1. Overview

1.1. Purpose of the Guide

The purpose of this document is to provide detailed guidance on the HR Admin Field Options functionality that is available in People Management.

1.2. What are HR Admin Field Options?

1.2.1. Display Options

This feature provides the ability to control the display and use of several key fields on employee and contract records on CoreHR.

These field options control the fields that are available on the following screens on HR Admin:

- New Hire wizard
- Replace Contract wizard
- Additional Contract wizard
- Rehire wizard
- End Person / End Contract
- Key Information
- Contracts

The options available will differ per field but include:

- **Mandatory**
 - *Enabled*: Field will be mandatory on the wizard and will include a red *.
 - *Disabled*: field is not mandatory and will not include a red *.
- **Hide**
 - *Enabled*: Field will not display on screen.
 - *Disabled*: Field will display on screen.

Note: These field options do not control the display of fields with a similar label that are included on other screens in CoreHR e.g. Employee Profile, People Management dashboard etc. This are specific to the screens listed above only.

1.2.2. Combo Field Options

The drop-down lists on CoreHR are generally linked to Reference Data items. These Reference Data items comprise of a *Code* and a *Description*. The Combo Field Options allows for some of these contract specific lists to display either: Description OR Code-Description.

The system is defaulted to show the 'Description' e.g.

The screenshot shows a form with two tabs: '1 Organizational Structure' and '2 Contract Information'. Under '2 Contract Information', the 'Department *' field is set to 'HR5 - HR Admin' and the 'Work Group' field is set to 'HR1 - Recruitment'. Both fields are highlighted with red boxes. A dropdown menu for 'Work Group' is open, showing a list of options with their codes: '1 - Default Workgroup Code 1', 'CEO - Ceo Code CEO', 'FIMU - Finance Code FIMU', 'FIN1 - Accounts Code FIN1', and 'FIN2 - Budget'. The pagination at the bottom indicates '1 - 10 of 22'.

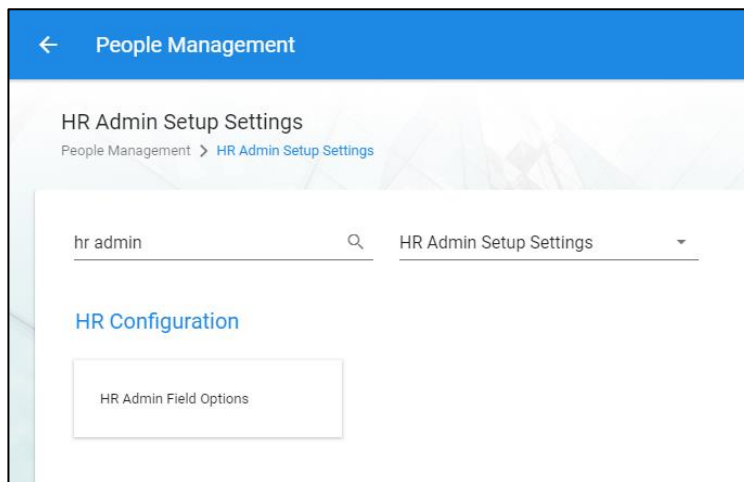

However, this field can be set to display the 'Code' & 'Description' e.g.

The screenshot shows a form with two tabs: '1 Organizational Structure' and '2 Contract Information'. Under '2 Contract Information', the 'Department *' field is set to 'IT3 - It Security' and the 'Work Group' field is set to 'HR3 - Training'. Both fields are highlighted with red boxes. A dropdown menu for 'Work Group' is open, showing a list of options with their codes: 'FIN2 - Budget Code FIN2', 'FIN3 - Tax Code FIN3', 'FIN4 - Finance Admin Code FIN4', 'HR1 - Recruitment Code HR1', and 'HR2 - Compensation & Benefits'. The pagination at the bottom indicates '1 - 10 of 22'. A 'NEXT' button is visible in the bottom right corner.

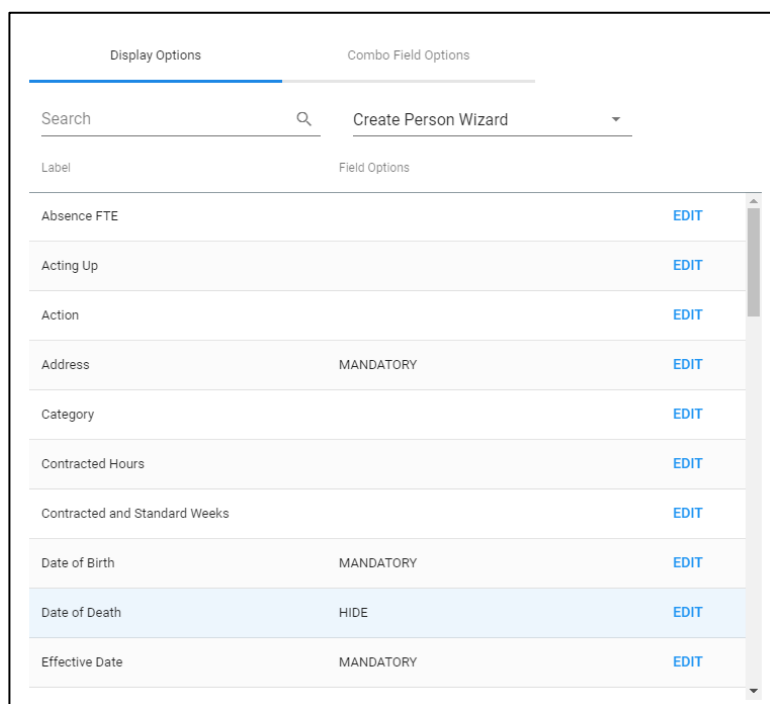

2. Access to *HR Admin Field Options* Screen

To access the *HR Admin Field Options* Config functionality:

- Quick jump to the *Data Centre* widget and open *HR Admin Setup Settings*.
- Search for and select *HR Admin Field Options*.

The *HR Admin Field Options* screen opens.

3. Updating Field Options

3.1. Display Options

To access the display options for a field:

1. On the *HR Admin Field Options* screen, select **Display Options** at the top of the screen.
2. Select the screen that the fields will be updated on. Options available are:
 - [Create Person Wizard](#)
 - [Key Information](#)
 - [Continuous Service](#)
3. Search for the required field, using this search option at the top of the screen.

The screenshot shows the 'HR Admin Setup Settings' page with the 'HR Admin Field Options' sub-section. The 'Display Options' tab is selected. A search bar at the top left of the table contains the text 'FTE' and is highlighted with a red rectangle. To the right of the search bar is a dropdown menu currently showing 'Create Person Wizard'. Below the search bar is a table with two columns: 'Label' and 'Field Options'. The table contains four rows of data, each with an 'EDIT' button on the right.

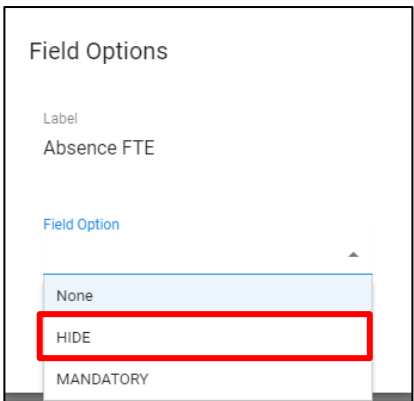

Label	Field Options	
Absence FTE		EDIT
FTE	MANDATORY	EDIT
Location After Leaving		EDIT
Override FTE		EDIT

The current field options for that field are displayed on screen in the *Field Options* column.

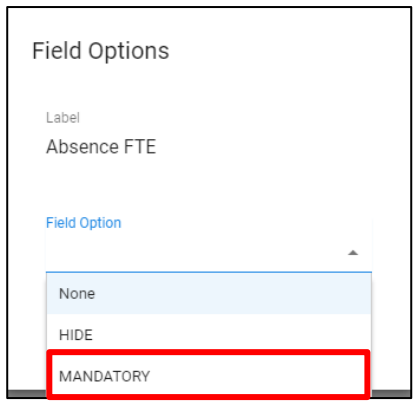

- **Hide:** Field is hidden on screen.
- **Mandatory:** Field is mandatory and must be completed.
- **Blank:** Field is displayed on screen but is optional.

4. Click on the **Edit** button for the required field, to open the *Field Options* screen for that field:

HIDE

MANDATORY

Enabled: this option will not appear on screen.

Disabled: this option will appear on screen.

Enabled: this option will appear on screen and will be a mandatory element on the employee / contract record. This will be indicated by a red *.

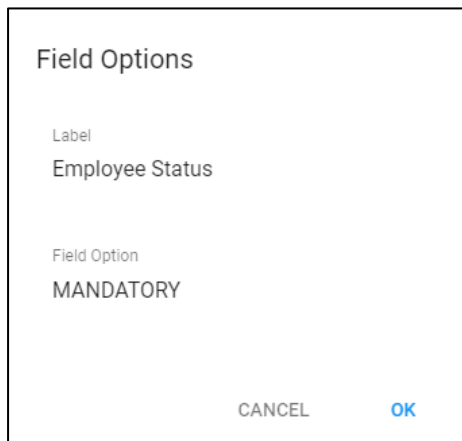

Disabled: this option will appear on screen, but it will be an optional element on the employee / contract record.

- Click **OK** to save any changes made. These changes will be applied immediately and will be applied globally to the system i.e. all users will see the change.

 **Note:** It is only possible to set either Hide OR Mandatory for each field.

Some fields are required on CoreHR for all employee / contract records and therefore it is not possible to update the *Hide* or *Mandatory* options for these. However, these fields are still available to search for on the *HR Admin Field Options* screen, for reference purposes.

When accessing the *Field Options* for one of these fields e.g. *Employee Status*, the *Mandatory* option will appear and will be enabled. However, this is protected from update by the user. This is available for display purposes only.

3.2. Combo Field Options

To access the display options for a field:

1. On the *HR Admin Field Options* screen, select *Combo Field Options* at the top of the screen.
The screen displays a list of all drop-down list fields that can be configured to display as either *Description only* or *Code-Description*.
2. Use the search option to do a key word search on the list below.
3. Switch On / Off the *Code-Description* indicator as required:
 - a. *On*: The field will display as *Code-Description*.
 - b. *Off*: The field will display as *Description only*.
4. Click the **Save** button to save any changes made.

The screenshot shows the 'HR Admin Setup Settings' screen. Under the 'HR Admin Field Options' section, there are two tabs: 'Display Options' and 'Combo Field Options'. The 'Combo Field Options' tab is selected. Below the tabs is a search bar with the placeholder text 'Search' and a magnifying glass icon. Below the search bar is a table with two columns: 'Label' and 'Code-Description'. The table lists several fields: 'Organisation', 'Management Unit', 'Department', 'Division', and 'Location'. Each field has a toggle switch next to it. The 'Department' toggle is turned on (blue), while the others are turned off (white). At the bottom right of the screen is a green 'SAVE' button. The CoreHR logo is visible at the bottom center.

Label	Code-Description
Organisation	☐
Management Unit	☐
Department	☒
Division	☐
Location	☐

4. Display Options Available

4.1. Create Person Wizard

4.1.1. Employee

The field options listed below apply to the *Person Info* screen on the following wizards:

- New Hire
- Rehire

The screenshot shows the 'New Starter' wizard interface. On the left, a sidebar lists the steps: 1. Person Information, 2. Organizational Structure, 3. Contract Information, and 4. Salary Information. The main area is titled 'Person Details' and contains the following fields:

- Personnel Number Routine:** Default Manual (dropdown)
- Personnel No.*** (text field, labeled 2)
- Title** (dropdown, labeled 1)
- Forename*** (text field, labeled 5)
- Surname*** (text field, labeled 3)
- Middle Name** (text field, labeled 4)
- Known As** (text field, labeled 6)
- Initials** (text field, labeled 8)
- Date of Birth*** (calendar icon, labeled 7)
- Age** (text field, labeled 10)
- Retirement Date** (calendar icon, labeled 9)
- Gender*** (dropdown, labeled 11)
- Nationality** (dropdown, labeled 12)
- Contact Details:**
 - Email** (text field, labeled 13)
 - Phone** (text field, labeled 14)
 - Mobile** (text field, labeled 15)
 - Country*** (dropdown, labeled 16)

#	Field Name	Hide Option Available	Mandatory Option Available
1	Title	Y	Y
2	Forename	Cannot be updated – Mandatory	
3	Surname	Cannot be updated – Mandatory	
4	Middle Name	Y	Y
5	Known As	Y	Y
6	Initials	Y	Y
7	Date of Birth	Y	Y
8	Retirement Date	Y	Y
9	Gender	Cannot be updated – 'Mandatory'	

#	Field Name	Hide Option Available	Mandatory Option Available
10	Nationality	Y	Y
11	Email	Y	Y
12	Phone	N	Y
13	Mobile	Y	Y
14	Address	Cannot be updated – 'Mandatory'	
15	Country	Cannot be updated – 'Mandatory'	

Note: The Age field is linked to the *Date of Birth* display options i.e. if *Date of Birth* is Hidden, Age is also hidden. Age cannot be set to mandatory as this is a display only field derived from *Date of Birth*.

4.1.2. Contract

The field options listed below apply to the **Contract** screen on the following wizards:

- New Hire
- New Contract
- Replace contract
- Rehire

#	Field Name	Hide Option Available	Mandatory Option Available
1	Effective Date	Cannot be updated – <i>Mandatory</i>	
2	Target End Date	Y	N
3	Planned End Date	Y	N
4	Job Title	Cannot be updated – <i>Mandatory</i>	
5	Job Category	Y	Y
6	Post Type	Cannot be updated – <i>Mandatory</i>	
7	Project	Y	Y
8	Employee Status	Cannot be updated – <i>Mandatory</i>	
9	Sub Status	Y	Y
10	Category	Y	Y
11	Sub Category	Y	Y
12	Contracted Hours	Y	Y

#	Field Name	Hide Option Available	Mandatory Option Available
13	Standard Hours	Y	Y
14	Contracted and Standard Weeks	Y	Y
15	FTE	Cannot be updated – <i>Mandatory</i>	
16	Absence FTE	Y	Y
17	Future Override FTE	Y	Y
18	Action	Y	Y
19	Reason	N	Y
20	Replacing	Y	Y
21	Pensionable	N	Y
22	Acting Up	Y	N
23	Secondment	Y	N

The screenshot shows a configuration screen for HR Admin with four main sections: Person Information, Organizational Structure, Contract Information, and Salary Information. The fields are organized into sections: Dates, Description, Details, and Actions. Callout 14 highlights the 'Contracted Weeks' field, which is set to 52.14. Other callouts include: 1 (Person Information), 2 (Effective Date*), 3 (Planned End Date), 4 (Job Title*), 5 (Job Category), 6 (Post Type*), 7 (Project), 8 (Employee Status*), 9 (Sub Status), 10 (Category), 11 (Sub Category), 12 (Contracted Hours), 13 (Standard Hours), 15 (FTE*), 16 (Absence FTE), 17 (Future Override FTE), 18 (Action), 19 (Reason*), 20 (Replacing), 21 (Pensionable), 22 (Acting Up), and 23 (Secondment).

4.1.3. Salary

The field options listed below apply to the **Salary** screen on the following wizards:

- New Hire
- New Contract
- Replace contract
- Rehire

Field Name	Hide Option Available	Mandatory Option Available
NI Number / PPS Number / Social Security Number	N	Y

1	Person Information	Starter Declaration	NI Number	Paygroup employee will be paid... *
2	Organizational Structure	Employee to be paid based on*	Scale*	Point on Scale*
		Scale-Point	Personal Rate	Default Scale Point
3	Contract Information	Multiplier*		
		1		
4	Salary Information	This to be paid*	Amount to be paid	Apply next increment on
		Annual	0	

4.1.4. Leaver

The field options listed below apply to the following screens:

- End Person
- End Contract

#	Field Name	Hide Option Available	Mandatory Option Available
1	Leaving Date	Cannot be updated – <i>Mandatory</i>	
2	Leaving Code	N	Y
3	Leaving Destination	N	Y
4	Location After Leaving	N	Y
5	Date of Death	Y	Y

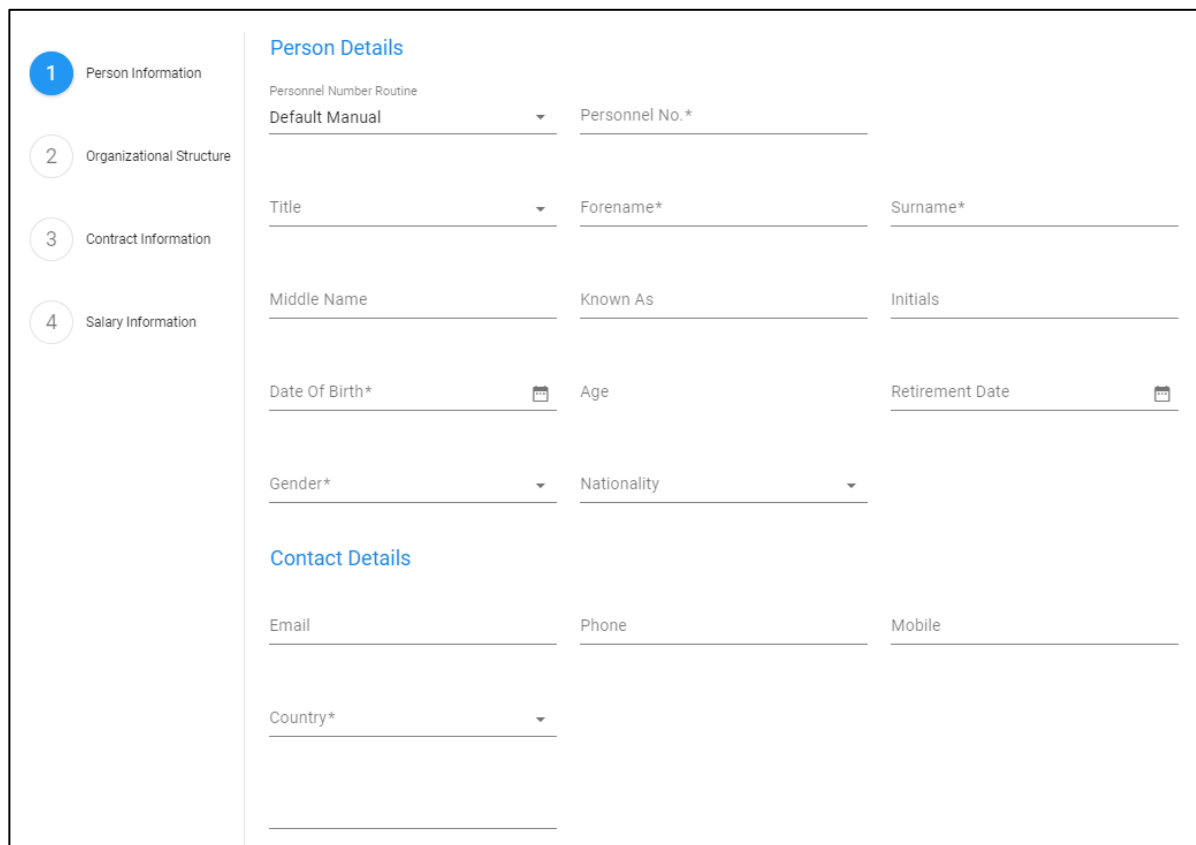

The screenshot shows a form for configuring HR Admin field options. It includes the following fields and controls:

- 1**: Leaving Date* (calendar icon)
- 2**: Leaving Code (dropdown arrow)
- 3**: Leaving Destination (dropdown arrow)
- 4**: Location After Leaving (dropdown arrow)
- 5**: Date of Death (calendar icon)
- End All Contracts (toggle switch, currently on)
- Comments (text input field)

4.1.5. Personnel No.

 **Note:** The Personnel No field is not displayed if using the automated personnel number generation option.

If the system is configured to require the user to manually input a personnel number, this field is always mandatory on the *New Hire* wizard.

The screenshot displays the 'New Hire' wizard interface. On the left, a vertical sidebar contains four numbered steps: 1. Person Information (active), 2. Organizational Structure, 3. Contract Information, and 4. Salary Information. The main content area is divided into two sections: 'Person Details' and 'Contact Details'. The 'Person Details' section includes fields for 'Personnel Number Routine' (a dropdown menu currently set to 'Default Manual'), 'Personnel No.*' (a text input field), 'Title' (a dropdown menu), 'Forename*', 'Surname*', 'Middle Name', 'Known As', 'Initials', 'Date Of Birth*' (with a calendar icon), 'Age', 'Retirement Date' (with a calendar icon), 'Gender*', and 'Nationality' (a dropdown menu). The 'Contact Details' section includes fields for 'Email', 'Phone', 'Mobile', and 'Country*' (a dropdown menu). There is an additional empty text input field at the bottom of the 'Contact Details' section.

4.2. Key Information

The fields listed below apply to the *Key Information* screen i.e.

The screenshot displays the 'Key Information' screen for a user named 'Support Analyst'. The interface includes a sidebar with navigation options and a main content area with several sections. The 'Key Information' section contains fields for Title, Forename, Surname, Middle Name, Known As, Initials, NI Number, Date of Birth, and Retirement Date. The 'Service Details' section includes Date First Joined, Tupe Date, Override Start Date, Override End Date, Continuous Service Duration, Continuous Service Started, Total Length of Service, and Length of Service. The 'Work Permit' section contains Work Permit Number, Work Permit Detail, Work Permit Issue Date, and Work Permit Expiry Date. The 'Contract Info' section includes Assembly Point, Internal Extension Number, and Exclude from Occupational Ab... (with a toggle switch). Each field is numbered in a red circle from 1 to 17. At the bottom, there are buttons for 'CONTINUOUS SERVICE', 'JOB SEEKERS REGISTER', and 'SAVE'.

#	Field Name	Hide Option Available	Mandatory Option Available
1	Title	Y	Y
2	Middle Name	Y	Y
3	Known As	Y	Y
4	Initials	Y	N
5	NI Number	N	Y

6	Date of Birth	Y	Y
7	Retirement Date	Y	Y
8	Service Details Section	Y	N
9	Work Permit Section	Y	N
10	Work Permit Number	Y	N
11	Work Permit Detail	Y	N
12	Work Permit Issue Date	Y	N
13	Work Permit Expiry Date	Y	N
14	Contract Info	Y	N
15	Assembly Point	Y	N
16	Internal Extension Number	Y	N
17	Exclude from Occupational Absence	Y	N

Note: The *Age* field is linked to the *Date of Birth* display options i.e. if Date of Birth is Hidden, *Age* is also hidden. *Age* cannot be set to mandatory as this is a display only field derived from *Date of Birth*.

4.3. Continuous Service

The fields listed below are available to select under *Continuous Service*. These control the display of fields on the following screens:

- Key Information

The screenshot displays the 'Key Information' section for a 'Support Analyst' employee. The interface includes the following fields and sections:

- Employee Information:** AS (Active), Support Analyst, Start Date 01-Mar-2016, Payroll Status: Open for Process...
- Retirement Date:** Field with a calendar icon.
- Service Details:**
 - Manager:** Date First Joined: 01-Feb-2016
 - Tupe Date:** Field with a calendar icon
 - Override Start Date:** Field with a calendar icon
 - Override End Date:** Field with a calendar icon
- Continuous Service Section:**
 - 1 Continuous Service Duration:** 0 Years, 0 Months, 0 Days
 - 2 Continuous Service Started:** N/A
 - 3 Total Length of Service:** 2 Years, 11 Months, 17 Days
 - 4 Length of Service:** 2 Years, 11 Months, 17 Days

#	Field Name	Hide Option Available	Mandatory Option Available
1	Continuous Service Duration	Y	N
2	Continuous Service Started	Y	N
3	Total Length of Service	Y	N
4	Length of Service	Y	N

5. Combo Field Options Available

The following fields are available to update on the *Combo Field Options* screen:

- Organisation
- Management Unit
- Department
- Division
- Location
- Work Group
- User 1
- User 2
- User 3
- User 4
- User 5
- Cost Centre
- Project
- Expense
- Employee Status
- Sub Status
- Category
- Job Category
- Sub Category
- Action
- Reason

Each of these options are related to a contract record. Changes made here will update the display of the data in that field on the following screens:

- Create Person
- View Contract
- Amend Contract
- Replace Contract
- Additional Contract
- Rehire Person

This will not update the display of the Reference Data items on any other screen, including filters.

6. Additional Configuration Required

6.1. Menu Option

The user will require access to the menu option detailed below, to see the *HR Admin Field Options* item on:

- on the *Data Centre > HR Admin Setup Settings* screen under *HR Settings* on the *Settings* tab.

Once that item is available, the user will have full access to all functionality available on the pop-up *HR Field Options* screen.

System	Menu Option
People Management	Hr Admin Field Options
