# 1. Overview

## 1.1. Purpose of the Guide

The purpose of this guide is to outline the screens in Portal which have moved from the Back Office for signing off hours.

The Sign-off Hours screen gives you a sign-off facility, which is a final confirmation that all hours are correct for the current period. This means that the hours are correct and approved and that the current WFM period can be completed. It also allows for hours to be transferred to payroll if needed.

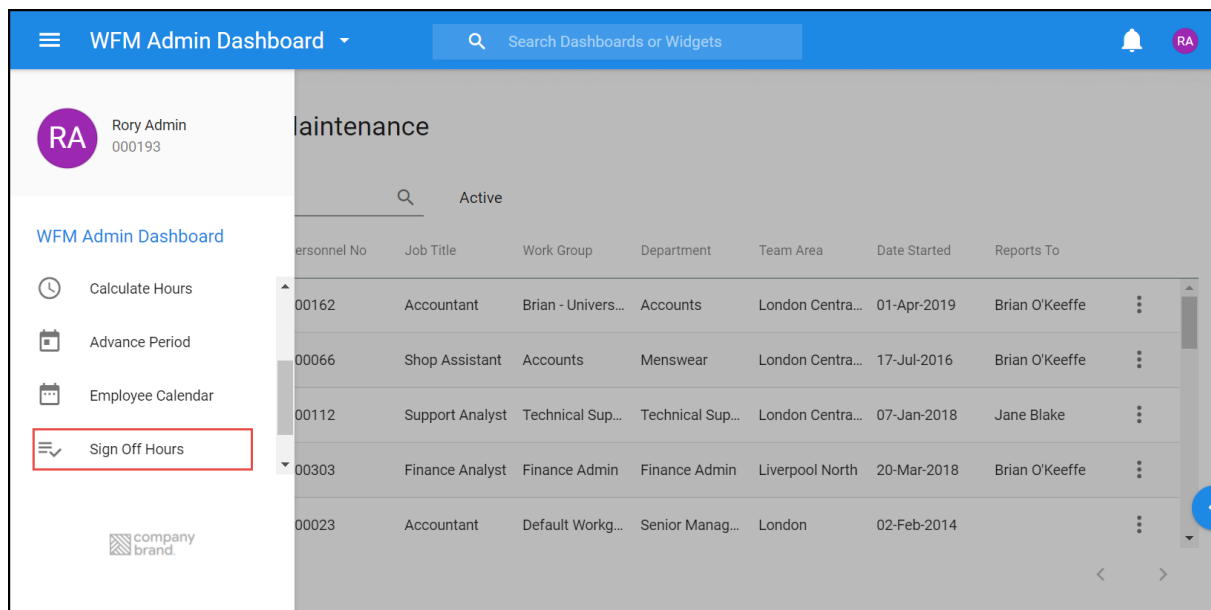

This guide covers:

- How to sign off hours
- Description of the tabs on the screen
- Bulk sign off and Reject Hours
- Configuring the screens.

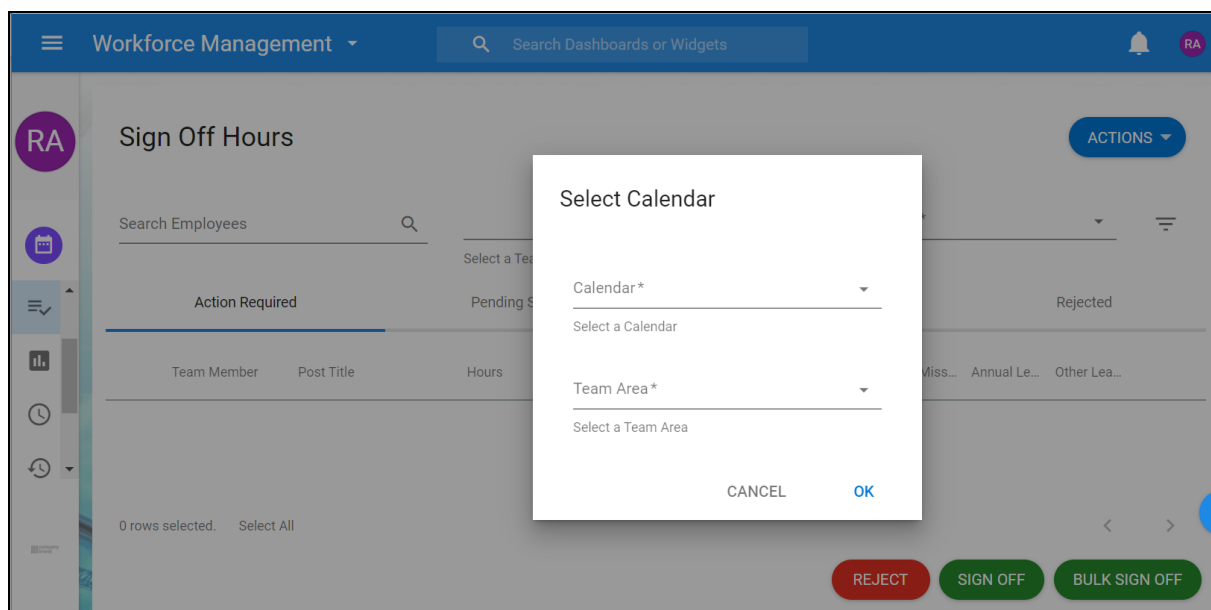

## 1.2. Accessing the Sign Off Hours Screen

To access the Sign off Hours Screen, complete the following:

1. Quick Jump to the *WFM Admin Dashboard*.
2. Select **Sign Off Hours** from the menu on the left-hand side.

3. The *Sign off Hours Screen* displays. The screen prompts you to put in the relevant calendar. If you are using only one calendar, it defaults to that.

### 1.3. The Sign Off Hours Screen

Once you have accessed the *Sign off Hours Screen*, you see the following:

| Field            | Details                                                                                                                                                               |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Search Employees | You can search by employee at the top left-hand corner of the screen should you wish to sign off hours on a specific employee.                                        |
| Select Calendar  | This button allows you to move between and choose calendars when you wish to sign off hours.                                                                          |
| Filter           | The filter button  allows you to drill deeper and to filter by specific workgroup. |
| Calendar Period  | The calendar period displays on the top right hand of the screen.                                                                                                     |

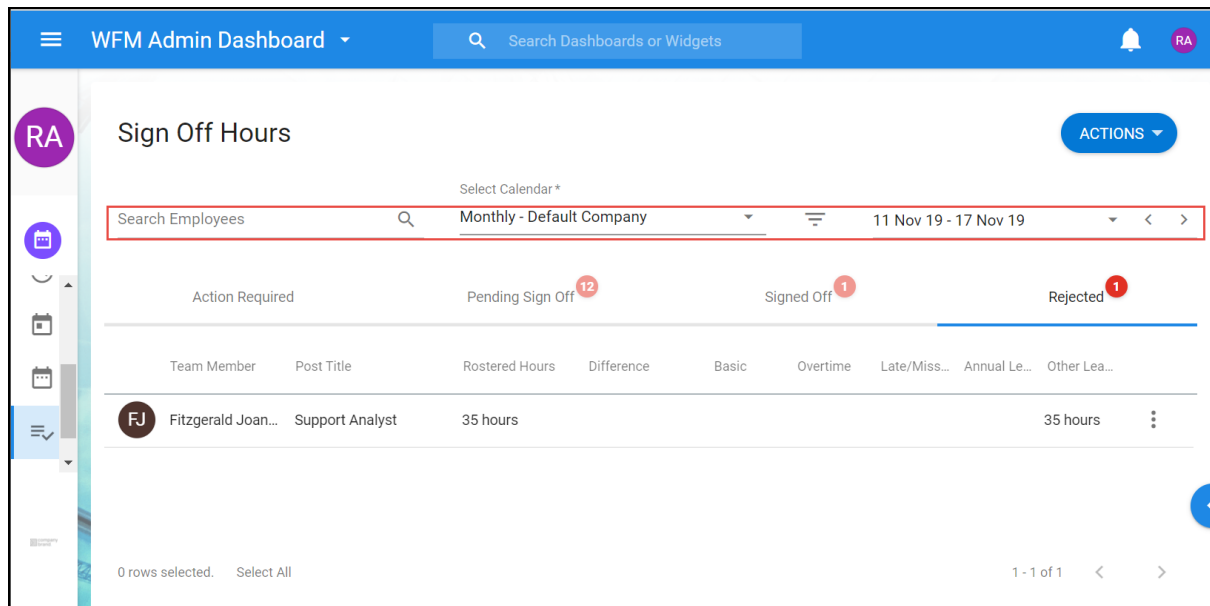

#### **Note:**

Migration to the new sign off screen is automatic for managers. Admin users are prompted to use the screen with the following message when they access the existing Sign Off Hours Screen.

Warning

A new version of Sign off hours is available and it is recommended to use the new version. Proceed to the new screen now?

NO YES

There are four tabs on the screen which are detailed in the following sections

- [Action Required](#)
- [Pending Sign Off](#)
- [Signed Off](#)
- [Rejected](#)

### 1.4. Manager and Admin Dashboard Configuration

On the Manager and Admin dashboards, you can configure Sign off Hours menu position.

To complete this, do the following:

1. Quick jump to WFM Configuration Centre.
2. Select *Dashboard Configuration*
3. From Dashboard Configuration, select **WFM Manager Dashboard** or **WFM Admin Dashboard**.
4. Enter the menu option position e.g., #3 will place the Sign-off hours in position 3 for the relevant dashboard.

## 2. Tabs and Features

### 2.1. Sign off Tabs

Each Tab heading includes employee numbers and the hours worked. The fields on each are the same, some of which are detailed in the following table:

| Field          | Description                                                                                                                                    |
|----------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Team Member    | Name.                                                                                                                                          |
| Post Title     | Position. (Appointment Sites Only).                                                                                                            |
| Rostered Hours | Record of rostered hours.                                                                                                                      |
| Difference     | Differences between hours totals and either contact hours, rostered hours or payroll hours. This can be configured via the Back Office system. |

#### 2.1.1. Action Required

The Action required tab flags the manager with any hours which need their attention or may need to be approved.

#### 2.1.2. Pending Sign Off

The *Pending Sign off* tab shows the hours which are approved and awaiting manager or admin sign off.

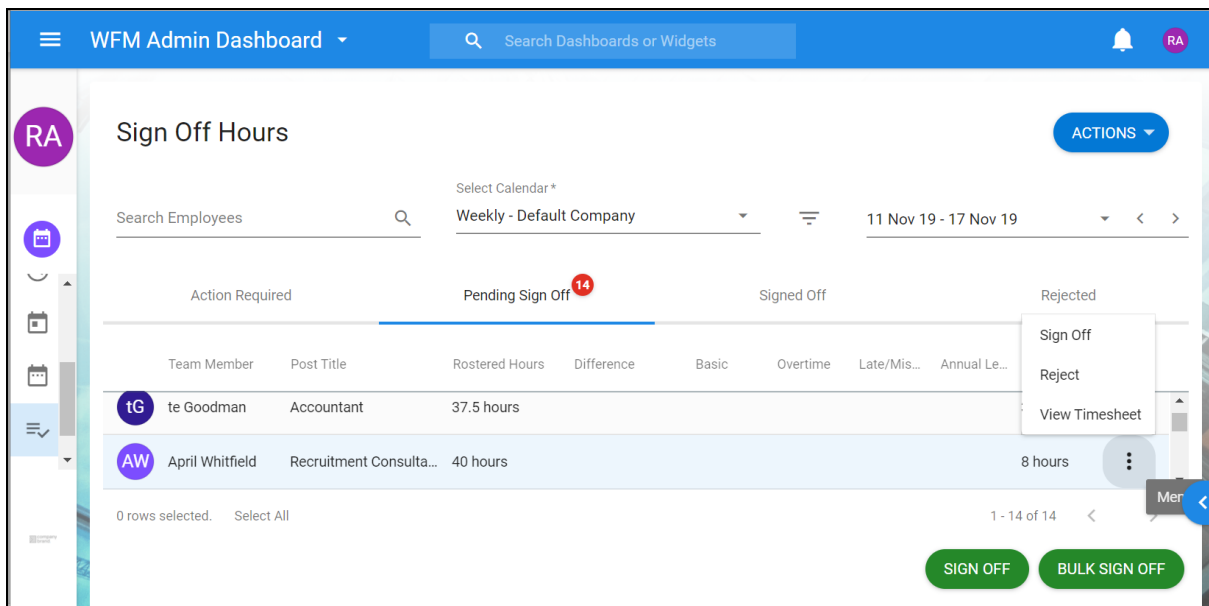

To sign off hours, as manager or admin, you can either individually sign off hours by using the  on the specific employee or you can bulk sign off using the button at the end of the screen.

By clicking the  beside the name of the employee you have the choice of:

- Sign Off
- Reject
- View Timesheet

For further information on Bulk Sign Off see [Section 2.5](#)

The screenshot displays the 'Sign Off Hours' interface within the WFM Admin Dashboard. At the top, there's a blue header with a search bar and a user profile icon. Below this, the page title 'Sign Off Hours' is visible. A sidebar on the left contains navigation icons. The main content area features a table with columns: Team Member, Post Title, Rostered Hours, Difference, Basic, Overtime, Late/Mis..., and Annual Le... The table lists two employees: 'te Goodman' (Accountant, 37.5 hours) and 'April Whitfield' (Recruitment Consulta..., 40 hours). A dropdown menu is open for the second row, showing options: Sign Off, Reject, and View Timesheet. The page also includes a search bar, a calendar selector, and buttons for SIGN OFF and BULK SIGN OFF.

### **Note:**

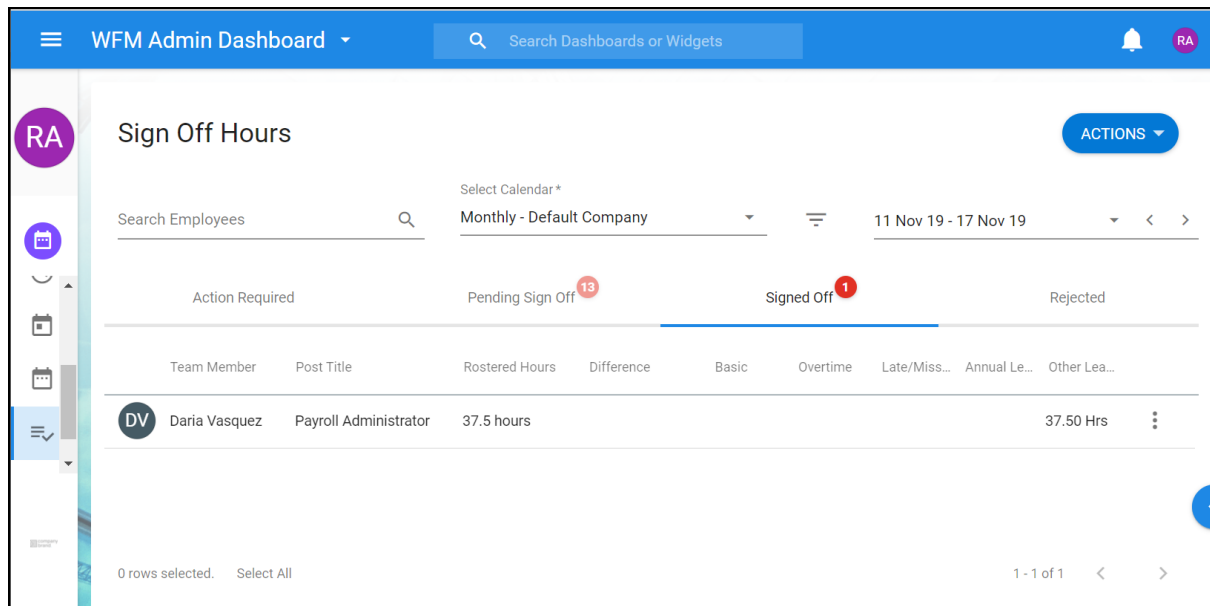

The **Select All** button at the bottom left-hand side of the screen (see screenshot) allows you to select up to 100 records at a time and sign them off together.

The screenshot shows the 'Sign Off Hours' page in the WFM Admin Dashboard. The page has a blue header with the 'WFM Admin Dashboard' title and a search bar. A left sidebar contains navigation icons. The main content area features a 'Sign Off Hours' title, an 'ACTIONS' button, and a 'Select Calendar\*' dropdown set to 'Monthly - Default Company'. Below this is a search bar for employees and a date range of '11 Nov 19 - 17 Nov 19'. A tabbed interface shows 'Action Required', 'Pending Sign Off' (with 12 items), 'Signed Off' (with 1 item), and 'Rejected' (with 1 item). The 'Signed Off' tab is active, displaying a table with columns: Team Member, Post Title, Rostered Hours, Difference, Basic, Overtime, Late/Mis..., Annual Le..., and Other Lea... Two rows are visible: April Whitfield (Recruitment Consulta..., 40 hours, 8 hours) and Candace Jensen (Senior HR Administra..., 37.5 hours, 37 hours...). At the bottom, it shows '0 rows selected.' with a 'Select All' button. On the right, there are 'SIGN OFF' and 'BULK SIGN OFF' buttons.

### 2.1.3. Signed Off

The *Signed Off* tab shows you the hours which have been approved and signed off. It may be useful for you to consult this to see the full list of who has been already signed off.

Using the  you can click **View** and drill further down to view the employee timesheet, should there be anything which you need to query.

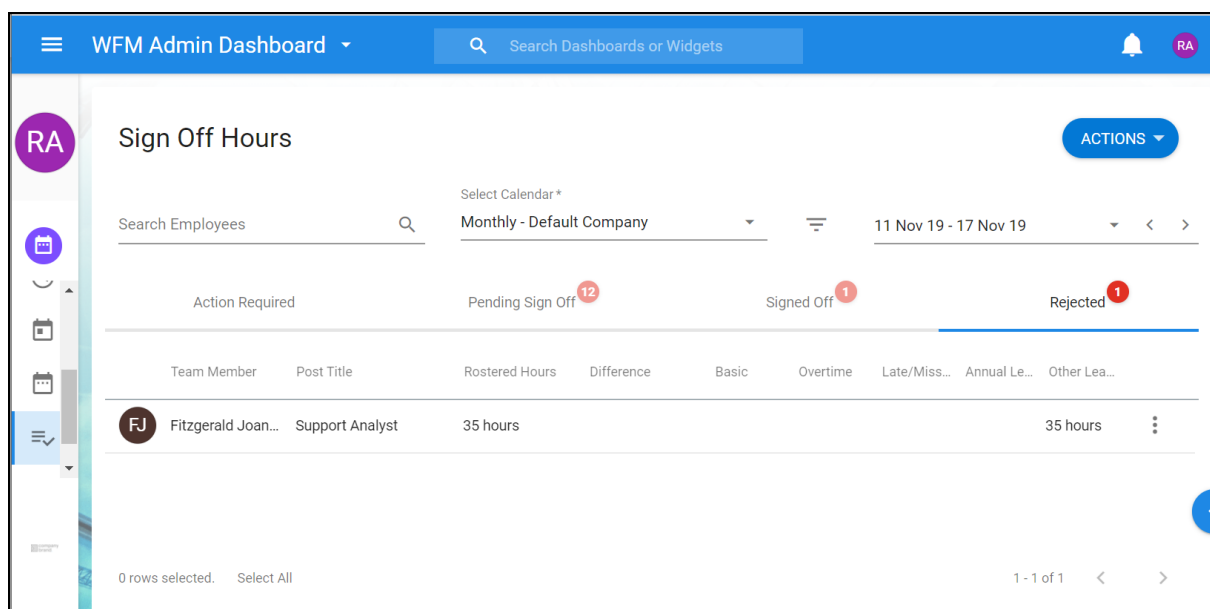

The screenshot shows the WFM Admin Dashboard with the 'Sign Off Hours' section. The 'Signed Off' tab is active, displaying a table with one row of data for Daria Vasquez, a Payroll Administrator, with 37.5 hours rostered and 37.50 hours signed off. The interface includes a search bar, filters, and a table with columns for Team Member, Post Title, Rostered Hours, Difference, Basic, Overtime, Late/Miss..., Annual Le..., and Other Lea....

| Team Member      | Post Title            | Rostered Hours | Difference | Basic | Overtime | Late/Miss... | Annual Le... | Other Lea... |
|------------------|-----------------------|----------------|------------|-------|----------|--------------|--------------|--------------|
| DV Daria Vasquez | Payroll Administrator | 37.5 hours     |            |       |          |              |              | 37.50 Hrs    |

### 2.1.4. Rejected

The Rejected tab is a new tab which shows any hours which have been rejected and subsequently will not be released to payroll.

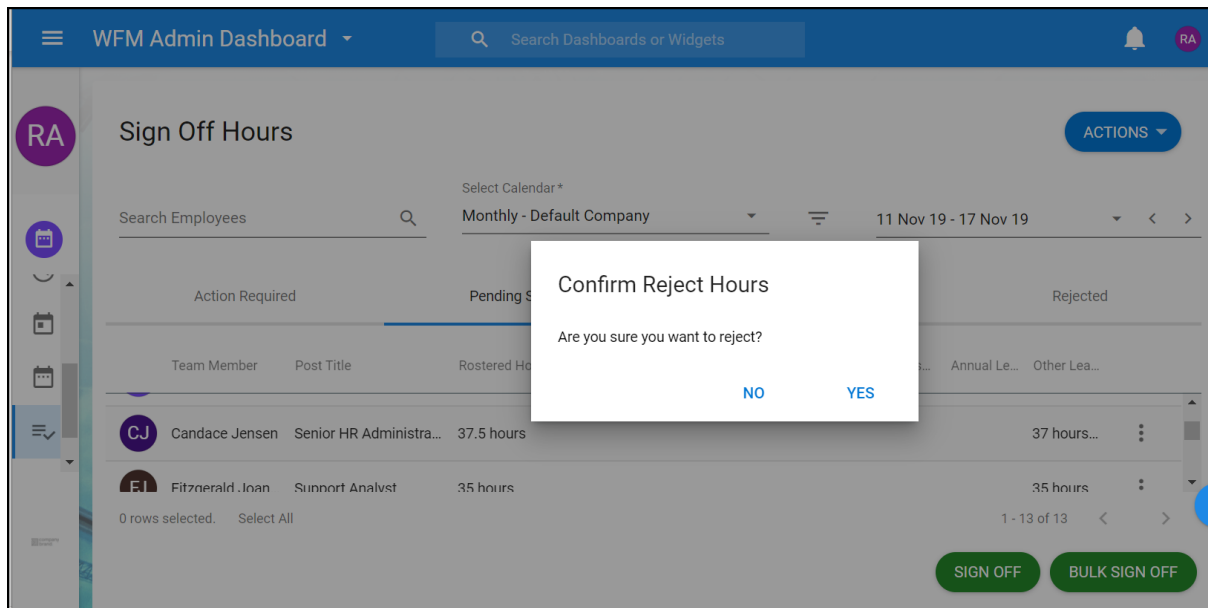

It allows you to drill down and query a timesheet by using the  and select **View**.

The screenshot shows the WFM Admin Dashboard with the 'Sign Off Hours' section. The 'Rejected' tab is active, displaying a table with one row of data for Fitzgerald Joan..., a Support Analyst, with 35 hours rostered and 35 hours rejected. The interface includes a search bar, filters, and a table with columns for Team Member, Post Title, Rostered Hours, Difference, Basic, Overtime, Late/Miss..., Annual Le..., and Other Lea....

| Team Member           | Post Title      | Rostered Hours | Difference | Basic | Overtime | Late/Miss... | Annual Le... | Other Lea... |
|-----------------------|-----------------|----------------|------------|-------|----------|--------------|--------------|--------------|
| FJ Fitzgerald Joan... | Support Analyst | 35 hours       |            |       |          |              |              | 35 hours     |

For information on rejecting hours and the reject button, see [Section 2.3](#)

### 2.1.5. Hiding the Reject button

In order to make sure that hours are not rejected in error, it is possible to disable the reject button, so it does not show up on the screen.

To Disable the Reject button:

1. Quick jump to *Security*.
2. Select **Menu Profiles**.
3. Search for **Approve /Sign Off Hours – Reject Option Off**
4. Slide the toggle to disable.

## 2.2. Bulk Sign off

Bulk sign off is a new feature which allows you to sign off more than 600+ employees at a time, without having to scroll through pages of records.

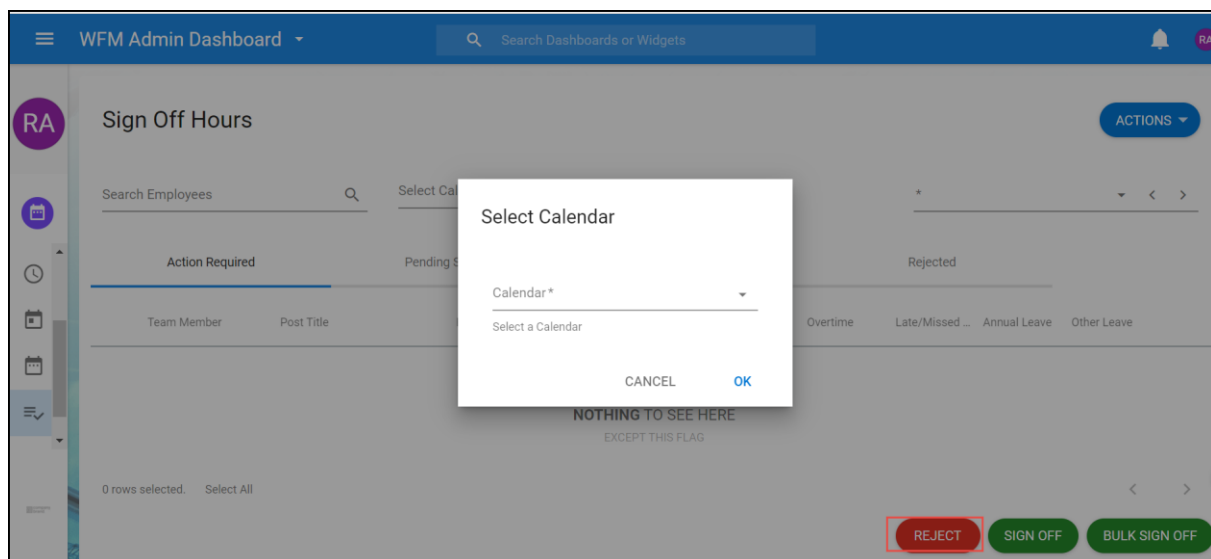

Signoff enables users to select and sign-off up to 100 employee records through use of select all and sign-off . This has been increased from 7 employee records to 100.

**Bulk sign off** is a new feature which allows you to sign off more than 600+ employees at a time, without having to scroll through pages of records.

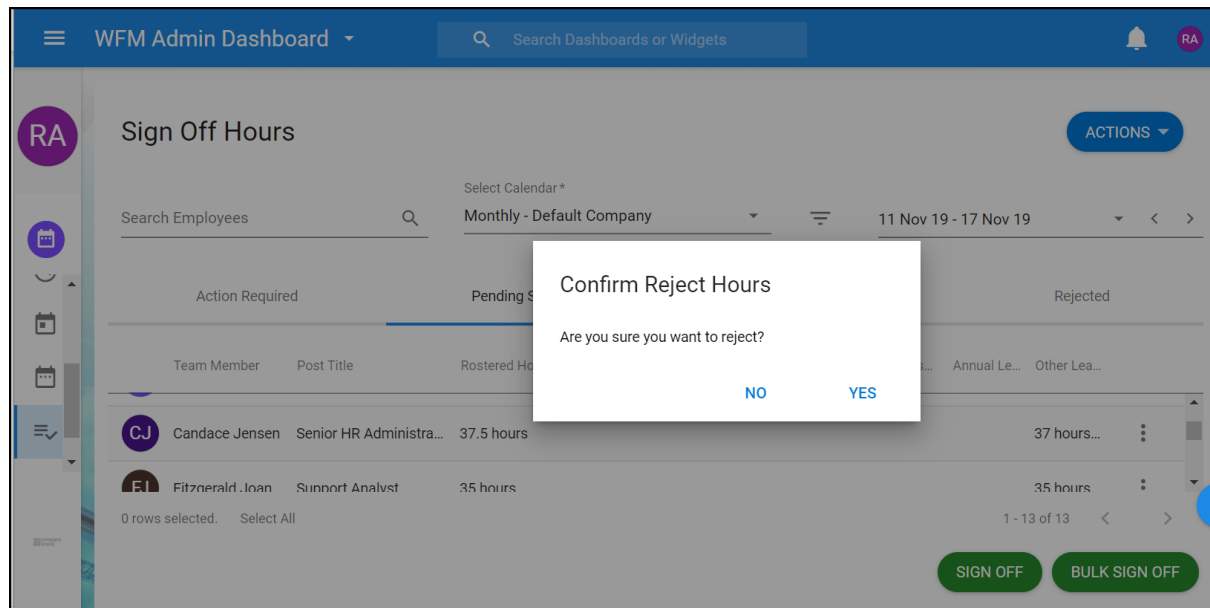

For further information on configuring the bulk sign off, See [Section 3: Menu Options](#)

### 2.3. Reject Button

The reject button at the end of the screen allows you to reject hours if you do not wish them to be signed off.

Using the menu option, this button can be hidden from the screen, to avoid the possibility of hours being rejected in error. However, you receive a warning message to verify the rejection of the hours.

### 2.4. Differences

The Sign-Off Hours feature can be configured to show the difference between the Total Hours column and the following:

- Employee Rostered Hours
- Employee Default Payroll Hours (Work Group)
- Employee Contract hours (New feature)

If required to configure, complete the following:

1. Connect to the Back Office.
2. Navigate to **System Params**
3. Select **Reference Data K-P**
4. Select **MSS Sign Off Summary Display**

**Note:**

Difference can only be compared to one of the 5 allowed columns

5. Select the **Display Difference indicator** for the desired column.
6. Select either **Roster**, **Payroll** or **Contract** from the *Total Column Versus* drop down menu.

**Note:**

Remember to assign the pay codes to the column because it is the totals hours associated with the pay code which forms the difference.

### 3. Menu Options

The following menu options are needed to configure the Sign Off Hours screens.

**Note:**

Admin user security is based on WFM Company Level and Calendar Access

**Admin Screen Access:**

| View                            | Menu Option                                                                 |
|---------------------------------|-----------------------------------------------------------------------------|
| Sign Off Hours (Admin)          | WFM Admin > Sign Off Hours - reference - 1896323                            |
| Get Calendars                   | Timesheets > Get calendars - reference - a4ff85905990b9e3c7446eb58179a50e   |
| Get signoff                     | Timesheets > Get signoff - reference - 22db2dcb3ee8314b178dfa345a221e08     |
| Get Settings Global             | Roster > Get settings global - reference - 7ba8921eba82fa9d291f63b7a3dfb3e6 |
| Drill to Timesheet Input Screen | Sign Off Hours - Timesheet Input - reference 330447                         |

**Note:**

The Drill to Timesheet Input Screen menu option controls access to Timesheet Input for both Manager and Admin Dashboards.

**Manager Screen Access:**

| View                     | Menu Option                                        |
