1. Overview

1.1. Purpose of the Guide

The Applicant One View provides a centralised view of the Candidate process to Recruitment administrators allowing them to view and update candidate information. This guide allows you to understand what can be carried out and viewed using the Applicant One View feature.

This feature is only available to customers who using the PeopleXD Applicant Tracking System integration with Volcanic.

2. Applicant Detail

2.1. Overview

Once a vacancy has been created, you can view applicants that have applied for the vacancy or manually add an applicant to the vacancy (bypassing applications from the Careers Website). The applicant record on XD Recruitment holds the following details:

- Applicant's personal detail
- Vacancy & Application Detail
- Correspondence
- References
- Events
- Documents
- Diversity Details
- Other Information (User Defined Fields)

 **Note:** Access to the Applicant Details is controlled by menu options. For full details on how to configure these screens and menu options, see the *XD Recruitment: Configuration Guide*

2.2. Accessing Applicant One View

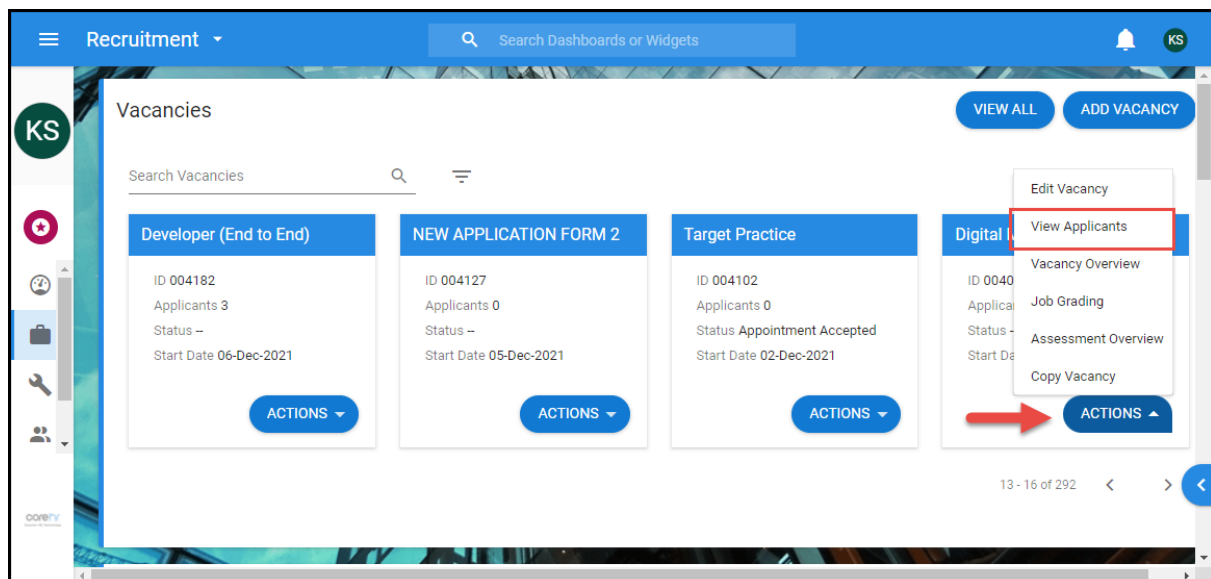

To use Applicant One View, there are 3 locations within XD Recruitment that it is available to access from:

1. Vacancies Widget
2. Any View Applicant screen
3. Interview Panels

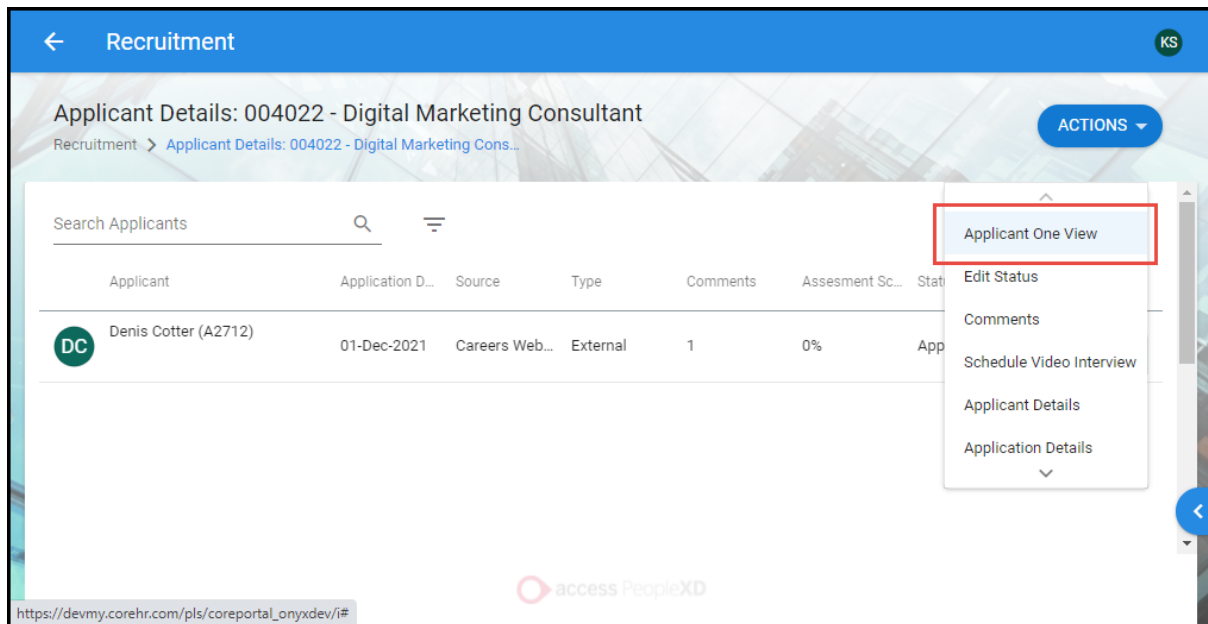

2.2.1. Vacancies Widget

To access the Applicant OneView feature from a Vacancy, follow the below steps

1. On the Vacancies widget, click the **Actions** button.
2. Click **View Applicants**.

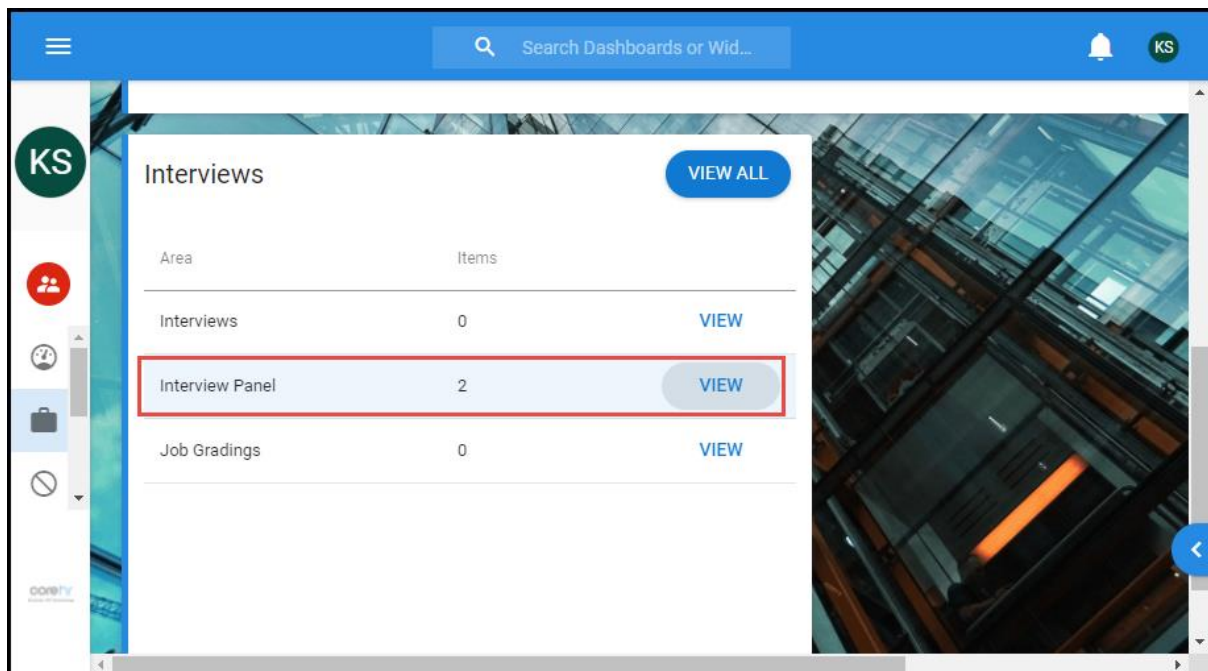

3. The *Applicant Details* screen opens which lists all the applicants who have applied for the vacancy.
4. Click the  button.
5. Click **Applicant One View**.

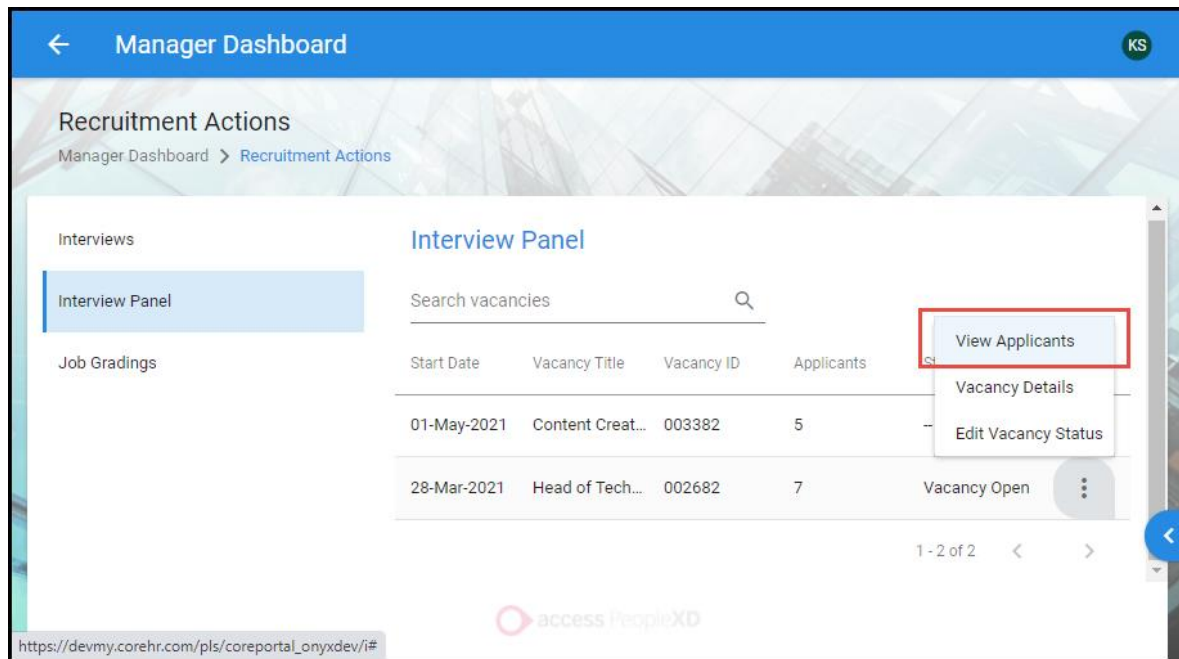

2.2.2. Interviews Widget

To access the Applicant One View Feature when logged in as an Interview Panel Member, follow the below steps.

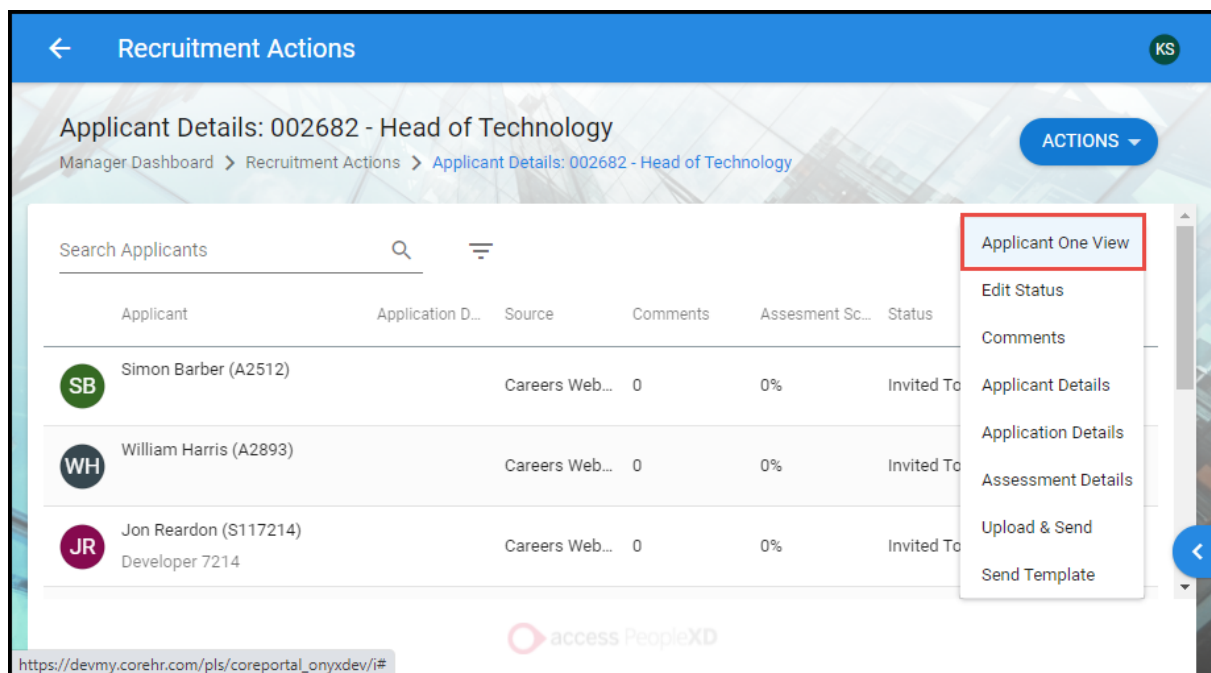

1. On the Interviews widget, click the **View** button for Interview Panel.

2. The Recruitment Actions screen opens.
3. On the Interview Panel section, click the  button for the Vacancy in question and then the **View Applicants** button.

4. The Applicant Details screen opens.
5. Click the  button and select **Applicant One View** for the Applicant in question.

2.3. Using the Applicant One View

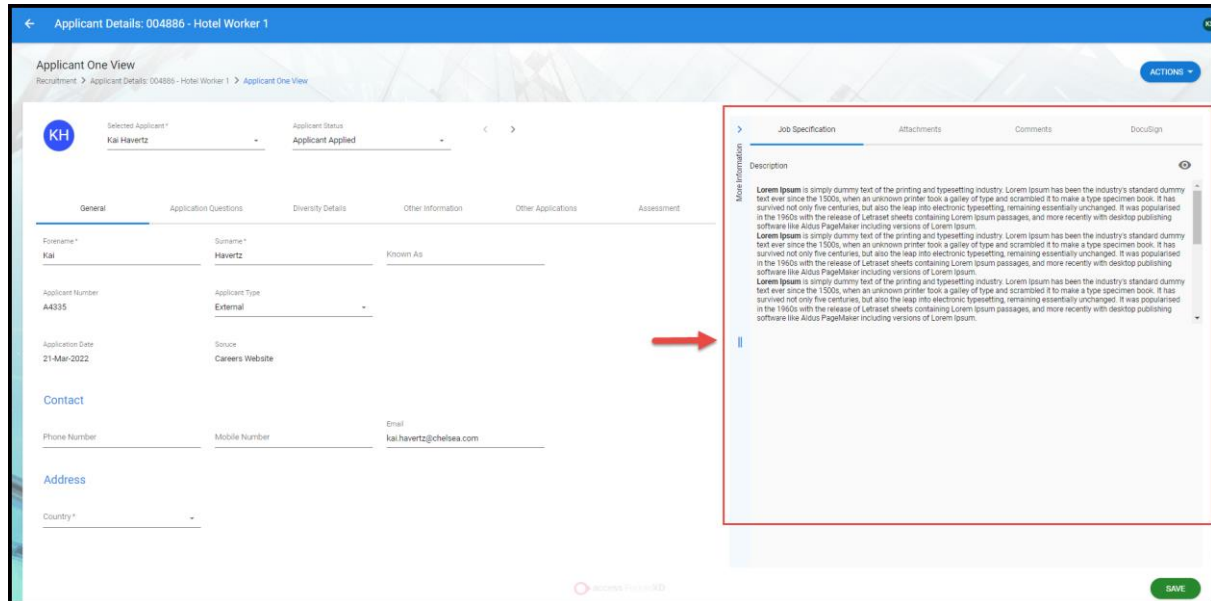

Once the Applicant has been selected and the *Applicant One View* screen has opened, the sections and tables below outline the information captured.

The image below shows the initial details and information that is captured on this screen for all applicants.

The screenshot displays the 'Applicant One View' interface for a specific applicant. The header bar is blue and contains a back arrow, the title 'Applicant Details: 004022 - Digital Marketing Consultant', and a user icon labeled 'KS'. Below the header, the page title 'Applicant One View' is shown, followed by a breadcrumb trail: 'Recruitment > Applicant Details: 004022 - Digital Marketing Cons... > Applicant One View'. The main content area features a profile card for 'Selected Applicant' with a circular ID 'DC' and the name 'Denis Cotter'. To the right, the 'Applicant Status' is set to 'Applicant Applied'. An 'ACTIONS' dropdown menu is open, listing options: 'Schedule Video Interview', 'Link Applicant', 'Activity', 'Correspondence Detail', 'Events', and 'References'. Below the profile card, a horizontal tab bar includes 'General' (selected), 'Application...', 'Diversity D...', 'Other Infor...', 'Other Appli...', 'Job Specifi...', 'Attatchme...', and 'Comments'. The 'General' tab shows a form with fields for 'Forename *' (Denis), 'Surname *' (Cotter), 'Known As', 'Applicant Number' (A2712), 'Personnel Number', and 'Applicant Type' (External). The 'access PeopleXD' logo is at the bottom center, and a green 'SAVE' button is at the bottom right.

XD Recruitment: Applicant OneView - User Guide

This can also be viewed using a split screen view, depending on your screen size or screen resolution. The image below shows how the One View looks if the split screen view has been enabled.

The following sections can be temporarily hidden on screen by dragging the split screen feature away:

- Job Specification
- Attachments
- Comments
- DocuSign (available once purchased and integrated with PeopleXD).

2.3.1. Selected Applicant

On the top of each *Applicant One View* screen, it shows the applicant Forename and Surname, along with the applicant's current *Applicant Status* for this Vacancy. It is possible to use the   to browse all other applicants on this vacancy and / or other applicants that you have access to view. Any filters that were enabled prior to searching for an applicant, are enabled during the current session and while you navigate around other Applicant One View sections.

2.3.2. Updating an Applicant's Status

To update an Applicant's Status, click on the Applicant Status drop-down box to change the details. This action opens a floating window for you to confirm the changes required. For the following

Applicant Statuses, a further on-screen wizard allows you to process additional information and notification details to the applicant:

- Invite to Interview
- Job Offer

The screenshot displays the 'Applicant One View' interface for 'Billy Test'. The 'Applicant Status' dropdown menu is open, showing a list of status options. A red box highlights the dropdown menu, and red arrows point to 'Invited To Interview' and 'Appointment Offer Made'.

Correspondence Detail

At all stages throughout the recruitment process, it is possible to automatically generate correspondence to the applicant from the system.

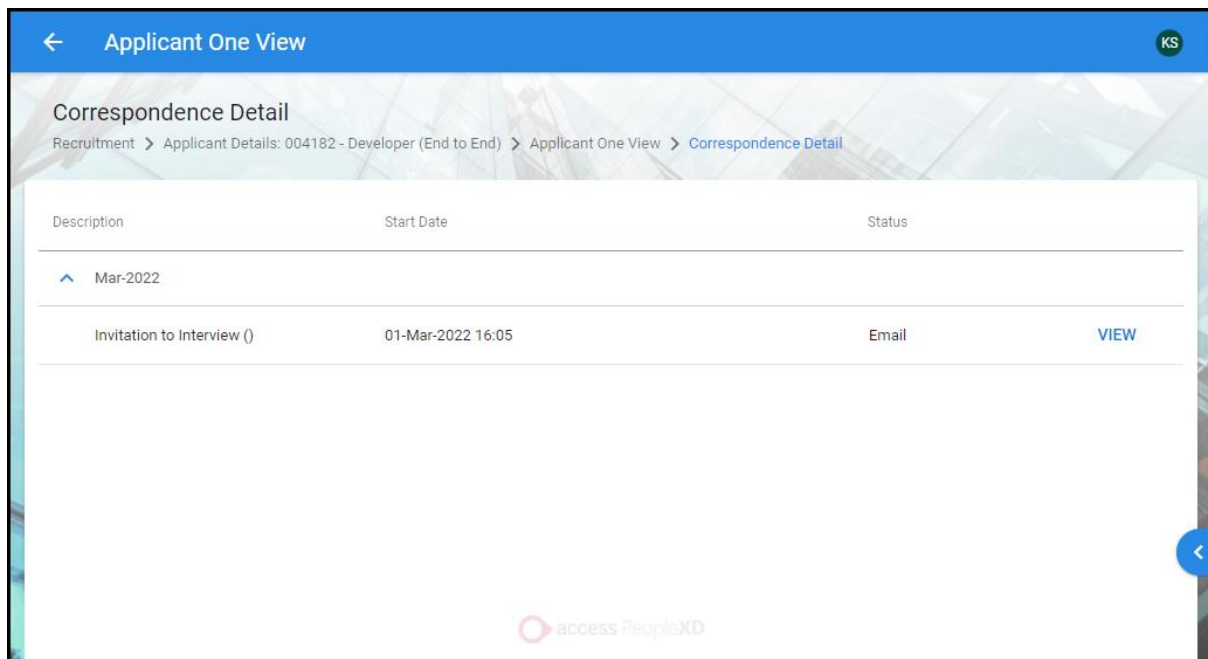

For example:

- An automatic notified to confirm the application has been received.
- An email to confirm that they have been shortlisted.
- An email to invite them to attend an interview.
- A hard copy of a printed offer letter.

This list displays specific email correspondence types with the applicant, per vacancy. If an applicant has applied for more than one vacancy, use the *Vacancy* drop-down list to select each vacancy and view the corresponding mails

Emails that have been sent from XD to the applicant via the following processes, are available on the *Correspondence* screen:

- EMS alerts
- Generate Emails button

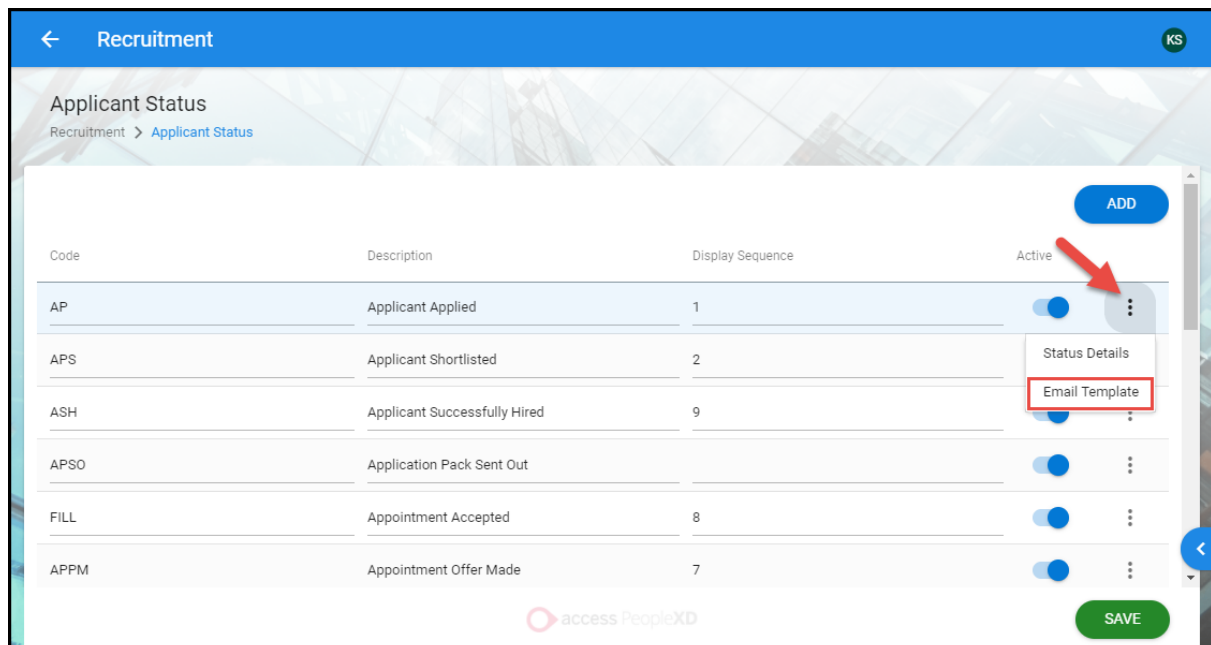

The following applicant correspondence types are not captured / displayed on the *Applicant Details* > *Correspondence* screen.

- Any emails from an applicant, in response to an email that has been sent from XD Recruitment. Those emails are not captured on XD Recruitment. They are directly emailed to the mailbox of the 'From' email address.
- Applicant notifications via the Careers Website are not included in the correspondence section. These are the job alert notifications that the applicants can sign up for and job offer information.
- Any correspondence not sent to the applicant e.g. sent to the interview panel, references etc.
- Any other email / correspondence type not listed in above.

Applicant Status Emails

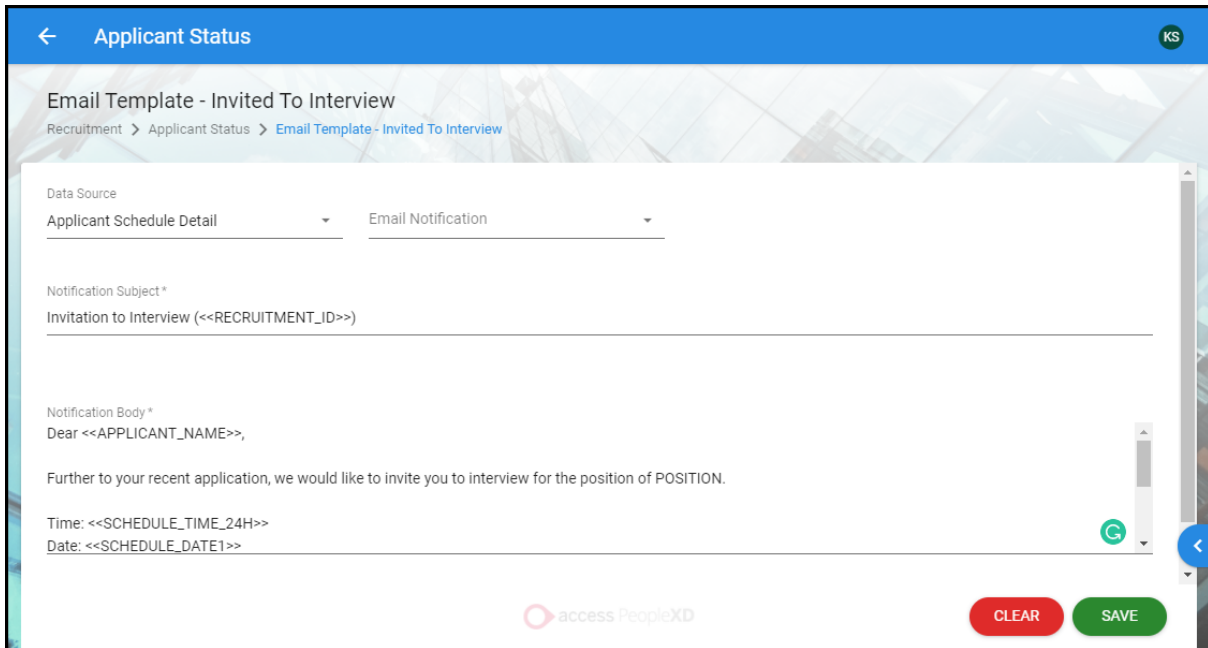

Email templates can be configured to automatically send an email to the applicant, when their *Applicant Status* has been updated to a specific value. For this to occur, an email template must be set up for the *Applicant Status* value.

These templates are managed on the *Toolbox* > *Applicant Status* screen.

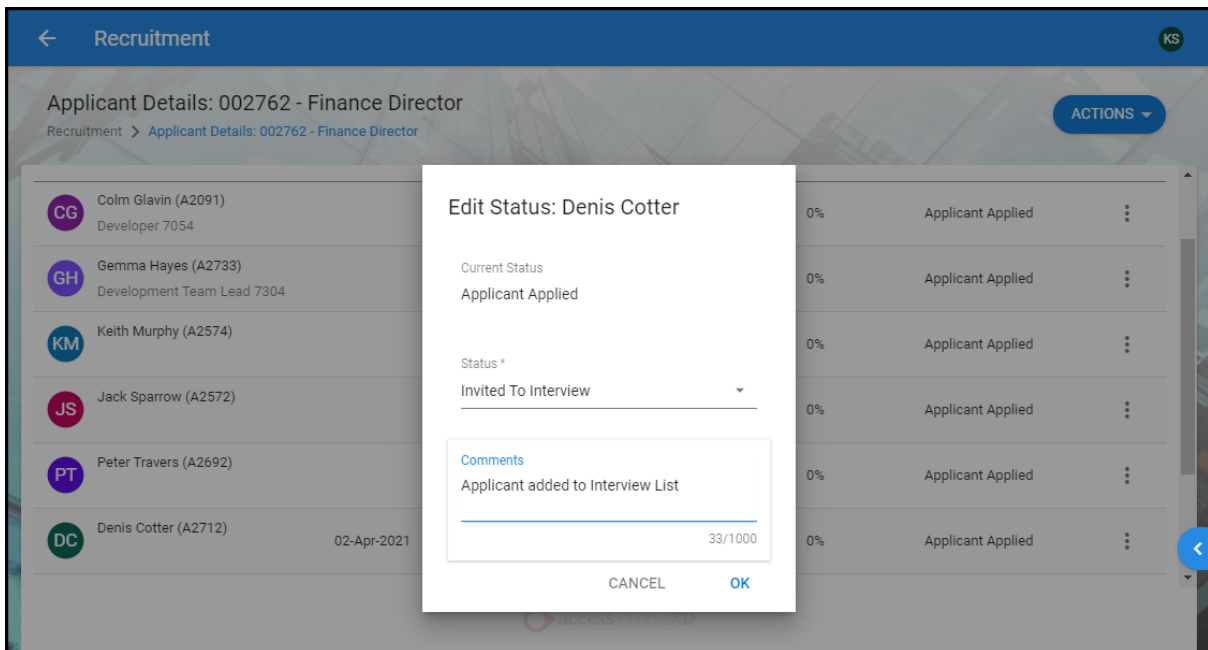

XD Recruitment: Applicant OneView - User Guide

For each *Applicant Status*, click the  button and select **Email Template** to define an email template.

The screenshot shows the 'Email Template - Invited To Interview' configuration page. At the top, there's a breadcrumb trail: Recruitment > Applicant Status > Email Template - Invited To Interview. The form has two tabs: 'Data Source' (selected) and 'Email Notification'. Under 'Data Source', there are two dropdown menus: 'Applicant Schedule Detail' and 'Email Notification'. The 'Notification Subject *' field contains 'Invitation to Interview (<<RECRUITMENT_ID>>)'. The 'Notification Body *' field contains a template: 'Dear <<APPLICANT_NAME>>,' followed by a blank line, then 'Further to your recent application, we would like to invite you to interview for the position of POSITION.' Below this, there are two more fields: 'Time: <<SCHEDULE_TIME_24H>>' and 'Date: <<SCHEDULE_DATE1>>'. At the bottom right, there are 'CLEAR' and 'SAVE' buttons. The PeopleXD logo is visible at the bottom center.

For example, if the status has been updated to *Invited to Interview*.

The screenshot shows the 'Edit Status: Denis Cotter' dialog box. The 'Current Status' is 'Applicant Applied'. The 'Status *' dropdown is set to 'Invited To Interview'. There is a 'Comments' section with the text 'Applicant added to Interview List' and a character count '33/1000'. At the bottom, there are 'CANCEL' and 'OK' buttons. In the background, a list of applicants is visible, including Colm Glavin, Gemma Hayes, Keith Murphy, Jack Sparrow, Peter Travers, and Denis Cotter (A2712) with a date of 02-Apr-2021.

An email pop-up may appear with the option to send a mail to the applicant.
