1. Overview

1.1. Purpose of the Guide

The purpose of this document is to provide guidance on how to use the appraisals functionality as an employee and a manager. This is broken down into three areas:

1. Employee Appraisals
2. Employee Talent Profile
3. Manager Appraisals

This guide includes how to navigate the dashboards and widgets available to Portal users for Talent.

Note: This guide does not include:

- Steps on how to use objectives.
- Steps on how to use competencies.
- Steps on other lesser used features in the Talent module.
- Configuration of appraisals.

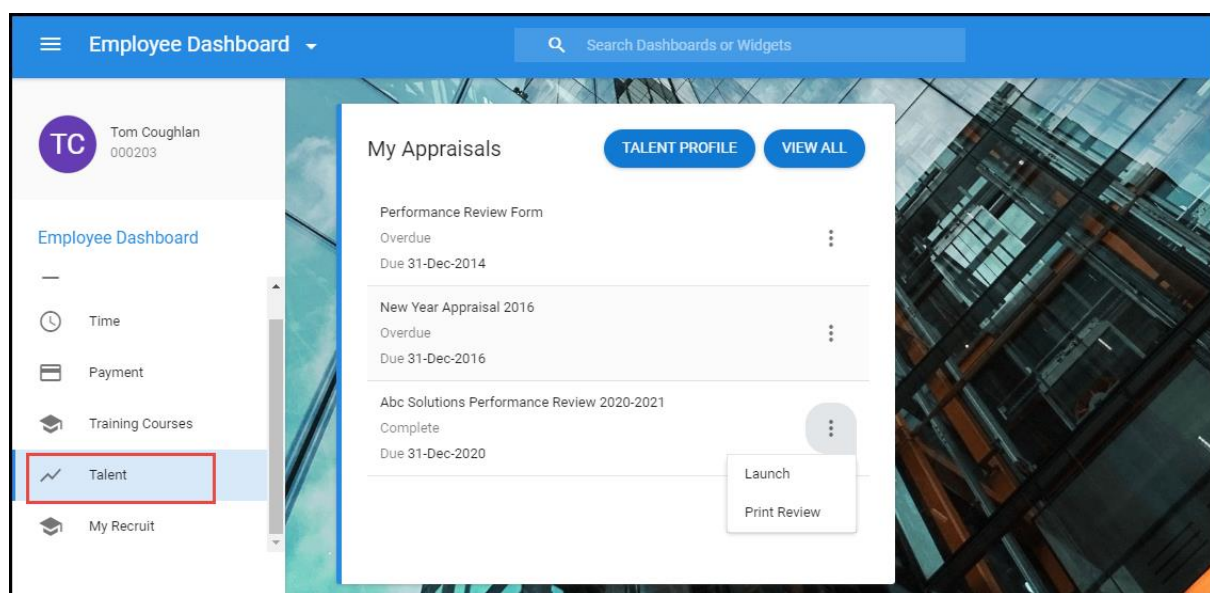

2. Employee Dashboard

2.1. My Appraisals

2.1.1. Talent tab

To access the Talent tab on the Employee dashboard, follow the below steps:

1. Go to the Employee Dashboard.
2. Select the Talent tab.
3. The *My Appraisals* widget appears on screen automatically.

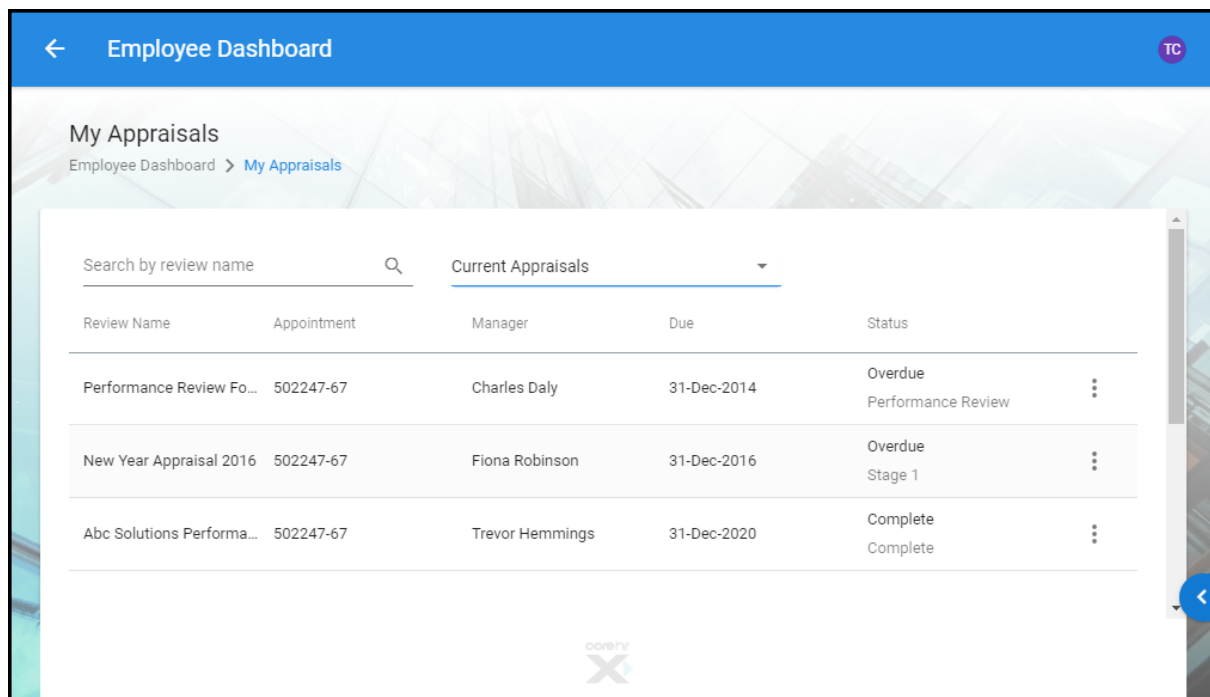

4. This widget shows the employee's current appraisals. These are appraisals that are active or within the current date range. The following options appear on screen:

Item	Description
Talent Profile	This is a full breakdown of an employee's career, performance, development, and qualification details that can be viewed and updated by the employee. See section 2.2 Talent Profile for further details.
View all	This allows an employee to view and search by appraisals currently open, or historic appraisals. If an employee has multiple appointments or multiple current appraisals (e.g. probationary appraisals), they can view a full history of all appraisals.

Item	Description
Launch	This allows the employee to open the current appraisal form and begin or continue working on it. This option is available throughout ESS & MSS for employee appraisals.
Print	This allows the employee to save the full appraisal form as a PDF file to their device.
Review	This option is available throughout ESS & MSS for employee appraisals.

2.1.2. View All Appraisals

The **View All** button allows an employee to search for all current, and historic appraisals that they have been assigned to on previous appointments.

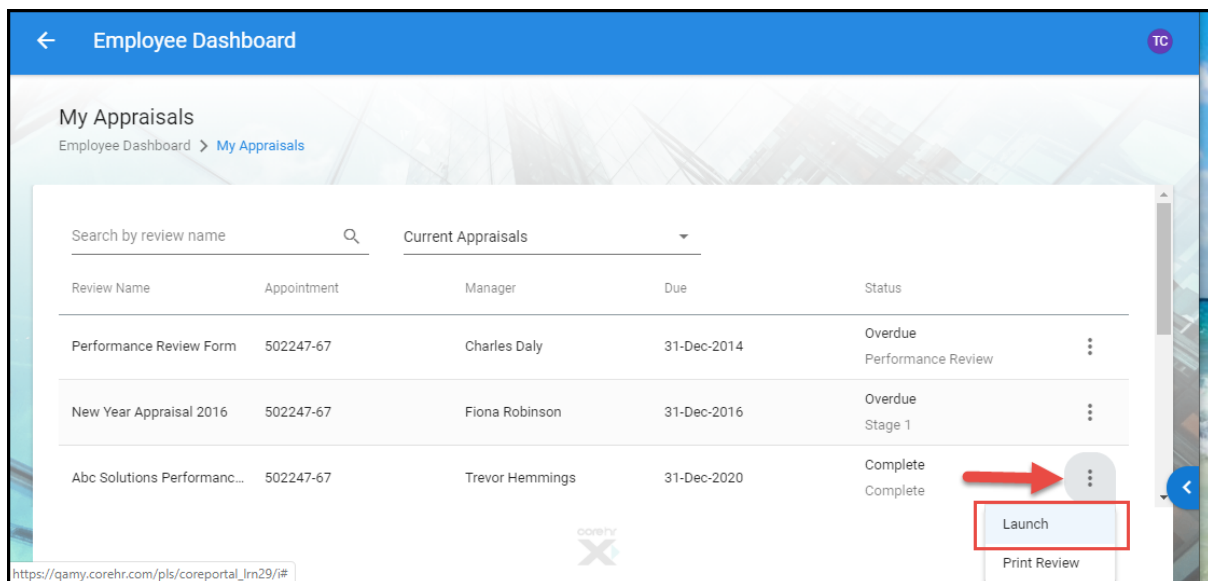

The table below breaks down each column and item on the screen:

Item	Description
Search	This allows the employee to search for an appraisal by name.
Current / All Appraisals Filter	This allows the employee to filter by appraisals that are currently open/ within date range or select all historic appraisals.
Review Name	This shows the name of the appraisal.
Appointment ID	Appraisals are assigned based on an employee's contract record. This shows the Appointment ID linked to the appraisal.

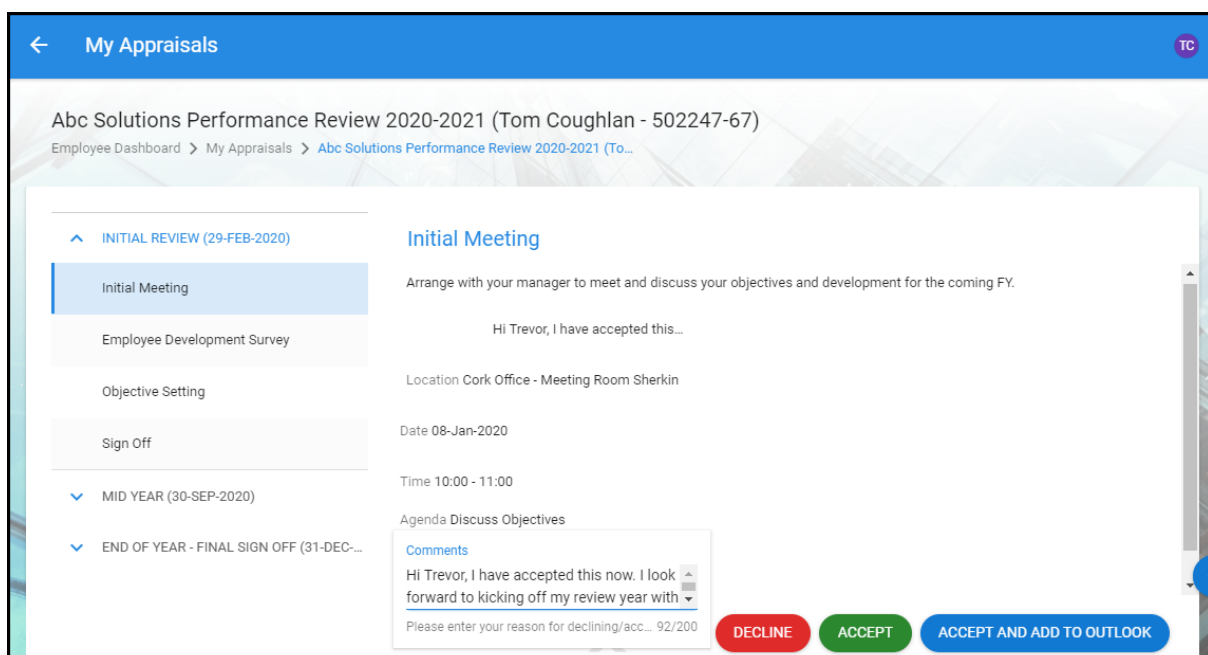

Manager	This shows the direct line manager that is responsible for their appraisal.
Due	This shows the date the appraisal is to close.
Status	This shows the status of the appraisal.

2.1.3. Viewing Appraisal Stages

1. To open an appraisal, click the  button.
2. Click **Launch**.

3. Once the appraisal opens, it automatically opens on the 1st stage.

The following sections give an example of what all available steps may look like.

Note:

- Please refer to *Talent Management: Configuring Appraisals - User Guide* for more information on how to configure appraisal steps.
- This employee guidance may differ to what your organisation has built. Therefore, it is important to review any learning content that is distributed out to employees after configuration.
- The example appraisal below is structured into 3 typical stages:
 - Initial Review Stage
 - Mid-Year Review Stage
 - End of Year: Final Sign off Stage

Meeting

A meeting step may look like the example below:

The screenshot displays the 'Employee Dashboard' interface. At the top, a blue header bar contains a back arrow and the text 'Employee Dashboard', along with a user profile icon labeled 'TC'. Below the header, the main content area is titled 'Abc Solutions Performance Review 2020-2021 (Tom Coughlan - 502247-67)'. A breadcrumb trail shows 'Employee Dashboard > Abc Solutions Performance Review 2020-2021 (To...'. On the left, a sidebar menu lists various stages: 'INITIAL REVIEW (29-FEB-2020)' (expanded), 'Initial Meeting' (selected), 'Employee Development Survey', 'Objective Setting', 'Upload Paper Based Review', 'Sign Off', 'MID YEAR (30-SEP-2020)', and 'END OF YEAR - FINAL SIGN OFF (31-DE...)'. The main content area for 'Initial Meeting' includes instructions: 'Arrange with your manager to meet and discuss your objectives and development for the coming FY.' It also lists details: 'Location Cork Office - Meeting Room Sherkin', 'Date 08-Jan-2020', 'Time 10:00 - 11:00', and 'Agenda Discuss Objectives'. There is a 'Comments' section with a text input field and a placeholder 'Please enter your reason for declining/accepting'. At the bottom right, there are three buttons: 'DECLINE' (red), 'ACCEPT' (green), and 'ACCEPT AND ADD TO OUTLOOK' (blue). A small 'CORE' logo is visible in the bottom center.

This meeting can be added to your outlook calendar as an .ics file. To do this:

1. Click **Accept and Add to Outlook**.
2. This automatically downloads the .ics file to your downloads folder on your device.
3. Once downloaded, open the file from its location.
4. This opens your Outlook with a calendar event. You have the option of accepting or declining as with a normal outlook meeting invite.

Questionnaire

A questionnaire may look like the example below:

The screenshot shows the 'Employee Development Survey' section of the performance review process. The left sidebar lists the steps: INITIAL REVIEW (29-FEB-2020), Initial Meeting, Employee Development Survey (selected), Objective Setting, Upload Paper Based Review, and Sign Off. The main content area is titled 'Employee Development Survey' and includes instructions to fill out the questionnaire. The first question is '1. Have you set objectives for the previous FY?' with a rating input field and a 'Yes' option. The user's name, Tom Coughlan, is displayed above the rating field.

The screenshot shows the 'Objective Setting' screen. The left sidebar lists the steps: INITIAL REVIEW (29-FEB-2020), Initial Meeting, Employee Development Survey, Objective Setting (selected), Upload Paper Based Review, and Sign Off. The main content area is titled 'Objective Setting' and includes a 'Snapshot view' button. Below the button is a description of the objective setting process. A search bar is present above a table of objectives. The table has columns for Objective, Assigned To, Objective Details, Status, Due Date, Aligned To, and Priority. Two objectives are listed: 'Improve Communicat...' and 'Employee Objective R...'. The first objective has a status of 'Key fields appr...' and a due date of '31-Dec-20...'. The second objective has a status of 'Draft' and a due date of '31-Dec-20...'. The user's name, Tom Coughlan, is displayed above the table.

Training Course

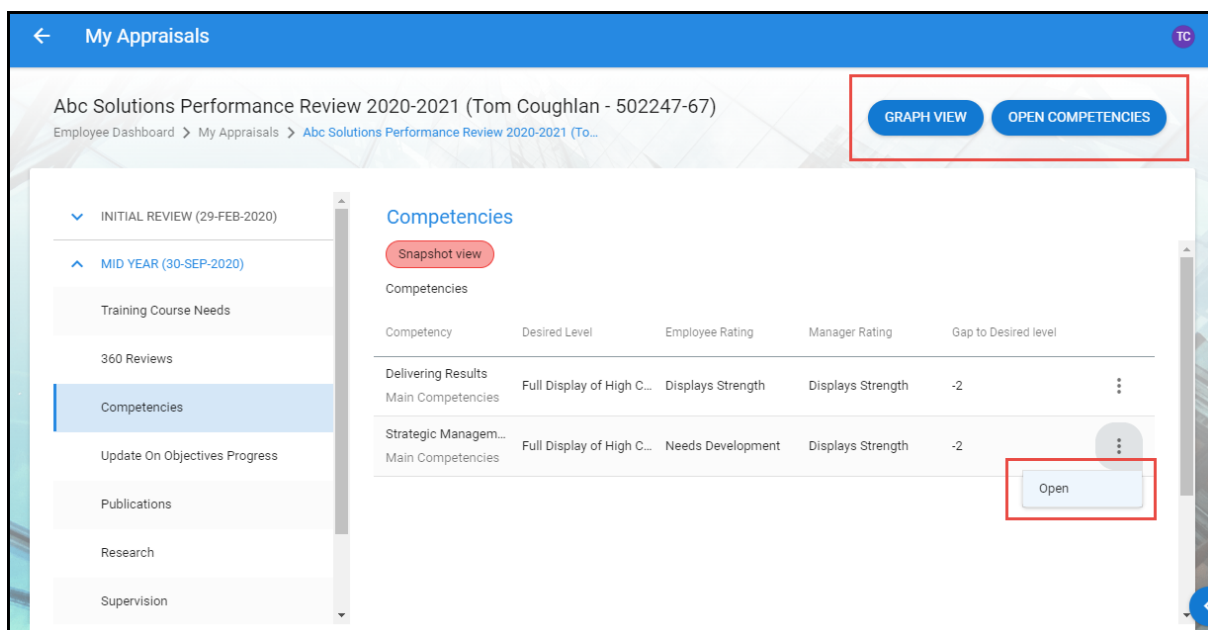

This step holds the same functionality as the two training widgets available on the employee dashboard:

1. Book a Course
2. My Training History

Competencies

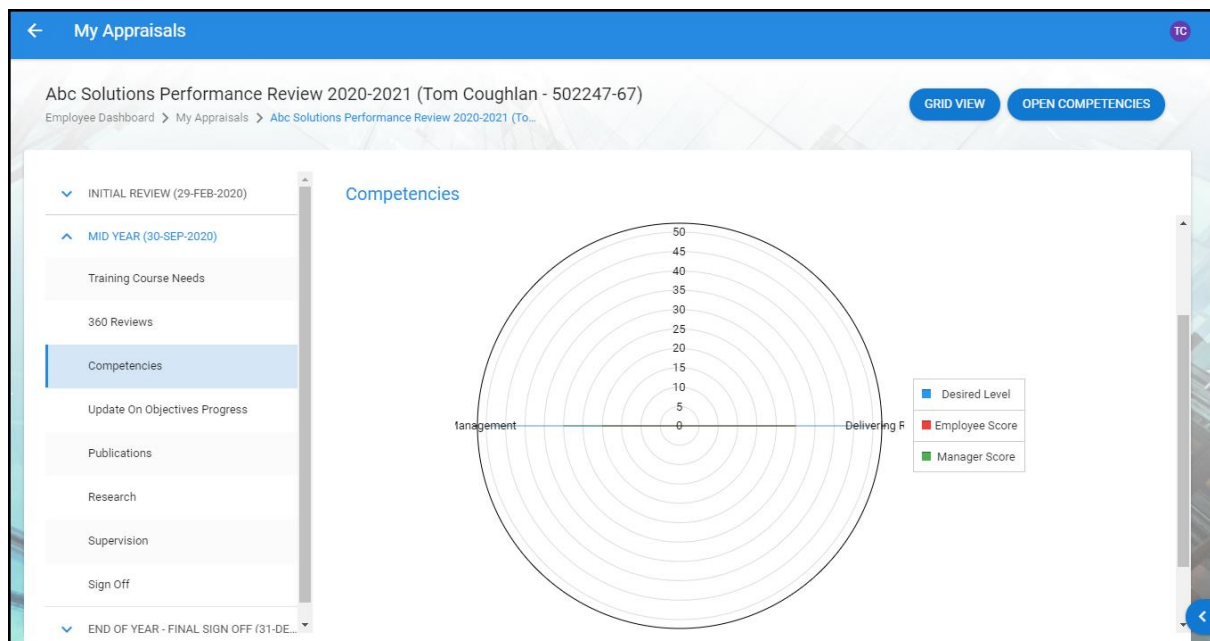

The following shows an example of the Competencies step in *grid view*. This is the default view:

The table below outlines each item:

Item	Description
Graph View / Grid View	This allows you to switch between the two views.
Open Competencies	This opens the competency measuring screen, where employees and managers measure competency levels against a category and question.
Competency	This gives the name of the competency category and the competency type.
Desired Level	This displays the highest (desired) rating sought of the competency.
Employee Rating	This shows the rating the employee has given for this competency type.
Manager Rating	This shows the rating the manager has given for this competency type.
Gap to Desired Level	This shows the gap between the desired rating and the rating given.
Open	This opens the competency measuring screen, where employees and managers measure competency levels against a category and question.

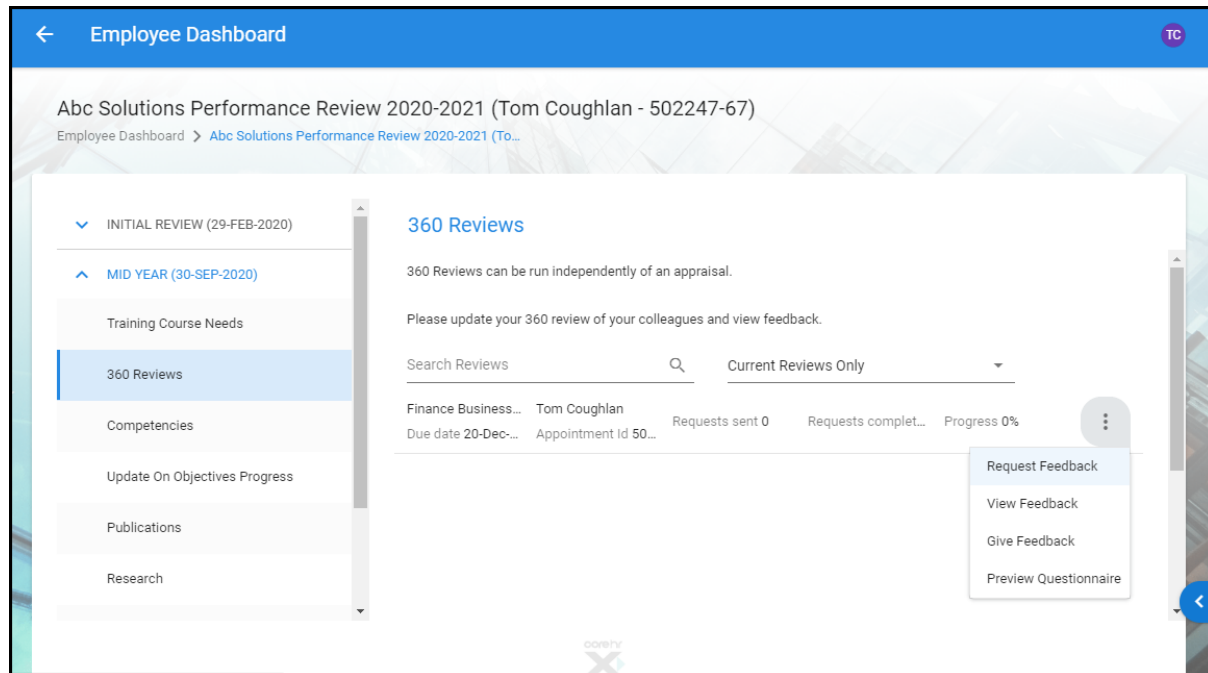

The following shows an example of the Competencies step in *graph view*:

The graph shows how you rate your level of competency vs how your manager rates your level of competency. Depending on results, the wheel of self-assessment may look different for each employee.

360 Feedback

This screenshot displays an example of a 360 Review step:

The table below outlines each item:

Item	Description
Search Reviews	This allows you to search on 360 reviews based on their title.
Filter	This allows the employee to filter on the following: • Current Reviews only. • Historical Reviews only. • All Reviews
Review Name	This shows the 360 review title.
Due Date	This shows the date that the 360 reviews are due to be completed by.
Employee	This is the employee that is requesting and / or giving feedback.
Appointment ID	This is appointment that the 360 feedback is linked to for an employee.
Requests Sent	This shows how many feedback requests the employee has sent to their colleagues.
Requests Completed	This shows how many requests have been completed.

Item	Description
Progress	This shows the % of completed feedback requests.
Request Feedback	This allows the employee to request feedback from their colleagues.
View Feedback	This allows the employee to see feedback that has been given to them by their colleagues.
Give Feedback	This allows the employee to give feedback to other colleagues based on the standard questions.
Preview Questionnaire	This allows the employee to view the questions that the feedback is based on.

Publications, Research & Supervision

This is based on an employee's educational details surrounding any publications, research, or supervision information. This is provided in list format.

Career Planning

The screenshot displays an example of a Career Planning step:

The screenshot displays the Employee Dashboard for 'ABC Solutions Performance Review 2020-2021 (Tom Coughlan - 502247-67)'. The dashboard includes a sidebar with navigation options: INITIAL REVIEW (29-FEB-2020), MID YEAR (30-SEP-2020), END OF YEAR - FINAL SIGN OFF (31-DE-2020), Career Planning, Completion Of Objectives, Completion Of Competencies, Recognition, and Sign Off. The main content area shows the 'Career Planning' section with a search bar and a table of plans. The table has columns: Plan Name, Description, Due Date, Created By, and Status. A plan named 'Developmental Relationships' is shown with a description: 'Learning through interaction with others. Three major roles that a person can play include: (1) assessment (feedback provider, sounding board, point of comparison, feedback interpreter), (2) challenge (dialogue partner, assignment broker, role model), (3) support (counselor, cheerleader, ...'. The due date is '01-Jan-2020' and the status is 'Completed'. A 'CREATE NEW DEVELOPMENT PLAN' button is visible in the top right corner.

The table below outlines each item:

Item	Description
Create New Development Plan	This allows you to create a new development plan.
Search	This allows you to search on the plan name.
Plan Name	This is the title of the development plan created.
Description	This shows a detailed explanation of the reasoning behind the plan.
Due Date	This is the date the plan needs to be completed by.
Created by	This shows the name of the person who created the plan.
Status	This shows the status of the plan (e.g. in progress or completed).
Edit	Clicking this button allows you to edit the details of the plan.
Comments	This allows you to leave comments against the plan.
Delete	This allows you to delete the plan. There is no validation for deleting a plan based on certain statuses.

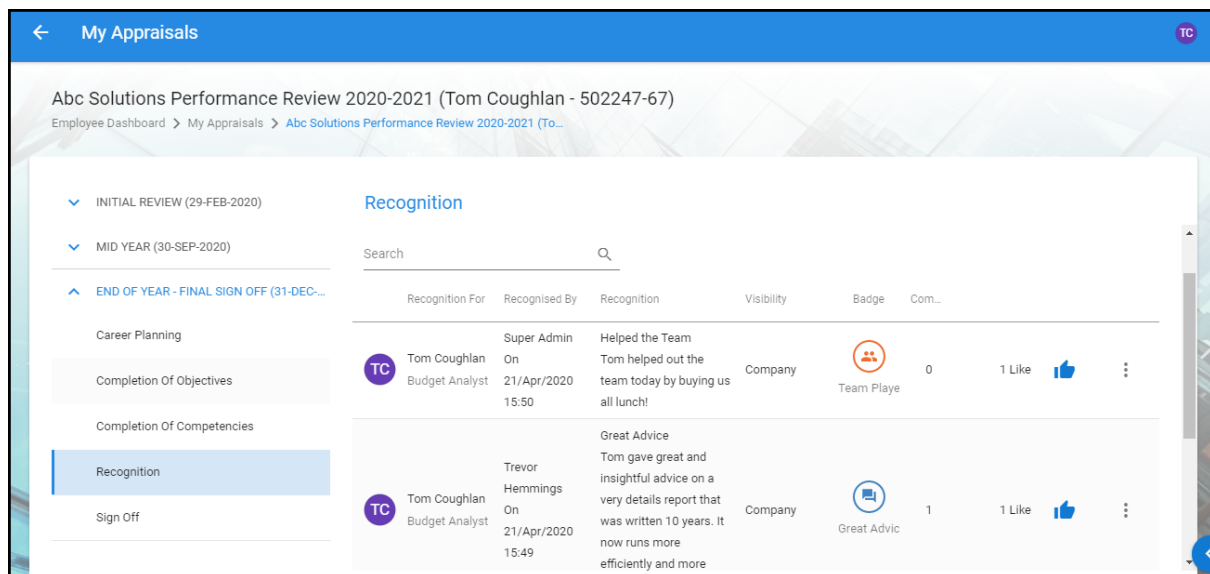

To create a new development plan:

1. Click **Create New Development Plan**.
2. Fill in the following details:
 - a. Plan Title (Mandatory)
 - b. Summary
 - c. Due Date (Mandatory)
 - d. Status (Mandatory)
3. Click **Save**.

Recognition

Within this step, you can view your recognition level based on feedback received from other employees. This is a view-only historic record of recognition received.

The screenshot displays an example of a Recognition step:

The table below outlines each item:

Item	Description
Search	This allows the employee to search on all recognition titles.
Recognition for	This shows the user that received the recognition.
Recognised by	This shows who gave the recognition to the employee. This can either show the person's name or 'Anonymous' if that setting was chosen during submission.
Recognition	This is the description of the recognition received.
Visibility	This shows who can see this detail. The two types are: - Company (everyone in the organisation). - Private (only the recipient and the person who gave the recognition).
Badge	This is the type of recognition category.
Comments	Comments can be added, and the number of comments appear here.
Like	The employee has the option to <i>Like</i> this feedback.

Rating

The rating step requires the employee or manager to provide a rating on a given question. To enter a rating, choose from the selection provided and click **Save**.

Action	This shows the action that was taken. i.e. Appraisal stage signed off.
By	This shows who carried out the action. i.e. was it completed by an employee, manager or HR.

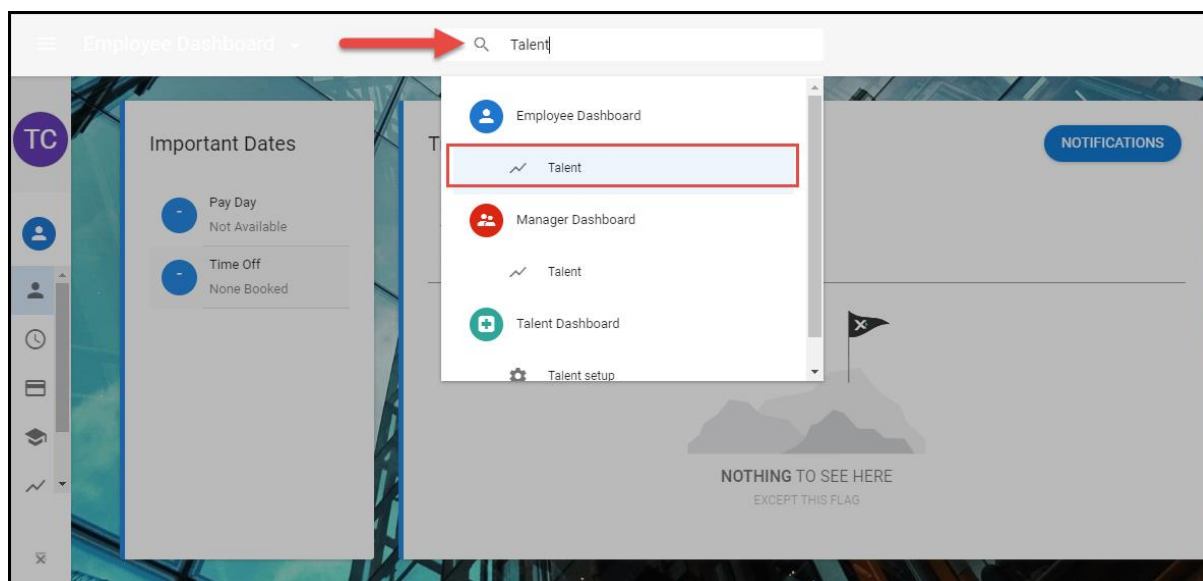

Note: You cannot sign off a stage until the prior stage has been signed off by both the employee and the manager. Otherwise, the error message *Previous stages must be signed off* appears on screen.

Once an employee signs off on the appraisal, the appraisal appears for the manager to sign off in their outstanding list. The status of the appraisal will update to *awaiting manager sign off*.

2.2. Talent Profile

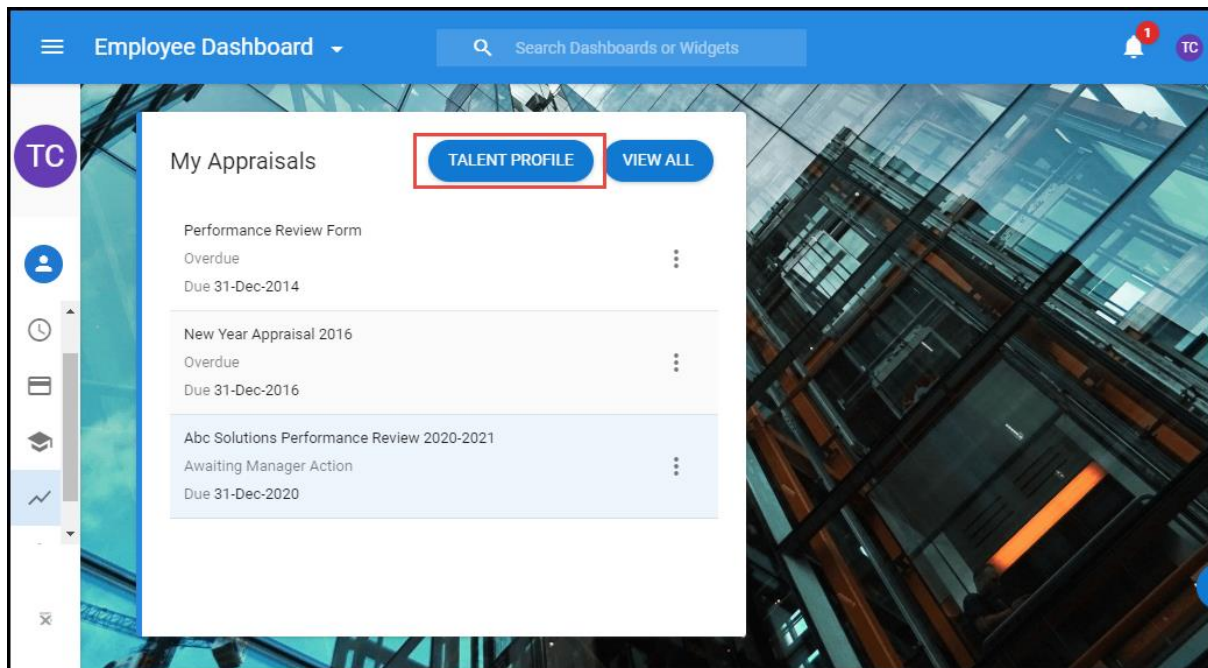

This feature allows you to enter information based on your current role and position in the organisation, that could lead to better performance and enhanced job opportunities. To do this:

1. Quick Jump to the *Talent* tab on the *Employee Dashboard*.

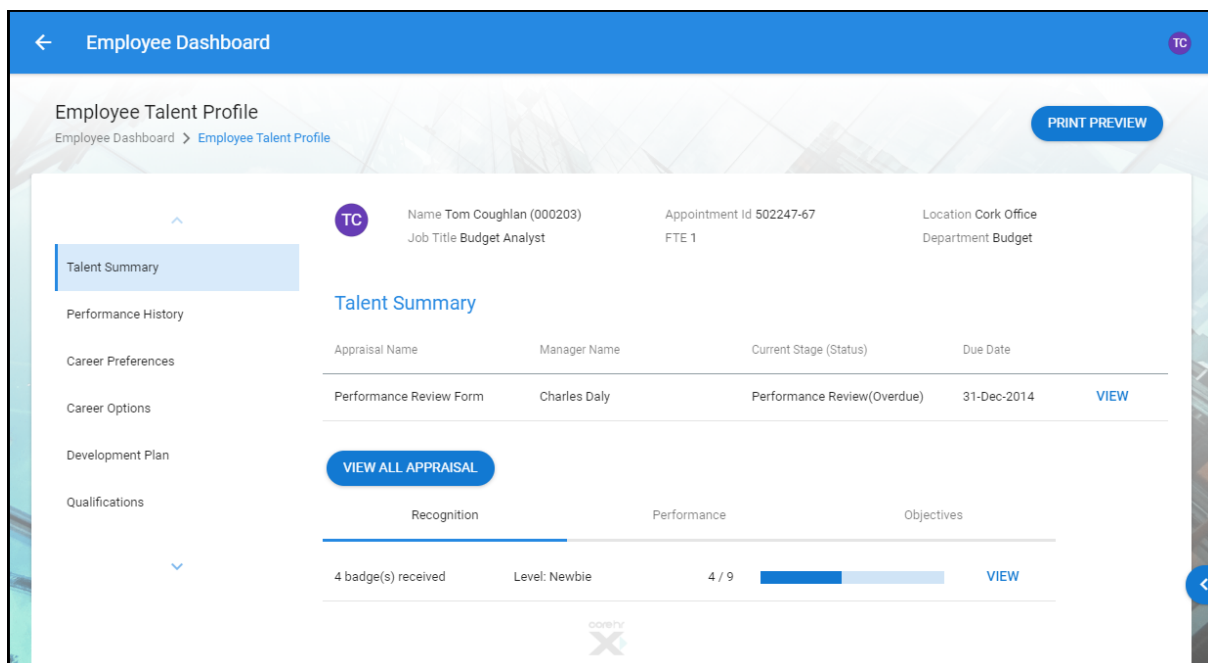

2. Go to the *My Appraisals* widget.

3. Click **Talent Profile**.

4. This opens the *Employee Talent Profile* and is set to the *Talent Summary* section by default.

The following sections give an overview of each tab in the Talent Profile. #

2.2.1. Talent Summary

This allows you to view an overall summary of your appraisal, recognition, performance, and objectives.

The screenshot shows the 'Employee Talent Profile' page with the 'Talent Summary' tab selected. The page header includes a back arrow, 'Employee Dashboard', and a user icon 'TC'. The profile information for Tom Coughlan (000203) is displayed, including his appointment ID, location, and department. A 'PRINT PREVIEW' button is in the top right. The left sidebar lists navigation options: Talent Summary, Performance History, Career Preferences, Career Options, Development Plan, and Qualifications. The main content area shows a 'Talent Summary' section with a table of appraisal data and a 'VIEW ALL APPRAISAL' button. Below this is a progress bar for 'Recognition' (4 badge(s) received) and 'Performance' (Level: Newbie, 4 / 9).

[VIEW ALL APPRAISAL](#)

Recognition: 4 badge(s) received | Performance: Level: Newbie, 4 / 9 | [VIEW](#)

2.2.2. Performance History

This allows you to view all your historical ratings from previous appraisals assigned to your record.

The screenshot shows the 'Employee Talent Profile' page with the 'Performance History' tab selected. The page header is identical to the previous screenshot. The left sidebar highlights 'Performance History'. The main content area displays a 'Historical Performance Rating' table with columns for Appraisal Name, Manager Name, Due Date, Current Stage, and Final Rating. The table lists three historical appraisals.

Appraisal Name	Manager Name	Due Date	Current Stage	Final Rating
Performance Review Form	Charles Daly	31/Dec/20...	Performance Review Overdue	N/A
New Year Appraisal 2016	Fiona Robinson	31/Dec/20...	Stage 1 Overdue	N/A
Abc Solutions Performan...	Trevor Hemmings	31/Dec/20...	End Of Year - Final Sign Off Awaiting Manager Action	N/A

2.2.3. Career Preference

This allows you to create details surrounding your aspirations to travel during your career.

The screenshot shows the 'Employee Talent Profile' page with the 'Career Preferences' section active. The left sidebar lists 'Talent Summary', 'Performance History', 'Career Preferences' (selected), and 'Career Options'. The main content area is titled 'Career Preferences' and contains four required fields: 'Next Step*', 'Willing To Relocate*', 'Relocation Area', and 'Willing To Travel*'. Each field has a dropdown arrow and a red error message 'This field is required'. Below these is a 'Travel Percentage' field with a range selector. A 'SAVE' button is at the bottom right. The top navigation bar shows 'Employee Dashboard' and a 'TC' icon.

2.2.4. Career Options

This shows you the automatically generated job titles that you may be interested in applying for in the future within your organisation.

The screenshot shows the 'Employee Talent Profile' page with the 'Career Options' section active. The left sidebar lists 'Talent Summary', 'Performance History', 'Career Preferences', and 'Career Options' (selected). The main content area is titled 'Jobs Interested In' and features a search bar and a table of job titles. The table has columns for 'Job Title', 'Avg. Tenure (Years)', 'Current Employees', and 'Percent...'. One job title, 'System Administrator', is listed with an average tenure of 4.08 years, 4 current employees, and 100% interest, represented by a green bar. A 'EXPLORE JOBS' button is at the top right. The top navigation bar shows 'Employee Dashboard' and a 'TC' icon.

Job Title	Avg. Tenure (Years)	Current Employees	Percent...
System Administrator	4.08	4	100%

To search for relevant roles and add them to your interested list, follow these steps:

1. Click **Explore Jobs**. This shows a list of Job Titles that match your own Job Title.
2. Click **Mark as Interested** to add this to your watch list of potential future roles.
3. The job title appears on your list of interested jobs to view.

The following table explains the items on screen:

Item	Description
Search	This allows you to search the list of job titles based on their name.
Job Title	This is the name of the job title within your organisation.
Average Tenure	This shows the average number of years that someone has been working in the role in your organisation.
Current Employees	This shows how many current employees in your organisation have this job title.
Percentage Match	This gives a % of how close your skills and qualifications match this job title
Mark as Interested	This allows you to track this job title for a possible move in the future.
View Gaps	This allows you to see how the ideal employee is setup if sitting in this job title.
Drill Down	This allows you to go further down the job title chain to view other potential roles. The further you drill down, the lower the % match becomes.

2.2.5. Development Plan

This allows you to create specific development plans linked to longer term aspirations for your career. Please refer to [section Career Planning](#) for more guidance.

2.2.6. Other Sections

The following sections can also be found within the My Profile screen:

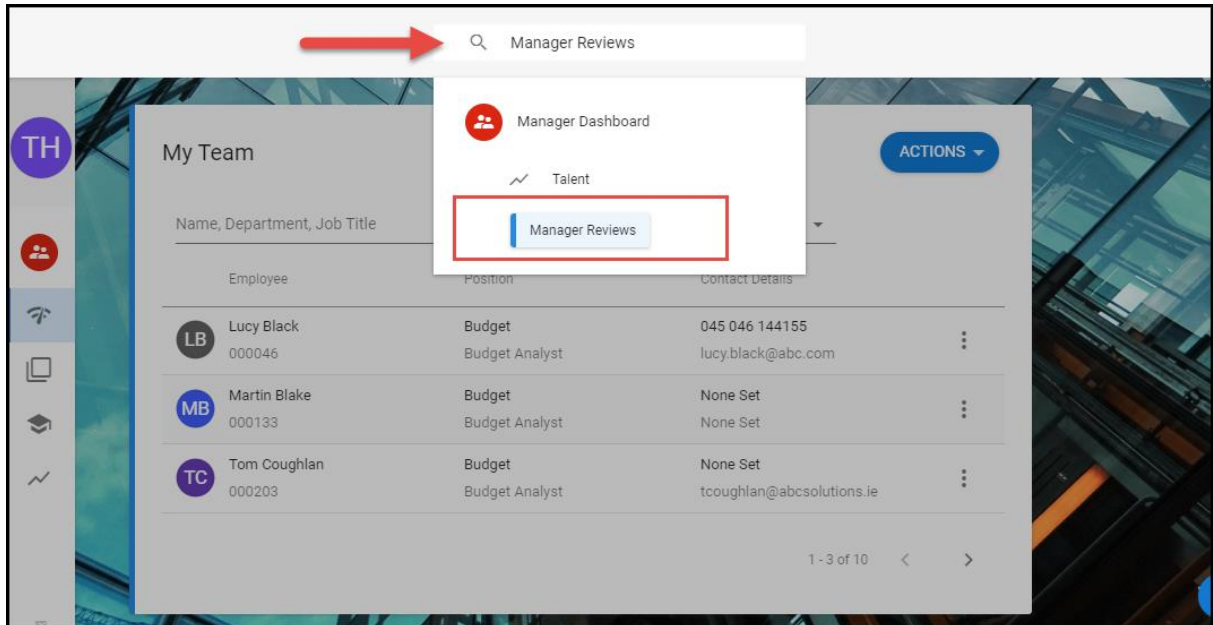

- Qualifications
- Training History
- Professional Development
- Professional Body Membership
- Languages
- Skills

3. Manager Dashboard

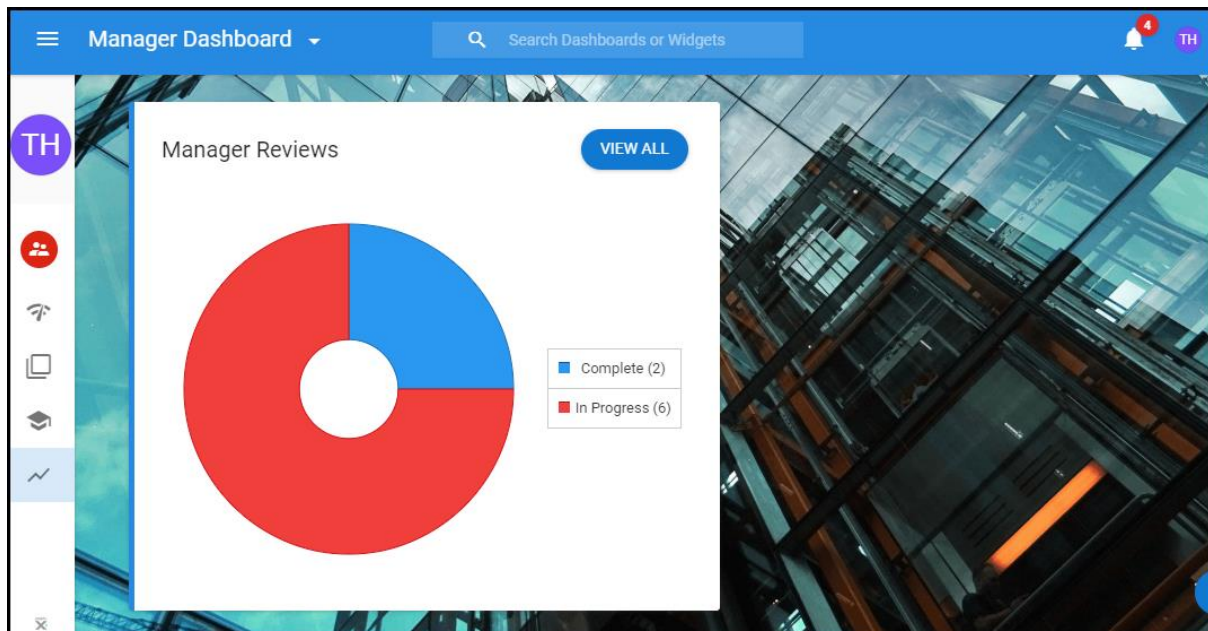

3.1. Manager Appraisals

To view appraisals on the Manager Dashboard:

1. Quick Jump to Manager Reviews.

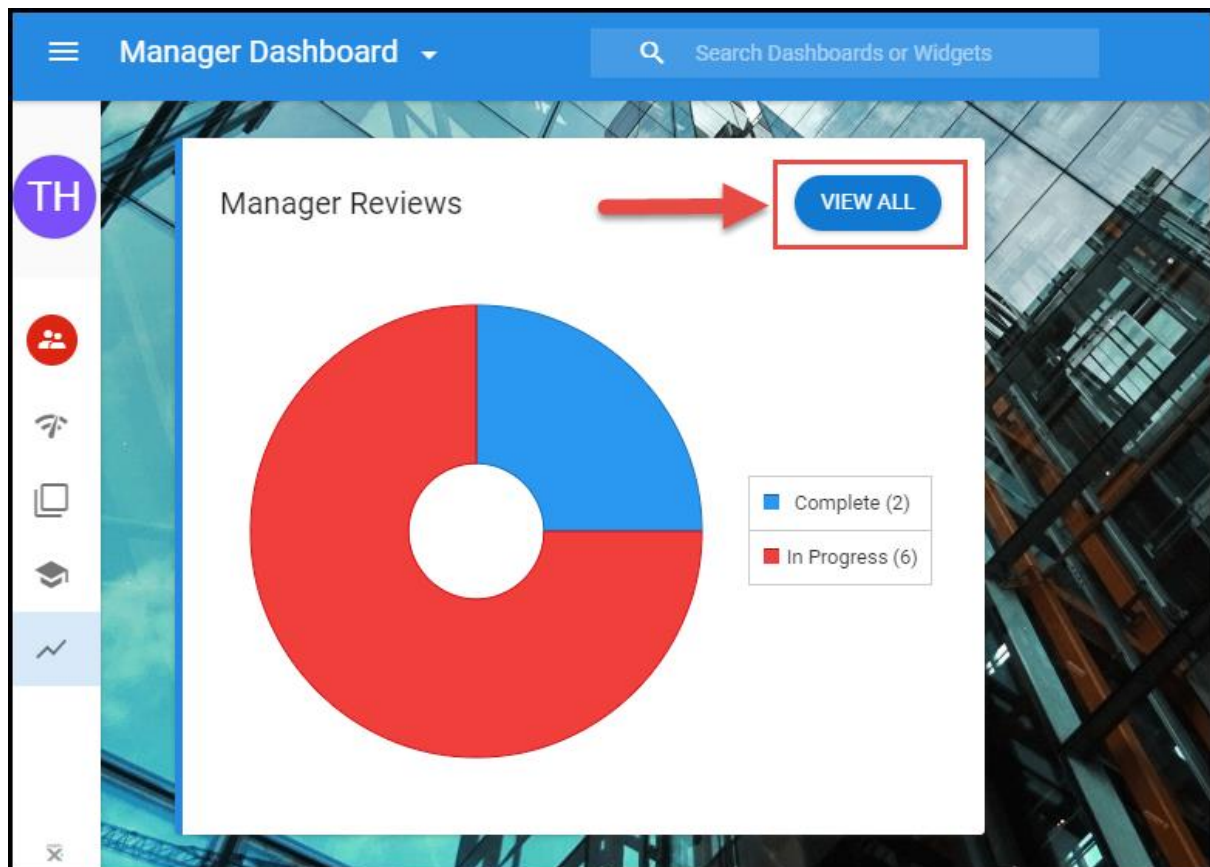

This is a dedicated area where a manager can access their team's details to view and update appraisals. The widget gives a pie-chart view of the overall status of all appraisals.

3.1.1. View All Appraisals

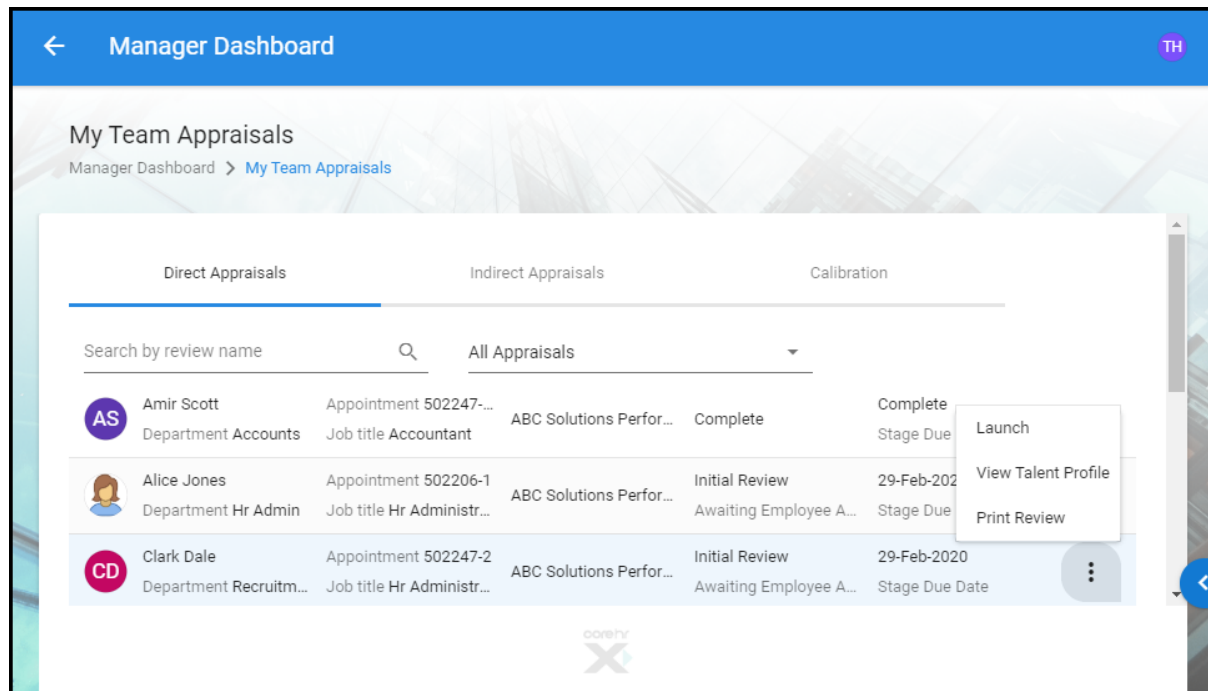

To view your team's appraisals:

1. Go to the *Manager Reviews* widget.
2. Click **View All**.

3. The *My Team Appraisals* screen opens.
4. Within this screen, the following tabs are available to select:

Tab	Explanation
Direct Appraisals	These are appraisals for employees that are your direct sub-ordinates.
Indirect Appraisals	These are appraisals for employees that report to your sub-ordinates.
Calibration	This applies a company standard and compares the employee's appraisal rating with that level.

Direct Appraisals

These are the appraisals for employees that are your direct sub-ordinates.

The table below outlines the features and items on this screen:

Item	Description
Search	This allows you to search for an appraisal based on its name.
Filter	This allows you to filter by: - All appraisals - Awaiting Sign Off - Current Appraisals
Name	This shows the employee's name that the appraisal is linked to.
Department	This shows the employee's current department.
Appointment ID	This shows the employee's current appointment ID.
Job Title	This shows the employee's current job title.
Appraisal Name	This shows the appraisal form that has been assigned to this employee.
Status	This shows the current status of the appraisal form.
Action	This highlights whether the appraisal is awaiting employee action or manager action.
Due Date	This shows the date at which the stage is due for sign off.

Item	Description
Launch	This opens the appraisal to be worked on.
View Talent Profile	This opens the employee's talent profile.
Print Review	This allows you to save the employee's appraisal as a PDF file.

Note: The screen defaults to initially show appraisals that are awaiting sign off. If there are no appraisals awaiting sign off, the user can change the filter to show all appraisals or current appraisals.

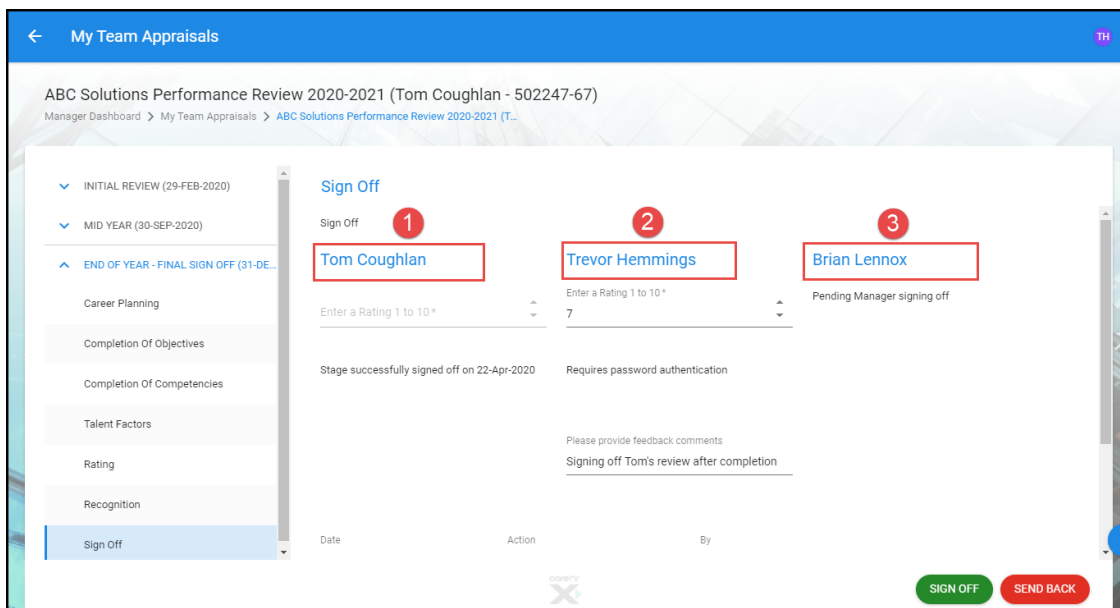

Indirect Appraisals

To sign off an appraisal as an indirect manager:

1. Go to the *Manager Reviews* widget on the manager dashboard.
2. Click **View All**.
3. Open the *Indirect Appraisals* tab.
4. Select the employee and click the  button.
5. Select **Launch**.

The final sign off step of the appraisal shows the following:

1. Employee sign off and rating
2. Direct manager sign off and rating
3. Indirect manager sign off. This does not include a rating for the employee in question.

The screenshot displays the 'My Team Appraisals' interface. The main heading is 'ABC Solutions Performance Review 2020-2021 (Tom Coughlan - 502247-67)'. Below this, a breadcrumb trail shows 'Manager Dashboard > My Team Appraisals > ABC Solutions Performance Review 2020-2021 (T...)'. A left-hand menu lists various appraisal stages: 'INITIAL REVIEW (29-FEB-2020)', 'MID YEAR (30-SEP-2020)', and 'END OF YEAR - FINAL SIGN OFF (31-DE-2020)'. The 'END OF YEAR' section is expanded, showing 'Career Planning', 'Completion Of Objectives', 'Completion Of Competencies', 'Talent Factors', 'Rating', 'Recognition', and 'Sign Off' (which is selected). The main content area is titled 'Sign Off' and features three columns for different users: 'Tom Coughlan' (labeled 1), 'Trevor Hemmings' (labeled 2), and 'Brian Lennox' (labeled 3). Under 'Tom Coughlan', there is a 'Sign Off' button, a rating input field with a value of '7', and a status message 'Stage successfully signed off on 22-Apr-2020'. Under 'Trevor Hemmings', there is a rating input field with a value of '7' and a status message 'Requires password authentication'. Under 'Brian Lennox', there is a status message 'Pending Manager signing off'. At the bottom, there is a table with columns 'Date', 'Action', and 'By', and a feedback section titled 'Please provide feedback comments' with a text area for 'Signing off Tom's review after completion'. At the bottom right, there are two buttons: 'SIGN OFF' (green) and 'SEND BACK' (red).

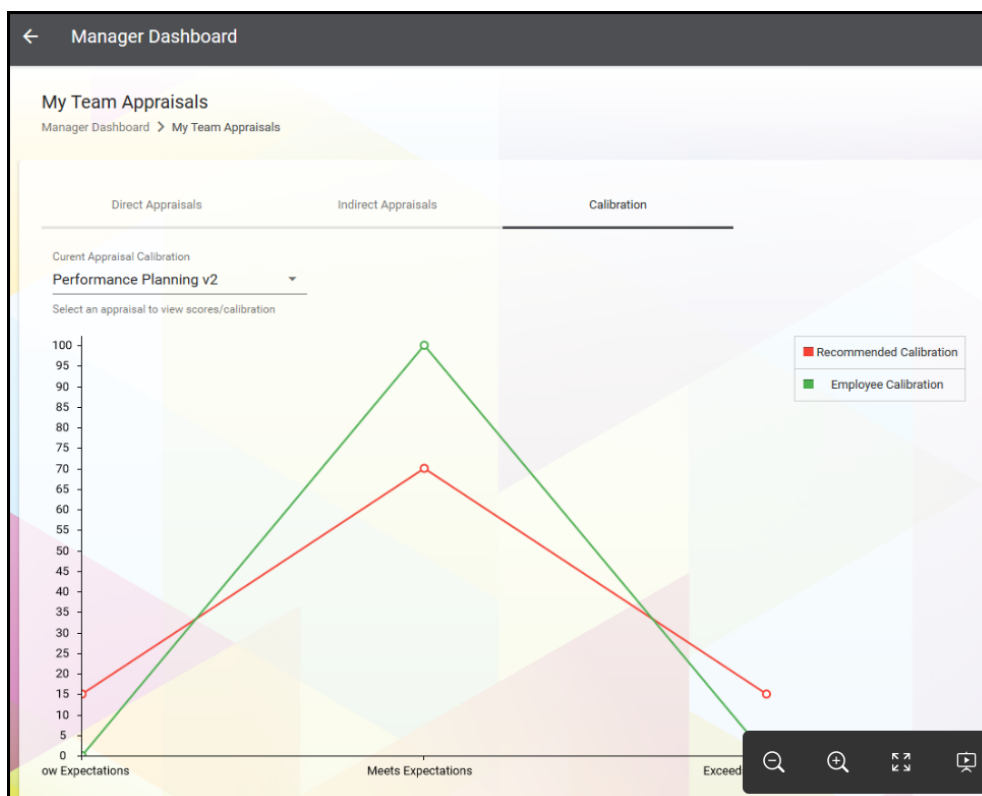

Calibration

In appraisal calibration, you apply a company standard when reviewing a manager's direct reports' performance at work.

The calibration screen details what the expectations are for appraisals, and compares how employees are performing against expectations. It provides a graph when populated, showing three categories:

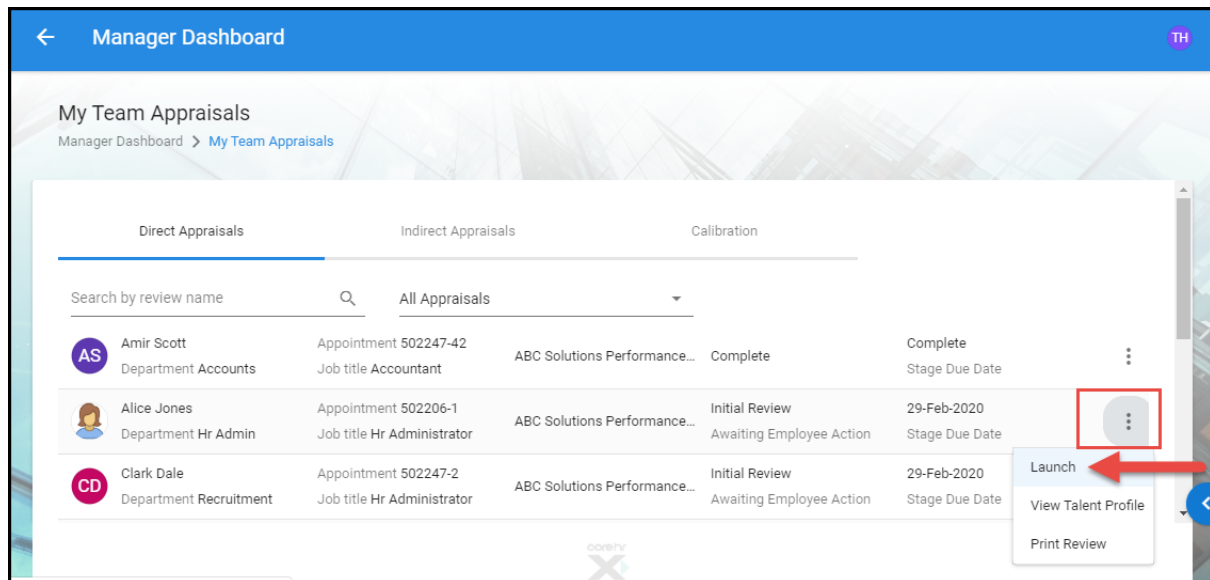

1. Below Expectations
2. Meets Expectations
3. Exceeds Expectations

The final rating given by the manager would be compared to the recommended final rating. This rating is set on the final step in the appraisal cycle. Once an appraisal cycle is complete, a graph similar to the image below is created, detailing where the employee sits in comparison to expectations.

3.1.2. Launching an Employee's Appraisal

Managers can open and update an employee's appraisal. This looks similar to the appraisal form from the employee's perspective, but with a few different items. For information on each step from the employee's perspective, please refer to [section 2.1.2 Viewing Appraisal Stages](#).

To open an employee's appraisal, follow the below steps:

1. On the *My Team Appraisals* screen, click the  button against the employee's appraisal that needs to be managed.
2. Select **Launch**. If this is the first time that the appraisal is launched, it will open on the first step of the first stage. Otherwise, it opens on the next step to be completed.

Meetings

The manager is the initiator of the meeting step. From here, managers can create a meeting request that is sent to the employee. The manager gets a notification once the employee accepts or rejects.

Manager Analytics

From here, the manager can view team analytics (reports). This option does not display for the employee. The manager can also select a certain view they wish to look at in depth.

Talent Factors

Talent Factors allow managers to review and report on certain aspects that drive performance, talent, and predictive analytics. All options on this screen are managed by your organisation and may be renamed. The following tables detail each item:

Performance

Item	Description
Last Appraisal Rating	This shows the rating the employee received in their previous appraisal.
Performance Level	This allows the manager to rate the employee's overall performance.

Potential

Item	Description
Current Potential	This allows the manager to update the employee's potential rating within the company.
Readiness	This allows the manager to update the employee's readiness rating within their current role.
Promotability	This allows the manager to update the employee's promotability score.

Retention

Item	Description

Critical Individual

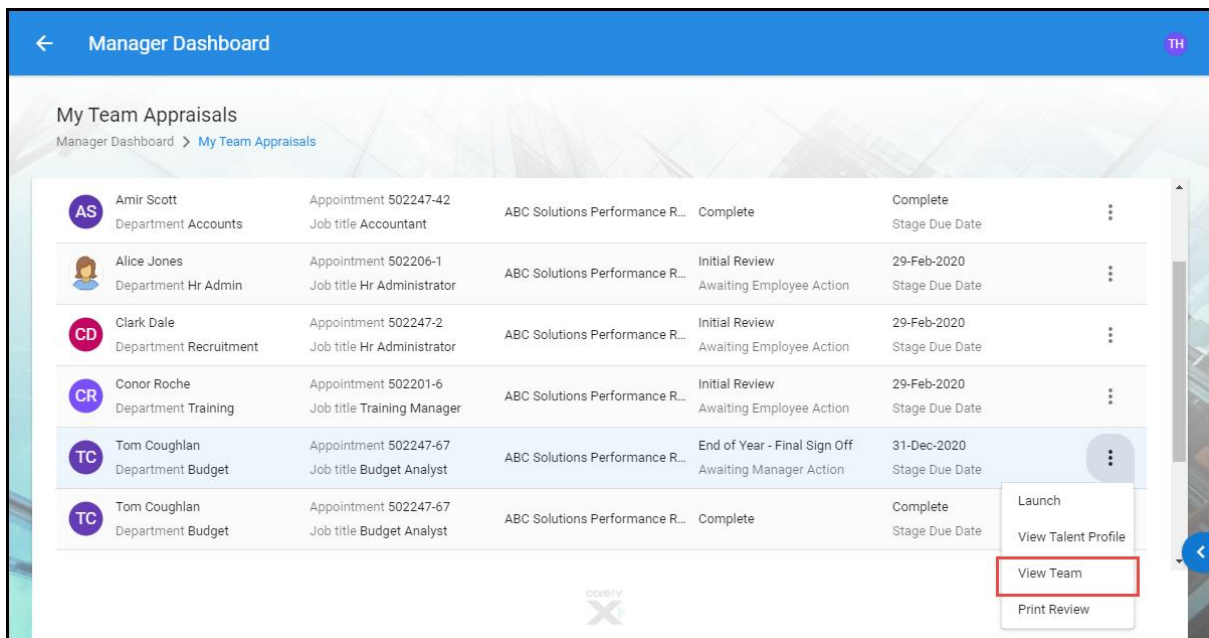

This allows the manager to mark the employee as a valued member of staff, which can be taken into consideration when signing off on the final appraisal stage.

3.1.3. Team Drilldown

A manager has top down visibility through their teams through the **View Team** option. This only displays if the employee in question is managing a team themselves.

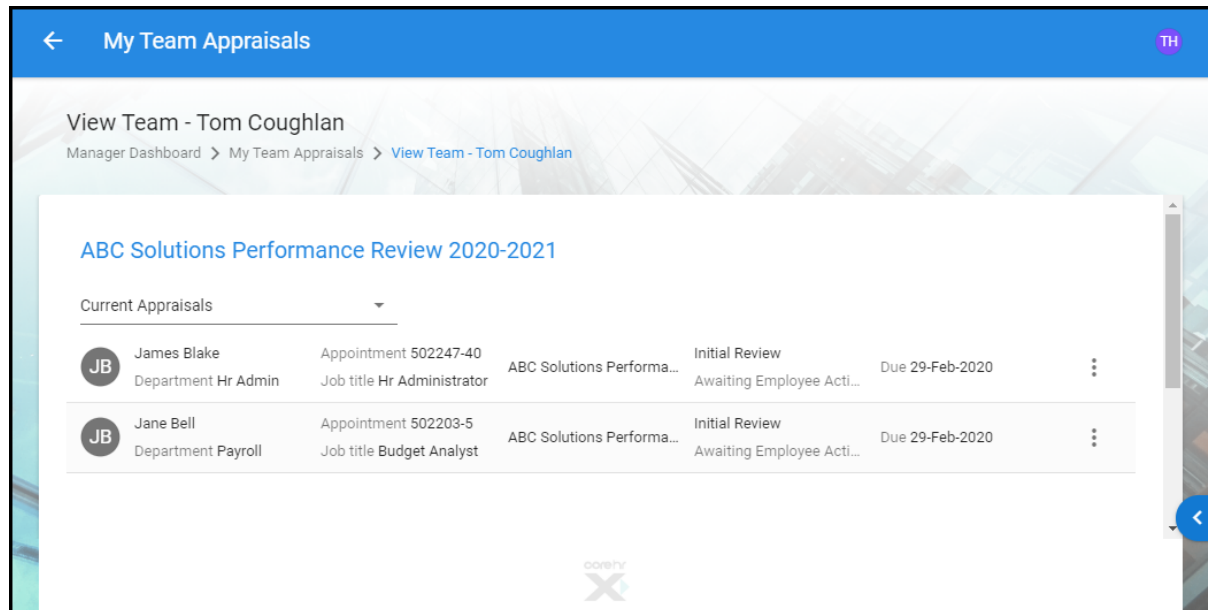

To view a manager's team and their appraisals:

1. Go to the *My Team Appraisals* screen.
2. Click on the  button.
3. Select **View Team**.
