1. Overview

1.1. Purpose of the Guide

This document will provide guidance on how to use and configure the 'HR Process Task Lists' on CoreHR including:

- Setting up a task list.
- The steps available for each task list.
- Managing access to configure task lists.
- Managing access to use task lists for employee contracts.
- How a task list is completed.

1.2. What are 'HR Process Task Lists'?

Task Lists are used to define a set of steps that must be completed as part of a New Starter, New Contract or Rehire process.

Once a new contract has been assigned to an employee as part of the new hire, rehire or new contract steps on People Management, the task list will pop up on screen. This will present the user with a list of mandatory and optional steps to be completed. The user can then click on a step and be redirected to the screen required to input the data e.g. if the step is 'Allowances', clicking on this will open the 'Add Allowances' screen.

Different task lists can be created for each process type.

The advantage of using the task list feature includes:

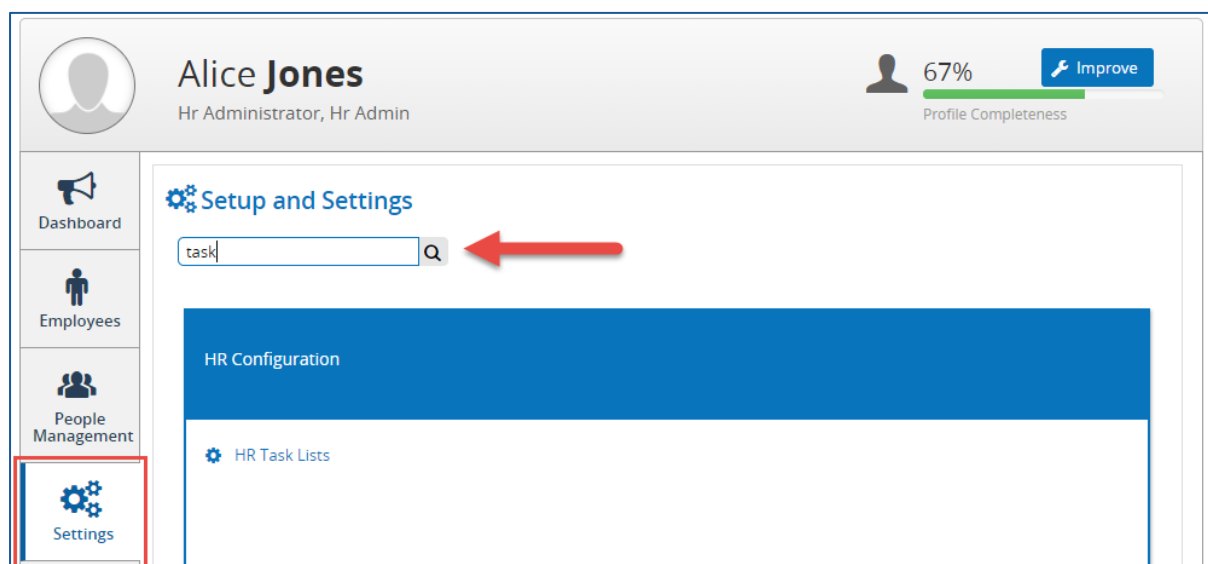

- Ability to direct the user to ensure the required employee and contract details are updated.
- One central location is provided to allow the user to jump directly to the required screens to update the data.
- The task list can be closed and reopened as many times as necessary before completion.

2. Task List Setup

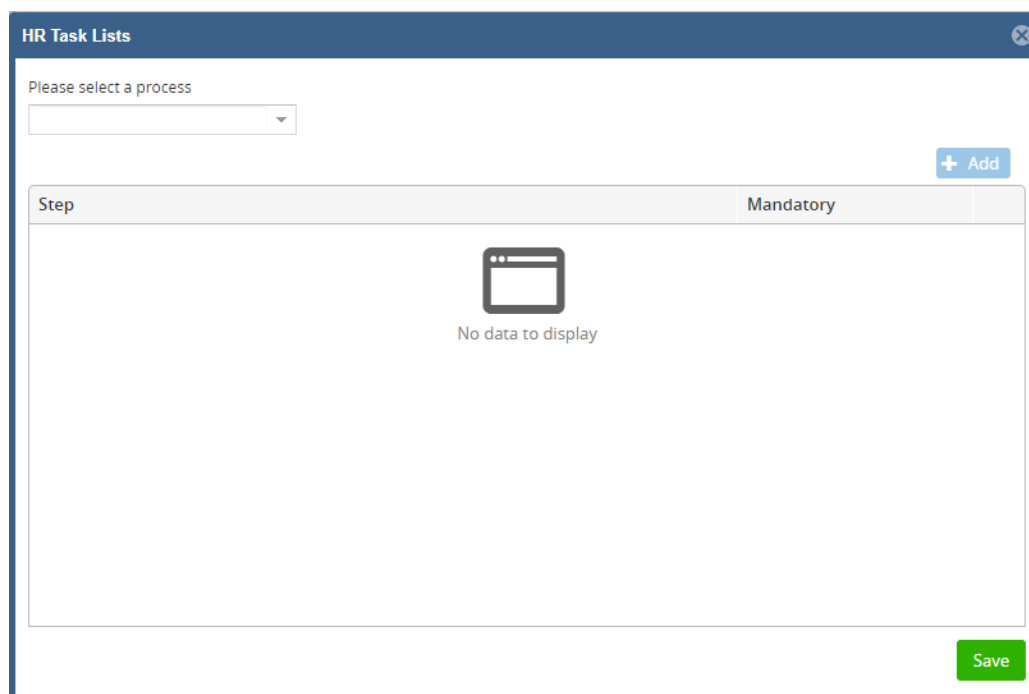

2.1. Accessing the 'HR Task Lists' Screen

To setup HR Process Task Lists:

- Select the 'Settings' tab.
- Search for "HR Task Lists" and select the corresponding option.

- The 'HR Task List' screen will appear.

2.2. Create a Task List

To create a new Process Task List:

- Select a Process from the drop-down list at the top of the page.

Process	Description
New Starter	Task list will be available on completion of the 'New Starter' wizard.
Re-hire	Task list will be available on completion of the 'Rehire Employee' wizard.
New Contract	Task list will be available on completion of the 'New Contract' wizard. This does not apply to the 'Additional Contract' wizard.

- Click the **Add** button to add a task list step:

- A new row will appear on screen.
- The drop-down list provides all of the steps that can be configured for the task list.
 - Each step corresponds to a different screen.
 - The same list of steps is available for each process.

HR Task Lists

Save

- Select the required step.
 - See the [2.1.3 Task List Steps & Screens](#) for guidance as to the what each step gives access to.
- Update the **Mandatory** indicator.
 - The 3 'Terms and Conditions' options cannot be made mandatory.
 - All other steps can be made mandatory.
 - All mandatory steps must be listed before the options steps.
 - It is not possible to add a mandatory step after an optional step.
- To remove a step from the list, click the ✖ button for the step.
- Once all steps have been added click the **Save** button.

The task list will now be available to the user on completion of the corresponding process in People Management.

2.3. Task List Steps & Screens

Each task list step will open an existing People Management screen. The task list is effectively a shortcut to allow the user to jump directly to the required screen to review / update data for the employee / contract record.

In this section, each available step is listed and a screenshot is provided for the corresponding screen.

Each of these screens is still subject to the same menu access requirements as it would be in its normal location e.g. if access is required to view and / or update data on the screen. Please refer to the relevant configuration guide for each screen for details on what menu options are required. These are not provided in this document.

2.4. Updating Task Lists

To update an existing HR Process Task List:

- Select the required process on the 'HR Task Lists' screen.

HR Task Lists

Please select a process

New Starter

+ Add

Step	Mandatory	
Allowances	☒	✖
Badge Details	☒	✖
CPD Information	☐	✖
Contacts	☐	✖
Cost Allocations	☐	✖
Dependents	☐	✖
Disability Information	☐	✖
Diversity Background	☐	✖
Files	☐	✖

Save

- Update as required:
 - Click **Add** to add a new step.
 - Update the **Mandatory** indicator.
 - The 3 'Terms and Conditions' options cannot be made mandatory.
 - All other steps can be made mandatory.
 - All mandatory steps must be listed before the options steps.
 - It is not possible to add a mandatory step after an optional step.
 - To remove a step from the list, click the ✖ button for the step.
- Once all steps have been added click the **Save** button.

Please note: If the task list is currently in progress for an employee's contract, the completion status will be cleared for all steps. However, and data recorded and saved by the step is still saved and available for the user to review. They will just need to re-complete the task step.

3. Access to Contract Task Lists

3.1. Menu Options

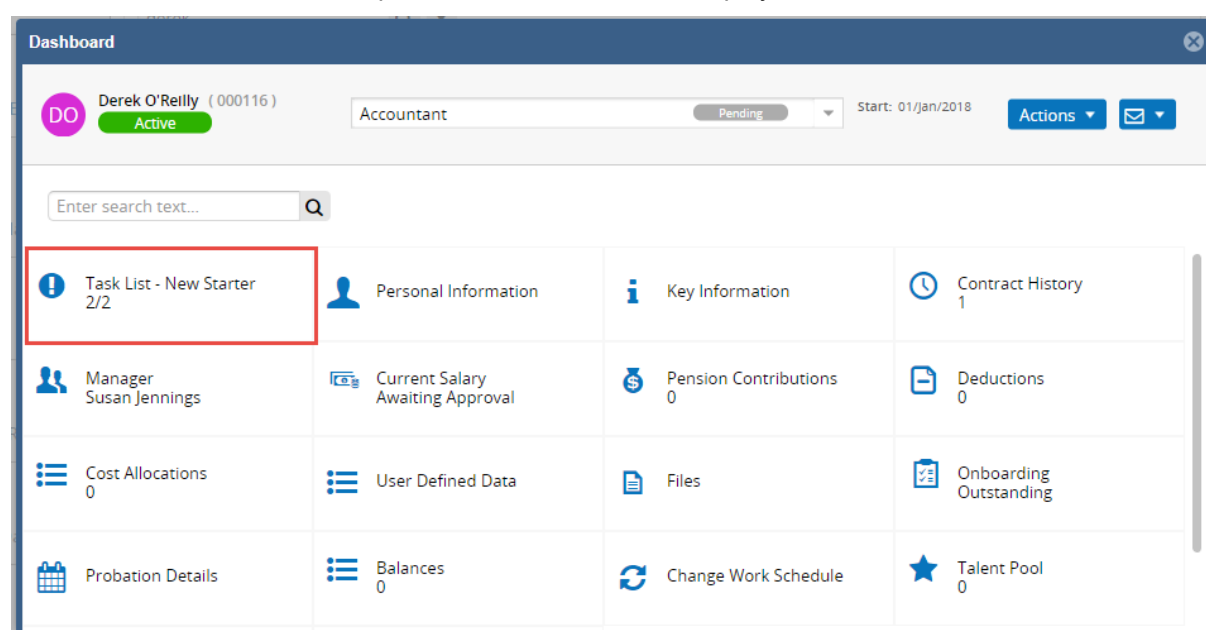

3.1.1. View & Update Task List

To access the 'Task List' screen the following menu option is required:

System	Menu Option
People Management	Hr Process Update

This both:

- ensures the task list will pop up on completion of the new hire / replace contract / rehire wizard.
- makes the 'Task List' option available on the HR Employee Dashboard.

If the user does not have the menu option, the task list will not pop up or be available on the dashboard.

3.1.2. Task List Items

Each step on the task list will open an existing People Management screen (see [2.3 Task List Steps & Screens](#)). The user will require the same view & update menu options that are used to control the screen when it is accessed as normal.

If the user has not been granted the required access, the step will display 'No Access' - see below:

Please refer to the relevant configuration guide for those screens, in order to find the menu options required.

3.2. Completing the Task List

The task list 'process' screen will pop up on screen immediately on completion of the corresponding contract wizard e.g. on completion of step 4 of the New Starter wizard.

Process - New Starter

Derek O'Reilly (000116) Active Accountant Pending Start: 01/jan/2018

Allowances	MANDATORY	→
Badge Details	MANDATORY	NO ACCESS ✖
Bank Details	MANDATORY	→
CPD Information	MANDATORY	→
Contacts	MANDATORY	→

Close

It can be closed at this stage and accessed again at any time until it is marked as 'Complete' from the Hr Employee Dashboard i.e.

Dashboard

Derek O'Reilly (000116) Active Accountant Pending Start: 01/jan/2018 Actions

Enter search text...

Task List - New Starter 2/2	Personal Information	Key Information	Contract History 1
Manager Susan Jennings	Current Salary Awaiting Approval	Pension Contributions 0	Deductions 0
Cost Allocations 0	User Defined Data	Files	Onboarding Outstanding
Probation Details	Balances 0	Change Work Schedule	Talent Pool 0

Each step on the list has to be completed in the order that they are presented on screen.

- i.e. in the screenshot on the below, the user must complete the 'Allowances' task first, in order to proceed to 'Badge Details', then 'Bank Details' etc.

The screenshot shows a window titled "Process - New Starter" with a close button in the top right. The header area contains a profile card for "Derek O'Reilly (000116)" with a red "DO" icon, a green "Active" status tag, a text field with "Accountant", a grey "Pending" button, and a "Start: 01/jan/2018" label. Below the header is a list of five task items, each in a rounded rectangle. The first item is "Allowances" with "MANDATORY" and a blue right-pointing arrow. The second is "Badge Details" with "MANDATORY" and "NO ACCESS" with a red 'X' icon. The third is "Bank Details" with "MANDATORY" and a blue right-pointing arrow. The fourth is "CPD Information" with "MANDATORY" and a blue right-pointing arrow. The fifth is "Contacts" with "MANDATORY" and a blue right-pointing arrow. A "Close" button is at the bottom left of the list.

Task	Requirement	Status/Action
Allowances	MANDATORY	→
Badge Details	MANDATORY	NO ACCESS ✖
Bank Details	MANDATORY	→
CPD Information	MANDATORY	→
Contacts	MANDATORY	→

Click on the step to open the corresponding screen. Each screen will allow the user to enter / update the employee / contract details.

The user must click the **Save** or the **Complete** button at the end of each screen in order for the step to be flagged as completed.

- Outstanding steps will have the → icon

A single task item in a rounded rectangle: "CPD Information" followed by "OPTIONAL" and a blue right-pointing arrow.

CPD Information	OPTIONAL	→
-----------------	----------	---

- Once completed, the step will have the ✓ icon. It can still be reopened and updated until the task list has been fully completed.

A single task item in a rounded rectangle: "Allowances" followed by "MANDATORY" and a green checkmark icon.

Allowances	MANDATORY	✓
------------	-----------	---

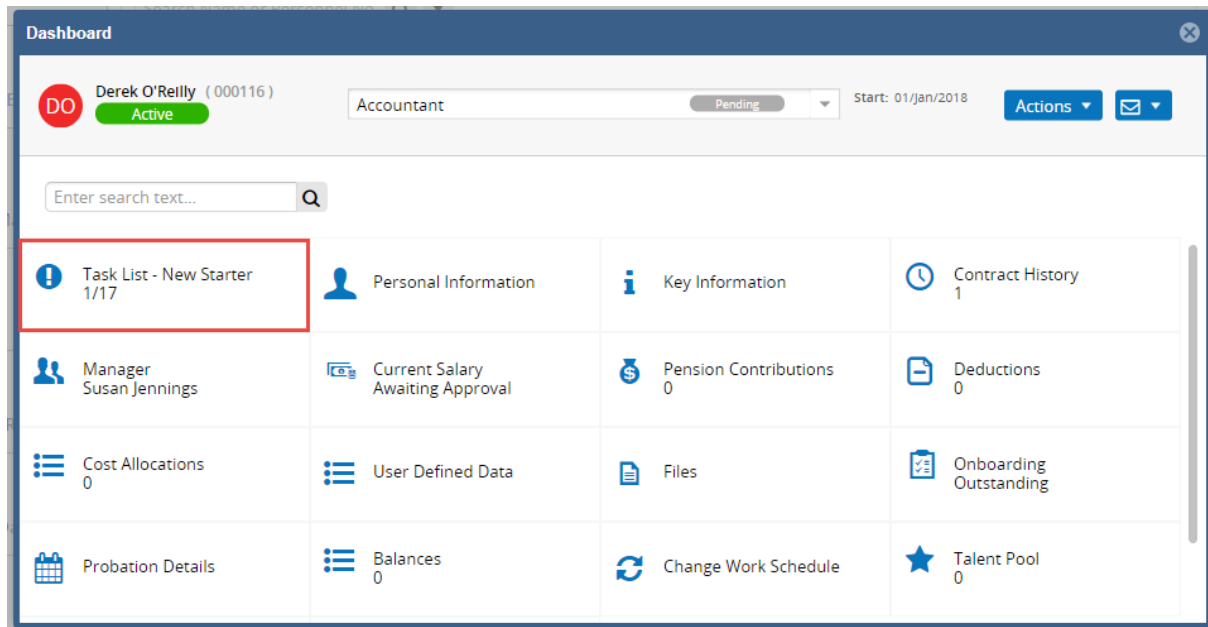

- If the user has not been granted the required access, the step will display 'No Access' - see below:

A single task item in a rounded rectangle: "Badge Details" followed by "MANDATORY" and "NO ACCESS" with a red 'X' icon.

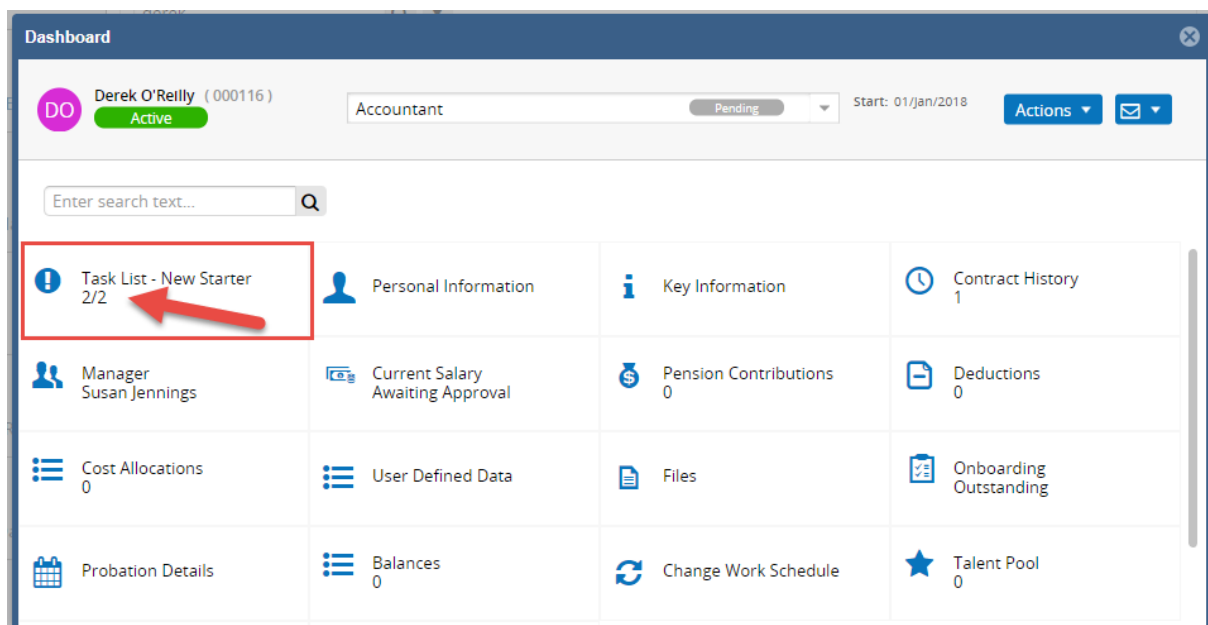

Badge Details	MANDATORY	NO ACCESS ✖
---------------	-----------	-------------

The 'Task List' option on the HR Employee Dashboard is available until the list has been marked as completed.

- This will show a count of mandatory tasks.
 - e.g. 1 / 17 below indicates that there are 17 mandatory steps and 1 has been completed.

- However, if there were 17 steps and only 2 were 'Mandatory', the this would show 2.
 - e.g. 2 / 2 below indicates that there are 2 mandatory steps and 2 have been completed.

The 'Complete' button will not be available until the mandatory steps are completed e.g.

The screenshot shows a window titled "Task List - New Starter" for user Derek O'Reilly (000116), who is an Accountant with a "Pending" status, starting on 01/jan/2018. The task list includes:

Task	Type	Status
Allowances	MANDATORY	✓
Badge Details	MANDATORY	✓
Bank Details	MANDATORY	→
CPD Information	MANDATORY	→
Contacts	MANDATORY	→

A red arrow points to the "Close" button at the bottom left.

Once the mandatory steps are completed, the **Complete** button is available.

The screenshot shows the same window after the mandatory tasks have been completed. The task list now includes:

Task	Type	Status
Allowances	MANDATORY	✓
Badge Details	MANDATORY	✓
CPD Information	OPTIONAL	→
Contacts	OPTIONAL	✓
Cost Allocations	OPTIONAL	✓

A red arrow points to the "Complete" button at the bottom right.

Click on the **Complete** button to complete the task list.

Once this has been done, the 'Task List' item is no longer available on the HR Employee Dashboard:
