1.5	15/01/2026	Georga Edwards	Updated section 2.5 Pay Code Instance Added section 2.5.1 Pay Code Instances (Time) to reflect enhancements for absence reporting.

1. Overview

1.1. Purpose of the Guide

This document outlines how to access and manage the reports available on the Reports screen. There are 5 reports available, each report has a Manage Reports Section which is specific to that report, allowing you to tailor it to your needs.

The Reports available are:

- Daily Clocking Hours
- Pay Code Hours
- Pay Code Instance
- Pay Code Occurrence
- Balance Details

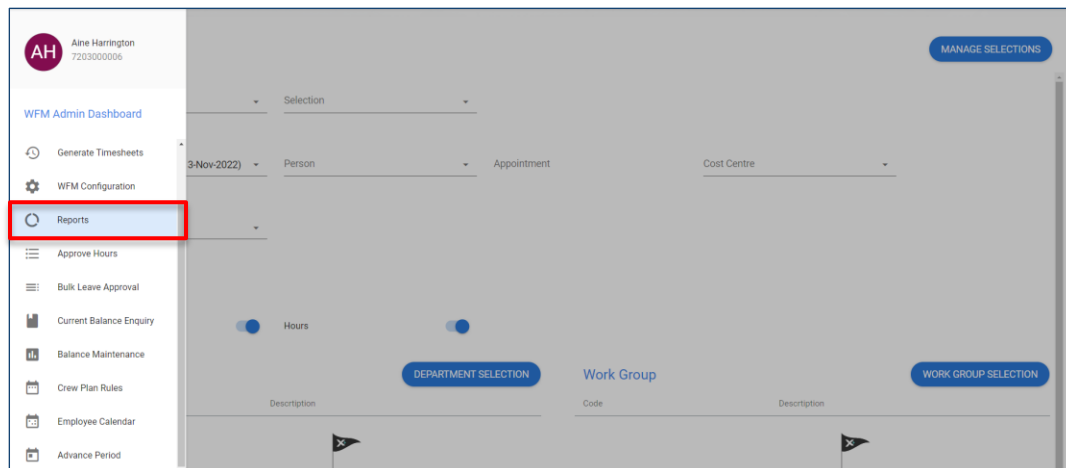

Note: Reports **DO NOT** currently support Multi Appointments

1.2. How to access the Reports Screen

You can access the Reports Screen using either the WFM Admin Dashboard or the Workforce Management Dashboard.

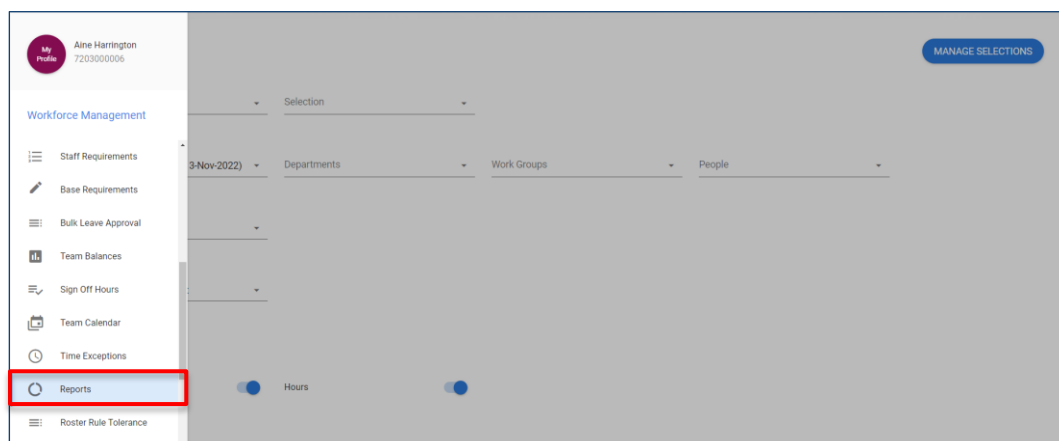

Via WFM Admin Dashboard:

1. Go to the *WFM Admin Dashboard*.
2. Select **Reports** from the left-hand menu.
3. The page opens and defaults to *Daily Clocking Hours*.

Via Workforce Management

1. Go to the *Workforce Management Dashboard*.
2. Select **Reports** from the left-hand menu.
3. The page opens and defaults to *Daily Clocking Hours*.

2. Report Screens

This section looks at the five reports which can be run from the Reports screen:

- Daily Clocking Hours
- Pay Code Hours
- Pay Code Instance
- Pay Code Occurrence
- Balance Details

Images within this guide are taken from the WFM Admin Dashboard; based on Org Role Access. Users with Team Area Access will have a different view however, functionality for both security type views, is outlined within the tables.

WFM Admin Dashboard – Admin View

The screenshot displays the 'Reports' screen in the WFM Admin Dashboard. The interface is structured as follows:

- Header:** A purple circular icon with 'AH' is on the left. A 'MANAGE SELECTIONS' button is on the right.
- Form Fields:**
 - Report Type *:** A dropdown menu with 'Daily Clocking Hours' selected.
 - Selection:** A dropdown menu.
 - Period *:** A dropdown menu with '202245 (07-Nov-2022 to 13-Nov-2022)' selected.
 - Person:** A dropdown menu.
 - Appointment:** A dropdown menu.
 - Cost Centre:** A dropdown menu.
 - Group By *:** A dropdown menu with 'Person within Department' selected.
- Report Details:** A section with a blue header. It contains two toggle switches: 'Clockings' (turned on) and 'Hours' (turned on).
- Departments:** A section with a blue header. It includes a 'DEPARTMENT SELECTION' button and a table with columns 'Code' and 'Description'.
- Work Group:** A section with a blue header. It includes a 'WORK GROUP SELECTION' button and a table with columns 'Code' and 'Description'.
- Footer:** A green 'RUN REPORT' button is located at the bottom right.

Workforce Management – Manager View

The screenshot displays the 'Reports' section of the Workforce Management (WFM) Manager View. On the left is a vertical sidebar with a user profile 'AH' at the top and a series of icons below. The main content area is titled 'Reports' and includes a 'MANAGE SELECTIONS' button in the top right. Below the title, there are several dropdown menus for configuring the report: 'Report Type*' (set to 'Daily Clocking Hours'), 'Selection', 'Period*' (set to '202245 (07-Nov-2022 to 13-Nov-2022)'), 'Departments', 'Work Groups', 'People', 'Cost Centre', and 'Group By*' (set to 'Person within Department'). A section titled 'Report Details' contains two toggle switches, 'Clockings' and 'Hours', both of which are currently turned on. A green 'RUN REPORT' button is located in the bottom right corner of the main area.

RUN REPORT

2.1. Manage Selections

Within each report type screen, at the top of the page is the **Manage Selections** button. This allows you to add, save, and manage report filter selections for frequently used reports.

The screenshot shows the 'Manage Selection (Daily Clocking Hours)' interface. It includes a search bar, a table of existing selections with delete buttons, and a form to create a new selection. The form fields include Selection Name, Department, Period, Person, Appointment, Cost Centre, and Group By. Below the form are sections for 'Report Details' with toggle switches for 'Clockings' and 'Hours', and two sections for 'Departments' and 'Work Group' with selection buttons and tables. A 'SAVE' button is located at the bottom right.

To add a Report Selection, from the Report screen:

1. Select the **Report Type** you wish to add the selection to.
2. Click **Manage Selections**.
3. Click **Add**, you will be prompted to give the Selection a Code and Name.
4. Click **OK**, where you will be able to set your report criteria.
5. Fill in the **Mandatory fields**.
6. Further refine your report criteria using the optional fields.
7. Once happy with your selection, click **Save**.
8. Report Selections can be edited or deleted from the left menu.
9. Saved Report Selections can now be applied using the Selection menu in your Report type.

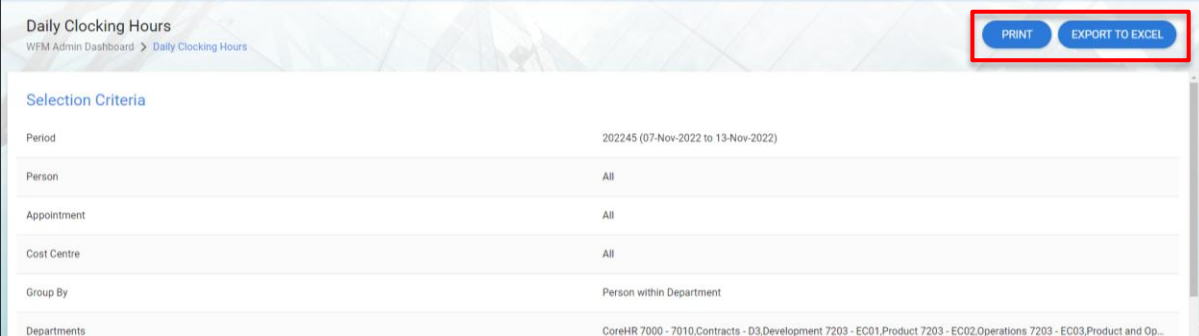

Note: The Manage Selection Screen is different depending on each report type.

2.2. How to Run a Report

The process for running a report is the same, the Report type will alter the fields to be filled in.

To run a report:

1. Go to **Reports**
2. Use the **Report Type** drop-down menu to select the report type you want to run.
3. Fill in the Mandatory fields.
4. Further refine your report using the optional fields.
5. Once you have finished your selection, click **Run Report**.
6. The report runs and will then give you the choice to **Print** or **Export to Excel**.

Daily Clocking Hours	
WFM Admin Dashboard > Daily Clocking Hours	
Selection Criteria	
Period	202245 (07-Nov-2022 to 13-Nov-2022)
Person	All
Appointment	All
Cost Centre	All
Group By	Person within Department
Departments	CoreHR 7000 - 7010, Contracts - D3, Development 7203 - EC01, Product 7203 - EC02, Operations 7203 - EC03, Product and Op...

If using **Export to Excel** when you open the file, you will be presented with a message stating the file format and extension do not match. Click **YES** to proceed and open the excel spreadsheet.

2.3. Daily Clocking Hours

The Report Type defaults to Daily Clocking Hours. On this screen you can configure a report specific to a department, work group or an employee for the hours which they have clocked in.

The screenshot shows the 'Reports' interface. At the top, there's a 'Report Type' dropdown set to 'Daily Clocking Hours' and a 'Selection' dropdown. Below that is a 'Period' dropdown set to '202245 (07-Nov-2022 to 13-Nov-2022)'. There are also dropdowns for 'Person', 'Appointment', and 'Cost Centre'. A 'Group By' dropdown is set to 'Person within Department'. The 'Report Details' section has two toggle switches for 'Clockings' and 'Hours', both of which are turned on. Below this are two sections: 'Departments' and 'Work Group', each with a 'DEPARTMENT SELECTION' and 'WORK GROUP SELECTION' button respectively. At the bottom right is a green 'RUN REPORT' button.

The screen contains the following fields. Fields marked with an * vary depending on security type:

Field	Details
Report Type	This dropdown defaults to Daily Clocking Hours and allows you to move between the other reports.
Selection	If you have created a selection using the manage selections button, your selection will be visible here in a dropdown.
Period	This allows you to choose the specific period you are looking for.
Person	This field allows you to report on a particular employee. The field uses the Known As details of the user created in <i>My Profile</i>. If applied Departments & Work Groups cannot be selected.
Appointment*	If using the Person field, Appointments can be used to select the correct appointment for the person.

Field	Details
Team Area*	Select the team area if you wish to report by team.
Cost Centre	You can choose the cost centre from the drop down for the report.
Group by	You can group by Person, Person within Department, Person with Work Group or Person within Cost Centre.
Clockings	If this toggle is enabled, clockings can be included in the report.
Hours	If this toggle is enabled, hours can be included in the report.
Departments*	Use the Department Selection button to select all departments to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.
Work Groups*	Use the Work Group Selection button to select all work groups to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.

2.4. Pay Code Hours

Pay Code Hours lets you generate a report by department, work group or employee in relation to how the hours are recorded.

The screenshot shows the 'Reports' section of the WFM system. The 'Pay Code Hours' report is selected. The interface includes the following elements:

- Filters:**
 - Report Type*: Pay Code Hours
 - Selection: (dropdown)
 - Start Date*: (calendar icon)
 - End Date*: (calendar icon)
 - Person: (dropdown)
 - Appointment: (dropdown)
 - Pay Codes: (dropdown)
 - Group By*: Person within Department
- Tables:**
 - Departments:** A table with columns 'Code' and 'Description'. It is currently empty, showing a placeholder image and the text 'NOTHING TO SEE HERE EXCEPT THIS FLAG'. Above the table is a 'DEPARTMENT SELECTION' button.
 - Work Group:** A table with columns 'Code' and 'Description'. It is also empty, showing the same placeholder. Above the table is a 'WORK GROUP SELECTION' button.
- Buttons:**
 - 'MANAGE SELECTIONS' (top right)
 - 'RUN REPORT' (bottom right)

The screen contains the following fields. Fields marked with an * vary depending on security type:

Field	Details
Report Type	This dropdown defaults to Daily Clocking Hours and allows you to move between the other reports.
Selection	If you have created a selection using the manage selections button, your selection will be visible here in a dropdown.
Start Date	The date you wish the report to start from.
End Date	The date you wish the report to end on.
Person	This field allows you to report on a particular employee. The field uses the Known As details of the user created in <i>My Profile</i>. If applied Departments & Work Groups cannot be selected.

Field	Details
Appointment*	If using the Person field, Appointments can be used to select the correct appointment for the person.
Team Area*	Select the team area if you wish to report by team.
Pay Codes	This dropdown lists the available pay codes you can report by.
Group By	You can group by Person, Person within Department or Person with Work Group.
Departments*	Use the Department Selection button to select all departments to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.
Work Group*	Use the Work Group Selection button to select all work groups to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.

2.5. Pay Code Instance

Note: Please note the Enhance Pay Code Instance Reporting feature is in early adopter programme and not in general release. Speak to your customer success manager for further details.

The Pay Code Instance screen reports across multiple pay codes grouped as unified absence categories. Analyse employees using dual-criteria selection with day or instance thresholds.

Key Benefits:

- **HR Teams** - Comprehensive absence pattern visibility and streamlined reporting that groups related pay codes, reducing manual analysis.
- **Workforce Management Teams** - Enhanced analytics to identify trends and inform data-driven absence management decisions.

The screenshot displays the 'Reports' interface for 'Pay Code Instance'. It includes a 'MANAGE SELECTIONS' button in the top right. The main form contains several sections: 'Report Type*' with a dropdown for 'Pay Code Instance'; 'Selection' with a dropdown; 'Start Date*' and 'End Date*' with date pickers set to '01-Jan-2025' and '31-Dec-2025' respectively; 'Person' and 'Appointment' dropdowns; 'Pay Codes' with 'Certified Sick - 4510' and a '+1 More' link; 'Display*' with a dropdown for 'Days'; 'Abbreviation' and 'Reason' dropdowns; 'Narrative' text input; 'Group By*' with a dropdown for 'Person within Work Group'; 'Selection Criteria' with a section for 'Show Employees where the number of Days' is 'Greater Than' 3; another section for 'Show Employees where the number of' is; 'Report Details' with three toggle switches: 'Treat selected pay codes as a single instance' (checked), 'Treat selected reasons as one instance' (unchecked), and 'Use Days to calculate Bradford Score' (checked); 'Departments' and 'Work Group' sections with 'DEPARTMENT SELECTION' and 'WORK GROUP SELECTION' buttons; and a 'RUN REPORT' button at the bottom right.

The screen contains the following fields. Fields marked with an * vary depending on security type:

Field	Details
Report Type	This dropdown defaults to Daily Clocking Hours and allows you to move between the other reports.
Selection	If you have created a selection using the manage selections button, your selection will be visible here in a dropdown.
Start Date	The date you wish the report to start from.
End Date	The date you wish the report to end on.
Person	This field allows you to report on a particular employee. The field uses the Known As details of the user created in <i>My Profile</i>.  If applied Departments & Work Groups cannot be selected.
Appointment*	If using the Person field, Appointments can be used to select the correct appointment for the person.
Team Area*	Select the team area if you wish to report by team.
Pay Codes	This dropdown lists the available pay codes you can report by. Multiple pay codes can be selected. This allows reporting across multiple pay codes which are treated as unified absence categories.
Display	You can choose to display Days or Hours.
Abbreviation	Choose the abbreviations to be shown on the report.
Reason	Choose the reason such as backache, blood test or holidays.
Narrative	You can add in a narrative for extra information.
Group By	You can group by Person, Person within Department, Person with Work Group.
Show Employees where the number of	Selection criteria option to filter your report by Days or Instances.
Is	Select an option to apply to the selection criteria. Options available are: - Greater Than - Less Than - Great Than or Equal To - Less Than or Equal To

Field	Details
	Equal To Then enter the value to apply to the selection criteria.
And/Or	Allow you to add additional selection criteria to your report.
Treat Pay codes as 1 instance	When enabled this puts multiple pay code instances into one.
Treat Reasons as 1 instance	When enabled this puts multiple reasons into one instance.
Use days to calculate Bradford score	When enabled this includes Bradford calculated score.
Departments*	Use the Department Selection button to select all departments to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.
Work Groups*	Use the Work Group Selection button to select all work groups to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.

2.5.1. Pay Code Instances (Time)

The view **Pay Code Instances (Time)** will return the follow data for you to use when designing your reports:

- Emp Id
- Name
- Start Date
- End Date
- Number of Days
- Username

To report on absence patterns across multiple pay codes, from the Insight Dashboard:

1. Select **Home**, then expand the Actions button and click **Create Report**.
2. Select the **Format** of your report and give it a **Name**, then click **OK**.
3. From *Select a Setting*, select **Columns**.
4. From *ADD*, select **Column**.
5. From *Filter Columns By View*, select **Pay Code Instances (Time)**.
6. Select the required items to include in your report.
7. Once happy, click **OK**.

8. To display the report, click **Refresh Data** or enable the **Auto refresh on all changes** toggle.

For further guidance on how to use Insight, check [PeopleXD Insight User Guide Library](#).

2.6. Pay Code Occurrence

Pay Code Occurrence allows you to generate a report by department, work group or employee for pay code occurrences.

The screenshot shows the 'Reports' section of the PeopleXD Insight application. The 'Pay Code Occurrence' report is selected. The configuration fields include:

- Report Type***: Pay Code Occurrence
- Selection**: (Dropdown menu)
- Start Date***: (Date picker)
- End Date***: (Date picker)
- Person**: (Dropdown menu)
- Appointment**: (Dropdown menu)
- Pay Codes**: (Dropdown menu)
- Abbreviation**: (Dropdown menu)
- Reason**: (Dropdown menu)
- Group By***: Person within Department
- Report Details**:
 - Summary Only**: (Toggle switch)
 - Exclude Rostered Hours**: (Toggle switch)
 - Show Pay codes where the Individual Amount**: (Dropdown menu)
 - is Greater Than**: (Dropdown menu)
 - 0**: (Text input)

A 'MANAGE SELECTIONS' button is located in the top right corner, and a 'RUN REPORT' button is in the bottom right corner.

The screen contains the following fields. Fields marked with an * vary depending on security type:

Field	Details
Report Type	This dropdown defaults to Daily Clocking Hours and allows you to move between the other reports.
Selection	If you have created a selection using the manage selections button, your selection will be visible here in a dropdown.
Start Date	The date you wish the report to start from.
End Date	The date you wish the report to end on.
Person	This field allows you to report on a particular employee. The field uses the Known As details of the user created in <i>My Profile</i> .

Field	Details
	 If applied Departments & Work Groups cannot be selected.
Appointment*	If using the Person field, Appointments can be used to select the correct appointment for the person.
Team Area*	Select the team area if you wish to report by team.
Pay Codes	This dropdown lists the available pay codes you can report by.
Abbreviation	Choose the abbreviations to be shown on the report.
Reason	Choose the reason such as backache, blood test or holidays.
Group By	You can group by Person, Person within Department, Person with Work Group or Person within Cost Centre.
Summary Only	This gives a summary report of the information chosen.
Exclude Rostered Hours	Enable this toggle if you do not wish rostered hours to be included on the report.
Show Pay Codes Where	Choose between Individual Amount and Combined Amount.
Is	Further filter your Show Pay Codes whereby choosing between Greater than, Less Than or Equal to. In the next field select the number to be greater than, less than or equal to.
Departments*	Use the Department Selection button to select all departments to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.
Work Groups*	Use the Work Group Selection button to select all work groups to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.

2.7. Balance Details

Balance Details allows you to generate a report by department, work group or employee to show you the balance taken over a specific period.

The screenshot shows the 'Reports' section of the WFM system. The 'Balance Details' report is selected. The interface includes the following fields and controls:

- Report Type ***: A dropdown menu currently set to 'Balance Details'.
- Selection**: A dropdown menu for selecting a specific report selection.
- Balance ***: A dropdown menu for selecting the type of balance to report on.
- Start Period ***: A date range selector for the start of the report period.
- End Period ***: A date range selector for the end of the report period.
- Person**: A dropdown menu for selecting a specific employee or department.
- Group By ***: A dropdown menu currently set to 'Person within Department'.
- Report Details**:
 - Person Status ***: A dropdown menu set to 'Active'.
 - Balance Status ***: A dropdown menu set to 'Active'.
- Adjustment Details**: A section with toggle switches for 'Accrual', 'Decay', 'Timesheet', and 'Length of Service'.
- Transfer**: A toggle switch at the bottom left.
- MANAGE SELECTIONS**: A button in the top right corner.
- RUN REPORT**: A green button in the bottom right corner.

The screen contains the following fields. Fields marked with an * vary depending on security type:

Field	Details
Report Type	This dropdown defaults to Daily Clocking Hours and allows you to move between the other reports.
Selection	If you have created a selection using the manage selections button, your selection will be visible here in a dropdown.
Balance	Select the Balance you wish to use from the drop down.
Start Period	The period you wish the report to start from.
End Period	The period you wish the report to end on.
Person	This field allows you to report on a particular employee. The field uses the Known As details of the user created in <i>My Profile</i>.  If applied Departments & Work Groups cannot be selected.

Field	Details
Appointment*	If using the Person field, Appointments can be used to select the correct appointment for the person.
Team Area*	Select the team area if you wish to report by team.
Group By	You can group by Person, Person within Department, Person with Work Group.
Person Status	From here you can choose from Active, Inactive or All.
Balance Status	From here you can choose from Active, Inactive or All.
Accrual	Enable this toggle to report on time accrued.
Decay	Enable the toggle if you wish to report on decay.
Timesheet	When enabled this includes timesheets in the report.
Length of Service	Enable this toggle to report on the length of service of an employee.
Transfer	When enabled this includes transfers in the report.
Departments*	Use the Department Selection button to select all departments to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.
Work Groups*	Use the Work Group Selection button to select all work groups to be pulled into your report. Tick to select and click OK. If applied the Person field cannot be selected.

3. Menu Options

3.1. Importing Menu Options

1. Go to Security and select Menu Profiles.
2. Search for the relevant menu profile e.g., Coreportal_Admin
3. Select **Import Menu Options**.
4. Select **From existing Menu Profile** and click **OK**.
5. Search for the menu profile, for example, **WFM_REPORTS_ADMN** or **WFM_REPORTS_MGR**
6. Review the Confirmation message.
7. Once imported, the menu options and webservices are assigned to the existing menu profile.
