*. The maximum number of *Roster Details Tabs* that can display at any one time is 6.

To set the parameter:

1. *Quick Jump to Site Manager.*
2. Click to **Open Admin Settings.**

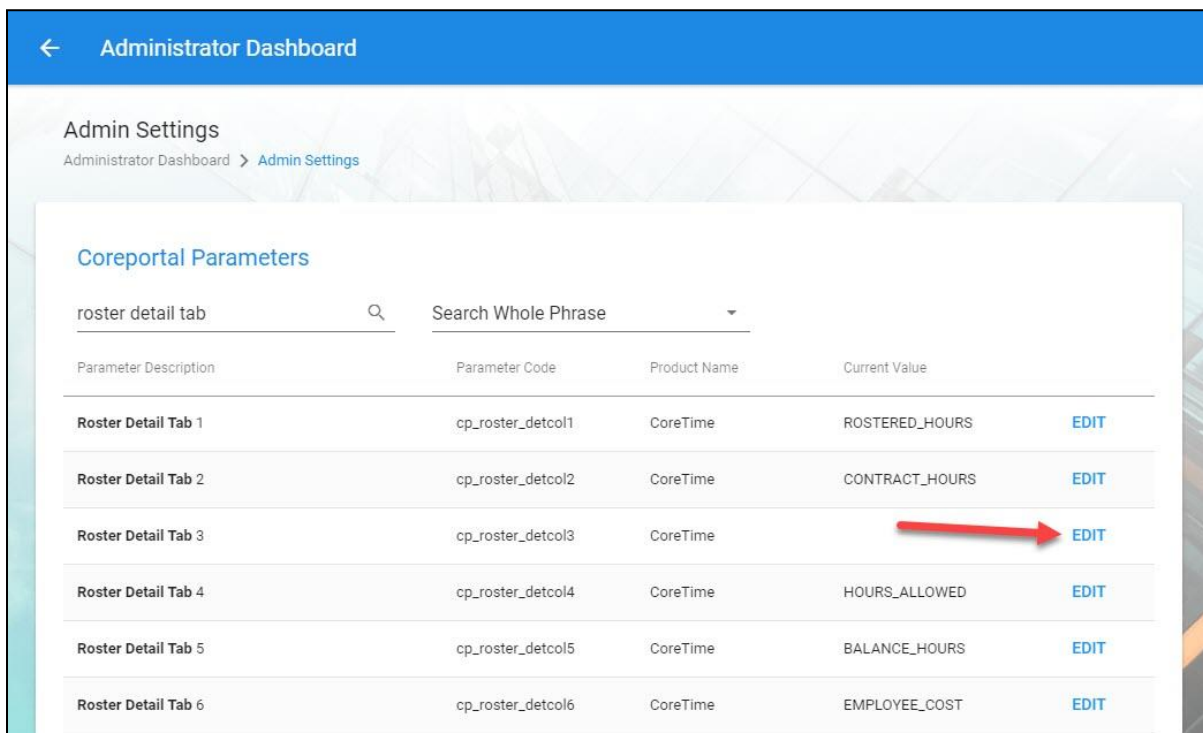

3. *Keyword Search* for 'roster detail tab'.

The **cp_roster_detcol** *Parameter Codes* display.

4. Click **Edit**, on the applicable tab.

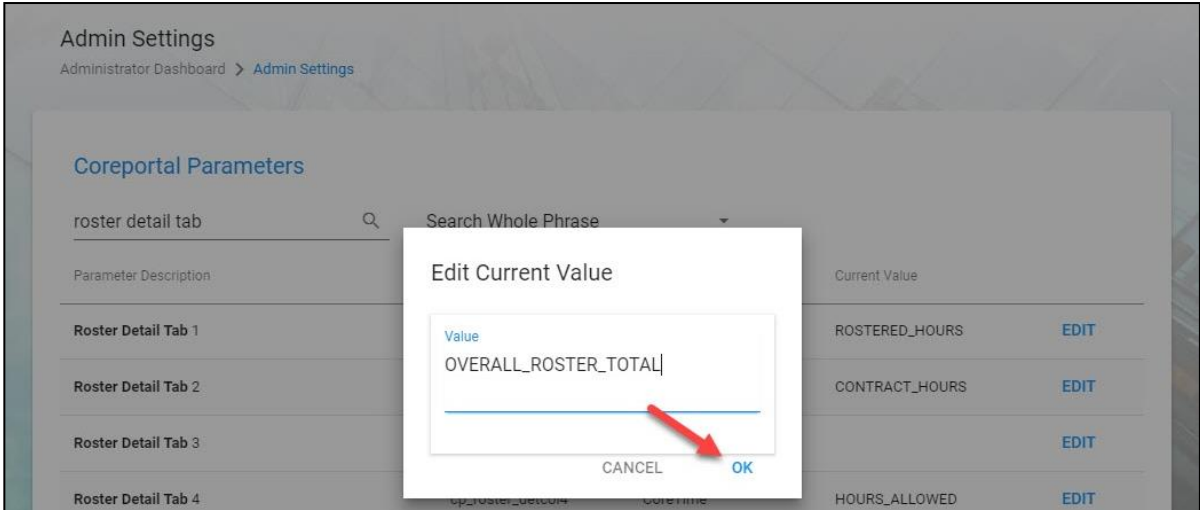

In this example, the *Overall Rostered Hours* column is to display on *Roster Detail Tab 3*.

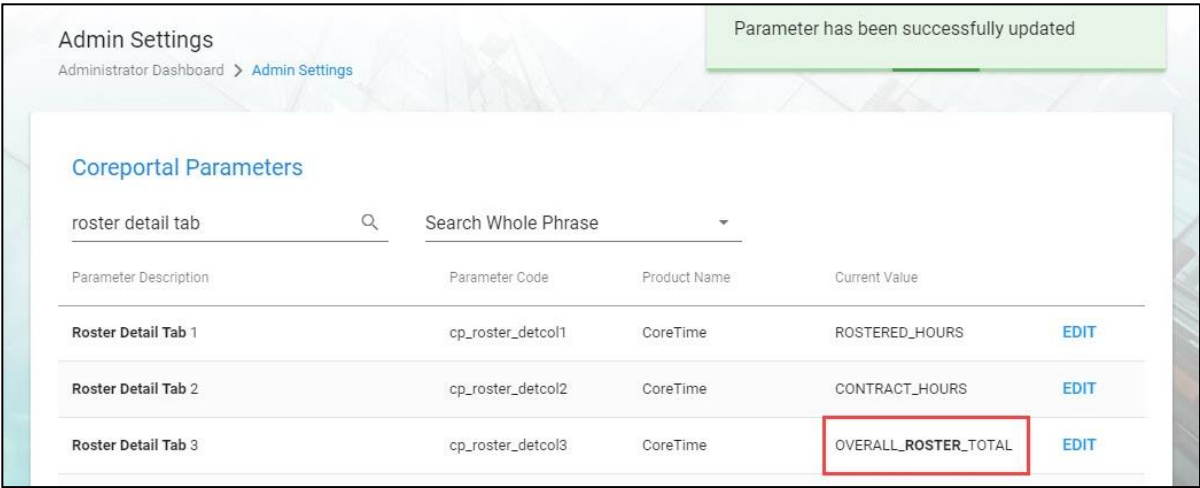

5. Enter 'OVERALL_ROSTER_TOTAL' on the *Edit Current Value* pop-up.

6. Click **OK**.

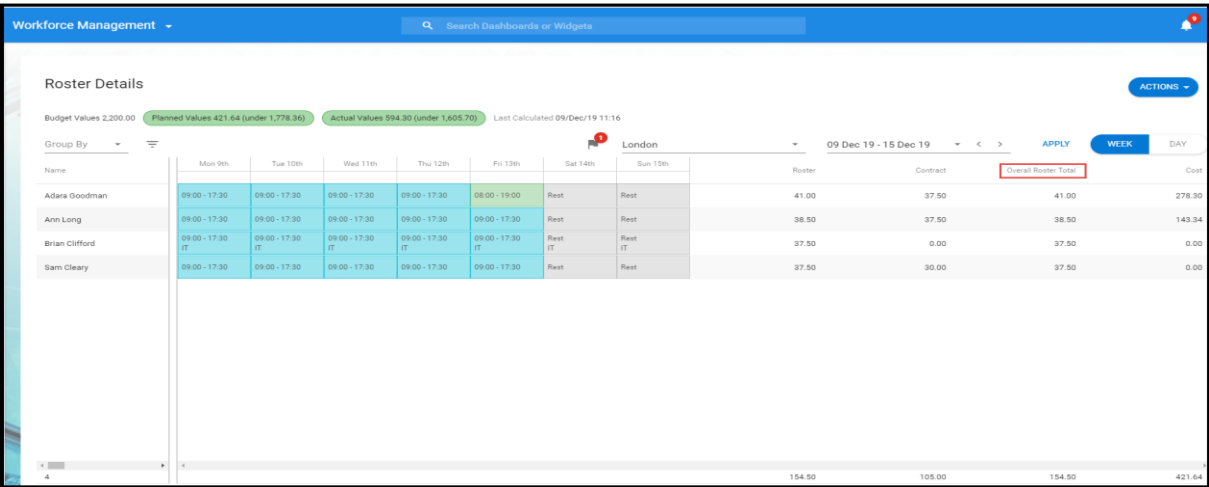

Roster V28: Publish Roster Less Contract Hours - User Guide

The *Parameter Code* is now updated.

The *Overall Roster Hours* column now displays on the *Roster Details* screen.

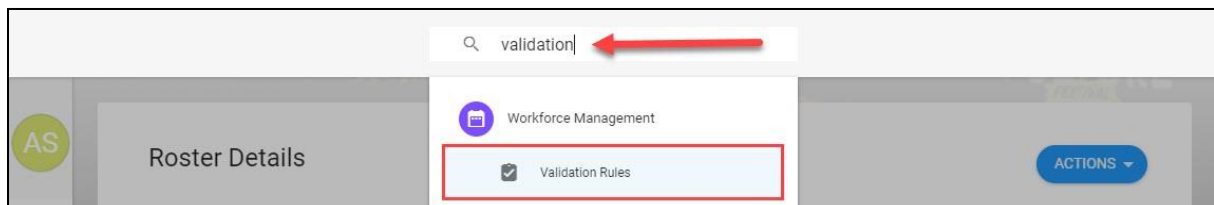

3.2. Validation Rule

Roster V Contract Hours warnings display via the *Roster Details* screen. Therefore, there is a *Validation Rule* required to enable the warning. This rule is called:

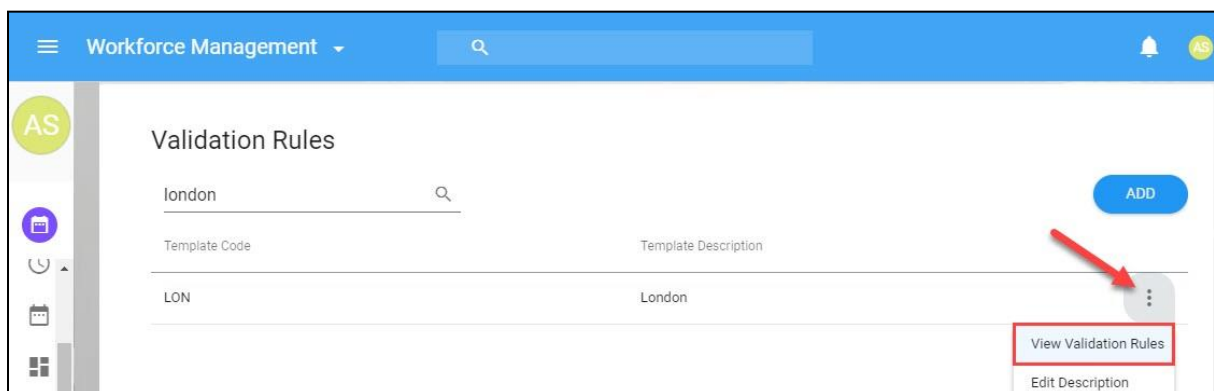

- **Rule 32 – Roster Less Than Contract**

This rule must be enabled on the applicable *Validation Rule* for the *Team Area*:

1. *Quick Jump to Validation Rules.*

2. On the applicable *Validation Rule*, click the  button.
3. Select **View Validation Rules**.

The *Validation Rules* screen displays.

4. Switch **On** rule *32 – Roster Less Than Contract*.
5. Click **Save**.
